## *Our Appreciation-*

I wish to express my appreciation to the following State Officers of the Arizona State Music Teachers Association who have so ably and graciously aided me in carrying out this and other projects of the Central District. I also desire to thank, through them, the many members who have served on committees.

Mr. T. L. Hoff—Secretary  
Mrs. Jane Thomas—Auditor

Mrs. Nadine Dresskell

Note: This directory was compiled by the Central District of the Arizona State Music Teachers Association. Teachers listed are members of the ASTMA.

The cost of printing this directory has been financed by the firms whose advertisements appear herein. We urge you to help us show our appreciation of their cooperation by patronizing them.

There will probably be omissions and mistakes, since this is the first publication of such a directory. With your assistance and suggestions it can be improved from year to year.

## Study of Music-

The study of music enriches life whether it is pursued as a vocation or an avocation. It develops:

1. A love for the beautiful
2. Self-expression
3. Physical Coordination
4. Social Adjustment

### POLICY ON MISSED LESSONS

Since we recognize that regularity of practice and attendance at lessons is essential to progress in learning to perform music, we subscribe to the following policy:

Lessons unavoidably missed will be made up if the teacher is notified in advance. No deductions will be made unless advance notice of absence for good reasons is given.

### POLICY ON FEES

The minimum fee should be not less than \$2.50 per hour lesson.

## BREMEN PIANOS

"One of The World's Finest Pianos"

"I am amazed at your little BREMEN piano. The tone is beautiful, the action is superb. I can do anything on it I can on a big piano. It offers the advanced student all that he needs in a fine piano."

Helmut Haas

eminent German concert artist

"The finest little piano I have ever played."

Statement of several prominent local musicians

Bremen is backed by 52 years experience in fine piano making by one of the financially strongest institutions in the industry.

Bremen challenges side-by-side comparison.
