“Creating ASU West was a long, hard fight for the small group who had a dream and fought to convince others to share that dream. The result, however, is wonderful and of immeasurable value to Arizona, now and as far as I can see into the future. ASU West’s potential is limitless.”

—*The Honorable Rose Mofford*
Governor of Arizona, 1988-1991

“I have always had a special fondness for ASU West. I had the opportunity to see how dedicated and effective the ASU West faculty was during my wife’s studies there.”

—*Andrew Hurwitz*
Arizona State Board of Regents
Former President, Board of Regents

“The Westside leaders showed tremendous foresight in understanding how a West campus would help to meet the educational needs of the entire valley. ASU West continues to prove how strong their vision was.”

—*Lattie F. Coor*
President, ASU

“Above all, the existence of this campus means a significant number of people who otherwise wouldn’t have access to higher education will be able to complete a college degree.”

—*Ben R. Forsyth*
Provost, ASU West

“We Westsiders are most thankful for the work and effort of the many people that brought ASU West to fruition. We celebrate each of you!”

—*Karl Abel*
Founding & Current President
ASU West Provost’s Club

“The development of the ASU West campus has provided westside communities with a valuable economic tool: the availability of upper level continuing education programs for companies and their employees.”

—*Mac McKenna*
Co-Chair,
10th Anniversary Committee

“ASU West is an institution uniquely responsive to the needs of the Valley, particularly the Westside. The campus truly fulfills its mission of serving the economic, social, cultural and economic development needs of the West Valley.”

—*Diane McCarthy*
Co-Chair,
10th Anniversary Committee

“ASU West, because of it’s grassroots origin, it’s location and the times in which we live, is as much of the community as it is for the community.”

—*Barbara Ridge*
Founder,
Westside Citizens Committee
for Higher Education

“The new star in
Arizona’s crown
of educational
institutions.”
