Dear old Look-out Mountain, look for me From your moun-tain height a
Ev-'ry-where I've been I've heard them boast Of the trea-sures that they

bove, While you're watch-ing o-ver Ten-nes-see Wont you look out for the girl I
own, Clear from Maine to that Pa-ci-fic coast All their won-drous beauties I've been

love, Tho' I left you both to roam a-round All my roam-ing days are
shown, Ev-'ry state has trea-sures, I'll ad-mit, But I know a thing that's

thru, You wont doubt When you find out I've been true to both of you: —
true, They'd own up they were shown up If they looked at both of you: —

Chorus
