**2. IMPORTANT NOTICES REGARDING ELECTRONIC FILINGS**

- A. A.R.S. § 41-1236 requires that all reports or statements filed with the Arizona Secretary of State pursuant to the Registration and Regulation of Lobbyists (see specifically A.R.S. Title 41, Chapter 7, Article 8.1) be made under oath, before an officer authorized by law to administer oaths.
- B. A.R.S. § 41-1232.07 states:
- A. Any report or registration form that is required to be filed pursuant to this article (A.R.S. Title 41 Article 8.1) may be filed in an electronic format that is approved by the secretary of state. The secretary of state may require that reports or registration forms be filed with an additional written or printed copy.
  - B. Notwithstanding A.R.S. § 41-1236, a report or registration form that is filed in electronic format pursuant to this section is not required to bear a notarized signature but is deemed to be filed under penalty of perjury.
  - C. An electronic filing made pursuant to this section is sufficient to comply with the filing requirements of this article if the filing is properly formatted as prescribed by this article and the information contained in the filing is complete and correct.
- C. To facilitate the process of secure electronic filing, the Secretary of State is issuing an electronic signature in the form of a user id and password to Reporting Lobbyists that comply with the provisions of the Digital Signature Act (see specifically A.R.S. §§ 41-132 and 41-121).
- D. An electronic signature is used to sign and secure your filings, and is evidence that a particular filing originated from an individual lobbyist or lobbyists on behalf of a principal. It is important to preserve the electronic signature/password in a safe location after it is issued to you. Do not share the electronic signature with others who are not authorized to use it. This electronic signature, as defined by A.R.S. § 41-132, has the same force and effect as your written signature.
- E. Individuals filing electronically can file over the Internet (by following the instructions on the designated web site and signing with electronic signature authorized by the Arizona Secretary of State):
- (i) any expenditure reports filed with the Arizona Secretary of State pursuant to A.R.S. § 41-1232.02;
  - (ii) any renewal registrations filed with the Arizona Secretary of State pursuant to A.R.S. § 41-1232;
  - (iii) any renewal registrations filed with the Arizona Secretary of State pursuant to A.R.S. § 41-1232.05;
  - (iv) all other lobbyist reports or statements filed with the Arizona Secretary of State pursuant to A.R.S. Title 41, Chapter 7, Article 8.1 (but may also require presenting a signed hard copy to the Elections Services Division of the Office of the Secretary of State).
- F. Electronic filings are "signed" in the sense of a traditional paper document using the electronic signature issued to the Designated Lobbyist or Lobbyist for Compensation authorized by the Arizona Secretary of State. During the electronic filing process, the data is received by the Secretary of State and evaluated to verify that it has been correctly formatted and transmitted, and that necessary information has been properly included.
- G. Once a Registrant has submitted an electronic filing, the filing cannot be withdrawn. Information may be corrected by filing an amended report.
- H. The Secretary of State will not grant date adjustments to any electronic filing for any reason. A Registrant must not assume that any errors or incorrect information contained in an electronic filing will be corrected or deleted by the Secretary of State. A Registrant should carefully read any message sent by the Secretary of State in response to any filing or submission.

- I. Acceptance of an electronic filing by the Secretary of State does not constitute an approval or endorsement of the timeliness or the contents of the filing.
- J. The Registrant, as the individual who is responsible under Arizona law for preparing and filing a report on behalf of a principal with the Secretary of State, is responsible for complying with the provisions of Arizona Revised Statutes Title 41, Chapter 7, Article 8.1. Registrants are responsible for ensuring that correct information is submitted to the Secretary of State, and that amended reports or statements are timely filed in the event there is a change in any required information.
- K. A Registrant must allow sufficient time to submit filings. Filers should be aware that they are required by law to submit timely filings with the Secretary of State, and that the Registrant should not wait until the last minute to make a time-sensitive filing. A designated lobbyist or lobbyist for compensation which fails to file a report in a timely manner may be held responsible under Arizona law for a violation, and may face the imposition of potentially serious criminal and/or civil penalties, including fines and ineligibility to be a lobbyist or principal.

### 2. IMPORTANT NOTICES REGARDING ELECTRONIC FILINGS

A. A.R.S. § 41-1236 requires that all reports or statements filed with the Arizona Secretary of State pursuant to the Registration and Regulation of Lobbyists (see specifically A.R.S. Title 41, Chapter 7, Article 8.1) be made under oath, before an officer authorized by law to administer oaths.

B. A.R.S. § 41-1232.07 states:

- A. Any report or registration form that is required to be filed pursuant to this article (A.R.S. Title 41 Article 8.1) may be filed in an electronic format that is approved by the Secretary of State. The Secretary of State may require that reports or registration forms be filed with an additional written or printed copy.
- B. Notwithstanding A.R.S. § 41-1236, a report or registration form that is filed in electronic format pursuant to this section is not required to bear a notarized signature but is deemed to be filed under penalty of perjury.
- C. An electronic filing made pursuant to this section is sufficient to comply with the filing requirements of this article if the filing is properly formatted as prescribed by this article and the information contained in the filing is complete and correct.

C. To facilitate the process of secure electronic filing, the Secretary of State is issuing an electronic signature in the form of a user identification and password to Reporting Lobbyists that comply with the provisions of the Digital Signature Act (see specifically A.R.S. §§ 41-132 and 41-121).

D. An electronic signature is used to sign and secure your filings, and is evidence that a particular filing originated from an individual lobbyist or lobbyists on behalf of a principal. It is important to preserve the electronic signature/password in a safe location after it is issued to you. Do not share the electronic signature with others who are not authorized to use it. This electronic signature, as defined by A.R.S. § 41-132, has the same force and effect as your written signature.

E. Individuals filing electronically can file over the Internet (by following the instructions on the designated web site and signing with electronic signature authorized by the Arizona Secretary of State):

D. Electronic filings are "signed" in the sense of a traditional paper document using the electronic signature issued to the Designated Lobbyist or Lobbyist for Compensation authorized by the Arizona Secretary of State. During the electronic filing process, the data is received by the Secretary of State and evaluated to verify that it has been correctly formatted and transmitted, and that necessary information has been properly included.

E. Once a Registrant has submitted an electronic filing, the filing cannot be withdrawn. Information may be corrected by filing an amended report.

The Secretary of State will not grant date adjustments to any electronic filing for any reason. A Registrant must not assume that any errors or incorrect information contained in an electronic filing will be corrected or deleted by the Secretary of State. A Registrant should carefully read any message sent by the Secretary of State in response to any

- F. Acceptance of an electronic filing by the Secretary of State does not constitute an approval or endorsement of the timeliness or the contents of the filing.
- G. Registrants are responsible for ensuring that correct information is submitted to the Secretary of State, and that amended reports or statements are timely filed in the event there is a change in any required information.
- H. A Registrant must allow sufficient time to submit filings. Filers should be aware that they are required by law to submit timely filings with the Secretary of State, and that the Registrant should not wait until the last minute to make a time-sensitive filing. A designated lobbyist or lobbyist for compensation which fails to file a report in a timely manner may be held responsible under Arizona law for a violation, and may face the imposition of potentially serious criminal and/or civil penalties, including fines and ineligibility to be a lobbyist or principal.
