# If Someone Only Cared For Me.

Words and Music by  
HAROLD JACK GOULD.

Moderato.

*f* *rit.*

*p slowly.*  
*Vamp.* *p*

I am feel-ing blue, Lone-ly thro' and thro',  
Guess I'm kind of slow; Or I'd have a beau,-

No - one seems to no - tice me at all;  
One to hold my hand and call me "Dear,"

That's the rea - son why I can't help but sigh,  
Tho' so hard I try, They all pass me by,-

Ev - 'ry eve - ning, when the shad - ows fall.  
 Could - n't ev - er make a hit, I fear.

Mar - ried folks I know Say, "It's bet - ter so,"  
 Nev - er knew the bliss Of a sweet - heart's kiss,

That is all I get for sym - pa - thy; Tho' they may be right,  
 And I'm long - ing for just one or two; But my i - dle dreams

*poco rall.*

Still, when comes the night, I long for some - one to care for me.  
 Are in vain, it seems, - An - y - way, they nev - er do come true.

Chorus.

*Dreamily. p-f*

If some - one \_\_\_\_\_ would on-ly care \_\_\_\_\_ A lit-tle bit for lonely me, \_\_\_\_\_ If some-

one \_\_\_\_\_ would on-ly dare, \_\_\_\_\_ How tru-ly hap-py I would be; \_\_\_\_\_ It is

hard \_\_\_\_\_ to live a - lone, \_\_\_\_\_ Tho' that's the line of Fate I see, \_\_\_\_\_ And the

world would seem lots brighter If someone on-ly cared for me. \_\_\_\_\_ If some- me. *D.C.*
