

FACT SHEET

1990-1991

Arizona State University West, a comprehensive, upper division institution, was created by the legislature in 1984. The campus is located in the rapidly growing northwestern area of metropolitan Phoenix. Academic offerings include research-based programs in business and engineering, education and human services and arts and sciences. The campus is committed to encouraging the educational, economic, cultural and social development of the metropolitan area, the state, and the Southwestern United States. ASU West prepares students to be successful in the global society of the 21st Century by encouraging a responsiveness to change and an appreciation of intellectual, cultural, gender and generational diversity.
