CRY BABY

Moderato

By WALTER SMITH

Tune like

G.C.E.A

You admit that
I would rather

TILL READY

G7
C

I am not to blame.
Still I see the tears-drop just the
see you smile than sigh.
I would rather see you laugh than

G7

same.
Wish that you'd grow up some day
cry.
Smiles will win where tears would lose

Any performance
not restricted
act this way, Do you want me to call you this name?
way the blues You could sure-ly change if you would try.

CHORUS

Cry Baby, Cry Baby, Why do you cry?

Why are you blue? What did I do? You get as

jealous, as jealous can be If some-one
else even glances at me. Dry up your tears, be your-
self for a while. I love you sweet-heart so cheer up and smile.

(because I say) There is no reason that you should be sore so,

Cry Baby, My Baby, Don't cry no more. more.
