GENERAL INFORMATION.

TEMPE is located near the Salt River in Maricopa County, Central Arizona, nine miles from Phoenix with which it is connected by daily stages. The climate during most of the school year is unexcelled for comfort and salubrity. The methods of instruction are modern and thorough; subjects are studied rather than text books, and the philosophy of things investigated. The school belongs to the people and visitors are welcome at all times. For further information, or to secure teachers, address the Principal.
