I nev - er had a moth - er, but I

Piano

love her just the same, I don't know where I

got my - self, not ev - en my own name I

thought I once heard some-one say, "I have my pa - pa's face," He

left me noth - ing but a mark, in a most pe - cu - liar place, and

yet when things go wrong, from the past comes this old song

L.H.

Burthen

Nest - le close to moth - er darl - ing have no fear

She can, as no oth - er, kiss a - way each tear,

Al - ways there to cheer you as the years roll on

She'll be ev - er near you, ev - er when she's gone

Nest - le close to moth - er darl - ing have no fear

She can, as no oth - er kiss a - way each tear,

Al - ways there to cheer you, as the years roll on,

She'll be ev - er near you, ev - en when she's gone

Al - ways there to cheer you as the years roll on

She'll be ev - er near you ev - en when she's gone.
