Dear Mr Woodiwiss

Many thanks for your card and for remembering me. Please accept my best wishes for Xmas & the New Year- I agree with you about the etching of the "Belle Dame" ~~word~~ It is not a success

and I am sorry it has to appear- A process reproduction of the photograph would have been much more ~~word~~ satisfactory. When I see Bale I will tell him so- I will look in at the Society of British Artist's and have a look at the work you

mention and let you know what I think of it.

Believe me,

Yrs very faithfully
