When you least ex - spect her to, She will come a - court-ing you;
But some-times it will oc-cur That you fail to wel-come her,

Flat-tered by her kind ad-dress, You're in-flat-ed with suc - cess
And the one she calls up - on Nev-er knows it till she's gone

No one knows where she may stir, Far her fav - or rang - es,
When she comes a - call-ing then, Prize her prof - fered to - ken,

You should make the most of her, 'Ere her fan - cy chang - es.
She may nev - er come a-gain, Once the charm is brok - en.
