- For the Interdisciplinary Requirement:
- Students can choose courses from any of the three Interdisciplinary areas/track groups.
- To meet the requirement, students must take two courses from at least two different groups.

For the Solution-Based Learning (SBL) College Requirement:
- Students must complete one SBL course by degree completion.
- Successful completion of URB 484 will satisfy the SBL Requirement.

- See track/group notes below for track elective details.
- All students must complete 12 hours of approved Related Discipline courses. A Related Discipline is a concentration outside of Sustainability that augments the student's Sustainability education. See advisor for approval.
- Begin exploring internship opportunities and meet with the School of Sustainability Internship and Experiential Education Specialist to discuss your interests.
- See track/group notes below for upper division track elective details.
- All students must complete 12 hours of approved Related Discipline courses. A Related Discipline is a concentration outside of Sustainability that augments the student's Sustainability education. See advisor for approval.
- Meet with the School of Sustainability career advisor to discuss and refine your career search process.
Term 8 108-120 Credit Hours Necessary course signified by Hours \begin{tabular}{c} 
Minimum \\
Grade
\end{tabular}\(\quad\) Notes
- BA Students must select one of the following challenge area tracks:
- Society \& Sustainability (SOS 320)
- Policy and Governance in Sustainable Systems (SOS 321)
- International Development and Sustainability (SOS 322)
- Sustainable Urban Dynamics (SOS 323 or SOS 465)
- Students must declare a track by the end of Term 4
- Students must complete the one required course for their chosen track.
- Students must also complete any additional three track courses for a total of 12 credit hours of track courses. Select from SOS 320, SOS 321, SOS 322, SOS 323, SOS 324, SOS 325, SOS 326, SOS 327, SOS 328, or SOS 465.
- Students must complete two track elective courses from their chosen track. At least one track elective course must be upper division.

Example: If the Society and Sustainability Track is chosen, students must complete SOS 320 and any three additional track courses by the end of Term 5 .

More information on BA Tracks can be found here.

International Development and Sustainability
Track

\section*{Required Course:}

SOS 322: International Development and Sustainability

Electives:
AFR 340: The Making of Modern Africa (SB \& G \& H)

ALT 412: Village Energy Systems
ASB 100: Introduction to Global Health (SB
\& G) or SSH 100: Introduction to Global Health (SB \& G)

FIS 337: Innovation and Global Development (G)

GCU 364: Energy in the Global Arena (SB \& G)

GPH 314: Global Change (HU \& G)

JUS 325: Globalization and Socio-Economic Justice (SB \& G) or SGS 325: Globalization and Socio-Economic Justice (SB \& G)

JUS 352: The Global Politics of Human Rights (SB \& G)

POS 160: Global Politics (SB \& G)
POS 368: Ethics and Human Rights
POS 486: International Political Economy (SB \& G)

SBS 480: Global Justice (G)
SGS 301: Principles of Global Studies
SGS 303: Global Trends (SB)
SOC 333: Population (SB \& G)
SOS 447: Gender, Culture, and Development ((L or SB) \& G)

SSH 305: Poverty and Global Health ((L or SB) \& G)

STS 330: Information Technology and

Globalization (SB \& G)

STS 332: Global Issues in Science and Technology (SB)

Policy and Governance in Sustainable Systems Track

Required Course:
SOS 321: Policy and Governance in Sustainable Systems

Electives:
ABS 381: Natural Resources Policy
ASB 328: Rules, Games, and Society (L)
BIO 412: Conservation in Practice
ECN 441: Public Economics (SB)
GCU 361: Urban Geography (SB)
GPH 314: Global Change (HU \& G)
HST 345: Environmental History (L)

PAF 300: Public Management and Administration

PAF 340: Contemporary Policy Challenges

PHI 407: Environmental Philosophy and Policy (L or HU)

POS 160: Global Politics (SB \& G)
POS 300: Contemporary Global Controversies (SB \& G)

POS 346: Problems of Democracy (HU)
POS 351: Democratization (SB \& G)
POS 364: National Security, Intelligence, and Terrorism (SB)

POS 368: Ethics and Human Rights
POS 410: Governing American Cities (SB)
PUP 301: Introduction to Urban Planning (L)
PUP 430: Transportation Planning and the Environment

STS 325: Science, Technology, and Public Policy (SB)

Society and Sustainability Track

\section*{Required Course:}

SOS 320: Society and Sustainability (L or SB)

Electives:

ASB 202: Immigration and Ethnic Relations in the U.S. (SB \& C)

ASB 211: Women in Other Cultures ((HU or SB) \& G)

ASB 311: Principles of Social Anthropology (SB \& G \& H)

ASB 326: Human Impacts on Ancient Environments (SB \& H)

ASB 344: Technology and Society (L or SB)
ASB 417: Political Anthropology (L)
ASB 430: Social Simulation (CS)
ENG 367: Environmental Issues in Literature and Film (L or HU)

FIS 111: Welcome to the Future
FIS 334: Science, Technology and Inequality (C)

GCU 350: The Geography of World Crises (SB \& G)

GCU 351: Population Geography (SB \& G)
GCU 357: Social Geography (SB)
GCU 441: Economic Geography (SB)
GCU 442: Geographical Analysis of Transportation (SB)

GPH 210: Society and Environment (G)
JUS 320: Community and Social Justice (SB \& C)

JUS 321: Wealth Distribution and Poverty (SB \& C)

JUS 405: Inequality, Economy and Justice ((L or SB) \& G)

JUS 430: Social Protest, Conflict, and Change ((L or SB) \& C)

JUS 444: Environment and Justice (L \& C)

TEM 450: Design for the Developing World

TEM 455: Global Impact Entrepreneurship
WST 378: Global Feminist Theory (L \& G)

Sustainable Urban Dynamics Track

Required Course:
SOS 323: Sustainable Urban Dynamics or SOS 465: Sustainable Urbanism

Electives:

ABS 260: Fundamentals of Sustainable Horticulture (SG) ABS 364: Urban Forestry

ALA 100: Introduction to Environmental Design (HU \& H \& G)

ASB 442: Global Cities (SB \& G) or SBS 460: Global Cities (SB \& G)

CHE 469: Air Quality Engineering GCU 359: Cities of the World I (SB \& G \& H) GCU 360: Cities of the World II (SB \& G)

NLM 301: Sustainable Communities or TDM
301: Sustainable Communities or PRM 301:
Sustainable Communities

PSY 306: Environmental Psychology (SB)
PSY 350: Social Psychology (SB)
SOC 270: Racial and Ethnic Relations (SB \& C)

SOC 331: Environmental Sociology (SB \& G)
SOC 332: The Modern City (G)
SOC 334: Technology and Society (L or SB)
SOC 352: Social Change (SB \& G \& H)
SOS 370: Ethics of Eating (L or SB) or ASB 370: Ethics of Eating (L or SB) or SOC 370: Ethics of Eating (L or SB)

SOS 309: History and Philosophy of Sustainability or HST 308: History and
Philosophy of Sustainability or PHI 322:
History and Philosophy of Sustainability
SOS 447: Gender, Culture, and Development ((L or SB) \& G)

SOS 467: Art and Ecology
WST 375: Women and Social Change (SB \& C)

WST 380: Race, Gender, and Class (SB \& C)
WST 457: Women, Cultures, and Societies (SB \& G)

GCU 361: Urban Geography (SB)
GCU 425: Geography of the Mexican
American Borderland ((L or SB) \& G)
GCU 442: Geographical Analysis of
Transportation (SB)
POS 410: Governing American Cities (SB)
POS 464: Border Cities: Action Research on
Globalization (SB \& G)

In order to complete this concurrent degree in 4 years, you must take courses during the summer. This may impact your financial aid. Financial aid is available to those who apply and qualify, and students may receive funds to help cover costs for each semester of enrollment. The amount of financial aid that a student is eligible for varies depending on prior education experience and other individual factors. Learn more about summer financial aid and additional ways to cover summer costs.

\(\begin{array}{l}\text { Term } 7 \text { 122-138 Credit Hours Necessary course signified by }\end{array}\) Hours \(\left.\begin{array}{c}\text { Minimum } \\ \text { Grade }\end{array}\right]\) Notes

- Tracks available for the concurrent degree in Supply Chain Management and the BA in Sustainability:
- Policy and Governance in Sustainable Systems
- International Development and Sustainability
- Sustainable Urban Dynamics

Students may choose any of the upper division challenge area/track courses, but MUST complete at least the course that corresponds with the track they have chosen (e.g., if the Policy and Governance in Sustainable Systems track is chosen, students should choose SOS 321 and three other challenge area/track courses).

- BA Students must select one of the following challenge area tracks: Society \& Sustainability (SOS 320)
Policy and Governance in Sustainable Systems (SOS 321)
International Development and Sustainability (SOS 322)
Sustainable Urban Dynamics (SOS 323 or SOS 465)
- Students must declare a track by the end of Term 4
- Students must complete the one required track course for their chosen track.
- Students must also complete any additional three track courses for a total of four (12 credit hours) track courses. Select from SOS 320, SOS 321, SOS 322, SOS 323, SOS 324, SOS 325, SOS 326, SOS 327, SOS 328, or SOS 465.
- Students must complete two track elective courses from their chosen track. At least one track elective course must be upper division.

Example: If the Society and Sustainability Track is chosen, students must complete SOS 320 and any three additional track courses by the end of Term 5 .

More information on BA Tracks can be found here.

Policy and Governance in Sustainable Systems Track

Required Course:
SOS 321: Policy and Governance in Sustainable Systems

Electives:
GCU 361: Urban Geography (SB)
GPH 314: Global Change (HU \& G)
PAF 300: Public Management and Administration

PAF 340: Contemporary Policy Challenges
POS 160: Global Politics (SB \& G)
POS 300: Contemporary Global Controversies (SB \& G)

POS 351: Democratization (SB \& G)

POS 368: Ethics and Human Rights
PUP 301: Introduction to Urban Planning (L)
PUP 430: Transportation Planning and the Environment

Required Course:
SOS 320: Society and Sustainability (L or SB)

Electives:
ENG 367: Environmental Issues in Literature and Film (L or HU)

GCU 350: The Geography of World Crises (SB \& G)

GCU 351: Population Geography (SB \& G)
GCU 442: Geographical Analysis of Transportation (SB)

GPH 210: Society and Environment (G)
PSY 350: Social Psychology (SB)
SOC 270: Racial and Ethnic Relations (SB \& C)

SOC 332: The Modern City (G)
SOC 334: Technology and Society (L or SB)
SOC 352: Social Change (SB \& G \& H)

- BS Students must select one of the following challenge area tracks:
- Energy, Materials, and Technology (SOS 324)
- Economics of Sustainability (SOS 325)
- Sustainable Ecosystems (SOS 326)
- Students must declare a track by the end of Term 4
- Students must complete the one required track course for their chosen track.
- Students must also complete any additional three track courses for a total of four ( 12 credit hours) track courses. Select from SOS 320, SOS 321, SOS 322, SOS 323, SOS 324, SOS 325, SOS 326, SOS 327, SOS 328, or SOS 465.
- Students must complete two track elective courses from their chosen track. At least one track elective must be upper division.
Example: If the Economics of Sustainability Track is chosen, students must complete SOS 325 and any three additional track courses by the end of Term 5 .

More information on BS Tracks can be found here.

- Some upper division track courses require prerequisites not required for this degree. Students may wish to use elective hours to complete those prerequisites.

All students pursuing a B.S. or B.S.P. degree in the College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://clas.asu.edu/resources/science-society. At least one of the two courses must be upper division. Students must earn a C or better in the courses, and no more than one of the two can also be used to simultaneously fill a requirement of the major, minor or related area. Science and Society courses cannot also be used to fill the general studies \(\mathrm{HU}, \mathrm{SB}, \mathrm{SQ}\) or SG requirements.

\section*{Pathway Notes}

All courses must be completed with a grade of " C " or better

\section*{Special Requirements}

This degree program requires meeting W. P. Carey Bachelor of Science requirements.

Admission Requirements:
Students must complete the MAPP with a 3.0 cumulative transfer GPA. A minimum 3.0 ASU cumulative GPA is also required (if an ASU GPA has been earned).

In addition to a minimum 3.00 cumulative transfer GPA, students must meet one of the following for admission to the W. P. Carey Bachelor of Science degree program: SAT (math and critical reading sections only) score of 1230 (after March 2016) or 1160 (prior to March 2016), OR an ACT composite score of 25 or higher, OR a high school class ranking in the top 8 percent, OR an overall high school GPA of 3.60 in ASU competency courses \((A=4.00)\).

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Business (ABUS-GR) and AGEC-B, meets majo map requirements at ASU, and guarantees admission to the university and admission to W.P. Carey Bachelo of Science degree. Because Arizona State University calculates GPAs differently than the Maricopa Community College District, admission to the BS program is certified upon the calculation of the 3.0 cumulative transfer GPA by ASU Undergraduate Admissions. A cumulative transfer GPA includes all cumulative transfer GPA includes al college coursework completed at regionally accredited institutions
higher education. Students are higher education. Students are
responsible for confirming all transfer responsible for confirming all transfer
transcripts are on file with ASU. For more information:
https://transfer.asu.edu/credits
Only 64 credits are transferrable to ASU. Please refer to ASU Degree Search for information regarding readmissions requirements.

\section*{Pathway Notes}
2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of \(C\) or greater.

\section*{Special Requirements}

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Arts degree and AGEC-A, meets major map requirements at ASU, and guarantees admission to the African and African American Studies B.A. degree program American Studies B.A. degree program in either the African Studies or African Diaspora Studies.

ASU will accept transfer credit for traditional course work you have successfully completed at regionally accredited institutions of higher education. The applicability of the specific course toward a degree depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Students are responsible for working with their advisor to confirm all transfer transcripts are on file with ASU. For more information:

\section*{Special Requirements}

Admission Requirements:
Students must complete the MAPP with a 3.0 cumulative transfer GPA. A minimum 3.0 ASU cumulative GPA is also required (if an ASU GPA has been earned).

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Business, General Requirements degree and AGEC-B, meets major map requirements at ASU and guarantees admission to the university and admission to W.P. Carey Bachelor of Arts degree. This degree program requires meeting W. P. Carey Bachelor of Arts requirements. Because Arizona State University calculates GPAs differently than the Maricopa Community College District, admission to the BA program is certified upon the calculation of the 3.0 cumulative transfer GPA by ASU Undergraduate Admissions. A cumulative transfer GPA includes all college coursework completed at regionally accredited institutions of higher education. Students are responsible for confirming all transfer transcripts are on file with ASU. For more information:
https://transfer.asu.edu/credits
Effective Fall 2013 ASU no longer
requires submission of a current SAT Reasoning score or ACT score by the end of the first semester in the program.

Only 64 credits are transferrable to ASU Please refer to ASU Degree Search for information regarding readmissions requirements.

\section*{Pathway Notes}

All courses must be completed with a grade of " C " or better

\section*{Special Requirements}

Admission Requirements:
Students must complete the MAPP with a 3.0 cumulative transfer GPA. A minimum 3.0 ASU cumulative GPA is also required (if an ASU GPA has been earned).

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Business, General Requirements degree and AGEC-B, meets major map requirements at ASU and guarantees admission to the university and admission to W.P. Carey Bachelor of Arts degree. This degree program requires meeting W. P. Carey Bachelor of Arts requirements. Because Arizona State University calculates GPAs differently than the Maricopa Community College District, admission to the BA program is certified upon the calculation of the 3.0 cumulative transfer GPA by ASU Undergraduate Admissions. A cumulative transfer GPA includes all college coursework completed at regionally accredited institutions of higher education. Students are responsible for confirming all transfer transcripts are on file with ASU. For more information:
https://transfer.asu.edu/credits
Effective Fall 2013 ASU no longer
requires submission of a current SAT Reasoning score or ACT score by the end of the first semester in the program.

Only 64 credits are transferrable to ASU Please refer to ASU Degree Search for information regarding readmissions requirements.

Pathway Notes
All courses must be completed with a grade of " C " or better

\section*{Special Requirements}

This degree program requires meeting W. P. Carey Bachelor of Science requirements.

Admission Requirements:
Students must complete the MAPP with a 3.0 cumulative transfer GPA. A minimum 3.0 ASU cumulative GPA is also required (if an ASU GPA has been earned).

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Business (ABUS-SR) and AGEC-B, meets major map requirements at ASU, and
guarantees admission to the university and admission to W.P. Carey Bachelor of Science degree.

In addition to a minimum 3.00 cumulative transfer GPA, students must meet one of the following for admission to the W. P. Carey Bachelor of Science degree program: SAT (math and critical reading sections only) score of 1230 (after March 2016) or 1160 (prior to March 2016), oran ACT (composite), OR an ACT composite score of 25 or higher, OR a high school class ranking in the top 8 percent, OR an overall high school GPA of 3.60 in ASU competency courses ( \(\mathrm{A}=4.00\) ). Because Arizona State University calculates GPAs differently than the Maricopa Community College District, admission to the BS program is certified upon the calculation of the 3.0 cumulative transfer GPA by ASU Undergraduate Admissions. A cumulative transfer GPA includes all college coursework completed at regionally accredited institutions of higher education. Students are responsible for confirming all transfer transcripts are on file with ASU. For more information:
https://transfer.asu.edu/credits
Only 64 credits are transferrable to ASU. Please refer to ASU Degree Search for information regarding readmissions requirements.

Pathway Notes
All courses must be completed with a grade of " C " or better

\section*{Special Requirements}

This degree program requires meeting W. P. Carey Bachelor of Science requirements.

Admission Requirements:
Students must complete the MAPP with a 3.0 cumulative transfer GPA. A minimum 3.0 ASU cumulative GPA is also required (if an ASU GPA has been earned).

In addition to a minimum 3.00 cumulative transfer GPA, students must meet one of the following for admission to the W. P. Carey Bachelor of Science degree program: SAT (math and critical reading sections only) score of 1230 (after March 2016) or 1160 (prior to March 2016),oran ACT (composite), OR an ACT composite score of 25 or higher OR a high school class ranking in the top 8 percent, OR an overall high school GPA of 3.60 in ASU competency courses ( \(\mathrm{A}=4.00\) )

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Business (ABUS-GR) and AGEC-B, meets major map requirements at ASU, and guarantees admission to the universityand admission to W.P. Carey Bachelor of Science degree. Because Arizona State University calculates GPAs differently than the Maricopa Community College District, admission to the BS program is certified upon the calculation of the 3.0 cumulative transfer GPA by ASU Undergraduate Admissions. A cumulative transfer GPA includes all college coursework completed at regionally accredited institutions of higher education. Students are responsible for confirming all transfer transcripts are on file with ASU. For more information:
https://transfer.asu.edu/credits
Only 64 credits are transferrable to ASU. Please refer to ASU Degree Search for information regarding readmissions requirements.

Recommend that HU course also includes \([\mathrm{H}]\).

\section*{Pathway Notes}
2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of \(C\) or greater.

\section*{Special Requirements}

Completion of the Maricopa to ASU Engineering Pathway and all specia requirements satisfies the requirements for MCCCD Associate in Science degree and AGEC-S, meets major map requirements at ASU, and guarantees admission to the Engineering BSE;Engineering (Automotive BSE;Engineering (Automotive
Systems):Engineering (Electrical Systems); Engineering (Electrical
Systems); Engineering (Robotics); Systems); Engineering (Robotics);
Engineering (Mechanical Engineering Engineering (Mechanical Engineering
Systems) degree program within the Polytechnic School in the Ira A Fulton Schools of Engineering.

ASU will accept transfer credit for traditional course work you have successfully completed at regionally accredited institutions of higher education. The applicability of the specific course toward a degree depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Students are responsible for working with their advisor to confirm all transfer transcripts are on file with ASU. For more information:
https://transfer.asu.edu/credit.

## Pathway Notes

All courses must be completed with a grade of " C " or better

## Special Requirements

This degree program requires meeting W. P. Carey Bachelor of Science requirements.

Admission Requirements:
Students must complete the MAPP with a 3.0 cumulative transfer GPA. A minimum 3.0 ASU cumulative GPA is also required (if an ASU GPA has been earned).

In addition to a minimum 3.00 cumulative transfer GPA, students must meet one of the following for admission to the W. P. Carey Bachelor of Science degree program: SAT (math and critical reading sections only) score of 1230 (after March 2016) or 1160 (prior to March 2016),oran ACT (composite), OR an ACT composite score of 25 or higher, OR a high school class ranking in the top 8 percent, OR an overall high school GPA of 3.60 in ASU competency courses ( $\mathrm{A}=4.00$ )

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Business for MCCCD Associate in Business
(ABUS-GR) and AGEC-B, meets maj (ABUS-GR) and AGEC-B, meets map requirements at ASU, and guarantees admission to the university and admission to W.P. Carey Bachelo of Science degree. Because Arizona State University calculates GPAs differently than the Maricopa Community College District, admission to the BS program is certified upon the calculation of the 3.0 cumulative transfer GPA by ASU Undergraduate Admissions. A cumulative transfer GPA includes all college coursework completed at regionally accredited institutions of higher education. Students are responsible for confirming all transfer transcripts are on file with ASU. For more information:
https://transfer.asu.edu/credits
Only 64 credits are transferrable to ASU. Please refer to ASU Degree Search for information regarding readmissions requirements.

ECN 212: Microeconomic Principles

## Pathway Notes

2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of $C$ or greater.

## Special Requirements

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Arts and AGEC-A, meets major map requirements at ASU, and guarantees admission to the Global Management, BGM degree program.

While the Global Management, BGM MAPP is listed here as an Associate in Arts, students have the option to pursue an ABUS-GR or ABUS-SR degree. The additional coursework for this option is listed in the track at the bottom of the MAPP. Selecting this option will limit the number of electives available compared to the Associate of Arts because the additional ABUS requirements are taken in their place. Please work with a Maricopa Advisor if you are following the AGEC-B option.

Students pursuing a major in Globa Management have two different major tracks available to them: 1.) International Business, Language, \& Culture, and 2.) International Business \& Culture. Students pursuing the International Business, Language, \& Culture track are required to study a foreign language through the fourth semester-level, as well as upper-division language \& culture courses. Students pursuing International Business \& Culture are not required to study a foreign language; instead, they study additional coursework in international management and global studies.

Students choose one foreign language and complete courses consistent with language choice throughout remainder of program. Credit hours may vary depending on language (Mandarin Chinese or Spanish); Elective credits may require adjustment. See advisor. |
| Lower Division Elective | 0-23 hrs | Lower Division Electives should be completed once all other requirements have been met and only if needed to complete community college's associate degree requirements. Depending on which concentration is chosen (International Business \& Culture or Language and Culture), the amount of elective credit taken must equal the amount needed to reach 60-64 credits. |
| ABUS Requirements | 0 hrs | While the Global Management, BGM MAPP is listed here as an Associate in Arts, students have the option to pursue an ABUS-GR or ABUS-SR degree. This track requires to students to use Lower Division Electives to complete all of the listed requirements before transferring to ASU. It is recommended that students discuss this option with their advisor in order to best plan the elective credits in order to not exceed the maximum transferable credit range (64) |

Total Required Credits: 61

## Special Requirements

The BS in Health Innovation is the first of its kind in the country, intended for students who want to lead
transformative change in health through the creation of new products, processes and systems. With a focus on transdisciplinary experiences, this program will provide students with a broad background in the principles of innovation, leadership, complexity science, change theory, collaboration and evidence-based decision making to prepare graduates to manage implementation of innovation in the health care arena.

This unique program situates students at the intersection of innovation and entrepreneurship in health and healing

This innovative program would be a great pathway for any community college student with an interest in health, business, health care administration, entrepreneurship, and many other areas

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Arts degree and AGEC-A, meets major map requirements at ASU, and guarantees admission to the Health Innovation B.S. degree program

Lower Division Elective $\quad 37$ hrs | Lower division electives may be taken to |
| :--- |
| complete associate degree requirements. Up to |
| a maximum total number of 75 credits may be |
| transferred to ASU for students on this pathway. |

Complete courses to complete the Maricopa
Arizona General Education Curriculum (AGEC) based on your Associate's degree. A completed AGEC satisfies lower division general studies and first year composition.
maximum total number of 75 credits may be transferred to ASU for students on this pathway.

Pathway Notes
2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of $C$ or greater.

## Special Requirements

Students must complete the MAPP and all special requirements, must have the Arizona General Education Curriculum (AGEC) certified on their transcript and must have their Associate Degree (AA, AB, AS, AAEE, or AFA) completed and noted on their transcripts. Students satisfying these criteria meet ASU major map requirements and are guaranteed admission to the Interdisciplinary Studies (Organizational Studies) degree program.

\section*{Pathway Notes}
2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of \(C\) or greater.

\section*{Special Requirements}

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Arts degree and AGEC-A, meets major map requirements at ASU, and guarantees admission to the International Trade, BS degree program.

While the International Trade, BS MAPP is listed here as an Associate in Arts, students have the option to pursue an ABUS-GR or ABUS-SR degree. The additional coursework for this option is listed in the track at the bottom of the MAPP. Selecting this option will limit the number of electives available compared to the Associate in Arts because the additional ABUS requirements are taken in their place.

\hline
\end{tabular}

\section*{Pathway Notes}

All courses must be completed with a grade of " C " or better

\section*{Special Requirements}

This degree program requires meeting W. P. Carey Bachelor of Science requirements.

Admission Requirements:
Students must complete the MAPP with a 3.0 cumulative transfer GPA. A minimum 3.0 ASU cumulative GPA is also required (if an ASU GPA has been earned).

In addition to a minimum 3.00 cumulative transfer GPA, students must meet one of the following for admission to the W. P. Carey Bachelor of Science degree program: SAT (math and critical reading sections only) Score of 1230 (after March 2016) or 1160 (prior to March 2016),or an ACT composite score of 25 or higher, or a high school class ranking in the top 8 percent, or an overall high school GPA of 3.60 in ASU competency courses \((A=4.00)\).

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Business (ABUS-GR) and AGEC-B, meets majo map requirements at ASU, and guarantees admission to the university and admission to W.P. Carey Bachelor of Science degree. Because Arizona State University calculates GPAs differently than the Maricopa Community College District, admission to the BS program is certified upon the calculation of the 3.0 cumulative transfer GPA by ASU Undergraduate Admissions. A cumulative transfer GPA includes all college coursework completed at regionally accredited institutions of higher education. Students are responsible for confirming all transfer transcripts are on file with ASU. For more information:
https://transfer.asu.edu/credits
Only 64 credits are transferrable to ASU. Please refer to ASU Degree Search for information regarding readmissions requirements.

\section*{Special Requirements}

Completion of the Maricopa to ASU Engineering Pathway (MAPP) and all special requirements meets ASU major map requirements for the Materials Science and Engineering degree program. A3.0 transfer GPA as calculated by ASU for admissions is required. All courses must be completed with a grade of "C" or better. While requirements listed will meet ASU requirements listed will meet ASU degree requirements, only 64 c
hours are transferable to ASU.

Students interested in completing the BSE Materials Science and Engineering degree with two additional years at ASU, must complete MSE 250 through concurrent-enrollment or in the summer prior to admission. Students are also strongly encouraged to concurrently enroll in MSE 215 during the fall semester prior to admission to ASU. Students are strongly encouraged to contact the SEMTE Advising Office at (480) \(965-2335\) to meet with an academic advisor upon enrollment into a MAPP at the community college.

Social-Behavioral Science

Social-Behavioral Science 3 hrs \%

Recommend selecting a course that satisfies Literacy \& Critical Inquiry, Social-Behavioral Sciences, Humanities \& Fine Arts, COM, or CRE 101 requirements simultaneously. PHI 103 : Introduction to Logic (L) recommended.

\section*{Pathway Notes}
2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of \(C\) or greater.

\section*{Special Requirements}

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Sciences degree and AGEC-S, meets major map requirements at ASU, and guarantees admission to the Mathematics B.S. degree program.

Special Requirements: 2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of "C" or better. 3.0 cumulative GPA in all Sun Devil Tracking courses: CSC110, CSC205, MAT221, MAT231, MAT 241.

ASU will accept transfer credit for traditional course work you have successfully completed at regionally accredited institutions of higher education. The applicability of the specific course toward a degree depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Students are responsible for working with their advisor to confirm all transfer transcripts are on file with ASU. For more information:

\section*{Pathway Notes}
2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of \(C\) or greater.

\section*{Special Requirements}

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Arts degree and AGEC-A, meets major map requirements at ASU, and guarantees admission to the Medical Studies B.S degree program.

While the Medical Studies B.S. MAPP is listed here as an Associate in Arts/AGEC-A, students have the option to pursue an Associate in
Science/AGEC-S. Consult an academic advisor to discuss which associate's degree requirements align best with your educational and career goals. Students pursuing an Associate in Science (AS) degree must complete all AS
requirements (refer to Maricopa Community Colleges AS checksheet), including MAT220 or MAT221 and Subject Options, and are not required to take Computer/Statistics/Quantitative Applications (CS).

Students will take CHS 300 upon transfer to ASU.

\section*{Pathway Notes}
2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of \(C\) or greater.

\section*{Special Requirements}

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Arts degree and AGEC-A, meets major map requirements at ASU.

Acceptance into the School of Music is contingent upon a successful audition the semester before transferring to ASU Please refer to the following website for application and audition deadlines: http://music.asu.edu/admissions/ Students wishing to pursue a Bachelors of Music Degree (with the exception of BM Theory \& Composition in Theory) should meet with a Herberger advisor to discuss audition preparation by their third term of study at the community college. The Bachelor of Music degree requires successful completion of an audition demonstrating a high level of musicianship and may require more than 2 years of study at ASU.

MHL 241 and MHL 242: Transferring students who have completed MHL 241 and/or 242 are not required to take MHL 341 and/or 342 at ASU. Students who take these courses may elect alternate upper division MHL courses at ASU (MHL 439 or MHL 440 recommended).

Piano proficiency at ASU: Proficiency exam requirements are found at
https://music.asu.edu/resources/new-students/c
Transferring students are advised to
take the piano proficiency exam
immediately upon transfer to ASU.

Special Requirements: 2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a "C" or better.

\section*{Special Requirements}

Completion of the Maricopa-ASU RN-BSN Pathway Program and the special requirements satisfies the requirements for MCCCD Associate of Applied Science degree, satisfies lowe division RN-BSN major requirements, and upon receipt of all application materials, guarantees admission to the ASU RN-BSN program.

Special Requirements: A grade of "C" or better in each course and a minimum 2.50 cumulative GPA in the following courses is required for guaranteed admission: ENG 101, ENG 102, (or ENG 107, ENG 108) BIO 201, BIO 202, BIO 205, CHM 130 with lab, and PSY 101. In addition, students must complete the courses that meet the listed general studies requirements with a grade of "C" or better. These courses are not included in the 2.50 cumulative GPA computation. All remaining courses mus be completed with a grade of "C" or better.

Upon transfer to ASU: Students must have a current RN license in good standing before taking the courses in the RN-BSN program (TWC/NUR)

All additional ASU General Studies requirements can be completed while enrolled in the RN-BSN program. All other requirements are selected by the student and must be completed prior to graduation from ASU

ASU will accept up to 75 transfer credi hours from an Arizona community college for the BSN. ASU will accept up to 90 transfer credit hours for traditional course work you have successfully completed at regionally accredited institutions of higher education. The applicability of the specific course toward a degree depends on the requirements of the department, division, college or school in which you are enrolled at ASU Students are responsible for working with their advisor to confirm all transfer transcripts are on file with ASU. 2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of \(C\) or greater.

\section*{Special Requirements}

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate of Science degree and AGEC-S, meets major map requirements at ASU, and guarantees admission to the Software Engineering BS degree program.

In addition to university requirements, the Fulton School of Engineering requires that students must complete the MAPP with a 2.75 cumulative transfe GPA. A total of 64 credit hours will transfer to Arizona State University.

3 hrs See note regarding Literacy and Critical Inquiry for 3 of the 6 required HU hours.

\section*{Pathway Notes}

All courses must be completed with a grade of " C " or better

\section*{Special Requirements}

This degree program requires meeting W. P. Carey Bachelor of Science requirements.

Admission Requirements:
Students must complete the MAPP with a 3.0 cumulative transfer GPA. A minimum 3.0 ASU cumulative GPA is also required (if an ASU GPA has been earned).

In addition to a minimum 3.00 cumulative transfer GPA, students must meet one of the following for admission to the W. P. Carey Bachelor of Science degree program: SAT (math and critical reading sections only) score of 1230 (after March 2016) or 1160 (prior to March 2016), OR an ACT composite score of 25 or higher, OR a high school class ranking in the top 8 percent, OR an overall high school GPA of 3.60 in ASU competency courses ( \(A=4.00\) ).

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Business (ABUS-GR) and AGEC-B, meets majo map requirements at ASU, and guarantees admission to the university and admission to W.P. Carey Bachelo of Science degree. Because Arizona State University calculates GPAs differently than the Maricopa Community College District, admission to the BS program is certified upon the calculation of the 3.0 cumulative transfer GPA by ASU Undergraduate Admissions. A cumulative transfer GPA includes all college coursework completed at regionally accredited institutions of higher education. Students are responsible for confirming all transfer transcripts are on file with ASU. For more information:
https://transfer.asu.edu/credits
Only 64 credits are transferrable to ASU. Please refer to ASU Degree Search for information regarding readmissions requirements.

\section*{Pathway Notes}
2.0 GPA in coursework used to satisfy MAPP requirements. All courses must be completed with a grade of \(C\) or greater.

\section*{Special Requirements}

Completion of the MAPP and all special requirements satisfies the requirements for MCCCD Associate in Arts degree and AGEC-A, meets major map requirements at ASU, and with a successful audition guarantees admission to the Theory \& Composition (Theory) degree program.

Acceptance into the School of Music is contingent upon a successful audition the semester before transferring to ASU. Please refer to the following website for an application and audition deadlines: http://music.asu.edu/admissions

Students wishing to pursue a Bachelors of Music Degree other than the BM Theory \& Composition in Theory should meet with a Herberger advisor to discuss audition preparation by their third term of study at the community college. The Bachelor of Music degree requires successful completion of an audition demonstrating a high level of musicianship and may require more than 2 years of study at ASU
MHL 241 and MHL 242: Transferring students who have completed MHL 241 and/or 242 are not required to take MHL 341 and/or 342 at ASU. Students who take these courses may elect alternate upper division MHL courses at ASU (MHL 439 or MHL 440 recommended).

Piano proficiency at ASU: Proficiency exam requirements are found at https://music.asu.edu/resources/new-students/c Transferring students are advised to
take the piano proficiency exam
immediately upon transfer to ASU

\section*{Special Requirements}

Completion of the Arizona Western-ASU RN-BSN Pathway Program and the special requirements satisfies the requirements for Arizona Western College Associate of Applied Science degree, satisfies lower division RN to BSN major requirements, and upon receipt of all application materials, guarantees admission to the ASU RN to BSN program.

Special Requirements:
A grade of "C" or better in each course and a minimum 2.5 cumulative GPA in the following courses is required for guaranteed admission: ENG 101, ENG 102, BIO 201, BIO 202, BIO 205, CHM 130 or 151 with lab and PSY 101. In addition, students must complete the courses that meet the listed general studies requirements with a grade of "C" or better. These courses are not included in the 2.5 cumulative GPA computation. All remaining courses must be completed with a grade of " C " or better.

Upon Transfer to ASU: Students must have a current RN license in good standing before taking the courses in the RN-BSN program. While waiting for NCLEX-RN test results, students may take Upper Division/ General Studies courses, if needed. All additional ASU General Studies requirements can be completed while enrolled in the RNBSN program. All other requirements are selected by the student and must be completed prior to graduation from ASU.

While the pathway requirements total 77-79 credits, there are only 75 maximum transferable credit hours; the excess hours will not transfer. ASU will accept up to 90 transfer credit hours for traditional course work you have successfully completed at regionally accredited institutions of higher education. The applicability of the specific course toward a degree depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Students are responsible for working with their advisor to confirm all transfer transcripts are on file with ASU. For more information:
https://transfer.asu.edu/credits
A Concurrent Enrollment Program (CEP) is also available to Arizona Western College students. The Concurrent Enrollment Program (CEP) is designed for qualified nursing students who are interested in earning their Bachelor of Science in nursing while simultaneously pursuing their AAS in nursing. Selected students will be enrolled at Arizona Western College and Arizona State University concurrently. RN to BSN courses taken at ASU will be delivered in an online format. Students should speak with their advisor at Arizona Western College for more information on how to select the CEP option.

}

2018-2019
ASU Major: Liberal Studies, BA | College of Integrative Sciences and Arts

\section*{Pathway Requirements}

Additional Lower Division Requirements
Yavapai College AGEC

Complete courses to complete the Yavapai College Arizona General Education Curriculum (AGEC) based on your Associate's degree. A completed AGEC satisfies lower division general studies and first year composition.

COM 100: INTRODUCTION TO HUMAN COMMUNI OR COM 134: INTERPERSONAL COMMUNICATION OR COM 131: FUNDAMENTALS OF SPEECH COMMUN OR COM 271: SMALL GROUP COMMUNICATION OR COM 200: Communication Theory

Lower Division Elective

\section*{Pathway Notes}

Special Requirements: 2.0 GPA in coursework used to satisfy TAG requirements. All courses must be completed with a grade of "C" or better.

\section*{Special Requirements}

Students must complete the TAG and all special requirements, must have the Arizona General Education Curriculum (AGEC-A, AGEC-S, or AGEC-B) certified on their transcript and must have their Associate Degree (AA, AB, AS, or AAEE) completed and noted on their transcripts. Students satisfying these criteria meet ASU major map requirements and are guaranteed admission to the Liberal Studies, BLS degree program. The BLS program is available Online and allows students to transfer up to 75 credit hours.
