OPENINGS FOR 20 STUDENT NURSES IN BALTIMORE, M.D.

Openings for twenty student nurses have been offered by the Baltimore City Hospital in Baltimore, Maryland to evacuees, William Huso, employment supervisor, announced yesterday.

DEFENSE

NYA Training Still Available

There are still a number of openings for girls in the NYA training schools.

Girls will be trained in an exclusively female school at St. Cloud, Minn. about 50 miles from Minneapolis. The trainees will receive good food and housing, work with up-to-date equipment, and enjoy excellent recreational activities.

Three girls, Jean and Maudie Yamasaki and Mrs. Ruth Matsunaga, have already gone to St. Cloud. But the school will take 17 more girls from Rivers.

Courses offered at St. Cloud are sheet metal, machine shop, and aircraft sheet metal.

Although not included in the courses, applications are being taken for industrial sewing, aviation woodwork, mechanics, and possibly auto mechanics.

GR BENEFIT

Collections of donations at the movies will be made by the Girl Reserves as part of their program of services to the community, says Modori Morooka, assistant CAS supervisor of Butte.

The five GR districts, Roundabouts, Winonoks, Y-Coeds, Okatias, and Tri-Cir, and ABC Club will take turns collecting, and thus relieve the hard-working CAS workers.

Huso said that ten applications for the positions will be sent from Gila. The hospital offers board and room, uniforms, laundry, medical care, and a \$40 per month cash allowance to training nurses.

It was reported that community sentiment was favorable in Baltimore.

The Baltimore City Hospitals are owned by the city and have an average of 1,700 patients daily. Its School of Practical Training for nurses is accredited in twelve states including New York.

Interested student nurses are requested to report to outside employment office for further information and applications.

RELOCATION FOR SP. SKILLS

Evacuees who are interested in outside employment not covered by job offers received at the project are urged by the War Relocation Authority to discuss their situations with a representative of the project employment office, especially where they have specialized skills or professions. It may be possible to refer their applications for special placement effort by field relocation officers in the cities where

HIRAOKAS RESETTLE ON NEW JERSEY FRUIT FARM; TWO MEMBERS VOLUNTEER

The Hiraoka's of Canal Community are the first Gilans to take over a farm in the Eastern Defense Command.

This morning, seven members of the family group left for Burlington, New Jersey where two other family members have rented a fruit farm producing cherries, apples and peaches.

VOLUNTEERS

Dentists Depart For Examinations

Dr. Henry Minami, center dentist, left this morning for Salt Lake City, Utah to be examined by the United States Army for a possible commission. Dr. Kaname Takahashi, D.D.S., will follow him for the same purpose tomorrow.

Two other dentist-volunteers, Dr. Abo Sakaguchi and George Suda, have yet to receive notice of examination. These examinees are eligible for public assistance grants for the trip to Salt Lake City, it was disclosed.

SLAWSON GETS PHOENIX JOB

Popular R. J. Slawson, senior administrative officer, left yesterday to assume his accounting business in Phoenix after over 10 months of service. He will be succeeded by A. J. Petrie.

Slawson stated, "Frankly, I've grown to like the residents here, and actually stayed longer than I intended. I made many good friends here, and I find it difficult to break away."

employment is desired. Job offers received at the project are not altogether indicative of actual employment opportunities. (continued on page 4)

Harry and Ross Hiraoka have been in Burlington for a few months. The family will reach New Jersey just in time to say goodbye to Ross, who will be inducted as a volunteer from Burlington on June 9. Recent benedict, Shim Hiraoka, the eldest son of the family and an attorney, is the second volunteer from the family.

OPPORTUNITY ON FARMS

The rich Mid-Western farm belt is a good bet for re-settlement. Yet, residents are apparently ignoring it.

The usual farm labor offers run from \$60 to \$90 a month plus room and board for single men and the same pay plus a house, a plot of ground and good items for the married. Compared to the \$25 to \$30 a week that city jobs offer, the monetary pay seems small, but considering room and board, the farm offers are relatively good.

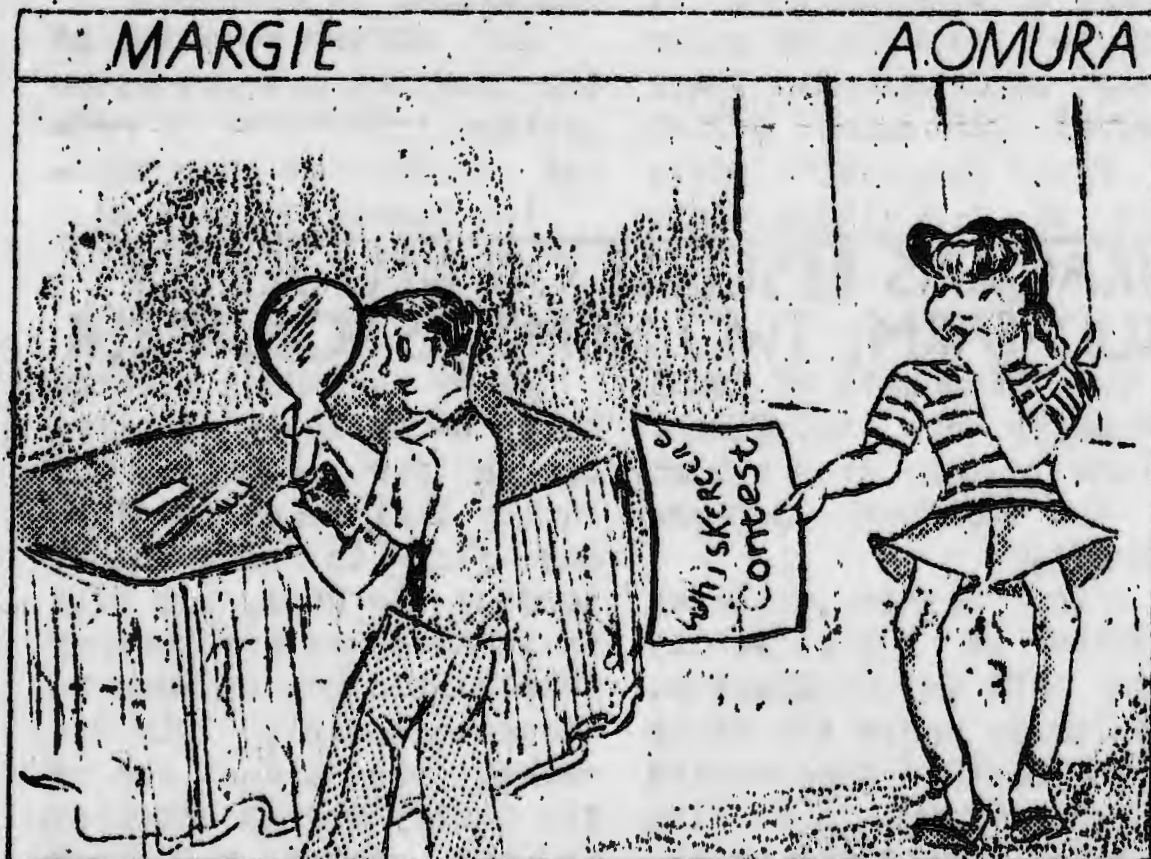

Furthermore by resettling on the farms the enterprising evacuee after a year or two of experience can go into farming himself. A year or more of experience is necessary inasmuch as the diversified farming methods practiced in the Mid-West require a different technique and knowledge than the vegetable farms of California.

Many evacuees, particularly the younger ones, were soured by the stoop-labor type of farming that was the usual thing in California. They apparently overlook that this field is not as susceptible to prejudice as others, and that a farmer is his own boss. They overlook, too, that they are better qualified for farming than for any other type of enterprise or wage earning.

Some evacuees have the mistaken notion that agricultural pursuit is degrading. This is very far from the truth. The farmer is the producer of man's food, and as such he need never take a back seat in dignity of his vocation. Thomas Jefferson who, perhaps, more than any other American bespoke the spirit of the American way of living hoped that the United States would remain predominantly an agricultural nation because he saw in the farmer the very back-bone of the way of the living he symbolizes.

Unlike the highly specialized and risky truck cropping in California, diversified methods yield a relatively stable income. The trick is to become technically perfect in growing crops, raising livestock and in watching the expense and income columns which remains fairly stable. This method of farming, provided the farmer knows his business, has consistently rewarded Mid-Westerners well.

Residents can do worse than consider the possibilities of resettlement on the farms of the Middle-Western states.

LABOR SHORTAGE**Hogs Deprived
Of Vitamins**

One hundred dollars worth of garbage from Rivers' mess halls which can be fed to the hogs on the farm are not being used because garbage crews are not available, declared Councilman Saito.

At present, a hog-raiser in Mesa is hauling the garbage away, said Saito. Meanwhile on the center farm hogs are being given grain alone and being deprived of the health-giving variety diet that garbage would provide.

In appealing to center residents to help save this food, Saito said that garbage crews will be allowed regular pay and clothing allowance plus work clothing.

**RED CROSS UNIT
TO REORGANIZE**

The Rivers Red Cross Unit in Butte is undergoing a complete reorganizing process, announced Ernest Iwasaki, Red Cross chairman.

Volunteer workers are needed to carry on the work of the local chapter. Calls have been issued for district representatives to form an executive board. Any person interested in Red Cross activities is asked to register at the CAS office in rec hall 51.

The total contribution in the recent drive totaled \$1000.57. Part of the

**CANAL HIGH SCHOLARS
GET OFFICIAL RECOGNITION**

Upon receipt of Charter No. 2712, Canal high school has become an official chapter of the National Honor Society of Secondary Schools. To qualify, a student must rank in the upper third of his class. The final selections were made by the faculty which were based on scholarship, service, leadership and character.

The seniors voted into this society are: Kimi Arakake, Rose Hara, Roy Harada, Satoshi Hata, Karen Hirasuna, Natsu Ike-

**RICH MIDWESTERN AG FIELDS
URGED IN RESETTLEMENT**

Illustrating his talk in Butte last night with movies, M. C. White, relocation officer from Nebraska and Iowa regions, urged that residents con-

sider the rich agricultural areas of the Middle West as localities for resettlement.

White disclosed that truck cropping is not practical except on farms near large cities. The relatively stable rewards of diversified farming are more attractive to the Mid-Westerners.

The average farm raises milk cows, beef cattle, pigs, and sheep, and grows plenty of fodder. Each one has a small plot of ground for a vegetable garden. Much of such vegetables are canned for consumption in the winter months.

In certain areas sugar beets are grown extensively, and in others fruit farming plays an important part.

**Benefit Movie
Nets \$126.80**

Proceeds from the benefit talent show for a Soldiers Benefit Fund held last week in Canal brought in \$156.98, of which \$30.20 went to disbursements, leaving \$126.80 to be invested. The sponsors, "Navy and White," were aided by J.C. Welles, Miss Hughes and the high school girls, Engeibu, CAS and NEWS-COURIER.

**ARMY POST
JOBS POSSIBLE**

Mailed to Army post and establishment commanders throughout the nation in a recent official letter from the War Department were procedures established for the employment of American citizens of Japanese ancestry in civilian jobs. Any Army project except in restricted areas of the Western Defense Command is included, it was announced by Acting Project Director Luther Hoffman.

Relocation offices of the WRA will work with various posts and establishments to develop employment opportunities for evacuees now in relocation centers.

**GUIDANCE COUNCIL
FOR DELINQUENCIES**

To advise proper authorities on the handling of juvenile problems, a Guidance Council has been organized in Canal. The Council is composed of representatives from schools, Medical Department, CAS, Community Service Division and Social Service Section.

Any crime or abnormal behavior by minors will be routed to the Guidance Council who will confer with the Project Director or his representative and suggest a course of action to be taken.

**TEMPORARY
REUNION FOR
FAMILIES HALTED**

Still under construction, the Crystal City Reunion Camp will probably not accept the next family group for two or three months, announced William C. Tuttle, Social Welfare head.

Eighteen families, including 41 individuals, left May 24 for Crystal City. Some 80 more families are still awaiting released to be united with an interned family member.

da, Haruko Ishimine, Ted Kubota, Wilson Kumataka, Mary Mizufune, Emi Mori, Yayoi Mshikawa, Merry Nozumi, Jimi Oda, Kiyoko Shinmoto, Minoru Shinmoto, Helen Tanigawa, Betty Totsubo, Betty Yamada, Yoshi Yamamoto and Hisako Yoshihara.

Juniors qualifying are: Helen Doi, Helen Fujishige, Jané Hayashi, Jesse Hiraoka, Ted Komoto, Mary Cino, Harry Takata, Hitoshi Tsufura, Lilly Umeda and Gladys Yoneda.

JOB OFFER**FARM WITHOUT RENTAL CHARGE**

An offer to let a 96 acre Marshfield, Massachusetts farm without rent for the duration of the war, except for the care of house and gardens and reasonable upkeeps of the farms was received by the employment office last week from Captain N.R.S. Thompson, one-time combat unit recruiting officer for this center.

Captain Thompson makes the offer to an issei couple, preferably parents of a volunteer. Thirty of the 96 acres are under cultivation. The farm is 35 miles from Boston and 2 1/2 from the Atlantic Ocean.

Wrote Captain Thompson to Project Director Leroy Bennett, "I hold a definite loyalty to Gila in view of the pleasant relations I enjoyed there and feel that at least the couples in question could know what I look like."

PROM GIVEN FOR GRADUATES

Honoring all prospective graduates of Canal High School, the customary Junior-Senior prom will be held Saturday, June 5 at mess hall 13 from 9 p.m.

Super refreshments and dancing, a varied entertainment program, and plans galore are being scheduled for the evening's menu of frolic. The affair is exclusively for juniors and seniors, and will admit couples, stagettes and stags.

GR Appointments

Butte Girl Reserves' District III "Y Coeds" president, Grace Sato appointed the following: Betty Huruki, program-Tokiko Inoue, service-Shigeo Nakanura, and social-Mitsie Koyama.

District IV "Tri-Cir" president, Joy Nozaki also revealed the various chairman: membership - Teruko Okuno, program-Lily Yamato, service-Helen Takusagawa, and social-Frances Yanaginuma.

INSTRUCTIVE ACTIVITIES**SENTENCE SUSPENDED IN 7 JUVENILE DELINQUENCY CASE**

Seven juvenile delinquency cases were reviewed by the Guidance Council this week. One was sentenced to a vocation industrial or correction institution, but the sentence was suspended pending

ing the fulfillment and cooperation in a special probationary term of six months.

The same probation was given to the other six juveniles.

The council announced that unless instructive activities are developed within the blocks and districts, parents can expect an increase of juvenile difficulties.

The council members are Hugo Wolter, Wm. Tuttle, George Kawamoto, Kozo Fukugai, John Yamazaki or someone from the church with whom any of the cases referred are members, a juvenile officer from the I.S., Mrs. Midori Morooka, and any other persons particularly interested in juvenile work.

STATISTICS**More Births Than Deaths**

For each death, there has been about three births since the opening of this project, according to Dr. Jack Sloath, Chief Medical Officer. The figures are 183 births to 59 deaths.

Among the newly born babies, boys dominate; 97 boys and 86 girls. December records itself with the largest number of births in a single month, 32, in contrast to the average rate of 18 a month. On August 17, 1942, the name of the first baby, Junko Nerio, was filed.

LATEST BOOKS AT LIBRARY

"Assignment in Brittany" by Helen MacInnes, a story of a young British intelligence operative impersonating a wounded French soldier while on a dangerous mission to Brittany, France, is now available at the Butte CAS library.

Also on the shelves is "Cup and the Sword" by Alice Tisdale Hobart. The setting involves a unique and fascinating background of American industry, the California wine.

ties for evacuees, especially in the less common trades and professions. Relocation supervisors are equipped to make special efforts to place a limited number of persons, provided they know the particular type of employment for which the applicant is fitted.

The relocation officer may not always find an employer willing to make an employment offer sight unseen on the basis of correspondence alone. But the general employment market may be so good in the applicant's particular line of work that, on the relocation officer's recommendation, WRA will issue indefinite leave permit. Then the evacuee may go to the area to secure work with the assistance of the relocation officer and the local office of U.S. Employment Service.

PTA FINDS NEW OFFICERS

Two new officers were elected at a recent Canal P.T.A. meeting held last week. Mrs. Leo Naganuma will serve as secretary, and Miss E. Liggett as publicity chairman. A social in honor of the Canal eighth grade graduating class is scheduled for June 18 at mess 13 from 8 p.m.

EX-SERVICE MEET

An important meeting of the Ex-Servicemen's Club will convene this evening from 7:30 at 42-2-B at which time pertinent business and matters will be discussed. Members are requested to be present without fail.

'28 STOPS ROUGHRIDERS IN CLOSE INTER-CAMP TILT

Non Iwahashi Paces Hitters

Continually pecking away at big Tommy Egusa for a run or two in almost every inning, Block 28 emerged victorious with a close 9-11 win over 2CAC's Roughriders in an inter-camp exhibition tilt last Saturday night.

Although both sides collected 10 bingles apiece, the tussle was spotted with unearned runs. Riders started the tallying in the first and '28 finished it in the seventh.

The visiting losers' biggest period was a sixth when they put in four runs on a couple of errors and safeties by George Yamaguchi, Freezer Furuya, Yas Yamashita and Os Minamide.

A third canto proved big for '28 as they sneaked across 3 runs on a bit of sloppy ball handling, on walks and on timely hits by Sab Yamada and Kenshi Zenimura. Ken Zenimura relieved Masato Kinoshita on the mound in the seventh.

Results of the inter-camp series show the two communities even--two wins apiece. Deltans and the Cards-Tigers combination won for 2CAC and '28 with Pasadena for Butte.

DELTANS RALLY TO SET '66 MAINO OKAZAKI HITS SPREE

Kaz Hatanaka In Circuit Smash MURANISHI WINS

Rugged Kazumi Hatanaka's long circuit blast with Mas Nakano on second, featured Deltans' terrific 3-run ninth frame rally which overcame '66 Hinode's slim one lead to win 11-9 in the concluding game of Rivers' inter-camp series last Sunday night.

In a cool windy day rather tough for hurlers, Hinode's Hiroshi Shinmoto tossed masterfully for about five innings but was replaced later in the eighth by Yoshi Shimada. Shig Tsujita twirled part of the ninth.

Johnny Muranishi more or less tightened up in the pinches and yielded 15 hits including the amazing 5 for 6 by Maino Okazaki.

Hiroshi Shinmoto smashed out a single and a pair of triples. Fleet-footed leftfielder Keizo Komura also had three hits to his credit.

Deltan Mas Nakano's single and two triples was tops. George Nakano, John Muranishi and Tom Ehara were credited with two safeties apiece.

2ND HALF OPENS FRIDAY NIGHT

Butte Major League will hold its second half opening this Friday night instead of Saturday as previously planned, announced league director Ken Zenimura.

Opening game will see Block 30 and Lompoc square off. Giants are pitted against Pasadena Saturday evening. Firemen versus YMBA Sunday morning. Hinode and Block 28 tangle Sunday night.

FIREMEN DOWN PASADENA

Firemen of Butte defeated Pasadena 4-1 in a practice engagement last Sunday morning.

MEN'S SOFTBALL CONTINUING WELL

With eight teams--Blocks 32, 33, 34, 59, 36, 39, 56 and 31 competing, Butte Married Men's Softball League held three games apiece in their own lots last week.

Cardinals With '27 Blank Block 30 Moon Nakamura Handcuffs Reds

2CAC Cards combined with a couple of players from '27 Tigers opened up in the latter part of the game to score a easy 8-0 win over Block 30 in an exhibition tussle last Sunday afternoon.

Tommy Nakatsuka started and Moon Nakamura, who finished up in great form, hold Reds handcuffed while Cards-Tigers hit Yoshi Hirano and then Mas Okuhara freely.

The contest was finished despite a heavy sandstorm which threaten to send everyone home.

PASADENA TRIUMPHS AS LEFTY NISHIMURA TAKES ANOTHER

Butte's Smooth Pasadena line staged a eighth inning splurge to emerge with a 10-5 victory last Friday night.

Vikings by making three runs in the 1st frame and two more in the third led 5-2 at the end of the 5th inning.

Chucking for the Vikings was Ken Hamaguchi against Lefty Nishimura.

TOURNEY ENTRIES DEADLINE WED NITE

Entry deadline for the First Open Double Tournament is tomorrow evening at 8:00, it was announced by the Gila Tennis Club recently.

Entries are being taken by Joe Takemoto, 36-2-D and F. M Sueda, 36-14-BB. A entrance fee of \$.50 a team is being charged.

CIVIL SERVICE EXAMS SOON

Resettlement came a step nearer for many residents as William Huso, employment supervisor, announced that Civil Service tests will be given in the center in a series of assembled examinations starting within ten days.

Examinations will be given in typist and clerk-stenographer positions. Roe Strickland, grammar school principal, and Harry Edwards, Butte high school instructor, who have recently been appointed examiners, will conduct the tests.

Huso said that all prospective examinees should contact the employment office immediately for application forms. All applicants will be given tests in a short time, he stated.

He pointed out that those who can be granted leave clearance are the persons who should apply.

NYA RECRUITING DISCONTINUED

Recruiting for NYA training will be discontinued temporarily pending a revision of plans in the entire educational program, announced Hugo Wolter, community services supervisor.

This sudden discontinuance of agreement between the NYA and the WRA at the request of Aubret Williams, NYA administrator in Washington, is a great disappointment to everyone, but assurance is given by the National WRA that there will be no delay in working out supplementary and alternate training plans, said Wolter.

RATION OBSERVED

KEADLE REFUTES 'BEST-FED CIVILIANS' CHARGE BY DIES

In reply to the charges that evacuees in the relocation centers are being pampered and overfed on delicacies, Harold Keadle, Project steward, stated that evacuees get no more or less food than civilians outside and are governed by the same ration policy that every person in the U.S. faces.

S.F. "EXAMINER" RANTS, RAVES

In the May 10 issue of the San Francisco Examiner, an editorial viciously attacked persons of Japanese ancestry and severely took Secretary of Interior Ickes to task for hiring several evacuees to work on his farm. In an accompanying article, Frederic Woodman, chairman of the Alien Problem Committee of the Pacific League was quoted as saying that the "Japanese" had received all the advantage accorded American citizens, and in return had bombed Pearl Harbor.

TABOO

EVACUEE AUTOS WILL BE STORED

Evacuee-owned automobiles, as of June 1, became taboo in the center under a new ruling by Project Director Leroy Bennett.

All automotive equipment now in the center are being picked up by the Internal Security to be delivered outside the Project for storage in a nearby city under the name of the owner, said A. F. Chamberlin, evacuee property officer. They will not be released except and until the owners are entirely ready for departure from the Project.

Arrangements for deliv-

The Dies Committee investigators had recently said that "plentiful supplies of beef, pork, mutton, canned pork and beans, fish and chocolate bars are stocked by the 10 Japanese relocation centers in the country." They further said that the evacuees are probably the best fed civilians in the world.

Most of the charges are made by persons who do not understand the situation and are unable to grasp the problem in its entirety, said Keadle.

Everything the center residents eat conforms with outside ration point regulations. Everyone, 15 years and older receives one pound of coffee every four weeks. Sugar is rationed at two pounds per person per month. Each person is allotted 16 points of meat, butterfat, and vegetable oil per week. Since June 1, one point per pound of canned milk has been taken off the meat points. This will lower the meat consumption per week per person. Each resident is authorized to receive 48 points of processed foods every month.

As for canned pork and beans, said Keadle, we have never had any, because it happens to be a commodity sent overseas for the past 14 months or so.

ery of all evacuee-owned automobiles in the future can be made only with the knowledge and consent of the evacuee property office, said Chamberlin. Deliveries will be made at the property office and turned over to the custody of the office and a proper owner receipt given, it added.

PAMPERED, SO THEY LEAVE?

As the Dies Investigation Committee, the Denver Post and other prejudiced parties continued to make news by charging pampering and coddling in the relocation centers, 62 individuals, the largest single day's group left the Gila center on seasonal and indefinite leave on Tuesday this week. Last week, the greatest single week's departures totaling 90 evacuees bid Gila adieu. For the past month from 50 to 90 evacuees have been leaving the center weekly.

Does this indicate that these people are pampered and coddled? Borne of half truths and prejudices, the ridiculous charges made by altogether too many would be funny if they were not tragic.

On the brighter side of the ledger is the fact that the Mid-Western and Eastern papers are fair. The WRA through its national and project offices, is fighting the menace of these statements. Dillon Myer was quoted on the air Monday night as saying the charges were not fair or based on sound fact.

Yet the best answer to the allegations lies in the will of the evacuees. The charges are aimed at the relocation centers and not at persons of Japanese ancestry on the outside.

If the evacuees will continue to stream out of the centers in increasing numbers, there will exist nothing further to charge, and will certainly give the direct lie to pampering and coddling charges.

ACORN ALONE IS NOT ENOUGH!!

"Prejudice and discrimination are very unscientific personal attitudes. They build themselves up into tremendous structures from little incidents. An oak tree grows from a small acorn, but does not rely on the acorn for its nourishment. If it did, it would soon topple over.

"So it is with prejudice and discrimination. The Arizona state law which forbids business transactions with Japanese Americans unless certain procedures are followed, is a tremendous oak tree without a real roothold in the American way of thinking. The Japanese Americans should try to remember that such laws do not represent the American nation, but represents only the little acorn of the individual prejudice of a few people." Hugo Wolter, Supervisor CSD

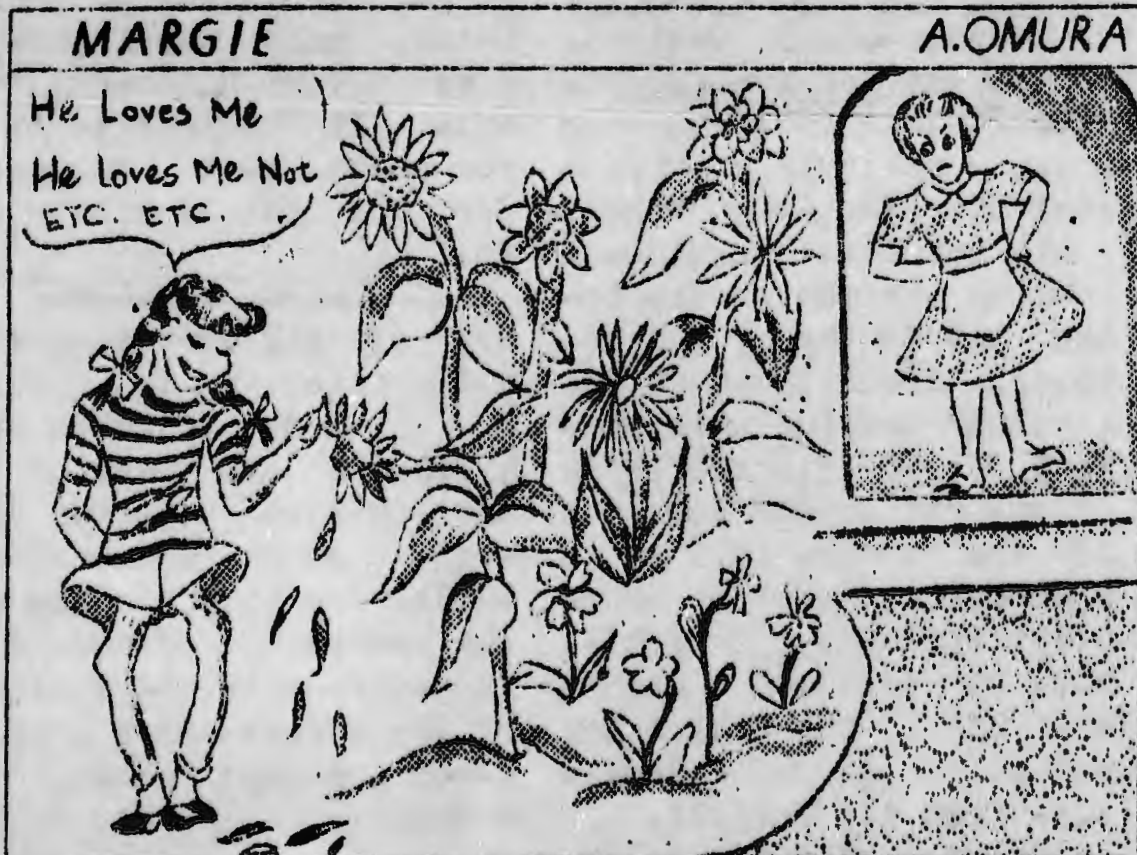

What a terrific wind-storm we had the night before! Or were you such a heavy sleeper that you did not even notice it? M 6 goodness, in the middle of the night, I felt cold and uncomfortable and just by instinct, I opened my eyes to see what I could see. Everything about me was in complete darkness, but when I became used to the dark I received a horrible shock I found myself lying on the floor. While dreaming of joyful airplanes I must have made a happy landing on the floor with the help of the wind.

Say fellows, and you too, girls, hurry and ask your favorite BF and GF's to the Senior Prcm. Not many days left now, and so you better not keep those dear friends guessing!

By the way, have you heard any of those hard but easy quizzes which have been circulating around here? If not, as a sort of a starter, we'll give you one, so get ready. The number of eggs in a basket doubles every minute so that at the end of the one hour, the basket is filled. At what time was the basket half full?

If you haven't already done so, take a long walk along the southern most end of the center and there you will find small acres of fruitful land, tilled, cultivated and ready to be harvested by the lover of the soil. Amazing to see results of ingenuity even in the midst of this desert land.

Well, did you find the answer to that mental teaser? If not, let us ease your mind by telling you the answer. Since the basket is doubled at every minute, the answer is 59 minutes because at 60 minutes, the basket is completely full.

JULY FOURTH BEAUTY QUEEN CONTEST OPEN

Cast your vote toward that smart-looking, personality brimming maiden you've been making eyes at ever since the beginning of spring, as queen for the 4th of July contest, sponsored by the Butte CAS. Perhaps you never did get to first base with her, but here's golden opportunity just a-knockin' at your door.

Contestants, who must be over 18 and single, will be judged according to the following qualifications: beauty-50%, personality-30%, poise-20%. Former queens are ineligible for the contest.

RIVER FARMS PRODUCING FLAX, URI

Flax, one of the three war crops planted in the fields, is now ready for thrashing. Linseed oil, which is obtained from flax seeds, is an important component of paint. It is quite likely that Rivers' flax seed will be sold on the open market.

Nursery plantings of green and white uri are being distributed to all the mess halls.

Week In Jail For Gas Thieves

Convicted of stealing gasoline from the farm to use in a private car, two men were sentenced to 7 days in the county jail at Florence by Acting Project Director Luther Hoffman Tuesday. In addition, the men will be on probation for 90 days following the completion of their term.

The operator's license of a third party on whose truck the gasoline was transported from the farm to the community was suspended for unauthorized use of a project vehicle. He was released, pending further investigation.

coveted gold loving cups, it was revealed.

Entering the English division are Michiko Nishimura, Sachiko Wada, Genzo Ishinari, Machiyé Nakamura, and Isamu Suzuki, while in the race for the Japanese speaking division are Yoshiaki Tamura, Kazuo Yamamoto, and Thomas Kageyama.

Some of the topics chosen by the various speakers are "Why I Intend to Resettle," "How Evacuation Affected Me," "Racial Prejudice," and "Nisei's Education in a Relocation Center."

The public is extended a cordial invitation to attend this oratorical competition.

SOON Coop Will Open Dry Cleaning Shop

Residents with previous dry-cleaning experience are requested to attend a meeting to be held Friday, June 4, 9 p.m. at 69-15.

This is in accordance with the Community Enterprise plan to establish a dry-cleaning establishment within the center.

Hugo Wolter, supervisor of Community Service Division, said that violation of the OPA regulation governing the ration of gasoline to a maximum penalty of \$10,000 a year, 10 years in prison, or both.

ADULT ED. Basic English Classes To Open

For those endeavoring to study basic English, sign-ups will be held at the Adult Education Office, rec. 13 in Canal. With all classes from 7-9 p.m., for beginner English, Sumiko Nishikawa will hold a class at 13-12-D on Monday, Wednesday, and Friday. At 13-13-D, under Mrs. Yamane, will be Intermediate English on Monday, Wednesday and Friday; at 13-11-D will be Advanced English under the direction of Mrs. Ohmaye on Monday and Wednesday.

Use Personal Shop Service

Any merchandise, goods, or wares not being handled in the canteens may be bought through a shopping service conducted by the Cooperative Enterprises, Gilbert Kuramitsu, general manager, repeated yesterday.

Kuramitsu said that the ordered material is bought for residents without any service charge.

To replenish supplies of spring water, the Co-op announced that residents can put in orders through the food canteens in both Butte and Canal. Dry goods stores are receiving new shipments of merchandise almost daily, it was also disclosed.

WALNUT GROVEANS HOLD ENGEIKAI

Commemorating their first anniversary since evacuating Walnut Grove, former residents of that community now in Canal, will sponsor an engeikai tomorrow, June 4 at the community stage from 8:30 p.m.

A comedy, "Nyobo Kokoro Chyo," and a tragedy, "Kono Haha Wo Miyo" will be presented on the program, along with dances, and songs.

LETTER TO PFC JOHN ITO, U.S.A.

The volume of letters sent from this center to soldiers is considerable, according to local information. With more men leaving for the services, the OWI has just released a timely report on the type of information soldiers like to hear about.

A survey at one army station reveals that:

(A) Soldiers like to receive letters about their families, including information concerning the following: 1. How the family is getting along economically; 2. That the family is doing everything possible to aid the war effort; 3. That the family is anxious for the boy's return; 4. That the family

The Ex-Servicemen's Club looked into the problem of refitting the pole with a rope and came up with the answer. In a few days, a contractor working on the project will, with a use of a crane, fit a rope on the 30-foot pole.

CANAL LIBRARY NOTE

Appearing on Canal's Library shelf is the Nation's renowned No. One Best Seller, "The Robe," by Lloyd C. Douglas. Also in a line of extremely outstanding books is the broadminded expression of the minority problem, related by Carey McWilliams in an manner which certainly encourages American ideals. It deals with one of the most vital questions in our American life, the problem of our treatment and the status of certain minorities in the continental U. S. Other books are "The Fireside Book of Dog Stories," Jack Goodman, ed; "We took to the Woods," Louise Dickinson Rich; "Our Hearts were Young and Gay," Cornelia Otis Skinner and Emily Kimbrough; "My Friend Flicka," Mary O'hara; "The New York Yankees," Frank Graham; "The Fifth Seal," Mark Aldanov; and "Tobacco Road," Erskine Caldwell.

Evacuees Must Sell Themselves

(cont'd. from page 3)

The best promotional scheme for developing nation-wide educational plans lies in the hands of the relocated evacuees, said Wolter.

It is suggested that friends and parents remaining in the centers urge the people who have relocated to "sell themselves" and the rest of the Japanese Americans to the general public. This, stated Wolter, is the best positive approach to overcome critical publicity given relocation centers by investigating committees and unsympathetic individuals.

CARNIVAL-ENTRIES

Any club or organization still desiring to participate in the Butte CAS Fourth of July carnival or parade, are requested to submit entries by Monday noon, June 7.

SEVERAL NISEI SEAMEN LOST, TORPEDOED ON ATLANTIC DUTY

Several Japanese-American seamen, whose names cannot be disclosed at present, are reported lost or missing in the line of duty, disclosed Paul S. Higa, secretary of the JA Maritime Workers Committee in a letter to the NEWS-COURIER.

Several others have gone through the experience of being torpedoed and bombed and are going back for more, he said. At present more than 50 seamen are either actually engaged or are waiting to sail from New York.

Plans for the use of nisei seamen on the Great Lakes have been approved by the Navy, Army, and the FBI. For sailing on the Atlantic, the War and Navy Departments, the War Shipping Administration, and

CHRISTIAN LEADER FROM INDIA HERE

Dr. E. Stanley Jones of India, one of the three greatest living Christians, (others being Dr. Toyohiko Kagawa and Dr. Albert Schweitzer), while touring the nation will also visit the ten WRA relocation centers. Dr. Jones will appear at the Butte amphitheatre 8 p.m. on July 5 under auspices of the Rivers Christian Church, disclosed Rev. Royden Sisu-Mago.

The Doctor will address the Canal residents on the Fourth of July.

REVISION IN BUS SCHEDULE

A slight revision on the buss schedule which eliminates the 11:45 bus on week days and institutes a 12:45 bus was announced this week by the Transportation Division.

A bus will continue to leave each city at half hour intervals beginning at 7:45 a.m., with the last buses leaving at 5:15 p.m. An interval of 1 1/2 hours still holds during the noon hour. On Saturday afternoons and Sundays, the buses will continue to run at one hour intervals.

the WRA have formed a joint board to consider individual cases.

Higa revealed that three members of the Sailor's Union of the Pacific--S. Kubota, R. Miyashiro, and S. Sasahara--were on the project.

TRAVEL COST RULING TOLD

Any center resident who wishes to move to another project in order to be married or for other personal reasons ordinarily will have to bear the costs of travel himself, according to a new ruling received at Gila this week.

Administration sources pointed out that this does not in any way change existing regulations but simply clarifies a point on which there has been some question. It covers only those cases where the transfer request is initiated by the evacuee.

QUEEN CONTEST DEADLINE, JUNE 12

(cont'd. from page 3)

Ballot boxes will be placed at the food and dry goods canteens today. Each name submitted must be endorsed by at least fifteen signatures for candidacy. Deadline for submission of candidate names is Saturday, June 12, while voting deadline is Thursday, June 24.

Names of the five finalists will be disclosed following the voting deadline date. Votes will be cast through the respective block managers offices.

Staff Member Takes Bride

The recent marriage of Elizabeth Winslow, professional violinist on the staff of San Francisco's radio station KGW, to Robert F. Spencer, on the staff of University of California's study on evacuation and resettlement in Gila was revealed yesterday.

Giants Tussle Pasadena Sat

Pasadena and Giants--two clubs expected to finish strong--are slated for their first battle of second half's play Saturday night at Zenimura Field from 6:15.

If the two slugging clubs can put together a bit of good ball handling with a little reinforced hurling, a top notch ball game will be on tap.

The last time they met saw Pasadena win walking away 9-4.

Pasadena's best tosser Lefty Nishimura will probably oppose Joe Koyanagi or southpaw Tubby Tomooka.

Gives Admission To Many Tilts

Holders of tickets to the Poston series which was indefinitely postponed may have their money refunded or may use them as season passes to all Butte league games at Zenimura Field, announced the Butte Baseball Association at rec. hall 28.

Persons who want their dollar refunded may do so while those who keep it will be allowed admission and seats for all Major League tilts. This will include

ALL-STARS SERIES HOPE WANING, REPRESENTATIVE POSTON BOUND

Although a representative of the Rivers Baseball Associations left for Poston, hopes of getting that center's All-Star nine here are waning with a discouraging letter from John C. Powell, Acting Chief of Poston Community Services to Manager Masao Yano of their All-Star nine. Yano turned the letter over to the Butte Baseball Association.

In hopes of making some sort of an arrangement, Canal Baseball Commission Chairman Harry Kono left yesterday.

The letter read in part:

"I am sorry to tell you that permission for the games at Gila must be refused.

"Relations with Gila have veered from the period in which interchange of visits was free and unrestricted to one in which only the most urgent

BUTTE, CANAL JUDOIST MIX IN TOURNAMENT

With both Canal and Butte judoists present and divided into even sides, a Judo Tournament has been planned for Saturday at mess 16 from 7 p.m. The public is cordially invited to attend.

Block 30's able Reds and a Lompoc nine which finished Major League's first half as cellar tenants are scheduled to open the circuit's second half tomorrow evening from 6:15 at Zenimura Field.

Reds finished the other half strongly--taking four straight. After downing Pasadena in their first league encounter, Lompoc met six consecutive reverses.

Lompoc has been hard hit by relocation but Reds have picked up several promising young ballplayers like Sid Inouye and Tosh Nishino.

Mas Okuhara is most likely to be put up against Lompoc's 17 year old right-hander Hank Hayashida.

EDITORIAL

The news of the NYA's dismissal of the evacuees, including some 40 Rivers boys and three girls, is an unpleasant shock to us following the build up and the hopes we had vested in it. It was undoubtedly a severe blow to the enrollees. Yet we must try to understand this new setback.

The NYA is a creation of the Federal Government to help youths just out of school to learn vocational skills and to aid in giving further education during the height of depression. It is without question one of the federal agencies whose existence was an evidence of a healthy trend in America's social development.

But it is another one of the fine New Deal agencies whose survival is threatened under the guise of war-time necessity. A appropriation bill is now before the Congress, and if the Congress should fail to appropriate for the next fiscal year, it like us, will become a war-time casualty. Almost anything which may jeopardize its existence has necessarily become taboo to it. The hostile attitude of some of the Congressman to the NYA can become a red-hot hatred should the NYA become known as a retraining school for the evacuees. Thus, it is that we can understand the "raw deal" as it reacted on us. In times such as these we must extend our sympathies to other unpopular causes, in order that we may understand ourselves the better--and in order that we can expect others to understand us.

The WRA which in all good faith had undertaken this program with the NYA is doing its uttermost to see that the dismissed students are given a good

BENNETT FINDS RELOCATION OUTLOOK FOR ISSEI GOOD

Returning very much encouraged with the resettlement outlook after a week's conference of WRA project directors in Washington, D.C., Project Director L. H. Bennett declared yesterday that he would divert more of his efforts towards the relocation program.

On his way back to Gila, Bennett conferred with relocation supervisors Harold Fistere in the Cleveland, Ohio, office and Elmer Shirrell of the Chicago, Illinois, office.

In both cities, there were ten jobs to every evacuee interested, he said. Both supervisors showed concern over a few of the more youthful evacuees who apparently were out for a good time and were not seriously interested in the future they must build.

Bennett indicated that some method for sending out the more serious-minded youths first must be worked out to break the ground for others. The demand for issei and other more mature residents is greater than for the younger ones.

A rearrangement of the employment status in the center is imminent, he said. A representative of the WRA employment office in Washington has almost completed a thorough analysis of the job situation in the center. It was expected that the rearrangement will be based on the data collected.

ORATORICAL

YBA Contest Tomorrow

First Butte oratorical contest sponsored by the YBA will see four enviable trophies presented tomorrow evening, when eight speakers will vie in the contest at Temple 63.

Sachiko Wada, Machiye Nakamura, Michiko Nishiura are competing in the English. Kazuo Yamamoto, Yoshiaki Tamura, Thomas Kageyama, Genzo Ishinari, and Isamu Suzuki will speak in the Japanese division.

BUTTE

NO SHOWERS AFTER 6 P.M.

Project Director Leroy H. Bennett asks residents to refrain from using water for showers after six o'clock tonight and requests them not to water gardens or lawns with tap water this afternoon or tonight.

Tonight after nine, the well which furnishes water to Butte will be out of service for 10 to 14 hours to complete the connection of a new well to the water pipes. Bennett stressed the necessity to conserve water for use in the hospital, for cooking purposes, and in eventuality of a fire.

The conservation is necessary this afternoon and evening to build up a reserve to last during the hours the pump will be out of service. Particularly noted was the fire hazard. A small blaze, helped by the wind, might spread through the entire community if there were no water reserve, Bennett said.

break. Some students have indicated a desire to return, but this step would be an extremely unwise one. Having made the break with the centers, they should, and they can, if they have the same determination which prompted them to go to the schools, make a go of it on the outside either in another form of a retraining program or on a resettlement job.

editorial**HEARST IS A MINORITY**

Mr. Hearst can waste a whole page for un-American editorial comment. Here, limited in paper supply, we cannot adequately counter his groundless accusation. Yet, we do not regret it too keenly.

We are aware that America has many Curmudgeons (Ickes people who fight hard for their belief in the four freedoms) whose words are held in greater respect than the logic-less statements of wavers of the banner of yellow journalism.

Mr. Hearst declares that the President or the Congress should take measures to see that no "Jap" who has been interned should be allowed out of the direct jurisdiction of the state or the Government. A Mr. Woodman of the Alien Problems Committee of the Pacific League evidently is ridding himself of indigestion. He said acidly, "We should not have the Japanese in this country after this war."

For un-Americans and anti-United States attitudes, the two "gentlemen" above are no slouches. Hitler and Tojo might well decorate them.

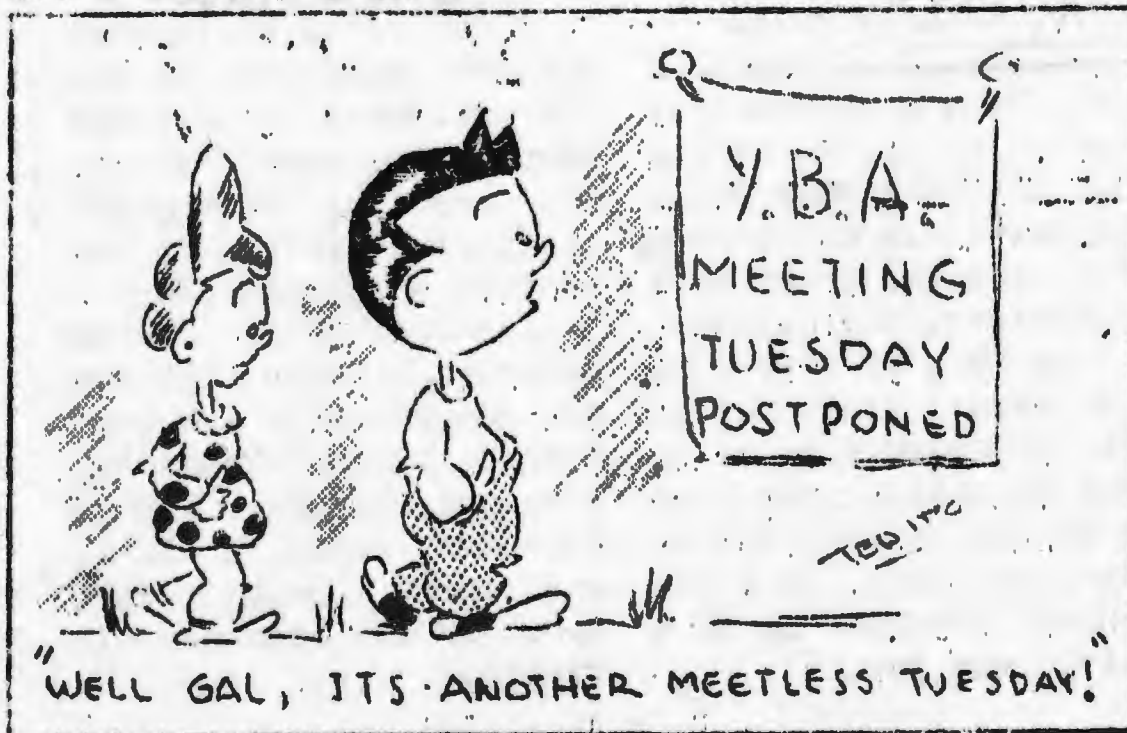

We would lose faith in any nation if it were overly supplied with Hearst and Woodmans. We see little to choose between them and a Tojo or a Hitler. But because this nation has a President who had commended the War Department for its fair attitude toward persons of Japanese ancestry and has issued orders that there shall be no race discrimination in war industries; because Curmudgeons do keep on hiring evacuees despite the rants of the Examiners; because we believe that the people of the United States lean further towards the fair-mindedness of the liberals than towards the hysterical outpourings of biased minds; our faith in America remain unimpaired.

REBUTTAL

Despite all the "Rumor Castles" which have arisen in reference to the poor treatment which Japanese could expect in California, AJA volunteers who visited that sector during their furloughs following induction remarked as follows: "Ah, it's just a lot of hoey." This, of course, was in connection with the smaller cities in Central California where these individuals had lived before. Quoting further, "They (old friends) invite you over to their homes; they even lend you their cars. All this mud talk about a state-wide antagonism is baseless. It's just like before." S. O.

Assurance was given that danger of the Mississippi flood to this center was highly improbable, and the levee could still stand another 20 feet of water. In the St. Louis area, the flood has reached stages exceeding a 11 records since 1844, reported the McGehee Times.

Denson, Arkansas

Miss Kiku Nakamichi was crowned Queen of Denson in a recent poll...She was introduced to the public during the week-end carnival in which more than 40 clubs participating in handling various booths...

Tule Lake, California

Commemorating the first anniversary of Tule Lake Center, a supplement was published and distributed to residents last week... Recent staff member from the Tulean Dispatch writes from Chicago and taboos zoot suits and long hair-cuts as they are making unfavorable impressions on the general public... "come out wearing convention things..." he suggests.

Manzanar, California

With the resettlement program sprinting into better than loping pace, the center population has decreased from 10,046 as of September, 1942 to 8,822, according to reports received from the records office, reveals the Free Press... Parents of volunteers from Manzanar are eligible for resettlement grants... Shortage of pennies is confronting the Co-op stores... residents are urged to exchange accumulated amount for coins of larger denominations...

Poston, Arizona

Full quota of milk is not being received, as the milk situation in the country, at least in the Pacific area, has become critical, according to the Poston Chronicle... 5,800 chicks have been received on the poultry farm.

BUTTE YBA TO HEAR KIMBALL, DIRECTOR OF ORGANIZATION

Dr. Solon Kimball, National WRA Director of Organizations, will be guest speaker at a select Butte YBA group Monday evening from 8 o'clock at Temple 42, disclosed Ben Tsudama, chairman of the YBA Council.

Kimball, who heads the community government set-up in the centers, said that he visited Topaz and Poston centers before his arrival in Gila. Both centers have permanent councils which are functioning "very well," he stated. Kimball's purpose in visiting centers is to meet with the community councils and talk over government function, and to act as a general consultant.

Dr. Kimball was a recent speaker of the Third National YBA conference held in Salt Lake City, Utah.

The meeting will be an informal open discussion.

VOLS. HEAD FOR MISSISSIPPI

Gila volunteers will be joining the AJA combat unit trainees in the raw, rust-colored land of Camp Shelby, Mississippi in a few days.

Yesterday, volunteers for a week's furlough, who had returned to Gila following induction in Salt Lake City, Utah, left the colony for Mississippi. They will join Ken Tashiro, ex-NEWS-COURIER editor, the first Gila sent to Camp Shelby.

Lymon Domoto, well-known resident of Canal, visited friends in Sanger, Calif., and Masato and Nobuo Komoto, visited Selma, Del Rey and nearby towns.

The trio are recent inductees for Camp Shelby.

YAMA RECEIVES ARMY PENSION

According to official reports, there is only one Japanese in the Canal community who draws a monthly pension from the U.S. Army. He is George Yama, nisei of block 4. Formerly from Kingsburg and Hollywood, he is father to three sansei who are attending Canal high school. Yama is a veteran of World War I.

Fire In 21 Proves H₂O Conservation Acute Necessity

The administration and the committee on conservation expressed satisfaction over the spirit of cooperation shown by the Canal residents in observing the water conservation regulations issued a few days ago.

A recent fire in mess hall 21, at a time when the reservoir was completely out of water brought the water situation to a focus, and brought about water regulations now being applied. The mess hall fire caused only slight damage.

Said a spokesman, "For sanitation reasons and comfort, an abundant supply of water is necessary. Though it is an inconvenience, let us keep up this spirit of sacrifice and cooperation.

Eight Rivers Representatives Attend Prescott Conference

Eight young Rivers Christians departed last evening for the annual regional Christian Young Peoples conference in Prescott, accompanied by the Rev. Royden Susu-Mago of Butte. The one-week convention, which closes June 12, will have a congregation of approximately 350

young people from all over the state. Rivers delegates probably will be only nisei representatives, disclosed the Rev. Susu-Mago.

CANAL

Complete Screen Distribution Soon

With three blocks already receiving their window screens, T. Bahanda, Central Block Manager, announced at the last block managers' meeting that the remaining quantity of screens will be cut and distributed to all respective blocks, probably within a week. Lots have been drawn to determine the order to distribution.

MEN SHORTAGE HOLDS UP FARM ENLARGEMENTS

Expansion plans of the livestock and poultry project have been drawn, but lack of workers prevents any action to be taken on them, announced Joseph Saito, evacuee assistant superintendent of livestock poultry.

At least ten more men are needed to help construct new buildings and care for the animals. All buildings and shelters are filled to capacity now, so if more livestock are to be purchased, new structures must be built.

"Here is the opportunity of a lifetime to learn something of a field that is filled with possibilities," said Saito. "Men with a working knowledge of dairying and livestock will have many opportunities after resettlement."

All those interested are asked to contact George Takimoto, dairy manager, Kakuji Okamoto, poultry manager and Tsunenori Hashigami, swine manager in Butte, and Akira Saiki, swine manager in Canal.

Delegates from Butte are: Oscar Inouye, Kimi Nagata, Mary Eto, and Ken-ny Yamamoto. Those representing Canal are: Hideo Fujimoto, Michiko Itomura, Yosh Negawa and Edith Oda. The young people and the reverend will return on June 12.

To offer their services as cooks and dishwashers during the convention, four issei left yesterday morning from Butte. They will also stay for the one week Episcopalian conference which follows immediately at the conclusion of the first one. Workers are: Jiro Morita, Fred Matsumoto, and Mrs. and Mr. Yamamoto.

OVER 30 ENTRANT SLATED FOR BIG TENNIS MEET

With well over 30 entrants paired off, Gila Tennis Club will hold its First Open Double Tournament tomorrow morning at Butte court 35 from the early time of 7:30.

The public has been invited. Four matches are scheduled at 7:30, 8:15, 9:00 and 10:00.

George Inai of Community Co-op has put up trophies for the winners.

28 BEE, BLOCK 31 IN CRUCIAL TILT

Two of Butte's better bee ball clubs--Block 31 and '28 bee--are in for a battle with possible first half championship stakes Tuesday night at Zenimura Field from 6:15.

At present with Wednesday's loss, '28 Bee leads the pack with four wins and a loss, '31 won three and lost one.

Block 66 Bee In Clash Wed. Nite

Block 63 and Lompoc Bee enter the seventh and final round of American Association first half Monday night.

Hinode Bee and Red Sox tussle Wednesday evening. '65 engages '55 Friday night. All tilts are held at 66 Field from 6:15.

League director Seirin Ikeda disclosed that the second half will begin about a week after the first is through. Whether '55 and Lompoc Bee will replay their 11-11 tie has not yet been decided.

PEPPERETTES BOW TO BLK. 60 TWICE

Block 60 girl volley ballers defeated '65 two straight 16-14, 15-13. '55 pinned Pepperettes 16-14 and 15-9. '58 has dropped out of the league. Acilians meet ABC Tuesday night at lot 50 from 7:30.

MID-WESTERN FARMS OFFER RELOCATION OPPORTUNITIES SHIRRELL URGES PIONEERING AS ICE-BREAKER FOR GOOD RELATIONS

Vegetable farming in the Mid-West to supply the good markets of Mid-Western cities was offered as a solution to the relocation problem facing many former West Coast farmers by Elmer Shirrell, relocation supervisor in Chicago.

Shirrell wrote to the Project that he and his staff will exert more of their efforts towards the resettlement of evacuees on the farms of the Mid-

West. He stated that the farmers are in need of workers, and if the evacuees fulfill the need, they will gain community acceptance. At the same time they will become acquainted with the climate, soil, and markets so that by the beginning of 1944 crop season, they may be able to rent or buy a farm to operate it themselves.

Shirrell stated that there was a definite need for pioneer-farmers to investigate the possibilities of locating in the Mid-Western area, and act as reporters for others of conditions there. He foresaw a mutual benefit to the labor-hungry areas and to the evacuees from such a move.

He asserted that good opportunities are open now, and that if a few families locate, the way will be opened for more to follow.

SHELLY BACK IN FORMER POSITION

James Shelly, well-liked former superintendent of Community Enterprises, is back again on the project in his former position. He was transferred from the relocation office in Phoenix following its shutdown.

811 RESIDENTS RESETTLED

Over ten thousand evacuees were out on indefinite or seasonal leaves as of May 16, according to a release from the Washington office of the WRA.

Of this total, 5,494 were issued indefinite leaves and 4,879, seasonal. Six hundred and fifty-three were out as of the same date on short term leaves.

Rivers kept pace with the other centers in number of residents granted indefinite leave with 567 listed at the end of May. In seasonal employment, this center came off poorly with 244, only 5% of the total.

Henry Freeland, leave officer, said that henceforth most of departees will be on indefinite leave, as the seasonal work has already started. He said that resettlement is showing an upward trend.

SECOND WELL IN OPERATION

For eighteen uncomfortable hours Sunday, Butte residents suffered for the lack of water for showers, latrines, and coolers.

With water pumps out of operation to permit the connection of a pipe from an auxiliary well to the main water pipe, the Butte water tank ran out of water at 6 a.m. Sunday. The connection was not completed at noon on Sunday as anticipated due to unforeseen difficulties. The finishing touches came at about 11 p.m. Sunday. An hour later, water was running.

Coop Licence Rejected; WRA Seeks Reversal

Rejection of the application of the Gila River Co-operative Enterprises for a license to do business in Arizona on Saturday, June 5, by the Arizona Corporation Commission immediately set the Project machinery into operation to counter the move.

A ten day extension of the right to do business was granted to the Cooperative by the Corporation Commission. The extension expires on June 15.

In the meantime the Project office was busy. Project Director L. H. Bennett said that he and his staff were doing everything possible for the Cooperative to carry on as planned. He hoped that the hitch would be straightened out within the ten days.

The Corporation Commission cancelled the filing of the application on the grounds that the Cooperative, which filed as a non-profit corporation, does not comply with Arizona's laws governing non-profit corporations in that its 7,879 members would benefit through savings in the services it was organized to render.

Bennett refuted the contention of the Commission, declaring that the Co-operative, which is organized under the laws of the District of Columbia, is a non-profit organization. He said that the Articles of Corporation had been approved by the Arizona Attorney General and the WRA legal staff.

PHOENICIANS SAY HELLO

Efforts of the Butte high school journalism class came in to the NEWS-COURIER: feature stories on a recent one-day sojourn in Phoenix.

A generally healthy attitude is reflected in most of the papers, though one said, "Camp during the year had become home! I was glad that I was going home." The same writer also stated, "What I had been hearing must have been some politicians dream. We were not treated as 'Those Japs' but as Americans who saluted the same flag, spoke the same language, and were brought up in the same American tradition."

This latter idea was a source of surprise, pleasure, and comment by all of the young journalists. Wrote an analytic fellow, "as a whole they are willing to accept the evacuees. They are friendly." An observation by another is recorded thus: "Some even say 'hello' as they pass."

Only one unpleasant incident was noted. The Owl Drug store refused to trade with two students. (The new state law was probably incorrectly interpreted by the store).

Significant is the evidence of tolerance found in Phoenix contrary to the unfriendliness of the newspapers and some frequently quoted politicians. This feeling that the people of Arizona are not as unfriendly as some would have us believe, has been the principal observation of most visitors.

WRITE TO HOME FRIENDS

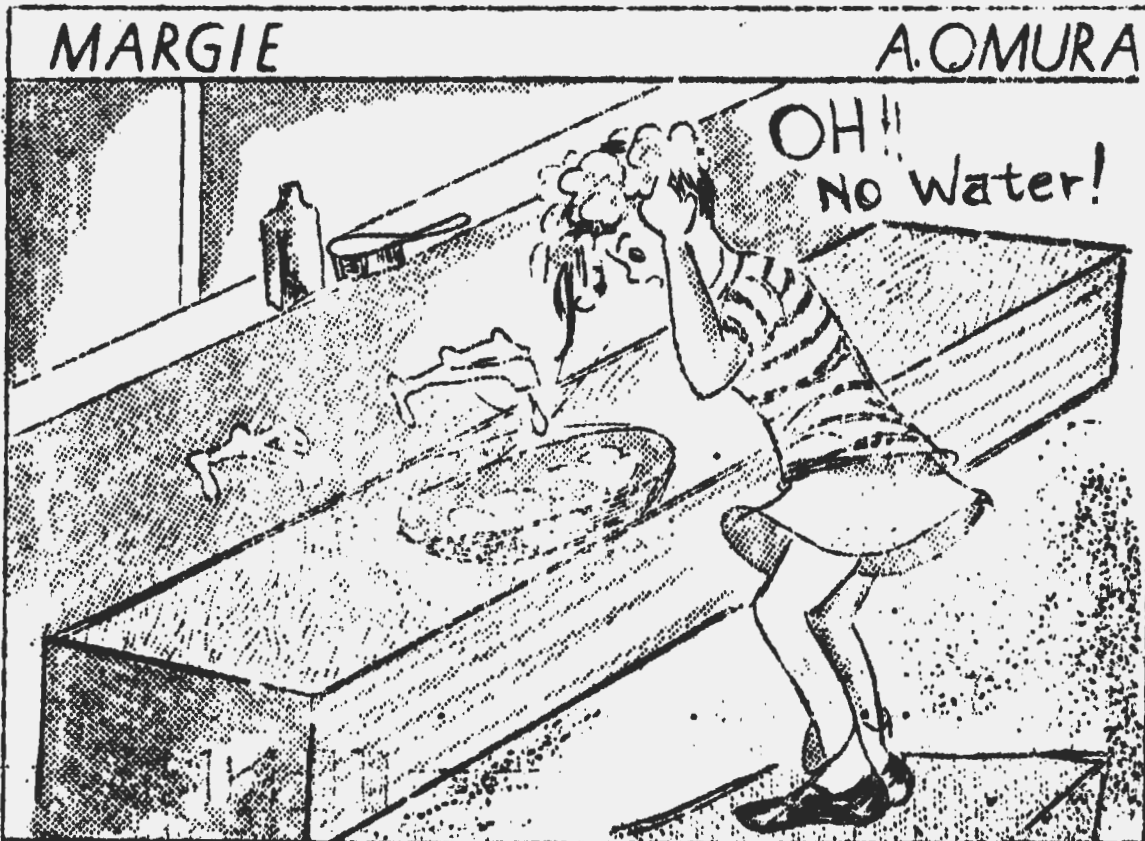

Dear Editor:

"...I am a volunteer furlough-visiting in and around Fresno. Everywhere I have been, people have been wonderful to me.

"I wish to bring one thing to the attention of the people in the centers. Nearly everybody I came across who had former Japanese friends asked me why they don't hear from them..."

"Since I have been in Fresno and have spoken with a number of people, I realize it is of extreme importance for people to keep their hometown contacts firm. It is important for the evacuees to keep in touch with their Caucasian friends and acquaintances in order that they do not lose faith in the evacuee..."

CALIFORNIAN DECRIES ABUSE OF DEMOCRACY

Alton B. Hall of Huntington Beach, California, wrote the following letter to the Santa Ana Register:

"Your editorial of last Friday on the Japanese-American situation was very heartening. You stand to lose circulation by it; but you no doubt have the thrill of living dangerously.

"When one organization after another--Native Sons, American Legion, Chamber of Commerce, Farm Bureau, all take the same action asking that their former neighbors be retained behind barbed wire and armed guard--even women, children, high school students--citizens of the United States, guaranteed liberty and justice by our Constitution, it appears to me that honest and patriotic people, are being stampeded. They think that this action is patriotic, but I wonder whether they are not falling for something. This would be hard to prove, or even to discover, since those that started it would be under cover and by now far in the background. But the fact that this is the very thing which Hitler boasted he would do--destroy us from within by setting one group against another, leads me to suspect that fifth-columnists are pulling the strings.

"Mr. Hitler decrys democracy, and says it is breaking down in America, its most shining example; and if we continue this injustice to our fellow-citizens, he can point to it as proof of his assertion.

"On board ship in time of storm, members of the crew who have been locked up are released, for the help of every member is needed. Our country is now like a ship in storm; we need the help of every member of the crew, of every loyal citizen, for this war can only be won by a united people."

MAS MITANI HURLS 3 HITTER; YMBA WINS EDGES FIREMEN IN CLOSE TILT

A makeshift YMBA nine proved itself quite able last Sunday morning when they took the measure of Firemen 5-2 in a closely-contested tussle. Mitani limited the losers to three safeties.

The Packers of Guadalupe tallied one in the first and put in the clincher in the seventh.

Most of the hitting off of John Shim Shimasaki came from the bats of Masao Iriyama, Mas Mitani, Noboru Iriyama and Jimmy Nishino.

Zuke Tanaka received five walks in five trips.

Firemen are scheduled to meet Pasadena this Thursday night at Zenimura Field from 8:15.

PASSES SECTION D HELD RESERVED SEATS

Section D of Zenimura Field has been reserved for holders of season passes, announced the Butte Baseball Association yesterday. These passes are ones which patrons converted from the Poston series tickets.

To give the holders an advantage, persons who come to headquarter at rec 28 with their tickets, may have it exchanged for another reserved seat pass. Previous announcement had said that holders who keep it may use it as passes, but now persons who want a seat saved for every league game, may exchange it.

PASADENA DOWNS GIANTS 9-4 AS NISHIMURA WINS

Taking advantage of a string of errors, Pasadena neatly supported Lefty Nishimura's steady four hit tossing and administered a 9-4 set-back on a loose-playing Giant nine last Saturday night.

The vanquished were guilty of 10 costly miscues. Joe Koyanagi tossed fine ball but untimely boners spelled his downfall.

Horse Inouye, Hideki Yamanaki and Lefty Nishimura led at the plate. Giants' Joe Watanabe had doubled and singled one.

ROUGH RIDERS TAKE LEAGUE LEAD AS DALTONS LOSE

By R. Watanabe

With a 10-0 triumph over the Vikings, the Cards walked off, the glorified victor, in the first game of the second round in the 2CAC Baseball League last Sunday morning.

With power combined with the high-classed pitching of Tom Egusa, the Rough Riders used the Deltans Nine as a spring board into the top list in their first game of the second round in the 2CAC league.

Dominating the round throughout the entire game, was 'Riders pride and joy, Tom Egusa.

John Muranishi was combated by the 'Riders for 11 blows during the tussle.

Rough Riders' victory over the Deltans puts them in the lead with 6 wins and 1 loss.

'72 TO TRANSFER AMERICAN ASS'N

After finishing their part of the first half, Bee International League Block 72 will transfer to the Bee American Association. They will finish out their first half schedule against Block 65 tonight.

Staving off a desperate rally in the first of the ninth, '66 Hinodes started their second half in an impressive fashion by downing Block 28 10-6 last Sunday evening.

Solving Masato Kinoshita for 14 hits, '66 came through with safeties in every frame except the sixth. Keizo Komura, Taxon Tsujita and Gilbert Kuramitsu hit well. Besides holding '28 to 10 safeties, George Kanagaki singled thrice. Mike Nakano tripled twice.

Sam Yamasaki hit 2 for 5. Masato Kinoshita had 1 for 3.

REDS LOSE LOMPOC SMASHES SLUMP TRIUMPHS 7-3

With all hopes of having turned over a new leaf Lompoc sent Reds back to Block 30 with a 7-3 loss in Major League's second half opener last Friday night.

Nob Oki, Walt Inai and Taz Toya led the victor's batting attack. Kaname Matsuno distributed 9 bingles including Reds' Keizo Okuhara's 2 for 4.

Yoshi Hirano started for '30.

OUTSIDE JOBS

Clearance Needed First

In some cases, applicants for outside employment become interested in definite openings before their leave clearance has been granted by the leave office. In order to coordinate the functions of the employment office and the leave section properly, it will be necessary for all those interested in outside jobs to secure their clearance first, announced William Huso, Employment officer, yesterday.

Huso said that anyone contemplating departure should immediately apply through the leave office for a clearance or to determine why their applications have not been granted.

Clearances are granted by project investigation except in isolated instances when the Washington office determines their issuance.

DIES SUB-COMMITTEE OPENS HEARINGS ON CENTERS, WRA

The WRA this week has faced with the antagonistic, verbal onslaught of the Dies Committee which in Los Angeles opened a hearing of its sub-committee on the investigation of un-American activities in relocation centers and on the motives behind the WRA's release of nearly 1,000 Japanese per week from the centers.

Ralph M. Gelvin, associate director at the Poston center, was called before the committee on Monday.

Last week Director D.S. Myer, in a letter to Hon. Martin Dies, said that the unsupported statements recently carried by the press attributed to Robert E. Stripling, chief investigator of the Committee of

FEPC REVIVED BY PRESIDENT BENEFITS SEEN FOR NISEI LABOR

President Roosevelt re-established the Fair Employment Practice Committee insuring persons of every race, creed, color or nationality an opportunity to participate in the war effort without discrimination.

The revived FEPC recommends action to the War Manpower Commission as before, but has added power under the new order.

In re-establishing the FEPC, the President reaffirmed his determination to continue the fight against discrimination. The choice of the Rev. Monsignor Francis Hess is considered an excellent one. He is a man of very liberal views and has aided the Labor Department in the settlement of some 1,500 labor disputes.

RUMOR DECLARED GROUNDLESS

Rumor mills were busily grinding in Canal yesterday.

The latest was that eight persons of Japanese ancestry had been killed in Salt Lake City.

The fantastic tale was relayed to Director D. S. Myer during a phone call to Washington, and Myer declared the rumor was absolutely groundless.

Earlier the NEWS-COURIER had checked it and neither its authenticity or source could be traced.

Said Myer, "We welcome a thorough investigation of our program, but we feel that the charges which have been made are irresponsible and detrimental to the war effort."

GOOD EXAMPLE FROM IOWA

Citizens of Des Moines have given an object lesson to the country by opening their homes to 50 American-born Japanese while they await employment in the state of Iowa. They are educated young men and women, patriotically devoted to the United States and seeking the double opportunity of proving their devotion and earning a living. Their handicap is the prejudice created against them, first, by the barbarous conduct of the Japanese Army and government, and, second, by such things as the false and irresponsible remark of Gen. DeWitt that "a Jap is a Jap" regardless of American birth, citizenship, education and loyalty.

It is a source of concern that the National Youth Administration suddenly withdrew from the arrangement for training American-born Japanese as war workers. No explanation is given, but the thought is bound to suggest itself that the NYA itself is under such bitter and unfair attack from reactionaries in Congress that it does not feel like undertaking work that might increase the prejudice against it. The attitude of the Des Moines community is a happy contrast to that of the self-appointed superpatriots who think race and color govern the right of Americans to love their country and to share in the blessings of citizenship.

The well-established contrast between these Americans of Japanese descent and those against whom we are fighting demonstrates that the nature of education, not race, is the foremost problem in assuring future peace.

—Chicago Sun, June 5, 1943

HARPERS ON NISEI LOYALTY

The struggle of persons of Japanese ancestry in Hawaii for the recognition of their loyalty to America is related with sympathy and accuracy by Lieut. Commander C. L. Coggins of the United States Navy in the June issue of the Harpers magazine.

Coggins said that it was the Japanese Americans who standing before the bar of public opinion, made the first concrete move towards the proof of their loyalty. They sought a means to remove forever the fear, distrust, and discrimination which prevents their being fully accepted by Americans. They asked for a chance to serve in the armed forces by forming "combat units to fight on fronts where we may demonstrate for all time what American citizenship means to us."

As one of the results of the petition, the 100th Infantry Battalion was activated in May, 1942. Colonel Farrant L. Turner, Commander of the Battalion, wrote to General Emmons of Hawaii, "I feel that the well-demonstrated good will and general cooperation of the civilian population of Japanese descent in the Islands are to a considerable degree past and parcel with the continued success of this battalion."

Coggins commented, "Here was recognition of the fact that loyalties can be made or broken--an indication of means by which the loyalty of large populations may be assured. Just as we recognize the Japanese enemy within, so must we recognize those Americans of Japanese ancestry who have given definite and convincing proof of their loyalty."

Of the response of over 10,000 volunteers from Hawaii for AJ combat unit, he stated, "The eagerness of their response is gratifying to the Army. It serves notice to our enemies that, while we fight for human rights abroad, we do not intend to surrender them at home."

WOMEN MAY ASSIST MODEL SHIP OUTPUT

Fifty heavy and light cruisers, battleships, and two types of U boats were washed and set sail for the Washington D. C. Naval Service Dept. yesterday. Oscar Julius, superintendent of the ship model factory, announced that the production plant will increase its output, and the 40 now employed will be aided by an additional 60 to assemble in the new warehouse, 18-2. "Women will be given trial on the Julius production line, said the construction magnet.

Word has been received from Washington that all the model ships which were constructed in Rivers have been received in good condition, and they have already been maneuvered into defense formations.

JA VOLUNTEERS 'GO FOR BROKE' EAGER FOR ACTION

Newly inducted volunteers from the relocation centers are arriving daily in groups and individually, according to a press release from Camp Shelby, Mississippi.

Training begins as soon as inductees report and are assigned to a company. Company assignment is made without regard to geographical origins.

The mainland youths appear particularly keen and eager to get on with their training, continues the release. They are "going for broke."

Next to getting in fighting trim, the newly arrived soldiers are anxious to get in touch with former friends who are volunteers from other relocation centers.

WARDENS WATCH MELON-TAKERS

To prevent persons from taking watermelons from the farm, wardens have been posted in the fields with instructions to take strong measures against anyone found trespassing.

Last week a number of watermelons were stolen from field 48 by youngsters who were believed to have come in on a bus.

Farm crops are grown for center residents and not for certain selfish individuals who feel they can help themselves whenever they wish.

The farmers are doing a good job in producing food-crops. The farm management asks the cooperation of the center in staying away from the fields unless authorized

Chicago Attracts Most Resettlers Minnesota Second

Five states have claimed the majority of 667 Rivers residents granted indefinite leaves up to May 31.

Illinois, with attractive Chicago within its bounds, led with 139. Minnesota neared the 100 mark with 98, including 29 volunteers to the Army Intelligence. In Colorado, 80 have resettled and in Utah 79. Thirty-three have gone to Ohio.

In contrast, only 9 have resettled in Arizona, the same number in Nevada, and 3 in New Mexico, nearest states to the Gila center. In the Eastern Defense Command, 15 Gilans have gone to five states.

Of Gila's 244 residents out on seasonal leaves, 88 are in Montana and 55 in Nebraska.

QUILL AND SCROLL HONOR SOCIETY INITIATION SOON

First among the relocation center schools to receive the Quill and Scroll charter, international honorary society for high school journalists, the Butte high school chapter will hold its initiation Tuesday, June 15, 8 p.m. at Chapel 40. Several members of the Desert Sentinel, school newspaper, will receive the gold fraternity pin.

Following the ceremony, an informal party will be held at mess hall 41.

Mess 29 Leads Award - Winners

For winning first place for the third consecutive time, mess 29 was awarded the title of "Honor Kitchen," a rank higher than first place along with mess 54 for the month of May disclosed F.K. Furuno, Senior Steward.

Mess 30 received first place, and mess 49 second.

A large average of melons have been planted so that there will be plenty for everyone during the coming summer months.

Relocation Pointers Given ; Domestic Offers Boosted

Not plagued by the fears and uncertainties that the evacuees in the centers are prey to, Mariko Kikuchi, recent visitor in Butte from Chicago left some refreshing views on resettlement and problems relating to it. She said:

"Girls, especially young girls, who I have noticed are relocating in increasing numbers, should arrange to live with or be near to friends when resettling in order to make adjustment easier. Thus, the first breaking in period following a life which has almost always been with the family, will be made easier.

NEW MEXICO CITY RECEPTIVE TO J.A.

Anthony, New Mexico is receptive to the resettlement of evacuees, reported Harold Munro, relocation officer, covering the state from headquarters in Santa Fe, in a letter to the Project.

Said Munro, "Sentiment in and around the community of Anthony does not seem particularly unsuitable to the employment of evacuees at this time, in agricultural and domestic service."

ORDER PASTRIES WEEK IN ADVANCE

Orders for cakes, pies, cookies or other such pastry will have to be placed a week in advance, stated Benny Matsuura, outside buyer. The exact date the item is needed should be specified.

JOIN THE RANKS OF CHESS PLAYERS

You needn't be a chess connoisseur to become a member of the chess club which will hold its first important meeting tonight, 8 o'clock at rec. hall 51.

All those interested in learning are welcome to attend as well as those who already know how to play. Under discussion will be plans for developing a bigger and better chess club in this community.

"Many girls seem to think that domestic jobs are beneath them. This is a wrong attitude. These offers give the protection of a Caucasian family, room and board, and fair wages, most of which can be saved. Furthermore, I believe that time spent working in a home is of valuable experience to nisei girls.

"I am surprised at the weak-kneed nature of many nisei. If they feel that they cannot land a particular job, they make no effort towards it. Now is the time, if ever, for nisei to break into new fields to pioneer the way for others.

"Another thing--many nisei believe that they cannot live on anything less than \$150 a month, which is more than they were getting before. Nisei must remember that the natural course is to work up to better pay.

"Evacuees, despite their apparently shy demeanor, often make themselves conspicuous. Their worst fault is that they congregate together and make no effort to incorporate themselves into Caucasian society. They must realize that dispersal over a wide area is by far the best policy for them."

CAS INAUGURATES MOVIE COLLECTION SERVICE SYSTEM

The Butte CAS has inaugurated a collection system for movie nights which will pay any participating club or organization \$2.00 for an evening of service, announced Frank Watanuki, CAS official.

Any group interested in assisting the CAS is requested to contact Watanuki for further information.

Staff Artist Chicago Bound

The NEWS-COURIER lost an invaluable member from its fast-decreasing staff as George Matsuura, erstwhile ex-art editor, departed Tuesday for Chicago, Ill. to enter American Academy of Art.

Matsuura has faithfully served on the project newspaper since its embryonic stage, and has displayed unusual talent in his art work. He was a recent recipient of a cash award from the Friends Center art competition contest.

City Irrigation Ditch To Save Water By 50%

A material reduction in the consumption of tap water in Butte community within two weeks was foreseen by John Fukushima of Public Works yesterday, as the laying of concrete pipes for the irrigation system in the center neared completion.

This phase of the work on the ditches will be finished this week and in another week, the cement boxes which serve as inlets to the concrete pipes will be laid, he continued. He anticipated that the channeling of center wide laterals will be completed within two weeks.

The use of tap water will probably be reduced 50% or more when the irrigation water is used exclusively to water lawns and grounds, he said. Only two blocks, 73 and 45, situated on ground too high for gravity flow of water, will necessarily continue to use tap water for lawns and grounds.

UNEMPLOYMENT COMPENSATION CHANGES MADE; RATES SAME

Director Dillon Myer announced on May 31 that effective June 1, 1943, unemployment compensation will be paid only to those center residents actively assigned to project work who are unable to report

because of illness. This limitation is contained in a new Administrative Instruction which revises the entire unemployment compensation policy.

The new instruction provides that hereafter there will be no waiting period between expiration of allowable sick leave and commencement of compensation. Upon certification by the Employment Division, unemployment compensation will be paid from the date the applicant became eligible.

There is no change in the rate of compensation. Persons certified as eligible will continue to be paid 60 percent of their regular wages; that is, \$7.20, \$9.60, or \$11.40 a month.

FREELAND

ON-PROJECT LEAVE PROCESS REVISED

A revised on-project leave clearance procedure became effective yesterday, announced Henry Freeland, leave officer. New instructions issued by Project Director L.H. Bennett creates two relocation committees which will pass on each application for clearance and also stipulates that persons should be cleared before applying for job offers.

Heretofore, application for a job offer generally came first. Under the new instructions, anyone who is eligible to file for leave can do so. Freeland said, "The idea is to have persons cleared when they become interested in jobs."

Under the clearance procedure, persons fill WRA form 126-revised, which is checked by the leave office and then sent to the relocation committee to be checked. The two relocation committees named by Bennett are: (1) J. H. Terry (chairman), Ethel Fleming, Dr. G. P. Young; (2) Hugo Wolter (chairman) W.C. Sawyer, and C.A. Harper.

CALL ISSUED FOR BLOOD DONORS

Professional blood donors are needed for immediate transfusion, announced Jack C. Sleath, M. D., chief medical officer. Interested persons should notify the Clinic Receptionist or phone Canal 103 or Butte 261.

EVACUEES' DIETARY SUPPLY DEPENDS ON CENTER CROPS

Wage Cut Rumors Spiked By Bennett

Except in rare instances the creation of new jobs will not be authorized until a general policy is outlined from the Washington office affecting employment in all centers, according to a statement issued by Project Director L. H. Bennett.

Bennett stated that a general revision in employment policies is expected shortly as a result of a survey of project employment recently completed in the ten centers.

A rumor that wages will be cut were spiked by Bennett. He said that he knew of no charges that were contemplated. However, he said that the apprentice rating will probably be recreated in this center as a result of employment policies now being formulated in the Washington office. The apprentice rating, used in this center in the early days, has never been abandoned in some centers.

'Nation Faces Critical Food Shortage'-Utz

WRA project directors were told bluntly at a recent meeting in Washington that the diet of evacuees this year will depend largely on the success of the agricultural program at the relocation centers.

"We must face the facts in the situation," Ervin J. Utz, Chief of the Agricultural Division, told the gathering. "I don't think I am being an alarmist in saying that the nation is facing one of the most critical shortages in its entire history. WRA is going to experience increasing difficulty in buying certain types of food. Moreover, public opinion just will not allow any group such as the center residents, with access to plenty of land and other facilities for home production to further burden the already critically short commercial food markets. The civilian population is fully conscious of the crucial food condition, and public-spirited citizens and organizations everywhere are working day and night to produce as much of their own food as possible.

(continued on page 4)

DIVISION, SECTION HEADS CHANGE

Two men were named acting division and section heads this week. Emil D. Mauser has been appointed acting fire protection officer following resignation of Harvey L. Hilyard. With the departing of Acting Senior Administrative officer, A. J. Petrie, W. G. Graham is filling in an acting capacity.

ed "probably to June 25 or in any event to give the government enough time to take the matter to court if the government desires to do so," said Project Attorney J.H. Terry, today.

The assurance was received by Terry and Project Director L. H. Bennett yesterday at a conference with the Commission.

A public hearing was ordered at Phoenix, Monday, June 15, to review the revocation of the license, Terry said that he and other officials of the WRA were planning to appear at the hearing.

RELOCATION SINS

There are cases on record, numerous enough to make a warning necessary, which tell the not very pleasant story of evacuees who are guilty of an almost anarchic disregard for the responsibilities they bear when they decide to re-enter the world of paved streets and bright city lights.

There have been groups of boys in their adventurous early twenties who left this center for work in mid-west localities and walked off from their jobs after a week without giving proper notice to their employers. There have been girls who accepted employment as domestics, only to reverse their intentions at the last minute and decide that they didn't want to be separated from their center friends and parents, after all. There have been too many with a thin veneer of worldliness who talked themselves and their pals into a job--any kind of a job--"just to get out." There have been cases even of perversely ingenious individuals signing out from the center for fictitious employment, for "ghost" jobs existing only in their unanchored, high-soaring flights of imagination.

The only point in mentioning these relocation abuses is that they, like most cases of misbehavior, will add up to no good. An accumulation of such cases will spell damage for a carefully planned program which faces enough difficulties without these abuses. Over-sensitivity to public reaction can be a deterrent to resettlement, as it has been too often, but there is very little sense in forcing bad impression upon employers and people whose attitude toward us is delicately balanced between suspicion and acceptance.

It may help to limit recurrences of careless relocation if it is mentioned that jobs made available through the offices of the WRA are in many cases the result of patient, up-hill work in order to give Japanese Americans a chance. Those evacuees who are yet to secure employment and resettle cannot afford to let those leaving first forget that, in a very real sense, the latter have it in their hands to facilitate or impair the future of the relocation program.

"DISCLOSURES" BY COMMITTEE

For the third successive day, the Dies Congressional sub-committee in California remained prominently in the news there and in Arizona as a third article was released to the press. The sub-committee retained its reputation, or the lack of it, for building mountains out of mold-hills by carefully selecting grains of truth and playing them up to distort the whole picture out of all proportion.

From the testimony printed in the papers, it became evident that the Poston WRA officials now called before a hearing of the sub-committee were not given an opportunity to tell the complete story. In one case, however, a former WRA official of the Poston center, Harold H. Townsend, former chief supply and transportation officer, deliberately intended to throw a bad light on the evacuees. Townsend was fired from the Poston project, according to a present Poston official, A.W. Empie for "fomenting unrest among the residents."

Among the charges made in an apparent attempt to discredit both the evacuees and the WRA are that Poston evacuees: (1) went joy riding, (2) hoarded food and other supplies for parachute troops and invasion forces, (3) were arrogant and defied WRA officials, who "cowered" in hourly terror for life, (4) stole lumber, and (5) that WRA officials were too lenient, etc.

The articles give a picture of waste, pro-axis sympathy, terrorism, thievery, and general chaos. We know enough of Poston to know that this is not true, yet it is impossible to categorically deny the charges because in many of them, there is some grain of truth. Yet the picture is not the whole truth as we are well aware. They fail to make mention that the formenters of trouble in the centers are but a few, and that such few can be found in any American community.

WANTED**Carpenters For Livestock Farm**

The "go ahead" signal has been given for expansion of the livestock project, but plans are being held up because of the lack of housing. Building materials arrived this week. The only thing holding up the expansion plans is the lack of workers.

Said Walter Emerick, livestock head, "We have an opportunity to buy from 200 to 300 feeder pigs, but can do nothing until facilities to house them are made."

If Rivers is to be insured of eggs, milk, and meat during the coming months, present expansion plans must be followed through. Workers, and especially carpenters, are wanted immediately.

INCREASE SEEN IN LEAVE QUOTA

Relocation applicants are urged to see Frank Totsubo in the Canal Administration or Yukio Wada in Butte farm management for particulars concerning employment through Hostel and American Friends. The present quota of leaves per week has been increased to four to that of the past two.

ELECTION RESULTS**TSUFURA CANAL HIGH PREXY**

The final results of the Canal High School student body election of officers are as follows:

Hitoshi Tsufura-president, Handy Matsuda-vice pres., Helen Fujishige-sec., Kenneth Aoki-treas., Jane Hayashi-pub., Grace Kawahara-yell leader, Ted Komoto-sgt. at arms.

June 25 Pet Show**DEADLINE**

June 25 will be the absolute deadline entries for the Pet Show to be held on July 4 at the Butte Gil-esta.

Prizes will be awarded to the largest, smallest, most unusual, prettiest, and the best dressed pets.

'ROUND THE CLOCK' VOGUE SHOW TOMORROW; SIXTEEN MANIKINS

Fazu Kawamoto, general chairman of the "Round the Clock" Canal fashion show, has announced the final plans for Sunday's grand fashion debut in mess hall 13 at 8:30 p.m. Special vogue feature of the evening will be that of the bridal cortege. Cotton frocks, afternoon frocks, play clothes, evening gowns, knitted suits, and tailored dress-suits will also be featured.

Modeling the many assorted clothing will be the manikins; Peggy Egusa, Setsu Iwahashi, Jessie Yagi, Grace Yonezu, Grace Sakai, Ruth Petty, Tomi Oka, Mary Oino, Sally Kawamoto, Betty Yamada, Masako Misaki, Lena Masunaga, Rose Hagihara, Nellie Mayeda, Elaine Uyorura, and Janice Sakai.

Chisako Suda, entertainment chairman will present "The Dancing

Japanese Booklets Explain Relocation

In order to explain the resettlement program fully to evacuees, the Committee on Resettlement of Japanese American of New York City is preparing a Japanese language supplement of the "Resettlement Bulletin."

The committee stated, "We shall welcome orders from residents, so that their names may be placed on our mailing list. This is one service we feel we can extend freely to anyone who desired it; therefore the expense will be borne entirely by this Committee."

WOMEN MILITARY LIFE EXPLAINED

Girls, prepare yourself for the official test to enter the WAACs, WAVES, SPARS, and MARINES.

The Butte CAS Library now has a booklet with complete information concerning requirements for enlistment in those branches of services, helpful suggestions as to how to fill out all applications, how to get ahead, and the American Women's place in the service.

Quartettes" as one of the many interesting features on the program. Alice Sunada, Fusako Iwai, Satoko Hara, and Michiye Fujimoto will appear as the "Quartettes." Those attending the show are requested to bring their own chairs. Only credit holders will be admitted as tickets will not be sold at the gate.

SERVICE CENTER FOR EVACUEES JAPANESE FOUND CHICAGO HOSTEL

Ready to receive requests for invitations is the newly created Mutual Service Center, Chicago's third relocation hostel for evacuees, announced Elmer Shirroll, relocation supervisor.

The Center was organized and financed by a group of old-time Chicago residents of Japanese ancestry. It will accommodate approximately fifty persons at a time. Located at 537 North Wells Street, it is directed by Shoji Osata.

The other two hostels are the Friends and Brothers centers which have helped relocated a number of Rivers' residents.

COMING-GOING

Grace Fumiko Hagiya left for Ploomfields, Michigan.

Kazuo Miura, Toshio Miura, Tatsuo James Kadowaki, Yoichi John Ichikawa, Frank Onishi, Hiroshi Goto, Frank Michito Fukuzawa, Tokio Yonekawa, Hayao Shishino Tsukasa Tanaka and Roy Kuraiichi Nakamura all left for Edgewater Beach Hotel, Detroit Lakes, Minn.

Hidejiro Hirata left for Denver, Colorado.

ARRIVALS June 9

Violet Fumiko Tanaka, Earl Yuji Tanaka, and Haruko Nishida returned from Poston, Arizona.

Kenji and Tomi Kawa returned from Salt Lake City, Utah.

YCA MEET**Rivers Nisei
Attend Confab**

To discuss the interpretation of Christian values in relation to the war and the post-war period, college-age representatives of the ten relocation centers are attending a Student-Faculty conference held at Estes Park, Colorado. Representing Canal was Mari Uchida, and from Butte, Helen Kimura, Midori Satomi and Nobuko Kawata.

The conference to continue from June 12 to 19, is sponsored by the Student Christian Movement of the Rocky Mountain Region. It will bring together leaders from YM-YWCA and church groups from six states. Following the conference, a special two-day session will be held in Denver with representatives from the relocation centers discussing common problems, especially the resettlement problem.

**Honor Court
Set For Scouts**

Through the efforts of Tom Yamamoto, District Scout Commissioner, the Rivers' Boy Scouts will have their second court of honor, Monday, June 14, at mess hall 42, 8 p.m.

This important event is a contributing factor to the Boy Scout movement's success, for at this time, the Boy Scouts will receive awards for various tests they have completed. In most cases they have advanced successfully to the next rank.

The scouts will be honored by guest speakers Messrs. L. Hoffman, V. Marshall, B. Haynes, H. Wolter, and E. Stowell, scout executive.

NOMINATE YOUR QUEEN TODAY

Further particulars on the July 4 Queen Contest, as released by Chairman Carrie Nakamura, are as follows:

1. Today is the last day for nomination of candidates; 2. Ballots will be available at the Block

**RIVERS PRODUCTION DECIDES
OWN ADEQUATE FOOD SUPPLY**

(cont'd. from page 1)

"Unless center residents produce at least as much food as is called for in the 1943 agricultural program, the quality and quantity of food on the mess hall tables is quite definitely going to decline."

Utz mentioned several reasons for his prediction of a decreased civilian food supply this year. He said that an 11 million

man army, together with probable increased military activity in Europe, is expected to drain off large stocks which last year went into civilian channels. As additional areas are occupied by our invading armies, the United States will have to feed great numbers of starving peoples. The total number of farm workers is about 3 percent less than a year ago.

According to a report from the U. S. Department of Agriculture, bumper crops were harvested in the last three years. But crop prospects for 1943 already have been lowered as a result of bad weather conditions throughout the United States during the early spring. A drought in the Southwest, frosts in Florida, and unseasonably cold weather and floods in the midwestern feed crop states are expected to have severe impacts on corn-hog yields.

FAVORABLE**NEW YORK TIMES****TELLS OF A J UNIT**

While the Coast newspapers were making capital of "revelations" by the Dies Committee and other anti-evacuee groups, the New York Times published a lengthy article featuring the AJ volunteers training at Camp Shelby.

Said the Times, "Spiritually conforming to its regimental motto (Go for Broke) the Japanese American combat team is rapidly taking shape here on the red clay drill fields of northern Mississippi."

It continued, "By temperament, character and zeal, they are admirably suited for a combat team. Already they have the psychology of shock troops."

The combat team has two baseball teams, both near the top of one of Shelby's leagues. Musically the nisei have scored even higher triumph than on the sports field. Their Hawaiian guitars and the sweet, plaintive music are immensely popular.

**PARADE PLANS
TO BE DISCUSSED**

An important meeting to discuss plans for the grand parade to be staged during the Fourth of July festivities will be held on the block 46 library lawn Monday from 8 p.m., announced Masaji Goto, parade chairman.

It is compulsory for every club, organization and project division to attend the meeting. The theme of the parade will be "Independence." Floats, Boy Scout drum and bugle corps, mounted police, and farm animals are the expected entries.

JOIN NOW**CHESS CLUB FORMED**

At their initial meeting, the Butte chess club elected Tak Ogino as president, vice pres.—John Shimazu, sec.—Sam Kawata, and treas.—Jim Toya. Membership to this club is opened to all beginners and advanced players, it was revealed, and those interested should contact Ogino at 47-6-B for further details.

A library, competency tournaments, enough chess sets are among the plans under consideration.

manager's office for voting on June 16; 3. Candidate's names will be posted at each block and canteens; 5. Ballots must be in by 5 p.m., June 24, and 25. The queen will be chosen from the 3 finalists by seven judges.

ALIEN CONTROL OF FARMING INDUSTRY THRU COOP FEARED

The public hearing called by the Arizona Corporation Commission to review the revocation of the business license of the Gila River Cooperative Enterprises moved into its second day today.

At yesterday's hearing, witnesses expressed the fear that the Coop could branch out into land-owning and leasing enterprises. It was said that the Gila and Poston centers have enough persons of Japanese ancestry to dominate the state's agricultural industry. The Commission was told also that aliens could evade the state laws and could buy and lease land for agricultural enterprises through the medium of the Coop.

Project Attorney J. H. Terry placed one witness under cross-examination, during the course of which Terry denied that the Corporation had any intention of becoming interested in land holdings. He pointed out that the Corporation operates solely and exclusively within the center.

During the hearing Commissioner Amos A. Betts made the statement that if there had been any doubt "as to the wisdom of our action, we think it must have been dissipated by the disclosures of the Dies Committee."

Appearing at the hearings to represent the WRA are Project Director L. H.

Bennett, Superintendent of Schools W. C. Sawyer, C. S. D. Supervisor Hugo Wolter, Farm Superintendent Dave Rogers, Information Specialist Ethel Fleming, and Terry.

It was reported that Senator McFarland of Arizona had arrived in Phoenix to make a personal investigation of the Japanese situation in Arizona. Senator Hayden and Representatives Harless and Burdock were working with him, said McFarland.

VARIETY EXHIBIT PLANNED FOR 4TH

In conjunction with the July Fourth celebration, The Gila Young Peoples Association, Butte chapter, will sponsor a variety exhibit show. Anyone desiring to display any of their work is welcome to do so. Definite place to submit all articles will be announced later.

NET FUND DISBURSEMENT DATE STILL UNCERTAIN

Trustees Firman Brown, Mats. Ando and Dr. Earl Yusa of the Community Trust Fund said yesterday that with the funds still not transferred to the trust, the date of their disbursement is yet uncertain.

The funds are those due the workers of the center from the earnings at the camouflage net factory.

Last week the Southern California Glass Company, contractor had deposited \$125,000 in escrow in lieu of the payments due to the Rivers and Poston trust

funds. The trustees will accept payment after all business details have been settled to mutual satisfaction, said Brown. As a part of their obligation to the community, the trustees will have the books of the contractor audited.

Rumors that certain classes of workers will receive a disproportionate share of the fund were declared baseless by Brown. He said that each worker will be paid according to the hours of work credited to them.

NYA Trainees In Good Hands DUNWOODY FOR FEW

Abundant evidence that former Gila residents who were discharged from the NYA resident training schools in the St. Paul, Minnesota, area are being given every consideration continue to come into the news office.

From C. L. White, relocation officer in Minneapolis, Minnesota, came a wire that some of the ex-trainees are enrolling in the Dunwoody Institute for free 300 hour defense training courses. Training facilities at Dunwoody, a highly rated institution are superior to those at Shakopee, where most of the boys were enrolled.

Some of the ex-trainees are taking full-time jobs in the St. Paul-Minneapolis area where good job opportunities are plentiful, stated White.

Public reaction following the discharge has been very favorable. Minneapolis (continued on page 5)

SECOND VOLUNTEER GROUP TO LEAVE

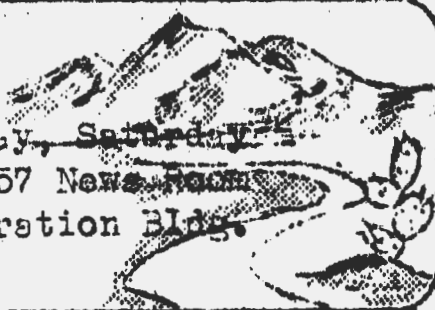

Five Rivers volunteers received induction orders last week to leave for the Salt Lake City Induction Station from Phoenix at 9 o'clock a.m. on June 25, announced Henry Freeland, leave officer.

Four of the five will comprise Rivers second volunteer group. The fifth man, Yasuo Yokomura, is reported to be on the outside awaiting orders. The first group of 33 left Gila on May 24. Approximately 45 more volunteers are yet to receive their papers.

The names of the four were released as follows: Ichiro Inamura, David Makoto Ito, Robert Yutaka Ito, and Richard Sadao Miyashiro. They will report at the Project Director's office at 6:45 a.m., June 25.

ARIZONA 'REPUBLIC' RENEGS

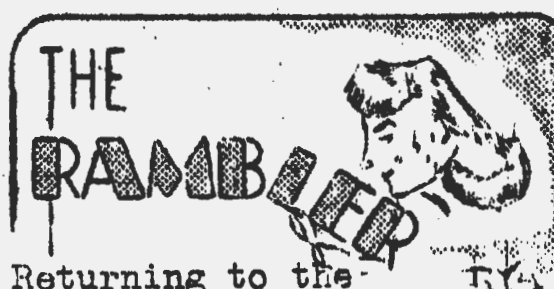

The Dies sub-committee was very astute in picking the locale for its hearings anent the probe into the relocation centers. Los Angeles is the hot-bed of anti-evacuee sentiment. It has a Mayor Bowron and it has chapters of all the pressure group organizations. It has two of the papers, the L.A. "Times" and "Examiner," which have paced the race-baiters.

The "amazing revelations" of Dies sub-committee are being given full play. Small men and organizations all, they have lost sight of the forest for the trees. The latest to hop on the band-wagon is the Arizona Republic, a paper we had some hopes for in the past. (The Republic cartoonist, Reg Manning, at one time brought before the American public a clear pictorial conception that there are loyal evacuees.)

Said the Arizona Republic, "In considering this war against the Japanese we are skipping the central cause of this whole business--racial hatred." This statement is but a step from Hitler's and Tojo's conceptions of racial superiority. We wonder how the Chinese pilots who are training in Arizona have reacted to this? Isn't this treachery against the United Nations and against our belief in democracy?

When the Republic editorially puts full faith in the words of a Harold Townsend, a discharged WRA official, it further shows its irresponsibility. At any rate, we see now that we cannot expect a common front union from the paper against the destructive forces which now beset the free people of the people. It, too, has become a force destructive to true democracy.

Our memory fails us, but somewhere, sometime, we recall a warning about taking personal humiliation too seriously. One of the intents of people who shove us around and brand us while we are down is to make us so angry that we lose sight of what we are aiming for. Nevertheless, we must continue to be freedom-lovers, to be believers in the essential equality of all men regardless of race, color, or creed, even though many whom we have believed were faithful, too, do fail to live up to their trust. We can be certain that we are not alone--that there are men and women, millions of them, who seek the same end that we do.

Returning to the grind after a week of bedridden-ness (Mr Webster isn't round, is he?) nursing that wisdom molar, yours truly disagrees that playing solitaire (and we aren't referring to that 52 deck either) isn't exactly her version of peace benign. For one thing, it's aggravatingly boring. Another, it's a complete waste of time. As for wisdom? Can't say we acquired much -- not yet anyway.

Isn't the jello we've been getting daily for dessert simply delicious? It's gotten so that we not only eat jello but talk jello, sleep jello, and dream jello. The other day we thought we'd finally found our pot of gold at the end of the rainbow -- only to be abruptly awakened from our siesta by having lemon jello shoved at us...I'm not complaining.

Our Camp Savage Corporal informs us they just dragged out their woolens again...Investigated mine a few days ago and found them perspiring. Believe it or not....I can't....Then the Private at Camp Shelby isn't crying too loud...Says the Gila weather had conditioned him for what he's taking.

By the way, did we ever tell you this one? An ingenious young lad delayed it to us recently and we pass it on for your digestion...In Twin Falls a glass of water would cost you one dollar. However, take the water without the glass and it's five cents. Take the glass without the water and you'll be assessed 95 cents. Believe it? --We did.

NSRC OPENS TWO DIVISIONS IN RIVERS UNDER FREELAND

Two divisions of the National Student Relocation Council have been created in both communities under Henry Freeland. The Butte office is headed by Leonard Schulman, and Canal's by Mrs. Lucile Poddy. Both are scheduled to open today. Canal office location is the Adm. Bldg., and Butte, 42-10-D.

Offices will be open in the afternoon from 3 to 5, and all day Saturday from 9 a.m. to 5 p.m. until school closes.

These offices will be working directly with the NSRC in Philadelphia, and has been set up to serve as a clearing house for the students, colleges and the government. This liaison service will eliminate the confusion which has resulted from too many individuals sending letters to schools and colleges in the Mid-West and in the East.

The function of the Student Relocation Council was defined by the WRA as follows: (1) to assist students in selecting a school to attend, (2) to examine and appraise the student's academic records, (3) to arrange with educational institutions for the admission of students, (4) to determine community sentiment with respect to the relocation of students in that community, and (5) to determine the adequacy of the student's financial arrangements.

DEHYDRATION

Women Workers Needed In Plant

Six to twelve girls are wanted for the preparation of vegetables in the new dehydration plant, announced Kay Nobusada, plant manager. Girls who wish to apply are asked to turn in their names to the employment offices in both communities immediately.

The dehydration plant building will be completed as soon as the blancher is constructed. Plumbing has been installed, an 18 horsepower boiler has been purchased and the dehydra-

About 400 colleges have already been cleared by the War and Navy departments, thus enabling them to receive nisei students. Scholarship help for students are available from various sources, such as church boards, World Students Service Fund, and individuals. Most of these are doubling or tripling the sum offered last year, and have indicated that it is to be used for students worthy of financial aid regardless of their religion.

THIRTEEN ENTERED IN QUEEN RACE GOLD CUP OFFERED

Names of the thirteen semi-finalists competing for the title of Butte Fourth of July Exposition Queen were released yesterday by the CAS. The queen will be the recipient of a beautiful gold cup which will be displayed at the canteens, and her four attendants will each receive a souvenir pin or locket. Candidates are especially asked not to withdraw unless they plan to relocate before July 2.

Cast your ballot today for the girl who deserves the royal crown: Toshi Haramoto - Block 58, Florence Hasegawa-61, Hinayo Ikeda-73, Lillian Kadowaki-33, Misao Kasai-31, Tamiko Kawabe-65, Clara Kubota-74, Kikuye Misaka-44, Nancy Morishita-66, Masako Yamaguchi-29, Fuki Yamashima-36, Frances Yamauchi-48, and Toshiko Yamauchi-48.

FARM TO INCREASE OUTPUT

For the new fiscal year from July, 1943-July, 1944, Gila farms have been instructed to plant 849 acres or 7,018,000 pounds of vegetables for shipment of other centers. An additional 784 acres will be farmed for center consumption.

Equipment is expected by the end of the week. The project will be under operation within a short time.

SELL IDLE FARM MACHINERY PRICES ARE HIGH

Many orders for farm machinery and automotive equipment are being received from California by the Evacuee Property Office, announced A.V. Chamberlin, E.P. officer.

In view of the possibility of governmental requisition of such idle equipment and considering that the prices now are much higher than heretofore, Chamberlin advises owners to sell.

Watermelon GILA ASSURED AMPLE SUPPLY

The first 550 watermelons were distributed to Canal mess halls Saturday. The next pickings later this week will go to Butte.

The melons came from field 48 under the supervision of foreman Harris Tanaka. A plentiful supply of watermelons is assured through the summer as 134 acres of the fruit has been planted. The crop is of excellent quality and very high in sugar content.

DEADLINE SET FOR ORDERS

All those who are sponsoring concessions at the July 4 carnival must turn in their orders for crepe paper, prizes and for the lumber which they wish to borrow or purchase through the CAS.

Deadline for orders will be tomorrow, 12 noon at the CAS office, rec. hall 51.

In order to handle this out shipment of 234 cars of vegetables during the coming year, a packing house on the project and a loading and storage house on the railhead at Serape will be built.

The acreages of some of the major crops to be planted for out shipment are cabbage-125 acres, Chinese cabbage-85, daikon-55, lettuce-77, spinach-32, and tomatoe-100 acres.

BOTTLE REFUND ENDS JUNE 19

All orangeade and La Vida soda bottles must be returned to the canteens by Saturday, June 19, in order that deposits can be refunded. No refund on bottles brought later.

HYSLOP WARNS AGAINST MINORITY OPPRESSION

That evacuees should always be on guard for oppression of any minority group was generally concluded at the Butte Fellowship panel discussion Sunday night.

Rev. Ralph Hyslop, minister for Student Life of Congregational Churches of America, a member of the five-men panel, said that it would be advisable to retain a nisei organization but suggested that such a group be composed partially of interested Caucasians.

Rev. Hyslop visited the center last week on Thursday and Sunday this week. He met with young people, appearing before the Pilgrim and Youth Fellowship meetings. He is interested in relocation of evacuee students. He said that some of the Congregational churches are offering scholarships to evacuees.

EDITOR'S MAIL BOX

Dear Editor:

"Greetings from Hardin. We noticed in the May 1st issue of your NEWS-COURIER the short article concerning the departure of the 28 sugar beeters who left for Hardin, Montana for employment with the Holly Sugar Company.

We're not sore or anything, but we have wondered why our list of names were withheld. Maybe it was due to the lack of information or space, but we would certainly appreciate it if you would just sort of squeeze in our list of names, in any future issue, so certain parties will know our whereabouts.

RESETTLEMENT New York Offers Possibilities

Notified of her transfer to the New York relocation office, Miss Clara Clayman, outside placement officer, said that she would like to see anyone interested in resettlement in the New York area.

Miss Clayman, a former New Yorker, believes that she can make use of her office and her contacts to aid residents interested in placement in New York. She expects to leave this week-end or not later than the middle of next week.

Jobs are plentiful in New York, and the housing problem is not as acute as in Chicago, she pointed out in urging residents to seek jobs in New York. Eastern Defense Command clearance takes from four to five weeks.

Miss Clayman will work under Robert Cullum, relocation supervisor, at 50 Broadway Relocation Office.

The Butte 'Y' Working Girls meeting is postponed tonight.

EVACUEE LIFE DEPICTED BY COMMON GROUND

The most thorough story of the resettlement of the Japanese American evacuees yet told is covered in the "Democracy at Home" symposium in the current issue of the Common Ground. Five articles, by writers who have been actively interested in the evacuation program and resulting problems, hit hard and realistically at major aspects of the evacuation and the present dispersal resettlement program.

"This is no program for the government alone," M. Margaret Anderson, editor of Common Ground. "It is ultimately the responsibility of the individuals at the base of the American communities, for it is there that the evacuees must eventually find his job, his housing, his community acceptance.

Eddie Shimano, former editor of the Santa Anita Pacemaker and the Jerome Communique digs into his experience and calls attention to the slum conditions prevalent in the centers. He is convinced that the dispersal resettlement will go far to effect the integration of these Americans with Japanese faces into American life.

Robert O'Brien, longtime head of student relocation, Robert W. Frase, assistant chief of the employment division of the WRA, and Alice L. Sickels, secretary of the St. Paul Resettlement Committee, are the other three writers.

PREVENTION OF COMMUNICABLE DISEASES

The numerous diseases which affect man can be divided into two groups known as (a) communicable disease (spreads from one person to another) and (b) non-communicable diseases (does not spread).

Communicable diseases take the greatest toll, especially in a very crowded community, resulting in what is known as mass infection or epidemics. Once an epidemic develops, great difficulty is encountered in combating it in spite of concentrated efforts by the doctors. This is because the disease spreads from one person to another very rapidly like wildfire. Today, this difficulty becomes even greater because of numerous shortages and handicaps brought about by the present war.

The only other alternative which we can employ in fighting against outbreaks of communicable disease is to stress upon its prevention. The old saying that "an ounce of prevention is worth a pound of cure," certainly more than holds true as far as prevention of man's diseases is concerned for there are some communicable diseases which medical science is helpless to remedy once it has taken foothold. Each communicable disease has a specific agent responsible for its cause. These agents are known to the public as "germs." If these so-called "germs" were large enough to be seen by our eyes than it would be relatively a simple matter to kill or eliminate these whenever we see one. Unfortunately, however, germs are living things so small that it can be seen only after careful observation under the microscope. For this reason we must be extra cautious and always apply an ample of safety whenever we are in contact with any objects which are potentially "germ" containers. The Medical Department has a group of workers especially trained to see that objects are not only visibly clean, but sanitary as well.

These disease-causing agents are always present in people who are suffering from a particular disease. Moreover, in some diseases like typhoid and dysentery, a person appearing normal may harbor the bacteria which can infect others. The latter are known as "carriers." The germ leaves the body of the disease or the carrier by means of the sputum, stool or urine depending upon the type of infection. Discharges from the nose, eyes and wounds may also contain "germs." Whenever other people come in contact with these excreta or discharges, he can get infected, thus continuing the chain or cycle of infection. Remember that the discharges and excreta of a normal person and those which are teeming with disease-causing germs appear similar as far as our eyes are concerned.

From this cycle we notice that mass infection or epidemics can be minimized and even prevented, if we keep other people from coming in contact with body excreta and discharges which contain disease-causing germs. In order to accomplish this prevention both parties must do their share. The infected person and the carrier must be certain that his excreta and discharges are disposed of properly. The others must take precaution in seeing to it that they will not become infected. As a matter of fact, we must all establish clean and wholesome habits because many times we may be harboring and disseminating disease germs in our own bodies without having the slightest knowledge. Furthermore, aside from containing disease, improper disposal of excreta and discharges creates a definite unwholesome nuisance.

The latrine facilities such as washstands, urinals, toilets, showers, and laundries, must always be kept sanitary because disease germs may be lurking there.

About 90% of infection occurs by means of "germs" entering through our mouths. Hence, not only the food and drinks but also the utensils used in preparation and eating must be clean and sanitary. It becomes apparent that the block janitors and the kitchen personnel play an important part in the prevention of disease. They, however, cannot carry this responsibility alone. Others, adults and children alike, must do their part.

Rewards for our efforts will be paid in terms of better community health.

MEDICAL DEPARTMENT

傳染病豫防に就いて

幾多の疾病は之を傳染性と非傳染性の二種に分類される。傳染病は特に人の多く密集して住む地方に流行傳染するものである。一旦流行病が発生した場合醫者は最善の努力を盡して之が防止に勉めても尚且つ大なる困難に遭遇するのである。何となれば總てのものの傳播は餘りにも敏速であるからである。殊更戦時に於てはねばならぬ。故に我々互が此の傳染病の發生流行に對抗して行く唯一の努めは之が防止に力を注ぐ事である。

昔の人は今日より進歩した醫學や科学の力を以つても如何と病もする事の出来ないものがある。傳染病には各々特種の活動力を備へてゐる。之を稱して「普通細菌」と言つて居る。若し此の細菌が我々の肉眼で見えなう之を殺したるに餘りにも微細な生物であるから顕微鏡の力を借らねば見る事が出来ぬ。故に我々は細菌の衛生局では時に表面上の清潔計りで無く衛生的方面にも清潔にするやう奨励して居る。

どんな傳染病でも細菌の作用によらないものはない。又腸チブス菌や赤痢菌の様に健康体の人でも此の細菌を体内に持ち他人に感染させるものもある。こんな人を保菌者と言ふ。病原菌は傳染病の種類により唾や大小便に混つてその患者の体内から外部に出る。鼻目或は傷口からの排出物にも細菌が混つて居るから之に觸るれば感染する。斯の如く次から次へ絶えず感染を繰り返すものである。普通の人の排出物と澤山病原菌を有する人の排出物とは我々の見を眼では同一排出物としが見えないと言ふ事に深く注意せねばならぬ。

此の恐るべき感染と雖も防止出来ぬ事はない。それは病原菌のある人の排出物に觸れさへしなれば之を充分防止する事が出来る。之を遂行するには患者と他の人が互に注意せねばならない。流行病に罹つた人の排出物は常に適當な處理をせねばならぬ。觸れさへしなれば見た又けでは決して感染するものではない。

我々は常に清潔に保ち流行病に罹らぬ様警戒する習慣をつけねばならぬ。何となれば知らず知らずの中に我々の体内に細菌が潜んで居るからである。排出物の不適当な處理は不健康を生ず。

COMMENCEMENT SPEAKERS CHOSEN

For their distinctive scholastic record achieved during their four years in high school, three graduating seniors from Butte and one from Canal were chosen as valedictorians for their respective commencement exercises scheduled for June 24 in Canal and July 1 in Butte.

Butte's scholars are Tokiko Inouye, Kimiko Kodani and Taduko Inadomi, and from Canal, Mary Mizufune. Selected as salutatorians are George Toyoda from Butte, and Masako Okada, Canal.

The Butte speakers have chosen "We, Before Evacuation," by Miss Inouye, "We In Relocation Centers," by Miss Kodani, and "The Challenge of American Democracy" by Miss Inadomi. Toyoda will deliver the introductory speech.

WRA Will Film Exodus, Centers

CODY, Wyo.--With Heart Mountain chosen as a typical WRA center, a documentary movie of the entire story of evacuation, relocation and resettlement is being undertaken by the WRA, according to the Heart Mountain Sentinel.

Using 16 mm. color equipment, filming of scenes of center life here was begun this week by a crew of photographers comprised of Tom Parker, WRA photographer, and Pat Coffey and Charles Mace. Commentaries will be "dubbed in" later to make a sound film. (More on page 5)

CANCELLING COOP LICENSE DECLARED UNCONSTITUTIONAL

Project Attorney J. H. Terry masterfully presented the case of the government and the Gila River Cooperative Enterprises before the Arizona Corporation Commission at the hearing to review the order cancelling the license of the Cooperative came to a close yesterday. The project is now awaiting the decision of the Commission.

Terry in the course of the day's hearing accused the Commission of exceeding its constitutional powers and of libelous accusations, and the witnesses of "bigotry, prejudice and

ignorance of the U.S. Constitution." He declared that the witnesses were handpicked, representing only the agricultural interests of the state; that hardly a word of the testimony would be admitted by any court; that witnesses were biased and motivated by self interest or racial prejudice and that none knew or had made any effort to learn anything about the cooperative.

A heated exchange of words, amounting to a verbal altercation, took place between Terry and the accused.

The project attorney said that if the commission remained adamant, he has been instructed to carry the case to the Supreme Court, if necessary.

However he said that the government would be ready to take action to limit the operations of the cooperative to the Rivers relocation center and its existence to the life of that center. He said that the cooperative has no intention to do otherwise.

Project Director L. F. Bennett and Terry gave testimony at the hearing, to refute with factual evidence accusations made against the center and its residents.

Hugo Wolter, supervisor of Community Service Division, commented on the fair treatment given the hearing by the Arizona newspapers.

LICENSE NEEDED FOR FISHING

Hugo Wolter, supervisor of Community Services Division warned residents that a valid license in possession is necessary for any person to take any fish, animal or birds in Arizona. Any violation is subject to the penalties imposed by the state law.

RESETTLEMENT IN ARIZONA STOPPED

Yesterday, WRA Director D. S. Myer teletyped instruction from Washington that further issuance of leaves on the project for resettlement in Arizona be stopped.

CIVIL SERVICE TESTS PLANNED

In the first of a series of such tests, thirty-five Rivers' residents will be given Civil Service examinations in typist and clerk-stenographer tests to be conducted by Roe Strickland and Harry Edwards, examiners, Saturday afternoon at the Butte administration annex building, it was announced by the employment office.

Persons who will take the test will be notified by the office. Another one is planned in the future, and the examiners said that assembled examinations will be held as long as there are individuals applying for such.

Pioneers Must Keep Faith and Trust

Dear Editor:

We are thinning the beets at present. It isn't easy. Kind of regret that I came out here. The place and the people in general are okay; it's just the darn beets. But if you stop and think, and compare working conditions with California, it's about the same. Many Japanese in California did the same kind of hard stoop labor also.

Guess camp life made us soft and we just can't take it. At present, my plan is to go back to camp after this is over for a short visit and then go out again on an indefinite leave. Not definite as yet.

The Utah and Idaho Sugar Company has stopped the practice of defraying the expense for evacuees to come out around here. This was caused, I heard, due to some unthinking evacuees who came out this spring on company's expense. Coming too early, many went to work on the railroad with the agreement that they will quit when thinning commenced. When the time came for them to start thinning, they refused to quit the railroad. As a result, the company, one of the first to begin recruiting Japanese labor last year, has stopped defraying expenses for other evacuees. It may also result in a change in the company's policy next year, stated Mr. Clyde, company's agent. That is, the company may have lost trust and faith in the evacuees and will not spend money on transportation, freight, etc. of the people from relocation centers.

Utah and Idaho, a company run mostly by Mormons who were an oppressed group at one time, really tried to help the Japanese by using a great deal of money and effort. If the company takes such a policy, many evacuees will be deprived of an opportunity to relocate next year.

I hope the above didn't bore you too much. It kept me bothered since I heard about it. Such an action taken by the company has begun to hurt some evacuees, already.

JACL OPPOSING AGAINST JA DISCRIMINATING ARIZONA LAW

The JACL last week initiated proceedings to contest the Arizona State law forbidding business transactions with any person of restricted movements, announced Mike Masaoka, executive secretary of the National JACL.

Terming it a "vicious law," Masaoka stated that if necessary, the matter will be taken to the Supreme Court of the United States.

"This situation," continued Masaoka, "has ap-

parently been created by unscrupulous parties taking advantage of wartime hysteria as a means of driving residents of Japanese ancestry out of the states."

The law, signed by Gov. Osborn on March 23, makes it unlawful to undertake any business transactions with persons whose movements are restricted unless such intentions are reported to the secretary and publicly posted for several days.

OWI REVIEWS SOLDIER AND SAILOR RIGHTS IN WARTIME

Guarantees, to American soldiers and sailors, of rights and privileges which they are fighting to preserve were reviewed recently by the Office of War Information. Acts of Congress pertaining to the welfare of the servicemen and their families, state laws and the program of the American Red Cross, provide:

A servicemen's civil liabilities, such as income tax, suits for debts, and insurance premium payments, are suspended and remain suspended until six months after the war. Free legal advice is available to him.

His right to express preference at the ballot box on those who are to govern the Country, his State, and to make laws, is preserved inviolate.

He is eligible for unemployment compensation in 44 States and Hawaii in the event he is unable to find employment on being discharged from the service.

His former employer is required by law to reinstate him to his job and seniority rights upon discharge from the service. He will be given civil services preference in seeking employment with the National Government.

His concern over the health and other assistance and services, which may be required by his wife, his children, his parent or parents, or his sisters, brothers, and grandchildren is alleviated through system of insurance, allotments and allowances, quarter allowances and maternity and infant care.

He may receive free medical and hospital care after the war. If wounded or injured, he may be eligible for veterans pension, commensurate with his degree of disability and to vocational rehabilitation and placement in employment.

RELOCATION

NEW WRA OFFICE IN IOWA;
EXCELLENT OPPORTUNITIES

"Exceedingly pleased" with the reception in Des Moines, Iowa, and the state, Vernon R. Kennedy, relocation supervisor of the Iowa, Kansas, and nearby areas, announced the opening of the Des Moines relocation office. It was believed that C.L. White, relocation officer, who visited Gila two weeks ago, will be in charge of the office.

Kennedy was in Iowa for a week, following the cancellation of the NYA training courses for nisei. He reported that 150 people offered hospitality, and 200 jobs were opened to the 50 youths who were expected. As it happened, only 15 boys arrived. Arrangements had been made so that they could enroll in full-time or part-time vocational training courses if they wished to.

BUDDHISTS TO
HOLD CONFAB

With "Unity Through Gassho," as the timely and fitting theme, the Butte Young Buddhist Association is sponsoring their first conference Sunday, June 20, with Ben Tsudama, general chairman, in charge.

Registration will begin 8:30 a.m. at Temple 42 with the Jr. YBA members in charge. At 9:10, the opening service will commence, chairmanned by June Tokuyama. The Rev. G. Kimura of the Canal Buddhist Church will deliver the sermon.

A report on the recent 3rd National YBA convention held in Salt Lake City, Utah will be made by the Rev. N. Ishiura and delegates who attended the conference.

Election of officers for the new term, beginning July 1 and ending December 31, 1943, will be held in the afternoon, followed by an entertainment period.

Climaxing the one-day parlay will be an informal ball to be held at Club 41 from 9:30 p.m. with Yoshiko Nakamura in charge.

Show your patriotism. Make an entry in the Fourth of July parade. Deadline for entry will be Saturday, June 19, at the Butte GAS office.

Relocation opportunities in Iowa are excellent, wrote Kennedy. The state is predominantly agricultural, and many positions, whose real wages are comparable to other sections of the country, are being offered, he stated. Wages average around \$80-120 per month for a couple, with the man doing general farm work, and the woman assisting in housework and caring for the poultry. Housing, garden foodstuffs, butter, milk, eggs, and hogs are provided.

Kennedy is quoted, "Relocating on this basis will give the evacuee an excellent opportunity to become a part of the community."

EX-ED GETS VISIT

Larry Tajiri, editor of the Pacific Citizen, recently visited the Japanese American Combat Unit stationed at Camp Shelby, Mississippi.

Private Ken Tashiro, former editor of the NEWS-COURIER was host to Tajiri at noon mess.

14 VIE FOR
QUEEN TITLE

Two additional names were listed for the 4th of July queen contest, it was disclosed by the Butte GAS yesterday afternoon. Candidates are Irono Wakamiya and Asako Donna Suzuki. The duo will vie for the Queen title with twelve other feminine lovelies.

Contestants are: Clara Kubota, Toshiko Yamauchi, Hinayo Ikoda, Florence Hasegawa, Frances Yamauchi, Toshi Haramoto, Fuki Yamashina, Lillian Kadowaki, Kikuyo Misaka, Misao Kasai, Tamiko Kawabe, Nancy Morishita and the two in the aforementioned paragraph.

Masako Yamaguchi has been disqualified because she did not meet with the minimum age requirement.

CHORAL CLUB
GIVES CANTATA

"The Rose Maiden," a cantata by Frederic H. Cowen will be presented by the Butte High School Choral club tomorrow night from 8:30 at the amphitheatre under direction of Margaret Ott, high school music instructress.

This cantata portrays the Queen of the Flower Fairies who is weary of a life of unbroken calm, and prays of the newly returned Spring that he will bestow upon her, also the gift of love that he bestows upon man. He warns her of the risk she runs, but finally yields to her entreaties by changing her while she sleeps, into the form of a beautiful girl.

Coronation Ball Set for July 2nd

ORCHESTRA BOOKED

Elaborate plans for the July 4 Exposition is now in the process of building. The latest release by general chairman Annie Fujimoto is as follows:

1. All pet owners are reminded to register any type of pet at their block manager's office by June 25. Cages will be built by the CAS upon request. Prizes will be awarded for the largest, smallest, most unusual, prettiest and best-dressed pets.
 2. Register your baby at the block manager's office by June 20. Age limit is 6 months to 3 years old. Prizes will be awarded according to health, personality, beauty, and costume.
 3. Potential men are still eligible to raise their beard or fuzzes. Register with Frank Watanuki at the CAS office. Prizes will be awarded on the length of the beard, toughness of bristle, originality of face foliage. Judges will be a group of fair lassies.
 4. Dean Pullen's 10-piece orchestra is booked for the coronation ball to be held July 2 at Club 41. Bids will be out next week for 77 cents plus 8 cents amusement tax. It will be a sports formal affair and will admit couples only.
 5. Thirteen candidates are competing for the queen contest. Vote for five at the block manager's office by June 24. The queen and her four attendants will lead the grand parade on July 5.
 6. Thirty-two entries have been submitted for the gigantic carnival to be held on the evenings of July 3 and 4. The locale of the carnival will be block 69 warehouses.
 8. A livestock and farm produce fair will be in store for the public. The fair will be conducted by Tom Hirashima and George Takemoto.
- Ice-cold watermelons will be served to those who visit the livestock and farm produce exhibits.

654 LBS OF MELON FEDERAL WORK FOR BUTTE TABLES OFFERED IN MO

Six thousand five hundred forty pounds of cantaloupes picked Monday from field 48 were distributed to Butte mess halls early this week. The next pickings will go to Canal. Harris Tanaka is foreman.

Butte will get its first taste of watermelons the latter part of this week.

The Mexican June corn crop looks very promising. Strong doubts were expressed, earlier in the season as to whether ears would form, but favorable weather has aided in producing large ears.

Initial pickings will begin next week. The corn that have been distributed to the mess halls in the past were golden bantams. The small crop of the golden bantams is almost exhausted.

LOST AND FOUND

A Butte movie lost and found department has been inaugurated at the amphitheatre. Persons losing such articles as bandanas, handkerchiefs and sweaters at the movies are asked to claim them immediately at this department.

PASTRY SOLD

Delicious cakes, cookies and snails will be sold at the canteens every Wednesday and Friday beginning June 18, announced Gilbert Kuramitsu, general manager.

BUTTE RED CROSS UNIT SPONSERS MOVIES

A motion picture program sponsored by the Butte Unit of the American Red Cross will be shown to the entire student body of the Butte elementary and high school Saturday evening, June 19 at block 43 from 9 o'clock, announced Ernest Iwasaki, executive secretary.

BUTTE GR HOLDS IMPORTANT MEET

There will be an important emergency one-half hour meeting of all Butte Girl Reserves clubs tonight at 7 p.m. on the grammar school lawn.

The agreement between the Federal Service Commission and the WRA for the employment of loyal qualified evacuees in Federal positions is bearing fruit.

In Kansas City, Missouri area, three positions for stenographers and clerks are being offered to evacuees with civil service rating, according to information received in the employment office. From Denver, Colorado, openings for experienced laundry workers for civilian employment at the Army Quartermaster Laundry were reported to the center.

PAPERCRAFT

DISTRICT FOUR OPENS SHOP

The District IV workshop, rec. hall 65, is now open to residents living in that district. Woodwork tools may be checked out from the shop.

District supervisor, Miko Terazawa, is instructing girls interested in papercraft to make unique articles such as paper potteries, heat protectors and waste baskets. Classes are held in the evenings from 7. All articles made in this class will be sold at the July 4 bazaar.

The proceeds of the sales will be used to purchase recreational equipment for the district.

Students who are desirous of seeing some of the more important functions and activities of the American National Red Cross should make a date to see this picture program, said Iwasaki.

On Monday, June 21, at 9 o'clock in the evening, the same program will be shown to the entire public at the amphitheatre. There will be no admission charges. Wednesday morning at eight, this same program will be repeated to the block health advisers as part of their educational work at the hospital.

Baccalaureate Service Sunday

Baccalaureate services will be held on the outdoor stage for high school seniors of Caml on Sunday from 9 p.m. The program schedule will be released later, announced the high school office today.

"Radio City Revels" Fri. Sat. Movie

The musical comedy, "Radio City Revels," starring Bob Burns, Jack Oakie, and Kenny Baker will be shown Friday night at the Butte amphitheatre, 9:30.

One of the latest news reviews, an Office of War Information release and a cartoon will also be shown.

Rendering their services as collectors for the night will be the Girl Reserves of District II.

Canal will see the movie on Saturday.

GIRL-SOLDIER ENGAGED

Fumiko V. Nagamatsu, daughter of Mr. and Mrs. H. Nagamatsu of block 27 and formerly of Orange County, left Tuesday for Ft. Sheridan, Ill. to join her fiancé, Staff Sgt. Victor C. Iseri.

S/Sgt. Iseri is the son of Dr. and Mrs. K. Iseri of Poston, and formerly of Los Angeles.

Baishakunins for the couple are Dr. and Mrs. T. Ichioka and Mr. and Mrs. R. Y. Emoto.

WCA MOVIES ON RC'S REALISM PROMISED

(cont'd. from page 1)

"We want to get the entire story," he said "There will be no frills and no faking. We have permission to photograph the barbed wire and guard towers, and all the realities of camp life, and the success of the picture will depend to a great degree on the cooperation we get from the residents."

Pictures taken earlier of evacuation and WCCA camps will be incorporated into this film. A follow-up will be made showing evacuees who have been resettled.

SOLDIERS HOST TO DENSON GIRLS

Enlisted men of Camp Shelby, Miss. will entertain 100 nice girls during the week-end of June 19, 20 from Denson, Arkansas. A similar number from the Rohwer Center were two-day guests during the week-end May 1-2.

The girls from Denson, with six chaperones, will make the trip in three busses which will be provided by a general fund made up by the soldiers. After they are shown to their quarters on the post where they will have supper, they will be returned by busses to the Service Club nearest the Combat Team's regimental area where a dance will be held in the evening.

On Sunday there will be Church services, again in the regimental area, informal meetings of the guests and the soldiers and perhaps a baseball game in the afternoon. At noon mess the girls will be divided up and eat at various company mess halls.

Choral Group Presents Cantata

(cont'd. from page 3)

Under the name of Rosebloom, she wanders through the world to find the love that she seeks, and meets with a girl who, having been betrayed and deserted by her love, loses her senses and dies broken-hearted. But, undeterred from her search, Rosebloom becomes the wife of a forester, with whom she lives for a time in such perfect happiness that she cannot survive his death.

The elves bewail the fate of their Queen, and curse love as fatal to peace and happiness.

Solo and choral presentations are ably handled by various community vocalists and the 7th and 8th grade girls. Sally Kawabata - soprano, May Ouchida-soprano, Mae Enseki - soprano, Mary Eto-mezzo soprano, Yosh Iwashika - contralto, Ralph Currie-tenor, and James Nishino-baritone will be featured soloists.

3rd Round Play Lompoc After Third Straight Against Pasadena Tomorrow Nite

Second half's third round shows Major League's standings in a unexpected form as Lompoc seeks its third straight in a tussle against Pasadena tomorrow night at Zenimura Field from 6:15. '28 battles Guadalupe Saturday evening.

Kaname Matsuno, winner of last week, or Hank Hayashida will probably oppose Lefty Nishimura or Bob Toyoda.

Ken Zenimura indicated he may not have his mainstay Masato Kinoshita, who is presently not in top physical shape, go the route. The Madera lad may hurl a few frames—depending on how he feels.

George Matsuda, a right-hander with some experience may be brought up from the bee squad.

If things go worse for his patched-up club, he himself may go to the mound.

In other games over the week-end, '30 tackles Firemen Sunday Morning and Hinodes tangle Giants in the evening.

FIREMEN LOSE 10-6 IN EXHIBITION TILT

A futile last inning rally failed to even a 10-6 margin as 2CAC's Rough Riders proved too much for Firemen in an exhibition contest last Tuesday night.

Borrowed for the day, Bear's Ed Nakamura tossed superbly for seven frames. Tom Egusa finished.

Firemen's southpaw Junius Sakuma started and Shin Shimozaki who tripled in the first, twirled the ninth.

Block 49 Wins 6-5

Block 49 15 year old softballers downed Little Wolves 6-5 last Monday night. Clowns meet Cubs Saturday night at rec. area 50 from 6:15 o'clock.

'55 ASAHI'S DOWN LOMPOC BEES 9-5 MEETS BLOCK 64 TOMORROW NIGHT

'55 Asahi's kept abreast in American Association's first half title runnings by downing Lompoc Bees 9-5 last Tuesday night.

They are scheduled against Block 64 tomorrow evening at 66 Field from 6:15. The winners of this game will meet Hinode Bees for the first half's championship Monday night at 66 Field from 6:15.

A clarification shows that '55 was conceded the protested Red Sox game because of Asahi's bearing on the league's leadership.

Hinode Bees have won five and lost one. Both '55 and '64 have taken four and dropped one.

To Hold Tourney At Amphitheatre

A second combined CAS and Judo Club supported Judo Tournament will be held this Saturday night at Butte amphitheatre from 7 o'clock. All Canal members and supporters planning to go are asked to assemble at the Block 25 Judo dohjo by 6:30 p.m.

Block 72, 33 Clash Tomorrow

Block 72 and 33 are slated to clash tonight in a International League tussle at 6:15.

Lompoc Bees newly-inducted in the senior bee circuit, will make its debut against '28 Bees Saturday afternoon from 1:30.

BLACK JACKS LOST LAST FRIDAY 11-2

In their first game for the Bee League last Friday nite, the 21 Black Jacks suffered a defeat from the Panthers, principally owing their loss on errors. Nevertheless, the 21 boys boasted a home run, combed from the Panthers' hurler T. Imura.

2CAC Managers Reportedly Agrees Tournament

At a recent meeting of 2CAC managers, it was said that Canal has agreed to plans for the July Fourth Tournament in Butte.

They reportedly have drawn numbers already for opponents. Major League managers will draw at tonight's meeting.

Harry Kono, 2CAC Baseball Commission Chairman, returned recently from Poston and is said to have indicated that any hopes left for the inter-project series is no go. This is because it is against the policy of relocating inasmuch as it would make the camps too attractive and would slow leaves.

UMPIRE PLAN DRAWN AT MEET

At the recent meeting of bee managers, a definite policy of officiating games for the second halves of both Butte bee leagues was worked out. Hereafter on a rotary basis, each team will furnish one umpire for a certain game.

Although games in the past have more or less dragged on and off, all games will regularly start at 6:15 and if a team does not show up by 6:30, the game will be forfeited. Some International League games may be played at Pasadena's practice ground by the butte and Block 58.

PEPPERETTES' TOP HOT TAMALES TWICE

Block 60 volleyballers took two out of three—15-12, 12-15, 15-11—over A. B. C. last Tuesday night.

Pepperettes downed Hot Tamales 15-12, 15-9.

Block 51 moots A.B.C. tonight at lot 50 from 7:30.

Softball Deadline

Dorothy Matsumoto of the Butte CAS has put forth a reminder that there is still more than a week left for team entries in the coming Girls' Softball League. The League will commence after the conclusion of volleyball.

HUSO

EDC Clearance Obtainable

Eastern Defense Command clearance may be applied for prior to a receipt of a job offer, said William Huso, employment supervisor, yesterday.

With this statement Huso clarified a misunderstanding in the center that application for an EDC clearance must be accompanied by an indication that the applicant had received a definite offer of employment.

Warning was given, however, that clearance would probably be obtained earlier if an offer of a job was submitted with the application.

INCREASED PRODUCTION ASKED OF GILA FARMS

Faced with the problem of growing the largest poundage of farm produce of any center, the Farm Management foremen met Thursday to discuss the planting and shipping schedule for the coming year.

Gila farms have been instructed to ship 7,018,000 pounds of vegetables to other centers next year. An additional 784 acres of food will be grown for center consumption.

Asked by the NEWS-COURIER to comment on a statement at the project directors meeting in Washington last month that the WRA probably would be unable to maintain present dietary standards for relocation center residents unless the agricultural program is pushed through, David Rogers, farm superintendent, agreed in substance.

Rogers declared, "I do not think there is any question but that evacuees really will have to get out in the fields and work if mess hall meals are to be kept up to their present levels. Pitched to meet year-round food needs, the 1943 agricultural program should provide most of the vegetables, meat, milk, and eggs needed on the commissary tables. We have the land, stock, seed, and equipment to produce as

SENATOR VISITS

WASHINGTON OK'S USE OF ALIENS

The full use of all aliens in the United States, irrespective of national origin of citizenship, in war plants was urged in a joint statement issued by the War, Navy and Justice departments and the Maritime Commissions.

The announcement also shortens and simplifies the procedure, whereby holders of government airplane and "classified" contracts may obtain permission for hiring aliens within two weeks or less.

PRODUCE FOR ARMY URGES MCFARLAND

Unexpectedly showing up in Rivers yesterday afternoon at 4:30 p.m., Senator Ernest W. McFarland, accompanied by Stephen Tormey, state commander of the American Legion, made a five hour inspection tour of the center yesterday.

With the Army and lend-lease requiring ever-increasing quantities of food the Senator said that Rivers food production should be increased to supply the Army and lend-lease needs as well as the relocation centers. He said that he would make such recommendations in Washington.

Senator McFarland had visited Poston Wednesday, and his inspection of Gila fulfilled his announcement to the press a few days ago that he would make a personal visit to both centers.

The Senator was quoted in the Arizona Republic as stating that he is not duplicating the investigation of the Dies Committee, but that his concern was to work out means to prevent the settlement of evacuees in Arizona after the war.

Assimilation Is YP Topic Sunday

"Education for the Future," with emphasis on education towards assimilation into the American society, will be the forum topic at tomorrow's Youth Fellowship meeting in Butte at 8 p.m. at Chapel 40.

As the nisei disperse themselves over America, there should be a growing consciousness of the need for preparation to fit themselves into a predominantly Caucasian Community, said Reverend Royden Susu-Mago.

DEAR FATHER:

Dear Father:

Tomorrow is Father's Day. I remember two years ago tomorrow—a serene day when the money for my gift to you came from your much abused pocket book.

Tomorrow I will be as impecunious as I was two years ago. But this year I will not ask for money. I am asking of you, more—the courage and determination to make good with which you came to America 55 years ago.

I have need of courage and determination, for I must be a pioneer as you were, to make for my son—your grandson—the same security in this country that you so patiently sought for my sake.

editorial: SMEAR CAMPAIGN CHALLENGES NISEI

The War Relocation Authority, its officials, and the evacuees were under terrific verbal bombardment by public and private individuals and groups through the media of the press and radio this week.

WRA officials, from Director Dillon S. Myer to officials of the ten relocation centers, were embattled men as they fought to counter the accusations and statements (which were termed "smear campaigns" by many observers) which particularly discredited the evacuees and threatened to seriously hinder the Authority's relocation program. Dillon S. Myer issued a statement declaring that the WRA intends to carry on the program. He stated that the investigation and the conclusions drawn by the Dies Committee "have revealed either an ignorance of the policies and procedures of this agency or a willful intent to misrepresent the situation."

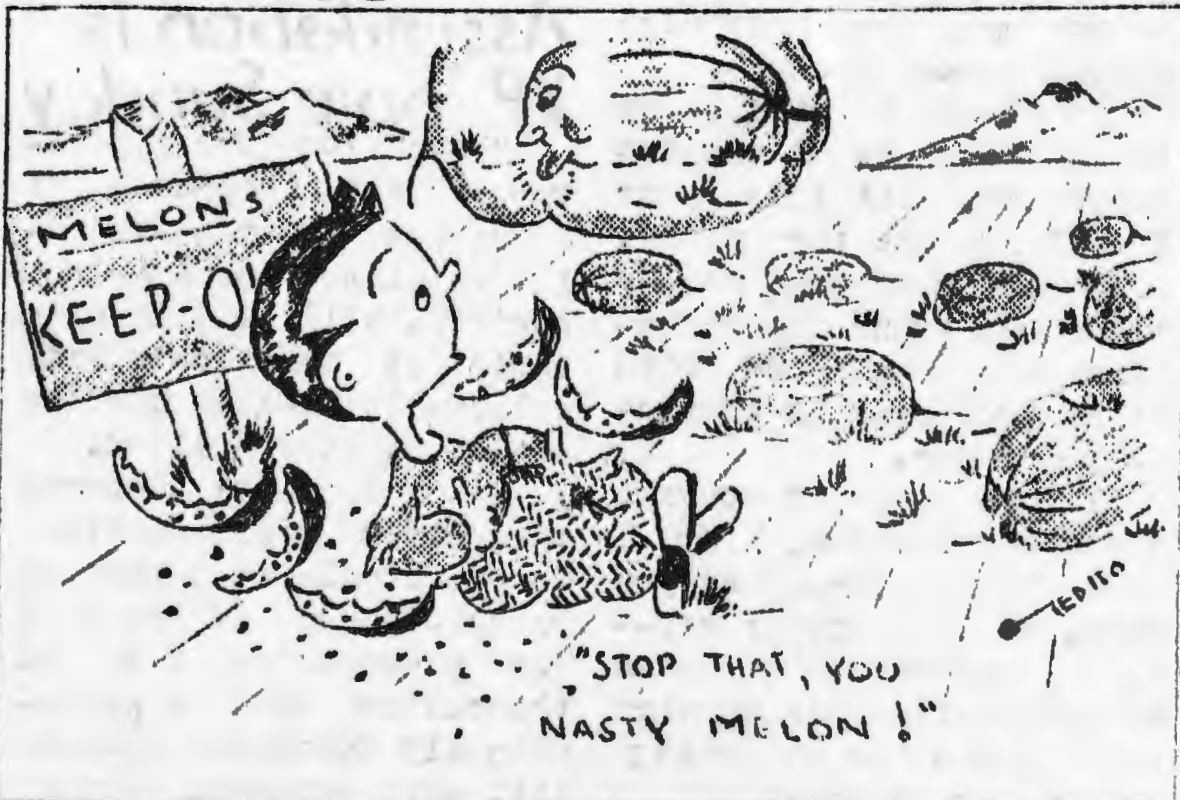

Rivers came in for considerable notoriety as the Arizona Corporation Commission conducted a hearing to review its order cancelling the license of the Gila River Cooperative Enterprises. The hearing ended Wednesday, and the Commission has taken the matter under advisement.

During the hearing, heedless of their irrelevancy, the Commission admitted testimony which gave to the hearing an air of another Dies Committee investigation.

Rivers' residents were given a clear picture of the extent to which the Administration will fight to defend the evacuees' rights. Project Attorney Terry, at the trial, accused witnesses of "bigotry and prejudice and ignorance of the U.S. Constitution."

Meanwhile the Dies Committee, after airing reports from Poston, prepared to start on Rivers. Tom Cavett, special investigator, started the ball rolling by declaring that Rivers is the worst of the centers for subversive activity.

Cavett's accusation presages more days of bitterness and anger on the project. It will mean discouragement and some may even abandon their present thoughts of resettlement. The Dies Committee may damage our hopes and opportunities. But it also presents a greater challenge to our loyalty and our determination to make good.

LITTLE GUS**TED ITO**

Discrimination Faces Censure

Executive Order 9346 issued by President Roosevelt reestablished the Fair Employment Practices Committee on a sounder basis than the organ which originally was under the War Manpower Commission. The FEPC became an autonomous agency administratively responsible only to the President.

It is believed that under the present set-up, Monseigneur Haas who has been appointed its chairman will be able to do considerable to clean up "this filthy situation" of discrimination.

The new Executive Order strengthens and implements the government's efforts to eliminate racial discrimination by declaring it "the duty" of all employers and labor organizations "to eliminate discrimination in regard to hire, tenure, terms or conditions of employment or union membership because of race, creed, color, or national origin." The Order also provides that all government contracts with war industries incorporate provisions "obligating the contractor not to discriminate" and orders all federal departments and agencies engaged in training programs for war production to take all appropriate measures to prevent discrimination.

WELFARE HEAD STUDIES PROBLEM

Plans for the standardization of welfare regulations of all ten centers are under consideration, said Selene Gifford, public welfare consultant from the Washington office, who arrived in Gila Thurs.

Miss Gifford is visiting various centers to acquaint herself with the individual problems of the centers that Washington has not been informed of. She leaves for Poston today. She intends to cover as many of the other centers as she has time for.

She had a good time for Gila's weather: "It is a welcome change from Washington, where the weather is uncomfortably humid."

FLUORINE CONTENT REDUCTION SEEN

A gradual reduction in the amount of the fluorine in the water was reported by Jack O. Sleath, chief medical officer. He said also that the fluorine content is gradually reducing and approaching that concentration which is desirable and beneficial to the teeth and that at the present time the concentration is not harmful but beneficial.

An over-abundance of fluorine in the water will produce mottling of the teeth for younger individuals. Dr. Sleath was prompted to make his statement following concern shown by residents over the water. Fluorine has been found, on good medical authority, to be beneficial to teeth if given in small concentrations. It was disclosed that fluoride filters to reduce the content probably will be in use in 15 to 20 days.

NOW IT'S BUTTE'S TURN AT MELONS

Watermelons picked from three different fields were served in Butte mess halls yesterday.

Two thousand were picked from foreman Tojo Heta's field 39, largest number from any one field.

The other two fields were 65 and 48. Throughout the summer, melons will be served regularly.

Heavy Schedule Carried By Farm LABOR REMAINS UNKNOWN FACTOR

(continued from page 1) much of these foods as the ordinary civilian expects to get this year. The only unknown factor is labor. We are going ahead with expectation that the necessary labor will be available when the need arises"

Present estimates contemplate that on the average, center production will provide every evacuee with 688 pounds of vegetables. Some centers will produce two-thirds or more of the meat and eggs needed, while others, which got started late, will not produce so much. Since some centers are in a better position to produce certain types of food than others, not all this produce will be raised at Gila but will be shipped in from other projects.

by the discussion hour. The proposed national YBA movement will be explained to the members-at-large by the Rev. N. Ishiura during this period.

Beverly Yoshimoto, Mary Nakahiro, and committee will be responsible for registrations. Souvenir pamphlets of YBA activities for the past six months will be distributed by Jr. members at this time.

Starting 1:30, election of officers will be held with the general chairman conducting. A variety of entertainments will be presented from 3:30 with the Junior Bussei members in charge. Closing service is scheduled for 5 p.m.

Climaxing the conference is a ball at Club 41 with Yoshiko Nakamura emceeing.

The convention is being dedicated to fathers, June 20 being Father's Day, with the fitting theme, "Unity Through Gassho."

INITIAL FINE ARTS CONCERT SLATED

The "Gila Biwa uta and Shigin Kai," original Japanese fine art, will hold their initial concert session on June 24, 8 p.m. at mess 45. All those interested are cordially invited to attend.

Caral Buddhist Sunday School and young peoples services dispensed Sunday.

HEARST BLAMED FOR ZOOT SUIT RIOTS

Carey McWilliams, outstanding liberal who has written books sympathetic to minority groups, such as "Factories in the Field" and "Brothers Under the Skin," accused the press of Los Angeles, particularly the Hearst newspapers, for the major responsibility of the zoot-suit riots in Los Angeles in a signed article for the PM.

McWilliams stated that the press whipped up a great smear campaign against Mexicans with particular emphasis being placed

against zoot-suit gangs. He said that the race-conscious atmosphere of Los Angeles and California were further stirred up by the press and public officials' discussion of race-problems-- including that of the Japanese evacuees.

The San Francisco Examiner this week showed great concern over the large number of negroes moving into San Francisco. Banner line read, "Halt Negro Invasion, Rossi Urges." The negroes are

moving into that part of San Francisco vacated by the evacuees, which is prominently referred to as "Japtown" even now.

McWilliams urged the Federal government to recognize that the riots are the manifestations of an oppressed minority group and to take action accordingly. He said that the present local methods of coping with the problems are characteristically fascist, and being deliberately used for an anti-democratic purpose.

RIMSKY-KORSAKOW RECORDING ON TAP

The Scheherazade Suite, Rimsky-Korsakow's musical interpretation of the adventures of Sindbad, the Sailor and the tale of the young Prince and young Princess, will be played Sunday evening at 7:30 on the Butte Library lawn. Stokowski and the Philadelphia Orchestra give a rich, full rendition of this colorful composition. Everyone is cordially invited to come to listen.

INDUSTRIAL UNION COUNCIL HELPS RELOCATION PROGRAM

In direct reply to the "smear campaign" recently undertaken by the Dies Committee on un-American activities and the Hearst press against the WRA and every American resident of Japanese descent," the Washington, D. C. Industrial Union Council of the C. I. O. unanimously passed a resolution in positive support of the relocation program, and full participation of evacuees in the union organization on June 9.

The Council, composed of delegates from the ship, office, transport, federal, and cafeteria workers, vigorously condemned the "invidious activities" of the Dies Committee and the Hearst newspapers as being irresponsible, hindering the prosecution of the war.

Six Withdraw Queen Contest

Six candidates withdrew from the queen contest as they plan to relocate in the near future. They are Clara Kubota, Donna Suzuki, Kikuye Misaka, and Misao Kasai. Florence Hasegawa and Nancy Morishita have withdrawn with legitimate reasons.

The remaining candidates in the contest are Fuki Yamashina, Toshi Haramoto, Irene Wakamiya, Toshiko Yamauchi, Michi Iwashika, Lillian Kadowaki, Tamiko Kawabe, Hinayo Ikeda, and Hama Tachihara.

The committee reminds all voters to vote for five candidates at their block manager's office. The queen will be selected by a secret committee of seven judges.

HANDCRAFT ARTICLE FOR DISTRICT BAZAAR

All those in District 4 who have small handcraft articles they wish to donate to the District Bazaar are asked to leave their items at the 65 block manager's office.

The proceeds of the sales will be used to purchase playground equipment for the youngsters of the district.

TANAKA ELECTED PTA PRESIDENT

Elmer Tanaka, formerly of Gardena, was elected by acclamation to the presidency of the Butte Elementary School Parent Teachers' Association June 16. One hundred members were present.

Mrs. J. H. Terry was elected vice-president, Mae Iwahara-secretary, and Mrs. Hisako Ishikawa, block 52, treasurer. According to the B.T.A. constitution, the officers will serve until June, 1944.

The next regular meeting of the Butte Elementary P.T.A. will be held in September.

Jr. High Holds Graduation Rites MONDAY JUNE 20

Butte Junior High graduation will see 145 eighth graders graduating at the amphitheatre Monday, June 28 beginning 8:30 p.m.

Reverend Royden Susu-Mago will deliver the invocation; Fred Millen, high school principal, will present the class; and W. C. Sawyer, Superintendent of Education, will present the diplomas.

Class valedictorian, Kyoko Ishiyama and salutatorian, Mary Haruko Ikenaga are the speakers.

TRI-CIRS HOST AT GET-TOGETHER

"Tri-Cirs," District V of the Butte Girl Reserves, will hold a get-together Wednesday, June 23 at rec. hall 60 from 7:30 p.m.

There will be games and refreshments. All girls living in that district, which covers blocks 58, 59, 60, 61, 72, 73, and 74, are cordially invited to attend whether they may be members or not, since its main purpose is to increase membership.

Alien Labor In War Plants Urged

(continued from page 1)

"Even on aeronautical and classified contracts, if a qualified applicant, whose services the contractor needs, is an alien whose loyalty to the United States, the contractor has no reason to doubt, the contractor is obligated to cooperate with the applicant in applying for consent to his employment," the joint statement said.

The statement, signed by Secretary of War Simon, Attorney General Biddle, Secretary of Navy Knox and Maritime Commissioner Chairman Land, further stated that failure by a contractor to employ such an alien is a breach of the contract anti-discrimination clause and contrary to national policy.

Dance With Rajahs

JOHN MURANISHI AFTER 5TH WIN AGAINST CARDS

By R. Watanabe

Tonight will see the Aye League leaders, the much favored R. Riders tangle with the Viking nine, in their third encounter in the second round.

Riders will be minus one valuable player, Freezer Furuya, due to injury he received in last week's game.

The chucking match will probably go on between Riders' T. Egusa and Paul Ryono for the Vikings.

On the following Sabbath morn, Deltans' J. Muranishi will face opposing moundsman Moon Nakamura of the Cardinals. All the promises of an exciting game prevail as the Cards will go into the battle determined to win to bring up a tie for second spot in the League.

RIVERS SEASONAL, INDEFINITE LEAVES SCALE THOUSAND DISPERSAL IS OVER WIDER AREA

Despite criticism of its resettlement program, the War Relocation Authority quietly went about its business of reestablishing a dislocated people.

Rivers resettlement total climbed over 1000 today and hit 1,033 as 35 more residents left on seasonal and indefinite leaves for points east. Indefinite leave total came up to 791 and the seasonal came to 247. Encouraging was an indication that residents were dispersing over a wider area. Departures over the last ten days showed that

but 16 of the 72 had left for Chicago, which had claimed a much larger proportion a few weeks ago. The resettlers were finding employment in Iowa, Ohio, Michigan, Missouri, Nebraska, Kansas, Minnesota, Wisconsin, and the states in the Eastern Defense Command as well as Illinois.

The more recently established relocation offices in different sections of the Mid-west and East were sending in more job offers, and the results were becoming apparent in the wider dispersal of Rivers residents.

Meanwhile, the WRA officials were still parrying relocation critics. They pointed out to Californians that the resettlement program would work to their advantage as it made less probable the return of more and more evacuees to California.

CO-OP RECEIPTS FOR APRIL READY DISTRIBUTION SOON

Official receipts for the aggregate co-op sales receipts up to April 30 turned in to the co-op by each member several weeks ago are almost ready for distribution, it has been announced.

The receipt from May 1 to May 30 will be collected in the near future, a co-op representative also said.

In event of discrepancy in the figures of the official receipt, and the total added by the members, complaints can be taken to the co-op office at 69-15.

MORE RECRUITS SOUGHT BY ARMY

Further recruitment of candidates for the Army Language School at Camp Savage, Minnesota, is in prospect for Rivers, according to a teletype from Colonel Kai Rasmussen, commandant, Camp Savage.

The communication indicated that kibeinisei will be particularly desired. Representatives are expected to arrive in

the near future.

This will make the third time that Language School representatives arrive on the Project. The first group of volunteers are at present furlough-visiting in the center.

REITERATES No Evacuees In State After War

Senator Ernest W. McFarland of Arizona, who visited Rivers Friday and Poston Thursday last week, declared on Sunday that "it is most important that the Japanese who were residents of other states prior to Pearl Harbor shall not be permitted to locate in Arizona after the war."

Senator McFarland's statement--often stated by Arizona officials--made no dent on the project consciousness. It was recalled here that the WRA had issued orders that evacuees would no longer be permitted to relocate in Arizona from the relocation centers. Issuance of day passes to Phoenix and other Arizona cities remained on the absolute minimum basis.

McFarland declared that he would also recommend that segregation of the loyal and the disloyal be carried out.

142 CANAL SENIORS RECEIVE DIPLOMAS THURSDAY NIGHT

One hundred forty-two seniors will be happy recipients of diplomas at the first Canal High School commencement exercises Thursday evening, June 24.

With their inspirational class motto, "Enter to Learn, Go Forth to Serve" as her topic, Masako Okada will deliver the salutatory address. The valedictory address, "Education Today, Success Tomorrow," will be given by Mary Mizufune. Presentation and remarks of members of Arizona Advisory Board of

Education for WRA will be made by W.C. Sawyer, project superintendent of education. Board members are: Hon. E.D. Ring, State Supt. of Public Instruction; Dr. Drady Gammage, President A.S.T.C. Tempe, Arizona; Mrs. C. S. Fox, President Arizona Feder. Women's Clubs; Mrs. Marian Lee, Pres. Ariz. Congress of P.T.A., and Miss Alice Veil, Member Board of Directors of A.E.A.

Diplomas will be presented by L. H. Bennett, project director. Various awards to outstanding members of the class in scholastics and school activities will be made by George Kawahara, president, C.S. Parent-Teacher Association.

Everyone is cordially invited to attend the graduation exercises.

FRIENDLINESS BALANCES ANTAGONISM

An indication of the spirit of America as it really is--as contraposed with the California publicity agents' conception of it--strikes us forcibly as we read letters of the people who have resettled.

The trip to points east on the train is apparently viewed with some apprehension by almost all. But this fear is dispelled. Many passengers take no notice of evacuees. Others are quite friendly. Soldiers particularly so, they say.

Despite the normal atmosphere on the trains, many of them still tend to congregate. Those who become friendly with other passengers are looked upon with some kind of feeling akin to suspicion, perhaps born of envy. In Chicago, the YMCA Hotel is a common meeting place of many of the evacuees and it is to be noted that about 100 are registered there. This condition is well noted by many and some criticism is already arising. Says a writer, "Spread the gospel of dispersal both in employment and for social gatherings."

Employment is not a problem, they write. "There are really a lot of good jobs open." However, they warn those who go out against expecting soft jobs. "With manpower shortage, the workers must work longer and harder." Some show concern over evacuees who accept employment to get out and then quit their employers after a few days. They point out that this has caused antagonism. One writer wrote that the Jewish people are generally accepting evacuees.

Housing appears to remain a problem. This is true in most of the large industrial centers. For this reason, many persons advise domestic employment if the employee has no special skill.

The recurrent theme of the more analytic ones is assimilation. They deplore the conduct of zoot-suiters who, they say, tend to jeopardize the reputation of the nisei. They urge that nisei become conscious of their lack of sociability, and make an active effort to associate freely among themselves as well as among Caucasians. One, they say, will ease the way to the other.

By and large, the letters are hopeful. Though some antagonism exists, this is more than balanced they say, by the friendliness of those who try their best to make up for the intolerance of others.

Dies Committee Reproved By Washington Post

Discrediting Martin Dies and his Committee is a pastime practiced by the more discriminating of American editors. In one of the most effective articles we have seen to-date the Washington Post editorially ridiculed Dies' latest witch-hunt, the investigation of the war relocation center.

The Post says: "Momentarily daunted by the dissolution of the Comintern, Martin Dies has now discovered the shadow of a black dragon's wings hovering ominously over the length and breadth of America. You really have to hand it to our legislative sleuths. The fantasy of bearded Communists with smoking bombs having palled on the public, he has now conjured up "griffons with great metal tanks" to keep the D.A.R. and little children awake o' nights. Err! For sheer terror, this has the red menace beat coming and going."

"The somewhat synthetic nature of Martin's dragon is revealed, however, when the facts of the situation are examined."

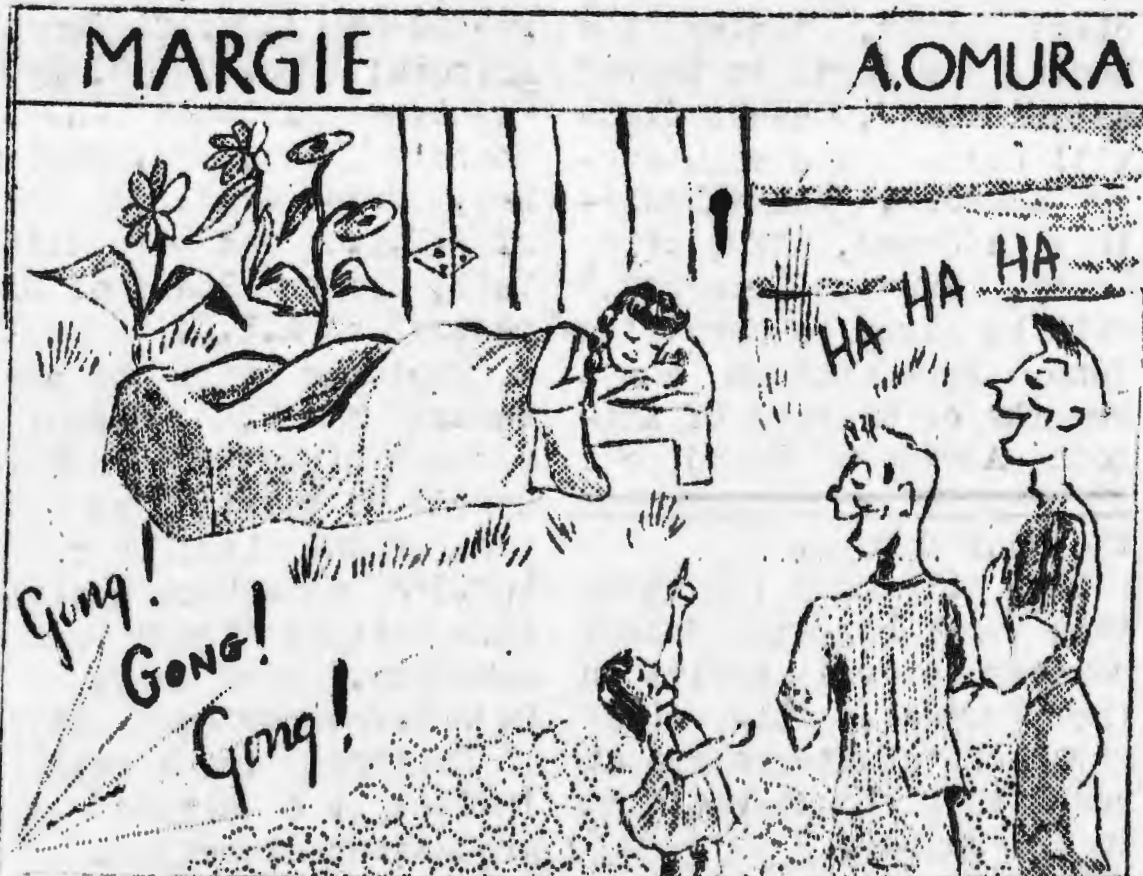

The facts of the situation are favorably discussed at length by the "Post." And then it goes on:

"One may reasonably ask by what authority the Dies Committee injects itself into this situation. The problem, if any, is one for our duly constituted security agencies. Until the FBI and the intelligence branches of the Army and Navy hear the whirr of dragon wings, we think the Nation need not tremble. As for Dies, he might usefully remember his recent pledge to, and the work of his already celebrated committee and attend to the business of legislation for which his Texas constituents sent him to Washington.

BIRTHS

June 18-To Mrs. Kiyoshi Asasa of 9-10-B, a boy.

June 19-To Mrs. Masataka James Tanabe of 49-8-B, a boy.

FREE CLOTHING SPECIFIED

Work clothing will be issued free to evacuees at centers only when needed as an essential part of a worker's occupational equipment and, as such, necessary for the efficient performances of assigned tasks and protection of the health and welfare of the worker, according to a recent administrative instruction issued by Dillon S. Myer.

The instructions authorize the project directors to purchase and issue to specifically designated workers the following work clothing: (1) identification insignia, (2) sanitary caps and aprons, (3) waterproof aprons, (4) smocks, (5) aprons, (6) gloves, (7) safety devices, (8) rubber boots, (9) fire fighting equipment, and (10) coveralls.

Ex-CAS Supervisor Says Gila 'Nicer' HAS 'GROWN UP'

"You're in the Army now."

Bob Yeaton, former supervisor of the Community Activities Section in Butte, and Housing and Registration head in Canal, is spending a part of a 14-day furlough here in Rivers. Following his leave from Gila, he was teaching in San Francisco, and joined the Army on June 15. When asked about his reactions to the community, he is quoted as saying, "Well, it certainly has grown up! I mean, everything is so much nicer now."

Yeaton will leave the center on Friday to return to the Army after visiting with friends in the outside.

BUTTE

HENIE MOVIE NEXT

Long-awaited movie, "Sun Valley Serenade," starring Sonja Henie and John Payne will be shown Friday, June 25 at the Butte amphitheatre. Donation for the CAS revolving fund will be collected by the CAS workers.

ONLY INJURIES RECEIVED ON ACTIVE DUTY ELIGIBLE FOR UNEMPLOYMENT COMPENSATION

Any evacuee worker, who is ill and cannot report for work, may apply for unemployment compensation at the Employment office upon presentation of a doctor's certificate, the

employment office announced. Application for compensation will become effective after the 15 days sick leave is granted.

If injuries are sustained by an active worker while on duty and he is unable to report for work, he must take immediate steps to contact R. K. Moyer's office.

An injured evacuee will notify the timekeeper of his division to see that the proper step is taken.

If an evacuee receives an injury while off duty, he will not be eligible for injury or unemployment compensation. The only alternative for him in this instance is to contact the Welfare Section for aid.

CANAL ANNUAL ON SALE NOW

The Rivulet, a beautiful and extraordinary example of an annual, made its debut on the Canal High School campus Monday. Dedicated to the students' friend and principal, J.P. McVey, the Rivulet staff was headed by editor Yayoi Nishikawa and ass't ed. Jane Hayashi.

The Rivulet are on sale at the high school office for \$1.50 each.

GUIDANCE COUNCIL

REFORM SCHOOLS FOR SERIOUS DELINQUENTS

Disposition of delinquent cases brought before the guidance council range all the way from institutionalization to release with suggested rehabilitation procedures.

Delinquent cases are all referred immediately to the Community Services Division. Within four days the guidance council meets to discuss the individual cases. The cases are then either brought before the Juvenile Court or to a hearing before the Guidance Council.

The most serious cases are sentenced to a reform school. Others are recommended for home placement in foster homes, monthly appearances before the juvenile court, weekly re-

port to a juvenile officer or, in event of damage to property, financial restitution.

In moderate cases, individual privileges are restricted. A curfew is imposed and delinquents are confined within the limits of their blocks or districts.

Slight cases are released with suggested rehabilitation procedures and activities.

WANTED: A bendix cleaner. Anyone with information notify 27-4-C.

FARM SPONSOR BARN DANCE

An invitational farm "Wing Ding" is planned tonight at Barn 41 from 8:30 sponsored by the Farm Management. Soldiers are all invited to the "Wing Ding."

Come dressed as farmers and farmerettes" is the request as a hilarious evening of folk and social dances, games, entertainment, and refreshments is on tap.

Those invited from Canal are asked to meet at the ad building by 8:30 where transportation will be provided.

Bus Line Urges Punctuality

Those leaving on the Phoenix bus must be prepared to leave the Butte colony at 8:30 a.m. sharp, it was announced by the Transportation Division. All individuals wishing to leave must have baggage prepared and ready to be picked up at 7 a.m. Persons wishing to make reservations on the train must do so personally.

Variety Exhibit On GYPA Slate For July Fourth

One of the main attractions for the forthcoming Fourth of July celebration in Butte will be the grand variety exhibit sponsored by the Gila Young Peoples Association on July 2, 3, 4, at the 69 warehouse. Four barracks will be utilized to display the various arts and works of the residents of the community.

All entries will be accepted at the 69 warehouses Tuesday and Wednesday, June 29 and 30. To provide transportation for those having large articles, members of the club will make a house to house canvass to check up and will transport such goods to the warehouses on June 30. All persons will receive ticket stubs for all articles submitted to insure safety.

As a highlight of their three-day exhibition, the GYPA will sponsor a raffle

COMMERCIAL COURSES ADDED TO NIGHT SCHOOL PROGRAM

Savage Soldiers Invade Rivers

Furlough-visiting in the center are most of the 29 Rivers volunteers to the Army Language School at Camp Savage, Minnesota. They arrived en masse on Monday morning. They expect to leave on July 1 for further training.

Three Gilas who volunteered in the same group are reported to be overseas on active duty.

Cognizant of the need for training in business courses among the adult age group, the night school program calls for several commercial courses. George Endo, administrative aide, announced last week.

Residents have been notified to register for bookkeeping, typing, shorthand, accounting, and business law courses immediately at 434-D.

Endo pointed that many residents have already had training in many of the above, and suggested that the courses would be valuable as "refreshers."

RIDERS TAKE 2CAC CROWN, FIREMEN DOWN '30

Tommy Egusa Takes Title Clinching Tussle 3-2

With the close of the 2 CAC Aye League, the Rough Riders took their consecutive third victory of the second round, when they defeated the Vikings, 3-2, giving the Riders the undisputed title of Aye Champions.

Vikings southpaw, Ben Tanizawa, started on the hill for the first two innings and was relieved by Hank Okei for the rest of the tussle.

Rival chucker, Tom Egusa, turned in a good show by limiting the Viks to 2 runs.

DELTA FINISH IN TIE FOR SECOND

A tie for the second ring in the 2CAC League ladder was made last Sunday morning when the Cards downed the Deltans, 4-2, in a tense tussle, both teams third encounter in the second round.

With the Cards leading 2-1, in the last inning, Deltan Chucker, Johnny Maranishi, slugged out a long fly to reach the second sack when the Cards centerfielder erred.

'55 ASAHI'S IN BLOCK 64 BATTLE

'55 Asahi's and Block 64 battled to a 7-7 tie last Friday night. The winner was to meet Hinode's Bees yesterday for American Association first half yesterday.

Both '64 and '55 tied for second spot will play-off tonight at Zenimura Field from 6:15.

Red Sox meet '63 tomorrow at 66 Field in the second half opener from 6:15.

REDS LOSE 4-1, JUNIUS SAKUMA IN 7 HITTER, YMBA WHIPS '28 11-3, GIANTS TIE '66, PASADENA WINS 7-2, TAKES LEAD

"One or the other" said sideline dopsters, as a Lumpoc's cherished win streak of two games came to an abrupt end with a 7-2 loss at the hands of Pasadena last Friday night.

Scattering 8 safeties, Lefty Nishimura registered his third win and put the winners in undisputed hold of the league leadership.

The losers' Kaname Matsuno and Hank Hayashida gave up 9 bingles mostly by Lefty himself and Teiji Itow. Nob Oki, Walt Inai and Moon Kikuchi led Lumpoc's stick work.

Pasadena next take on Hinode's Thursday night at Zenimura Field from 6:15.

JIMMY NISHINO IN ROUND TRIPPER

Mas Mitani's 8 hit mound work and Jimmy (Fuzzy) Nishino's triple and sixth frame homer featured YMBA's second win over Block 28 11-3 last Saturday night.

Ken Zenimura fielded 15 safeties, some after a couple of unearned tallies.

Teddy Morishita went wild with a triple and two singles. Kenso and Kenshi Zenimura paced '28 hitters.

The winners are scheduled to meet Lumpoc in the fourth round tomorrow night at Zenimura Field at 6:15.

PEPPERETTES VS. '60

Because of school examinations, the Aeolians-Hot Tamales volleyball contest scheduled for tonight has been called off. Peperettes and '60 will play tonight however at lot 50 from 7:30.

NEW UMPIRING SCHEDULE RELEASED

One of the main discussions of a recent meeting of Major League Managers centered on the umpire situation and the names of over 18 competent persons were put-up for officiating the league's heavy schedule.

A person from the '28 and Lumpoc clubs will be responsible to umpire tonight and '30. '65 tomorrow. Agreed at the past managers' meet was that clubs will be fined \$1.00 if their umpires do not show up. This money will probably be taken from the team deposits.

A 7 hit tossing performance by Firemen's Junius Sakuma proved sufficient as '30 Reds were taking their second setback 4-1 last Sunday morning.

The losers' Yoshi Hirano and Mas Okuhara were nicked for 7 bingles including Junio Itow's pain. Batting well for Reds were Duke Tokunaga and Tonky Takeda.

CLUBS TO REPLAY AT END OF SEASON

Twelve K's from the slants of Ben Tachihara and Joe Koyanagi weren't ignored as Giants came from behind in the eighth to tie and battle Hinode's to a 6-6 deadlock last Sunday evening.

George Kuzagaki was touched for 9 safeties. Shig and Taron Tsujita brace of his were tops for '66 against Kaz Ikeda, Taro Kobara and Tom Shigenaka's.

Because the schedule for Zenimura Field is now full with Major League games about every night, the replay will probably have to be held near the close of the season.

TOURNAMENT PLANS DRAWN AT MEET

At a meeting of Major League managers last Thursday night, it was drawn up among other things, a schedule matching 2CAC's for the inter-camp tournament on July 2, 3, 4, and 5.

The first round of this elimination tourney will match on July 2, Deltans against Hinodes in Canal and Vikings with YMBA in Butte. July 3 will see Cards against Pasadena in Canal and Rough Rider versus '28 '30 in Butte.

The semi and final rounds will be held on July 4, 5 and if it happens that all teams of one camp wins in all game, it will be finished in the camp.

'28-0 SLAUGHTER

'28 Bees humbled Lumpoc Bees 7-0 last Saturday afternoon.

FOUR IN CHARGE

Taking charge of scheduling all International League games hereafter will be Teiji Itow, Kaz Ikeda, Tosh Okuhara, and Ken Zenimura.

Shirrell Advises Timely Arrivals

Elmer Shirrell, Chicago relocation supervisor, advised residents not to arrive in Chicago on Saturdays or Sundays when the city's temporary housing facilities are overstrained by an average influx of 200,000 week-enders.

Shirrell revealed that hotel reservations for evacuees have become more difficult to obtain because many evacuees have not showed up as per schedule. The Traveler's Aid Bureaus in each of Chicago's six stations who have tried to send receptionists to meet incoming evacuees, have abandoned the plan as impractical. It developed that the identifying information generally was insufficient and many evacuees failed to arrive on the date or the train they had advised the Chicago office about.

EIGHT VOLUNTEERS DEPART FOR INDUCTION TOMORROW

While hot-heads declare, avow, and scream that no "Jap," citizen or alien, can be trusted, eight men on the Rivers project were quietly packing today preparatory to departure for induction into the United States Army at Fort Douglas, Utah, tomorrow. The eight are volunteers, the second group out of Rivers whose destination is the nisei combat unit encampment at Camp Shelby, Miss.

Originally announced in the NEWS-COURIER as four, the group was swelled by the clearance of four more. Robert Ito, another cleared volunteer, will be inducted in Nebraska.

The leave office disclosed that three other volunteers, Takashi Sakurai, Harold Fukuma, and Frances Yamamoto, are awaiting orders to report at the Army Language School in Camp Savage, Minnesota.

Of the three who leave tomorrow, five are from Butte; David Makoto, Shigeo Kawamura, Tokuo Yamamoto, Jimmy Makino, and Hideo Mayeda; three from Canal: Ichiro Yamura, Charles Aragaki, and Toshio Mukai.

More than forty volunteers still anxiously await orders to report for induction, as reports come in from Camp Shelby that the advance groups are rapidly rounding in shape.

TOFU FOR RIVERS A POSSIBILITY

The manufacture of "tofu," a form of food made from soy-bean curd, became a possibility as the project advertised this week for a "tofu" manufacturing machine.

Anyone interested in the sale of above machinery is requested to inquire at the block manager's office or at the Project Director's office.

COURT RULES CURFEW LEGAL

The Supreme Court early this week unanimously upheld the actions taken by Lieut. Gen. DeWitt in imposing a west coast curfew upon all Japanese, aliens and citizens alike.

Those challenging the curfew regulations were Gordon Hirabayashi of Seattle and Minoru Yasui of Portland.

Chief Justice Stone asserted that in time of threatened danger, military restrictions, such as the curfew regulations imposed to protect the U.S. from sabotage after the Japanese attack on Pearl Harbor were justifiable.

"In a case of threatened danger requiring prompt (continued on page 2)

Shirrell also said that messages for evacuees will be left at the IAA desks if the evacuees have advised the relocation office in advance of the time of arrival.

EDITORIAL

CONSIDER THESE QUOTES

Though we have had a preponderance of bad news lately, yet we maintain our equilibrium. We have good reason.

Consider the following statements by men who are truly representative of America in its entirety:

"The War Manpower Commission thoroughly endorses the employment program developed by the War Relocation Authority and assures it the continued cooperation of the United States Employment Service in its recruitment and replacement activities."

Paul V. McNutt, Chairman, WMC

"The War Food Administration urges the use of persons of Japanese Ancestry released by the War Relocation Authority to work on farms. Those who cooperate in making the best use of this valuable source of farm labor are rendering a real service to the United States and the war effort."

Chester C. Davis

War Food Administrator

"I am glad to observe that the War Department, the Navy Department, the War Manpower Commission, the Department of Justice, and the War Relocation Authority are collaborating in a program which will assure the opportunity for all loyal American, including Americans of Japanese ancestry, to serve their country at a time when the fullest and wisest use of our manpower is all important to the war effort."

President Franklin D. Roosevelt

"Loyalty to country is a voice that must be heard, and I am glad that I am now able to give active proof that this basic American belief is not a casualty of war." (Statement made in announcing the formation of a combat team of American citizen of Japanese descent.)

Honorable Henry L. Stimson
 Secretary of War

Above statements pretty well contradict what has been printed in damnation of evacuees in many papers.

Small men and their tools have always howled for their pretty gains, but it is always the great hearted men of principles who have triumphed in the end.

ARMY SUPERSEDES LAW

(continued from page 1)
 action," said Stone, "it is choice between inflicting obviously needless hardship on the many or sitting passive and unresisting in the presence of the threat."

The Chief Justice wrote, "Distinctions between citizens solely because of their very nature odious to a free people whose institutions are founded upon the doctrine of equality."

"We may assume," Stone added, "that these con-

siderations would be controlling here were it not for the fact that danger of espionage and sabotage in time of war and of threatened invasion, calls upon the military authorities to scrutinize every relevant fact bearing on the loyalty of populations in the danger areas."

A.L. Wirin, Los Angeles attorney for Yasui told the Supreme Court that racial prejudice on the part of Lieut. Gen. D o w i t t prompted him to impose the regulations.

No seaman is to leave the center without a clearance from Lundeburg.

Active Duty For Williamson Soon

William E. Williamson, chief of Rivers Internal Security section, and USNR lieutenant, junior grade, revealed last week that he was momentarily expecting orders to report to active duty.

Williamson is one of the rapidly disappearing officials who arrived on the Project with the evacuees. He came to Gila directly from the Territory of Hawaii where he taught criminology and political science at the University of Hawaii from an assistant professor's chair.

BUTTE LIBRARY ADDS NEW RENTALS

"Army Brot," by Tommy Waderton, a frankly sentimental story with whimsical humor from the boy's point of view, is now available at the Butte CAS library.

Other rental books are "The Art of Living in Wartime," by Marjorie Green-

Advisory Committee for Japanese Americans, who help with housing and employment problems. The committee works in cooperation with the WRA and its Relocation Supervisor, Robert Cullum. The Committee consists of representatives from eight service and church groups.

It invites correspondence from evacuees before arrival to enable them to take full advantage of the services rendered by it. Its address is: New York City Advisory Committee for Japanese Americans, 150 Fifth Avenue, New York.

It was reported that the influx of evacuees into New York is still rather limited. However, Cullum said that eventually, several thousand might be expected into the east coast area and several hundred into New York.

42 TAKE CIVIL SERVICE EXAMS NEXT TEST IN 2 WEEKS

Forty-two prospective Federal employees were given Civil Service examinations in typist and junior-stenographer tests on Saturday last week.

All 42 took the ten-minute typist test, and 19 of the total went on to the three-hour junior-stenographer examinations. Examiners Roo Strickland and Harry Edwards supervised the examinees.

The next in series of such tests will probably be held in two weeks, the employment office announced.

CANAL TO STAGE ENGEIKAI SUNDAY

"Unfinished Love Affair," (musubare no enishi) will be one of the main attractions of the ongeikai program Sunday at the Canal community stage. The public is invited.

bie, and "On Being a Real Person," by Harry Emerson Fosdick.

The library has announced that some of the rental books will not be put on the non-rental shelves.

TIME MAGAZINE CARRIES STORY OF EVACUEES, VOLS. EX-GILANS FEATURED

The "Time" news-magazine carried a story of the evacuees last week. Said the "Time," an all-nisei group is training for U. S. Army combat service, and "more than 1,000 nisei were enrolled in about 125 colleges in 37 states, finishing educations interrupted when they were evacuated from the West Coast in 1942."

Appearing prominently in a "Time" photo is Skeets Oji, former Rivers and Tulare Assembly Center resident. Mentioned were identical twins, Eva and Hannah Sakamoto, ex-Gilans, now studying in scholarships at University of Colorado school of nursing.

Assistant Secretary of War John J. McCloy was quoted, "student relocation compensates loyal citizens of Japanese ancestry for the dislocation."

Wedding Bells Ring In Canal

Shiori Yoneyama, daughter of Mr. and Mrs. T. Yoneyama formerly of Los Angeles, and Takumi Tanimoto, son of Mr. and Mrs. T. Tanimoto of Solma, were united in a Buddhist wedding Saturday night in Canal. Attending the couple were Mrs. T. Kawagoe, matron of honor, and Wataru Tanimoto, best man.

Baishakunins were Mrs. and Mrs. T. Kumano, and Mr. and Mrs. K. Kuramoto. Reception was held for relatives and close friends at the home of the bridegroom.

USO DANCE

The Butte Y-Working Girls will sponsor a USO dance Saturday at Club 41 from 9 p.m. All soldiers will be admitted free of charge. Couples only. A nominal fee will be taken at the door.

'Sun Valley' Next

"Sun Valley Serenade," starring Sonja Henie and John Payne will be shown at the Butte amphitheatre tomorrow night at 8:30.

ARMY WILL NOT RECEIVE RIVERS' SURPLUS PRODUCE

For the present, at least, the Army will not receive vegetables produced in Rivers, said David Rogers, Farm Superintendent.

Captain N. F. Hannevell of the quartermasters depot in Phoenix came to Rivers Monday to inspect the farmlands and confer with Project Director Leroy Bennett and Rogers on the possibilities of the army securing Rivers' surplus vegetables.

Whatever surplus remains after our center needs have been filled will go to other relocation centers, added Rogers.

Captain Hannevell was impressed with the high quality of the vegetables produced, according to Rogers.

ADULT ED. OPENS WOODCRAFT CLASS

Woodcarving class will be opened under T. Misumi. Class will be held in 43-14-B from 7:30 to 9 p.m. All those interested are requested to register immediately at 43-1-D, Adult Education office.

Among the projects planned for the class are making statues, busts, plaques, album covers, and book-ends.

BUTTE GRADUATES SHOW REMARKABLE HIGH SCHOLASTIC AVERAGES

Students from 22 different schools competed for top spot in scholastic standing of the class of '43. A remarkable scholastic average of all A's and B's, with the seven exceptions who got C or below out of 250 students was shown.

The following in order of their class standing are in the upper 20 per cent of the 50 winter graduates and the 200 summer graduates, all of whom have a grade average of 'A' or 'A-':

Winter graduates: Miyo Aino, Maudie Yamasaki, Mary Ianni, Seishi Ishii, Takeko Nihei, Toshio Nayakawa, Aiko Ikegami, Sunny Soga, Yasu Mikuriya, and Fumiko Taira.

Work Begun On Packing Shed

Work on the packing shed will begin Monday, announced David Rogers, Farm Superintendent. The shed will be located east of well number 1, near Canal.

With the construction of the packing shed, Rivers will be able to put out better products, said Rogers.

Signs have been posted in all the fields stating that the vegetables are government property.

Residents are asked to refrain from promiscuously hauling vegetables into camp. The loss of the vegetables is bad enough, but the supply of sacks is rapidly diminishing.

If this keeps up, there will not be enough sacks left for the fall harvest, declared Rogers.

GRADS ATTENTION

All midyear and June graduates are requested to be at the school library, 43-4-D, Saturday, June 26 at 8:45 a.m.

Everyone is urged to attend, as graduation problems will be discussed.

An all-important meet is scheduled tonight at 7:30 at the CAS office for all those who have submitted purchase orders for carnival prizes through the co-op. Gilbert Kuramitsu of the co-op will explain all matters relating to the purchase of the prizes, at which time everyone is requested to be present.

"TORTILLA FLAT" ON LIBRARY SHELF

Brought even closer to home with the screen portrayal by Spencer Tracy is the John Steinbeck novel, "Tortilla Flat." Centered in Monterey, Calif., this romantically simple tale is figuratively filled with simple heart warming emotions.

It is the unbelievably true tale of the carefree, lackadaisical individuals in that land.

A story within a story is the "Tortilla Flat," which is now available at the Canal library. --S.O.

Last Rites For Genkichi Makuno

Funeral services were held Tuesday morning at the Canal Buddhist Church for the late Genkichi Makuno, 57, formerly of Lafayette, California. He died of heart attack at Lordsburg, New Mexico and leaves his wife Itsu, daughters, Kazuo and Mary, sons, Sam and Henry.

CARD OF THANKS

May we take this opportunity to thank all of our gracious friends who gave so willingly of their kindness and sympathy during our late hour of bereavement; at the passing away of our beloved husband and father.

Rivers' Men's Fem's Matches Continue

Rivers' First Open Women's Singles Tournament will enter its final round tomorrow morning at CAS Court 35. The First Men's Doubles finals will also be held along with the continuations of the Men's Class B Singles Tourney. The first matches will begin about 7:30 a.m., announces the Gila Tennis Club.

Trophies for the winners of the Men's Class A Tourney the following Sunday, have been donated by the Colorado Times.

Entered in the Women's finals are Sachi Imamura and Mary Murata. In the Men's Doubles Finals are: Tom Sakamoto, Eddie Ogura, Joe Takemoto and M. Murayama. DON BABES, 17-L'1 Wolves, 8. KING KILBES, 3-GUNS, 2

16 Players Drafted For Tourney

Managers and coaches of Guadalupe, Hinodes and Pasadena got together last Sunday night and made selections to draft players from the three remaining teams not playing in the July 2, 3, 4, and 5 Inter-camp Cournament. '28-'30 did not make any picks. Choices were made one by one with no limits.

Pasadena's Teiji Itow asked for Shim Shimasaki,

Four Inter-Camp Tilts On Tap; Riders vs. Hinodes Tomorrow

Block 64, Hinodes In Playoff Tilt

Block 64 kept in American Association's first half title runnings by eliminating '55 Asahi's 10-5 last Tuesday night.

The winners meet Hinode Bees Saturday night at 66 field for the first half title from 6:15.

Another '30 Bee squad, asides from the Gaels and coached by Harry Komatsu will make its American Association debut tomorrow against '55 Asahi's at 66 field from 6:15 o'clock.

YMBA Bees Take On Block 31 Pacers

YMBA Bees originally slated to meet '31 Pacers last Monday, take on Lompoc Bees in a International League clash tonight at Pasadena Field from 6:15.

'31 and '28 Bees clash Saturday at the same locale from 6:15.

UMPIRES SERVICES OFFERED BY PLAYERS

One of Major League's big problems has been the umpire situation.

Persons whose services were offered are: Teiji Itow, Paul Sumi, Kaz Ikeda, Sam Yamasaki, George Kanogaki, Horso Inouye, Jack Kasai, Mas Mitani, Gilbert Kuramitsu.

Zuke Tanaka, Minoru Taira, George Sakamoto, Bob Yamasaki, May Yoshida, Slim Nakata, Fred Tsuda and Lefty Nishimura.

TO BE AWARDED

2CAC Aye League Riders which took championship will receive a banner in the near future.

Seirin Ikeda, Junius Sakuma, Walt Inai, Tad Nakamura and Fumio Itow.

Hinode's coach Mike Nakano and managers Ed Taniguchi and Tosh Komura will ask Kaz Ikeda, Joe Koyanagi, Zuke Tanaka, and Joe Osada.

YMBA's coach Fred Tsuda and mgr. Bill Kashiwagi took Nob Oki, Louie Mayashida, H. Doi, K. Sakamashi, B. Tachihara and G. Kataoka.

FIREMEN TACKLES CANAL DELTANS

Because 2CAC Aye League has completed its schedule, a couple of able Butte nines will provide a little interesting competition in a four game inter-camp series starting from tomorrow night.

The games were arranged yesterday morning by two directors--Butte's Ken Zenimura and 2CAC Baseball Commission Chairman Harry Kono--and agreed on by respective managers. The series is a prelude to the July 2, 3, 4, and 5 tournament but will have no bearing on it.

In the first game tomorrow, a bit of old time acquaintances will be on tap as '66 Hinode's journey to Canal to meet 2CAC Aye title holding Rough Riders. A good majority of players on both squads are from Vacaville.

Traveling Saturday night will be Major League Firemen to tackle Deltans from 6:15.

A combined '28-'30 will play host to Cards Sunday morning from 9. Later in the evening, Vikings tackle in their camp, one of Bee International League's top nines--Jack Kasai's '31 Pacers--from 6:15.

BLOCK 60 MEETS '51

Block 60 volleybatters downed Popporettes 15-13, 8-15 and 15-7 last Tuesday night.

The winners meet 51 tonight at lot 50 from 7:30.

'23 Girls Take Canal Aye Basketball Title

'23 took Canal Girls' Aye Basketball League Championship by downing Block 9, 26-24 last June 1. The '23 Bees also had taken a championship.

COMPROMISE BY ACC LIKELY ACTION TO HINGE ON AMENDMENT VOTE

Compromise of the Arizona Corporation Commission's former stand regarding the license of Gila River Cooperative Enterprises, Inc., WRA sponsored organization for the purpose of providing the necessities of life at the Gila River Relocation Center appears favorable, according to the Arizona Republic.

The commission held a lengthy hearing on its order cancelling the license 10 days ago, stipulated that the order would not become effective until 10 days after a decision is handed down in the case.

The decision has been delayed, however, following an appeal by Leroy H. Bennett, manager of the relocation center, that action be delayed until members of the cooperative, all Japanese residents at the center, could vote on a proposed amendment to its articles of incorporation limiting the cooperative to the center and its life to the life of the center.

EIGHTH GRADERS HOLD COMMENCEMENT EXERCISE

To the processional march of "Pomp and Chivalry" played by the high school band, eighth graders will enter the amphitheatre Monday, June 28 from 8:30 p.m. for their commencement exercises.

Yeneo Matsubara, one of the outstanding graduates, will be chairman of the program. After the singing of "God Bless America" by the audience, invocation, delivered by the Rev. R. Susu-Mago will be followed by Rubenstein's "Spring Song" sung by the class.

EMPLOYMENT REDUCTION OF EVACUEE STAFF EFFECTIVE JULY 1

Changes in project evacuee employment policies effective July 1, including a reduction in the number of evacuee employees, was announced by Project Director L. H. Bennett in a statement issued Thursday.

Nearly every division is affected by the reduction in employees. Hardest hit are Community Services, Moss Operation and Agricultural Divisions with losses of 100 workers each.

48 Millions Asked By WRA For '44

The WRA appropriation bill for 1944 was favorably reported by the House Appropriation's Committee last week without change in amount or language wired Dillon S. Myer from Washington.

The appropriation asked by the WRA for 1944 total \$48,170,000.

During the discussion on the floor of the House, the WRA was well defended. The bill was passed by the house without any change affecting the WRA, and was forwarded to the Senate last week.

Policy changes are timed with the beginning of a new fiscal year, state new budget allowances, and the placing into operation of a new staff chart which reduces the number of appointed personnel.

Except in work which requires off-schedule hours, arrangements previously made for special hours of work are cancelled. All divisions will be required to adhere to the 8-12 and 1-5 hours. This order affects the Farm Division where early morning hours of work to eliminate the hot afternoon hours has been in effect. Explained Bennett, "the arrangement did not produce the results anticipated."

Reductions will be made on the basis of (1) necessity of the job; (2) aptitude of employee; (3) willingness to work.

Further losses in evacuee employees include the Public Works Division with a loss of 16, Employment, 14, Project Management, 10, and the Hospital, 8.

EARLY RETURN FROM PHOENIX ADVISED

Persons going out to Phoenix and returning at 12:30 a.m. to Sacaton are requested by C. M. Hanna, Transportation head to take the 6:00 p.m. bus from Phoenix, as there is no Project bus to pick them up at 12:30 a.m.

The 6:00 bus will reach Sacaton about 7:30 p.m. where the Project bus will be waiting for them.

GRADUATION - 1943

Contrasted to graduation in the pre-evacuation days, the commencement exercises held Thursday night by the graduating seniors of Canal high school may not have been enviable to the principals involved. Restricted to the narrow confines of a guarded community, graduations which promise a bright happy future may have seemed ironical, if not a bit farcical to many.

But go back to the pre-war graduation of nisei from secondary schools back home. The nisei were gripped by the excitement and the sentimentality which usually attend the functions. Yet a conviction never escaped them that most were headed for a life which promised nothing better than the drudgery of life in communities and social sphere of issei and nisei. Bound by economic and social prejudice barriers, they were aware that the "opportunities" so glowingly pictured by commencement speakers were not really for them.

The opportunities that exist for most Americans, are not equally applicable to Americans with Japanese faces. Thus, the nisei always have had to produce more to attain the same vocational success.

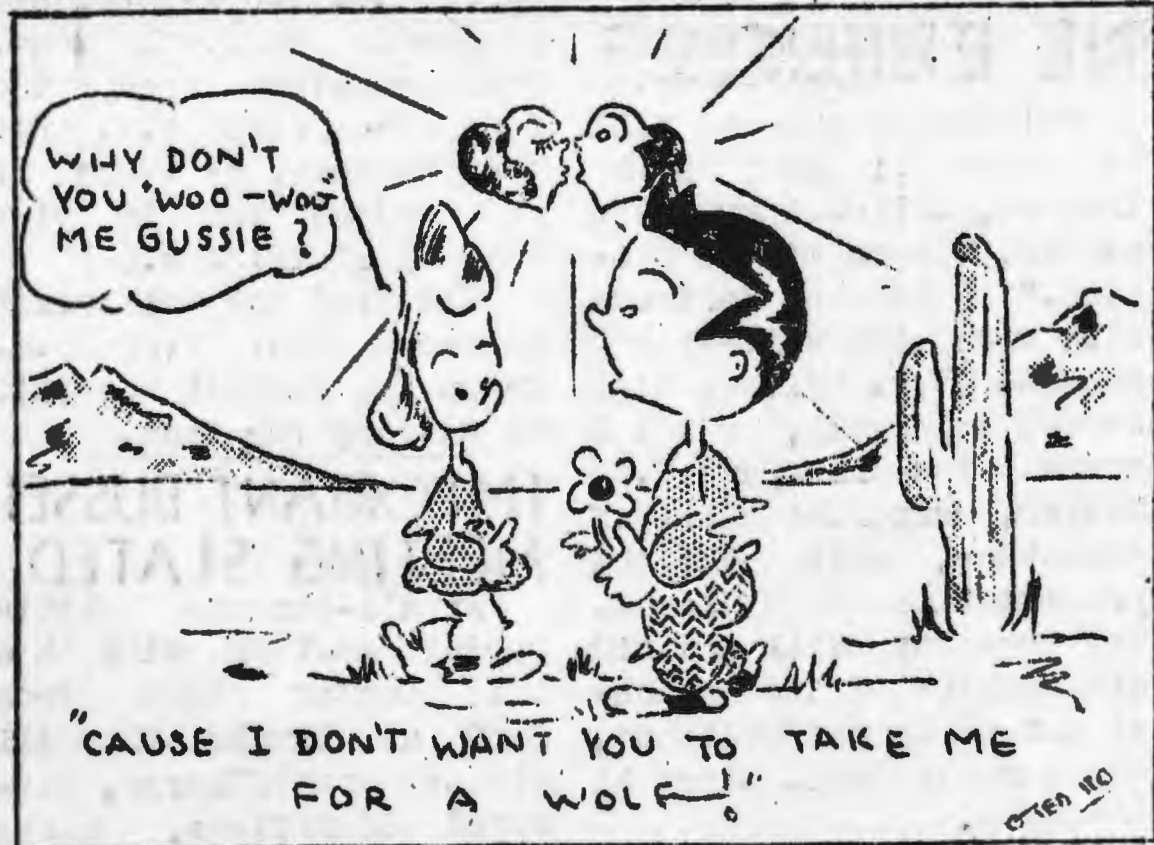

But the other night when the future was discussed again, there was more than mere phraseology in the hope extended. The nisei have been separated from the prejudiced coastal states, however painful that incision may have been. They are adrift in a neutral community from which they may go to areas that are not enveloped in the miasmatic illusion of yellow perilism.

The seniors have before them schooling (many on scholarships granted in quantity never accessible before) or jobs in the Mid-West or the East, where it has been proven that issei and nisei are accepted on more equitable basis and in jobs that Pacific Coast has regarded as the property of Caucasians.

Whatever it is that they will do, the graduating seniors (and for that matter all residents here) have before them more possibilities of success in the future than the nisei have ever known in the past in the coastal states--provided they have the courage to tear away from the stagnation that they are subject to here.

EVACUEES MARCH OF TIME BROADCASTS

On the "March of Time" program over a nation-wide radio hook-up Thursday night reaching into millions of American homes, Director Dillon S. Myer appealed to the public to handle the evacuee problem in the American way and not as Hitler or Tojo would.

Myer's appearance on the program gave added proof to residents that the nation at large was conscious that the loyal should not be confined to restricted communities.

The director disclosed that 14,000 evacuees have resettled to date, and that 9,000 more nisei, over a third of whom are volunteers, are in the United States Army.

Myer denied charges made by the Dies Committee in Los Angeles and stated that not one case of sabotage and disloyal activities by the evacuees has been reported or known.

REGRETS COURT CURFEW RULING

TO GILA NEWS-COURIER:

We deeply regret supreme court decision upholding constitutionality of evacuation policy. We want you to know of our resolve to keep on working in every way possible for restoration of that historic Americanism which holds all citizens equal under law.

CANAL

Graduation for Eighth Graders

Along with the many commencement exercises throughout the entire nation, the Canal elementary school held its graduation on June 23. Filing through the aisles in solemn, dignified fashion, 92 students consisting of 45 boys and 47 girls, concluded their initial period of education.

Twenty-six students, or 30% of the entire class, graduated as honor students. Following the grand processional, W. C. Sawyer, superintendent of education, congratulated and presented the class in an informally inspiring way. Leroy Bennett pre-

HONOR ASSEMBLY FOR STUDENTS

In recognition of the outstanding work achieved during the school year, Butte high school held an honor assembly at the amphitheatre recently. Student body officers who were elected for the new semester were installed at this time. The only review, that of commissioner of publicity, was won by Yoshiye Nakamura.

Outstanding students in commerce, agriculture, glee club, English, Spanish, band, orchestra, journalism and "A" students were cited, with special recognition given to the annual staff and to the various boy and girl athletes.

Annuals are hoped to be here between June 28 and July 1, it was announced.

LETTER TO ALL PARENTS

Dear Parents:

One of the big problems which the families in this community are facing this summer is giving the children wholesome, purposeful activities by which their time can be profitably occupied.

Starting on July 5 and lasting through August 13, the Butte elementary school will have summer make-up classes and enrichment classes each week day from 8 a.m. to 10:30 a.m. These classes are free. We also are planning to have some type of clubs and sports for those who are interested.

We realize our efforts will not solve the problem altogether, but we think it will help.

Thank you all for your fine cooperation during the past year.

Very sincerely yours,
/s/ Roe H. Strickland

ORGANIZER OF YMCA HI-Y GROUP TO VISIT RIVERS

Study Groups On Relocation

To aid evacuees with an eye toward relocation, the Relocation Committee appointed three groups to make a study of the problems faced by resettlers.

The group, divided into Business, Farm, and Employee, makes recommendations of their findings to the administration here and to the offices in Washington.

The groups were set up under advice from the National Y.M. in Washington.

To assist in the organization of YMCA and Hi-Y groups in the center, Masao Satow, YMCA organizer for the relocation centers, will arrive in Rivers on Tuesday, June 29. On the same evening, he will meet with youths interested in the formation of Christian youth associations at Chapel 59 from 8 p.m., it was disclosed by Shigemi Aratani.

E.V. Ruth, secretary of the Maricopa County YMCA, and Marcos de Leon, Butte high school Spanish instructor, will be present at the meeting.

Satow is on a tour of all relocation centers for the purpose of organizing YMCA's in all centers. He was the most influential of Y leaders in the Los Angeles area prior to evacuation.

**MASSY TOMOOKA LEADS YMBA TO PASADENA TAKES FOUR
18-6 THUMPING OVER LOMPOC STRAIGHT AS '66 LOSES 11-7**

**Maseo Iriyama
Drives In Three On
Homer In Third**

Maseo Iriyama's third frame three run homer proved ample as Guadalupe was showing a bit of new legendary form in blasting out 18 hits and coasting to a easy 18-6 thumping over Lompoc last Wednesday night.

The round tripper made the margin 9-3 but Massy Tomooka celebrated his return to the line-up with three hits along with Jimmy and Kei Nishino. Both Mas Mitani and starting tosser Ted Morishita collected a single and a double apiece.

Hunter Doi and Nob Oki topped Lompoc batsmen, Hank Hayashida, Kaname Matsuno, Hunter Doi and Tak Sakanashi tossed for the losers.

The winners meet league pacing Pasadena tomorrow night. Reds tackle Giants tonight. Both are scheduled for Zenimura Field from 6:15.

**'64, '66, BEES IN 1st

'30 Bee Gaels take on '72 tomorrow and '65 Peppers meet Lompoc Bees Tuesday. All are at the same locales and are from 6:15.

'31 Pacers downed '72 7-0 last Wednesday night. YMBA Bees edged Lompoc Bees 9-7 last Thursday night.

VOLLEYBALL TILT

The 51 vs. 60 volleyball tussle of last Thursday was postponed to tonight at lot 50 from 7:30.

**PACERS TO MEET
DELTANS TOMORROW
MORNING AT 9:00
FIREMEN VERSUS
VIKINGS TONIGHT 6:15**

Instead of meeting Vikings tomorrow night at 6:15, Jack Kasai's '31 Pacers--an outstanding Bee International League club--will meet Deltans tomorrow morning in Canal from 9:00.

2CAC Baseball Commission Chairman Harry Kono said this was a slight change. Another is that, Firemen engage Vikings instead of Deltans tonight in Canal from 6:15.

The above changes with the respective parties being notified.

The combined '28-'30 squad versus Cards tomorrow morning from 9:00 at Butto's Zenimura Field will go through as scheduled, said Kono.

Kasai's boys who have mopped a lot of opposition recently is a bee class club pitted against one of 2CAC's strongest nines.

Kasai said he'll use both right-hander Takeo Koyamatsu and his youthful son, Jackie, Jr. Koyamatsu will most likely start with Jackie as an alternate in left.

They will most likely oppose John Muranishi.

**Old Timers May Meet
'21 Black Jacks**

Bill Furuta's Old Timers and '21 Black Jack may finish up their 2CAC Bee League schedule tomorrow afternoon from 6:15, said 2CAC Baseball Commission Chairman, Harry Kono, yesterday.

DEADLINE TODAY

Today is the last day for team entries in Butte CAS Girls' Softball League.

**MARRIED-MEN'S BALL
MGRS. IN MEETING**

Director Tom Matsumoto, 39-7-A has called an important men softball team managers' meeting to discuss the championship play-off and banquet tomorrow at block 32 manager's office from 10 a.m.

**Maino Okazaki,
Harry Oka In
Round-Trippers**

A sixth canto 340 foot circuit smash with two mates aboard by Harry Oka eliminated a decisive six run rally as Pasadena was tightening its hold on league leadership with a 11-7 triumph over Hinodes last Thursday night.

Although nicked for 10 hits, it was the fourth straight for both Lefty Nishimura and Pasadena.

Maino Okazaki cut loose with a round tripper in the seventh. Besides Oka, Teiji Itow did most of the winner's stick work while Okazaki, Keizo Komura and Mike Nakano topped '66. The losers' George Kanagaki started and Hiroshi Shinmoto finished.

The losers meet Lompoc Monday night and '30 versus '28 next Tuesday night.

RIVERS READY TO MEET NATION'S FOOD SHORTAGE

In the last month the nation has been getting increasingly alarmed over the nation's food situation. Adverse weather conditions this spring will seriously reduce the production of staple products, agricultural specialists say. From Washington comes news that the Lend Lease and Army Consumption must increase.

It becomes clear that the relocation centers must produce most of the food they will consume, if they intend to eat well.

In Rivers, Farm Superintendent Dave Rogers declared that the expected food-shortage will be met by an increased yield. Farm acreage has been substantially upped, and considerable acreage has been set aside for Rivers own lend-lease program to other centers. The livestock project is developing, and by the end of the year most of colony meat needs will be farm grown.

Eighteen hundred acres will be farmed in 1944 as compared with the 1400

Class Of '43 Dons Cap And Gown

Graduation with most, if not all, of the "back home" pomp will be held for the class of '43 of Butte High School Thursday, July 1, at 8:45 p.m. at the amphitheatre.

Clad in the traditional caps and gowns, 90 blue-garbed boys and 110 girls in white will receive their diplomas. Originally, 240 were to have graduated, but the number has decreased because of students relocating.

Benches will be furnished for the graduates' parents in a reserved section.

EMPLOYMENT ROLL WILL BE CUT FROM 6000 TO 4200

Elimination of inefficiency and duplication of work within the relocation centers was ordered by Director Dillon S. Myer, an-

Nicholson Tells Of Fair Play

Aware that the Dies investigation Committee had presented a one-sided picture of evacuees in its recent hearing in Los Angeles, the Pasadena Committee on Fair Play is doing its share to counteract the bad publicity, said Rev. H.V. Nicholson, Pasadena pastor.

Rev. Nicholson said that the Los Angeles Times and Examiner do not give a fair picture of Californians, and that there are many persons in Calif. who are trying to help the evacuees.

nounced Acting Project Director L. T. Hoffman, yesterday.

Myer established an employment quota of 4,200 for Rivers on the basis of maximum number of employees necessary to perform essential tasks.

The present employment roll of approximately 6,000 will be reduced to the 4,200 figure by the end of September, said Hoffman. Reduction of a total of 350 from several divisions has already been ordered by Project Director L. H. Bennett. This number must be achieved by July 15.

The quota was set-up following extensive research into Rivers' employment situation by Mrs. Gwen Cahn, on special detail from Washington, D.C. in the early part of May.

Myer stated that the

EVACUEES ENTITLED TO \$100 PROPERTY TAX EXEMPTION

Evacuees temporarily residing outside of the state of California, are entitled as any resident of California is, to an exemption of personal property taxes on household goods up to an assessed valuation of \$100 it was ruled by the Attorney General of Calif.

This exemption had been granted in some counties, but not in others. Any evacuee whose legal residence as of March 2, 1942, was within the County in which taxes were levied, may apply for householder's exemption, or for a refund of the tax paid on property to the assessed value of \$100, stated Victor L. Furth of the San Francisco WRA office. Any evacuee who has determined first that he has not been granted the householder's exemption and believes

that he is entitled to and has not received it, should address his request to the County Assessor and attach an affidavit setting forth the facts regarding his legal residence as of Mar. 2, 1942, Furth indicated.

SANTA MARIAN DEFENDS JA'S

In reactionary Santa Maria Valley, the Rev. A. A. Reist recently took up the defense of evacuees in a bulletin issued to his church members.

The Rev. Reist took issue with the Santa Maria Chamber of Commerce which recently had send a resolution to congressional representatives petitioning for the prevention of the return of evacuees to the rich farm lands.

ONLY MAN IS PREJUDICED

It is well known that vegetables and animals, unlike men, have no race prejudice. It is a demonstrated fact that industry, knowledge, experience, and management, plus the good soil and weather are together responsible for fat cattle, for green, lush vegetables, and not the race, color, or creed of the grower.

Perhaps it was recognition of this basic truth more than any other factor that induced so many issei to turn to the soil for their livelihood. Furthermore, it is not necessary that a man talk a certain language, have certain mores, or subsist on a high standard of living, in order to have good yields on the farm--the democracy of vegetables and livestock is unlimited.

It would behoove prejudice-conscious nisei to mull over this little fact. Issei know it well.

THE MID-WEST FARMS

A new mode of existence is in order for most evacuees. This center can be a school for those who have foresight enough to make use of its facilities.

Immediately available is the livestock project where one can learn the business of caring for animals with which issei and nisei farmers are unfamiliar. Already the most intelligent farmers are learning methods of handling hog, dairy, beef cattle, and poultry.

So it brings us to our main thesis that the farms of the Mid-West offer a sanctuary from race-prejudice and from other handicaps, particularly to the issei. Furthermore, it is a well-paying sanctuary. The Mid-West farms provide a high standard of living through their diversified farming practices.

UNTIL WE MEET AGAIN

With the exodus of the 30 or more visiting Camp Savage boys yesterday morn, all is quiet on the desert front once again. The uniformed figures will be sorely missed by families, relatives, and friends, but we know they have a greater duty ahead of them. Good luck and bon voyage, until we meet again!

JITTERY ARIZONA IS INCONSISTENT WITH PAST HISTORY

Arizona must be in a state of jittery panic that seems strangely inconsistent with the stalwart manhood for which that state is famous. Otherwise it surely could not countenance the law governing "persons of restricted movement" (i.e., Japanese, regardless of their American citizenship) which its legislature enacted at its recent session and which went into effect March 23. This amazing law requires that anyone having any business dealings with Japanese must give notice by triple publication in a newspaper and must file a copy of the notice with the secretary of state.-----

It is obvious that if other states should enact such a law, which excludes the minimum decencies in the treatment of loyal Japanese and those of American citizenship, the whole system of "relocation" would break down under the weight of its won outrageousness. And yet, one recalls with sadness, Arizona was once a commonwealth with such liberal political ideas that its admission to statehood was delayed because President Taft would not sign the bill for its admission under the liberal constitution which it had adopted.)

White Clouds Over The Horizon

There's hot dry weather in May and June; wind and dust and sandstorms, and pale buff whirlwinds, slender ghosts, mile-high, that twist and twirl and dissolve into an emptiness of blue. But in July the white clouds come. Wherever you may stand they approach always from the horizon, small domes of gleaming vapor appearing over ridge or mesa--drifting in silent rhythmical ranks,--ascending, building, trailing their ultramarine shadows over the open lands. Then spreads

First Potatoes See Harvest

The first of the potatoes produced in fields 66 and 69 were harvested last week. 87,440 pounds harvested from 15 acres in field 66 and 34,300 from the 4-acre farm in field 69.

Twelve tons of Gila watermelon were shipped to Poston last week.

June 25, 26

David Makoto Ito, Jimmy Yukio Makino, Hideo Charles Mayeda, Shigeo Kawamura, Tokuo Yamamoto, Charles M. Arazaki, Ichiro Imamura, and George Tokio Doi all left for Fort Douglas, Utah to be inducted into the U.S. Army.

Morio Kidani returned to Camp Savage, Minnesota.

George and Rebecca Domoto left for Cleveland, Ohio.

Colony Almost Self-Sustaining

The livestock unit, which is being enlarged continually, now house about 700 pigs, 4,200 chicks and over 1,000 beef cattle and a small experimental dairy project.

Plans to slaughter beef next month for center consumption are being contemplated. To fill our weekly need of 13,000 pounds, some 28 to 30 heads of cattle must be slaughtered each week.

Bus Schedule

Buses leaving for Phoenix will leave promptly at 8:30 a.m. on Tuesdays and Thursdays. All baggage is picked up the day before. Those desiring more information concerning baggage pick-up contact Henry Sato in the transportation office.

CO-OP RECEIPTS MAY 1 + JUNE 30 DUCATS CALLED

Butte co-op patronage receipts, for the period of May 1 to June 30, 1943, will be called, and must be submitted to co-op delegates or authorized agents, in a sealed envelop, by July 10. Residents are requested to furnish the information on the envelopes as in the following illustrated form:

Cert. No.	No. Sales
Pat. Est. Amt.	Rec. Date Entered
Name	
Address	

Patronage receipts should be neatly arranged, with amount facing upward, in a bundle tied with a string.

Separate receipts into groups of denominations occurring frequently. For example, assembly all 5¢ slips into one group, all 10¢ slips into another, etc. Remainder may be put in one group.

Each members receipts should be in its separate envelop.

It is important that the date, month and year of entry to this center be recorded.

DR. SLEATH ASSISTS CHIEF

Dr. Jack C. Sleath, Chief Medical Officer, departed for Washington yesterday to assist Dr. Thompson, chief medical officer of all the ten relocation centers, in managing the relocation hospitals.

Dr. Sleath will be gone for about two months.

Dr. Douglas Collier, who has been stationed in Tule Lake, will come as acting Chief Medical Officer during his absence.

SUMMER SCHOOL SESSIONS START REGISTER NOW EXTENSIVE PROGRAM

To help in solving the difficult problem facing the community--that of giving the children purposeful activities in which to profitably spend their time, Canal high school and its faculty are offering their services to student during the summer.

An extensive practical program will be offered during the summer session to be conducted from July 5 for a period of 30 days. All classes will meet from 7 to 9 a.m. and from 9 to 11 a.m., with the exception of band and instrumental classes which will be conducted in the afternoon.

Those students who fell below average in the recent reading speed and comprehension tests are (continued on page 5)

Experienced judges brought in by Dave Rogers will present ribbons for the best vegetable of its kind, for the best displays and for the best exhibits.

CO-OP NOTES

For the benefit of infants and youngsters, ice will be sold at all food canteens, announced the Co-op.

Concentrated ade in a variety of flavors will be sold at \$1.10 per quart at the canteens, beginning today.

CAMOUFLAGE AREA IS NEW LOCALE FOR FESTIVITIES

Contrary to initial reports, the site of the Butte 4th of July festivities has been changed to the camouflage net factory grounds and warehouse, instead of the block 69 warehouses, announced Annie Fujimoto, general chairman. The change of locale was necessitated because the grounds were unavailable.

Activities scheduled for the three day affair, July 2 to 4, inclusive, will be effected as follows:

a far, vague darkness beyond the mesas and on the first cool stirrings of air comes the low rumbling voice of the thunder, and the pale shuddering glint of the lightnings flicker ominous widening caverns of shadow. The white crooked lightning stabs the dark mesa and the shock of the purple thunder makes the earth tremble. The vast reverberations roll to the edge of the world where the waiting silence engulfs them. The downpour is prier and terrific. Over against the blue twilight of shadow, dazzling, celestial and pure, gleams an enormous arch of a miraculous rainbow.

SANITATION Bedbug Attack Under Control

A slight outbreak of bedbugs on this project has been quelled by the sanitation department through repeated fumigation, according to Dr. Jack C. Sleath, Chief Medical Officer and Dr. W.J. Furuta, Chief Sanitation Officer.

It is the opinion of the sanitation department that the bedbugs were introduced here among the personnel effects which were shipped in from outside sources. Arrangement has been made so that incoming bed clothes and blankets are sent to the hospital for sterilization before being used by the evacuees.

WRA Employment Roll To Reduce

(continued from page 1) policy will assume efficient management and distribution of labor and that every employer will work a full eight-hour day with same standards of efficiency that prevail in private employment.

The WRA Director explained that the policy was formulated to maintain good work habits and efficiency among evacuees. Foresighted evacuee leaders acclaimed the order as a step towards re-establishing the dignity of evacuee workers, which had suffered from the lackadaisical work habits developed in the centers.

The order from Washington also specified that the number of supervisory or professional classifications at \$19 must not exceed 10% of the employment roll. The \$19 pay may be given also to employees performing unusually hard or disagreeable tasks up to 5% of the employment rolls.

PASADENA TAKES NO. 5 6-3; REDS VICTORIOUS 7-5

30 Takes Second, Meets 28 Tonight

**BEN TSUTSUMI
DUKE TOKUNAGA
PACES HITTERS**

Duke Tokunaga's single broke a seventh inning 3-3 deadlock as '30 Reds coupled a bit of sloppy ball handling with 7 timely hits for a 7-5 victory over Giants last Saturday night.

Scattering 13 hits, Mas Okihara bested Joe Koyanagi.

Fattening their averages were Ben Tsutsumi, Joe Shigenaka, Seirin and Kaz Ikeda.

The winners meet '28 tonight at Zenimura Field from 6:15.

Shim Shimasaki In Circuit Clout

Firemen put across two ninth period tallies but '28 came back to crase a precarious one run lead for a 8-8 tie last Friday night. The game was called in the tenth.

'28 continually pecked a way at Firemen's first frame four run lead.

Junius Sakuma and Shim Shimasaki yeilded 7 bingles mostly by Kiyo Nagai and Min Kinoshita. Masato Kinoshita gave up 11 including pairs by Tad and Roy Nakamura, Joe Osada and Louie Hayashida.

Shim Shimasaki's homer highlighted the first.

FIREMEN TOPPLED IN PRACTICE TILT 9-8

The Butte Firemen traveled over to Canal last Saturday night to meet defeat, when the Vikings edged them out in a close game, 9-8.

Chucking for the Viks for the first four and a half innings was Hank Okai, to be relieved by Paul Ryono for the remainder of the game.

Shim Shimasaki started on the mound for the firemen and was taken over by youthful south-paw, Junius Sakuma, after the fourth frame.

Riders Grab 7-5 Exhibition Victory

Canal Ayo Champs, the R. Riders, dumped the 66 Hinodos, 7-5, at Canal 1 last Friday night.

Tossing the entire game for the Riders was Terry Egusa.

GIANTS IN FIREMEN CLASH TOMORROW

Giants and Firemen enter the last game of Major League's schedule before the circuit lays off for a week to compete in Rivers' Inter-Camp Baseball tournament tomorrow night at Zenimura Field from 6:15.

The tourney is slated to begin Friday night in both camps.

Butte ball ground management has said that there will be a ticket system worked out for all Butte games at Zenimura Field.

The opening day will see Hinode's vs. Deltan in Canal and Vikings vs. YMBA in Butte.

CUBS WHIP '49 8-2

Cubs kept clean their record by dotting Block 49, 8-2 in a Southwestern Softball tilt last Saturday night.

The losers meet Glowns tomorrow at rec. area 50 from 6:45.

'64 COPS 1ST HALF CHAMPIONSHIP CROWN

Block 64 came through to take American Association's first half title by out-slugging Hinode Bees 11-6 last Saturday night.

They will later meet the second half winners for championship.

'55 Asahi's smashed '30 Bees in second half tussle 21-2 last Friday night.

Red Soxs meet '55 tonight and '64 versus '30 Bees tomorrow. Both are for 66 Field from 6:15.

The first half ended as follows:

Team	W	L	Pct.
Block 64	6	1	.857
'66 Hinode B's	5	2	.714
'55 Asahis	4	2	.666

Red Soxs	2	4	.333
Block 63	1	5	.166
Independents*	0	6	.000

*All games with Independents, who withdrew from League, was given to opponents.

BLOCK 51 TRIUMPHS

'51 volleyballers turned back '60, 15-8 and 15-13 last Saturday night.

Hot Tamalos battles '65 and Pepporettes meet A.B. C.'s tonight at lot 50 from 7:30.

Horse Inouye Taps 3 for 3

Fourth, sixth and eight frames proved fortunate for tosser Lefty Nishimura as Pasadena was taking its fifth straight triumph and further tightening its hold on league leadership with a 6-3 win over Cuadalupe last Sunday night.

Starting tosser Mas Mitani and Jimmy Nishino was touched for 10 safties while mates were pounding eight.

Horse Inouye, Shig Goto and Hidoki Yamnaka and the winners' stick work while Teddy Morishita and Mas Mitani paced YMBA.

RALLY GIVES '28-30 VICTORY OVER CARDS

Bob Yoshimoto's triple and a bit of wildness on the part of tosser Tom Nakatsuka netted a combined '30-23 the tying and winning run in a 6-5 victory over 2CAC's Cards-Tigers in an exhibition tilt last Sunday morning.

The winning hurler--Ken Zenimura--started and Masato Kinoshita finished. Although forced to leave the contest with an injured finger in the seventh, Ed Nakamura was nicked for but 3 safties. Tom Nakatsuka finished.

The loser's Dan Kuwabara and Frank Yamamura topped batters.

The scheduled '31-Deltans tussled in Canal was abruptly cancelled.
