## 2015-2016 Catalog Year - MAPP

### Design Studies BA

#### ASU Major

Design Studies, BA - Herberger Institute for Design and the Arts

#### Special Requirements

The MAPP for the BA in Design Studies is provided as a transfer pathway for students wishing to complete their BA in Design Studies at Arizona State University. Some students wish to pursue a Bachelor of Science in Design, and this is possible, but the five professional design degrees (Bachelor of Science in Design in Architectural Studies, Graphic Design, Industrial Design, Interior Design, Landscape Architecture) require 8 semesters (4 years) of sequential studio coursework at Arizona State University. For this reason we suggest students at Maricopa Community Colleges complete the BA Design Studies MAPP and then consider pursuing the 3-plus graduate programs in Architecture, Industrial Design, Interior Architecture, Landscape Architecture and Visual Communication Design. 2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of "C" or better.

ASU will accept transfer credit for traditional course work you have successfully completed at regionally accredited institutions of higher education. The applicability of the specific course toward a degree depends on the requirements of the department, division, college or

school in which you are enrolled at ASU. Students are responsible for working with their advisor to confirm all transfer transcripts are on file with ASU. For more information: <https://transfer.asu.edu/credits>

## 2015-2016 Catalog Year - MAPP Environmental Design

### ASU Major

Environmental Design, BS - Herberger Institute for Design and the Arts

### Special Requirements

The MAPP for the BA in Environmental Design is provided as a transfer pathway for students wishing to complete their BA in Environmental Design at Arizona State University. Some students wish to pursue a Bachelor of Science in Design, and this is possible, but the five professional design degrees (Bachelor of Science in Design in Architectural Studies, Graphic Design, Industrial Design, Interior Design, Landscape Architecture) require 8 semesters (4 years) of sequential studio coursework at Arizona State University. For this reason we suggest students at Maricopa County Community Colleges complete the BA Design Studies MAPP and then consider pursuing the 3-plus graduate programs in Architecture, Industrial Design, Interior Architecture, Landscape Architecture and Visual Communication Design. 2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of "C" or better.

## 2015-2016 Catalog Year - MAPP Interdisciplinary Studies BIS

### ASU Major

Interdisciplinary Studies, BA - College of Letters and Sciences

### Special Requirements

Students must complete the MAPP and all special requirements, must have the Arizona General Education Curriculum (AGEC-A, AGECE-S, or AGECE-B) certified on their transcript and must have their Associate Degree (AA, ABUS-GR, ABUS-SR, AS, AAEE, or AAFA) completed and noted on their transcripts. Students satisfying these criteria meet ASU major map requirements and are guaranteed admission to the Interdisciplinary Studies B.I.S. degree program. The Bachelor of Interdisciplinary Studies allows students to take an active role in designing their own major by selecting two subject areas. Students should follow the BIS Concentration Checksheet for their two subject areas of interest. Some combinations are not permissible; contact an ASU advisor for additional information. Special requirements: 2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of "C" or better.

ASU will accept transfer credit for traditional course work you have successfully completed at regionally accredited institutions of higher education. The applicability of the specific course toward a degree depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Students are responsible for working with their advisor to confirm all transfer transcripts are on file with ASU. For more information: <https://transfer.asu.edu/credits>

## 2015-2016 Catalog Year - MAPP Mechanical Engineering BSE

### ASU Major

Mechanical Engineering, BSE - Ira A. Fulton Schools of Engineering

### Special Requirements

Completion of the Maricopa to ASU Engineering Pathway and all special requirements meets ASU major map requirements and guarantees admission to the Aerospace (Aeronautics), Aerospace (Astronautics), Aerospace (Autonomous Vehicle) Engineering, Mechanical Engineering, Mechanical Engineering (Computational Mechanics), or Mechanical Engineering (Energy & Environment) BSE degree program. Note: Engineering Core Courses should be completed prior to enrolling in any additional lower division requirement courses. While requirements listed will meet ASU degree requirements, only 64 credit hours are transferable to ASU. Special Requirements: 3.0 transfer GPA as calculated by ASU for admissions. All courses must be completed with a grade of "C" or better.

## 2015-2016 Catalog Year - MAPP Medical Studies, BS

### ASU Major

Medical Studies, BS - College of Health Solutions

### Special Requirements

Completion of the MAPP and all special requirements satisfies the requirements for MCCC Associate of Arts degree and AGECE-A, meets major map requirements at ASU, and guarantees admission to the Medical Studies B.S. degree program. Special Requirements: 3.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of "C" or better. Students will need to have an ASU cumulative GPA of 3.2 or higher to apply for the MED 484 internship after transfer. Students who are below that GPA will choose from the breadth electives. Please see the ASU Major Map for more information.

## 2015-2016 Catalog Year - MAPP

### Music BA

#### ASU Major

Music, BA - Herberger Institute for Design and the Arts

#### Special Requirements

Completion of the MAPP and all special requirements satisfies the requirements for MCCC Associate in Arts degree and AGEC-A, meets major map requirements at ASU. Acceptance into the School of Music is contingent upon a successful audition the semester before transferring to ASU. Please refer to the following website for application and audition deadlines: <http://music.asu.edu/admissions/> Students wishing to pursue a Bachelors of Music Degree (with the exception of BM Theory & Composition in Theory) should meet with a Herberger advisor to discuss audition preparation by their third term of study at the community college. The Bachelor of Music degree requires successful completion of an audition demonstrating a high level of musicianship and may require more than 2 years of study at ASU. Special Requirements: 2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a "C" or better.

## 2015-2016 Catalog Year - MAPP Nutrition (Nutrition Communication) BS

### ASU Major

Nutrition (Nutrition Communication), BS - College of Health Solutions

### Special Requirements

Completion of the MAPP and all special requirements satisfies the requirements for MCCCDC Associate in Arts degree and AGEC-A, meets major map requirements at ASU, and guarantees admission to the Nutrition (Nutrition Communication) B.S. degree program. Special Requirements: 2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of "C" or better. ASU's Nutrition (Human Communication) BS degree does not meet the Academy of Nutrition and Dietetics Didactic Program in Dietetics (DPD) requirements, thus does not qualify students to apply for a Dietetic Internship.

## 2015-2016 Catalog Year - MAPP Psychology BS (College of Liberal Arts & Sciences)

### ASU Major

Psychology, BS - College of Liberal Arts and Sciences

### Special Requirements

Completion of the MAPP and all special requirements satisfies the requirements for MCCC Associate in Arts degree and AGEC-A, meets major map requirements at ASU, and guarantees admission to the Psychology B.S. degree program. Special Requirements: 2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of "C" or better. If a student has previously attended ASU but left with a gpa below 2.0, that student is not eligible to pursue this pathway because the student is not admissible to Psychology at the Tempe campus.

## 2015-2016 Catalog Year - MAPP Secondary Education (Physics) BAE

### ASU Major

Secondary Education (Physics), BAE - Mary Lou Fulton Teachers College

### Special Requirements

Completion of the MAPP and all special requirements satisfies the requirements for MCCCCD Associate in Science degree and AGEC-S, meets major map requirements at ASU, and guarantees admission to the Secondary Education (Physics) B.A.E. degree program. Special Requirements: 2.5 GPA in Physics concentration courses. 2.5 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of "C" or better. While successful completion of the MAPP will guarantee admission to ASU's Mary Lou Fulton Teachers College, additional course work in your content area of specialization may be required prior to admission to the iTeachAZ Professional Teacher Program which may impact your ability to seamlessly progress through the upper division course work. We recommend you speak to a Mary Lou Fulton Teachers College advisor to discuss these requirements further.

ASU will accept transfer credit for traditional course work you have successfully completed at regionally accredited institutions of higher education. The applicability of the specific course toward a degree depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Students are responsible for working with their advisor to confirm all transfer transcripts are on file with ASU. For more information: <https://transfer.asu.edu/credits>

## 2015-2016 Catalog Year - TAG Secondary Education (Chemistry) BAE

### ASU Major

Secondary Education (Chemistry), BAE - Mary Lou Fulton Teachers College

### Special Requirements

Completion of the TAG and all special requirements satisfies the requirements for Arizona Western College Associate of Science degree in Chemistry and AGEC-S, meets major map requirements at ASU and guarantees admission to the Secondary Education (Chemistry) B.A.E. degree program. Special Requirements: 2.5 GPA in Chemistry concentration courses. 2.5 GPA in remaining coursework used to satisfy TAG requirements. All courses must be completed with a grade of "C" or better. While successful completion of the TAG will guarantee admission to ASU's Mary Lou Fulton Teachers College, additional course work in your content area of specialization may be required prior to admission to the iTeachAZ Professional Teacher Program which may impact your ability to seamlessly progress through the upper division course work. We recommend you speak to a Mary Lou Fulton Teachers College advisor to discuss these requirements further.

#### Special Requirements

Completion of the TAG and all special requirements satisfies the requirements for Central Arizona College Associate in Business degree and AGEC-B, meets major map requirements at ASU, and guarantees admission to the Business B.S. degree program. Special Requirements: In addition to university requirements, the W. P. Carey School of Business has the following special requirements: All courses must be completed with a grade of "C" or better. A minimum 3.0 ASU cumulative GPA (if an ASU GPA is earned). Students who complete the TAG with a 3.0 cumulative transfer GPA\* and submit one of the following: an SAT (math and critical reading sections only) score of 1160 or higher, OR an ACT composite score of 25 or higher, OR a high school class ranking in the top 8 percent, OR an overall high school GPA of 3.60 in ASU competency courses (A=4.00) are guaranteed admission to the W. P. Carey School of Business Bachelor of Science degree program, subject to capacity availability. Students may be assigned to a specific campus. \*Because Arizona State University computes GPAs differently than Central Arizona College, admission to the B.S. program can only be certified after ASU calculates and certifies the GPA. Only 64 credits are transferrable to ASU. Please refer to ASU Degree Search for information regarding readmissions requirements.

In addition, students must complete the courses that meet the listed general studies requirements with a grade of "C" or better. These courses are not included in the 2.5 cumulative GPA computation. All remaining courses must be completed with a grade of C or better. Upon transfer to ASU: Students must have a current RN license in good standing before taking the courses in the RN-BSN program (TWC/NUR). All additional ASU General Studies requirements can be completed while enrolled in the RN-BSN program. All other requirements are selected by the student and must be completed prior to graduation from ASU. While the pathway requirements total 79 credits, there are only 75 maximum transferable credit hours; the excess hours will not transfer.

Completion of the TAG and all special requirements satisfies the requirements for Mohave Community College Associate of Arts in Liberal Arts and AGEC-B, meets major map requirements at ASU, and guarantees admission to the Business B.S. degree program. Special Requirements: In addition to university requirements, the W. P. Carey School of Business has the following special requirements: All courses must be completed with a grade of "C" or better. A minimum 3.0 ASU cumulative GPA (if an ASU GPA is earned). Students who complete the TAG with a 3.0 cumulative transfer GPA.\* and submit one of the following: an SAT (math and critical reading sections only) score of 1160 or higher, OR and ACT composite score of 25 or higher, OR a high school class ranking in the top 8 percent, OR an overall high school GPA of 3.60 in ASU competency courses (A=4.00) are guaranteed admission to the W.P. Carey School of Business Bachelor of Science degree program, subject to capacity availability. Students may be assigned to a specific campus.\* Because Arizona State University computes GPA's differently than Mohave Community College admission to the BS program can only be certified after ASU calculates and certifies the GPA. Only 64 credits are transferrable to ASU. Please refer to ASU Degree Search for information regarding readmissions requirements.

#### Special Requirements

Completion of the TAG and all special requirements satisfies the requirements for Pima Community College Associate of Business degree in Business Administration and AGEC-B, meets major map requirements at ASU, and guarantees admission to the Business B.A. degree program. Special Requirements: In addition to university requirements, the W.P. Carey School of Business has the following special requirements: All courses must be completed with a grade of "C" or better. Students must complete the TAG with a 3.0 cumulative transfer GPA. \* A Minimum 3.0 ASU cumulative GPA (if an ASU GPA is earned). \* Because Arizona State University calculates GPA's differently than Pima Community College, admission to the BA program is certified upon calculation of the 3.0 cumulative transfer GPA by ASU Undergraduate Admissions. Effective Fall 2013, ASU no longer requires submission of SAT and ACT scores for admission to B.A. programs within the W.P. Carey School of Business. Only 64 credits are transferrable to ASU. Please refer to ASU Degree Search for information regarding readmissions requirements.
