## 1991 -1992

---

**Arizona State University West**, an upper level, non-residential campus of the Arizona State University, was created by the legislature in 1984 and is located in the rapidly growing northwestern area of metropolitan Maricopa County. ASU West offers research-based programs in the arts and sciences as well as in selected professional fields. The campus is committed to encouraging the educational, economic, cultural and social development of the metropolitan area. ASU West prepares students to be successful in the global society of the 21st century by engendering a responsiveness to change and an appreciation of intellectual, cultural, gender and generational diversity.
