

# 1992/93 FACT SHEET

---

**Arizona State University West**, an upper level, non-residential campus of Arizona State University, was created by the legislature in 1984 and is located in the rapidly growing northwestern area of metropolitan Maricopa County. ASU West offers research-based programs in the arts and sciences as well as in selected professional fields. The campus is committed to encouraging the educational, economic, cultural and social development of the metropolitan area. ASU West prepares students to be successful in the global society of the 21st century by engendering a responsiveness to change and an appreciation of intellectual, cultural, gender and generational diversity.

## ASU West Library

Fletcher Library uses electronic technology to provide a wide variety of information services. The online catalog provides access to the ASU West library collection, which contains approximately 200,000 volumes, as well as the more than 2.6 million-volume collection at ASU Main. Materials usually can be delivered from the main campus within 48 hours. Journal indexes and the text of a major encyclopedia also are available through the online catalog.

---

## Academic Calendar

Semester schedule: Fall, Spring, Summer

---

## Campus Environment

Located on 300 acres, ASU West has completed the first phase of its building program. Currently there are seven buildings totaling approximately 600,000 gross square feet.
