Dr. Lawson To Supervise The Project Diet

Hospital dietician, Dr. Grace Lawson, has been appointed to direct the special diet and children's food of the entire project effective as of Nov. 1. All project menus will also be subject to her official okay.

Because of the suddenness of her appointment, Dr. Lawson's plans are still in the formative stages. However, she is definitely interested in the special diet.

As soon as is possible, she will open ten diet centers in Butte, where special diet will be prepared three times a day. Plans are being pushed for the immediate opening of these kitchens.

All children in the nursery schools now receive morning refreshments of fresh oranges and custard or cups of junket.

Weekly menus will be posted on all the mess halls so that residents will be able to know in advance what they are to eat.

Blocks that do not receive their meals in accordance with their menus or a recognized substitute, should consult their supervisors.

Dr. Lawson advocates the return to the original plan of the family table.

GILAN HITS FRONT PAGE OF TOWN'S METROPOLITAN NEWS

The first Rivers relocater to hit the front pages of a metropolitan newspaper is 75 years old Henry Hoshino. Hoshino is now working as a chef in a local hotel, reports the Grand Rapids Press with a two-column picture of Henry at work.

"Japan under a militarist government," says

2 Centers May Close By July

Contingent upon the acceleration of the relocation program, two of the relocation projects will probably be closed by the end of the fiscal year in July, National Director Dillon S. Myer told the Topaz community council, according to the Topaz Times. The centers which may be closed were not indicated.

Director Myer reiterated that relocation is still the principal objective of the WRA, and its main function is the maintenance of the 10 centers.

Concerning relocation, Director Myer stated:

"To quell any prevailing rumors, may I reassure you again that it is not the intention of the WRA to force relocation by direct or indirect measures. However, the WRA must be regarded as a temporary, governmental agency, and not as an institutionalized agency."

Program Opens On Assimilation

To intensify community assimilation of relocated evacuees, the YWCA will work with the Washington office and the projects to launch activity programs

War fund and community chest collections within the blocks start tonight from 5 to 9 and will continue throughout the week, stated W.C. "Tom" Sawyer, chairman of the drive.

Specially-trained teams, selected from the beneficiary organizations, are cooperating with block managers and block councils in making the house to house canvass.

Each worker is requested to contribute a day's wage, and orange tags will constitute receipts. Contributors are urged to wear the tags all week, said "Tom" Sawyer.

Some sections prefer to collect by sections. The social welfare section and Butte high school have already contributed 100%.

MIYAKE'S SON PASSES AWAY

Funeral services for Gilbert Ichiro Miyake, 15, will be held tomorrow morning at 9 at the 42 Buddhist Church. Wake services will be at 7:30 o'clock tonight at the same place.

Gilbert, son of Harry Miyake, chairman of the Butte community council, and Mrs. Miyake, passed away Sunday after a long illness.

in various large cities throughout the country, according to a release from Washington.

Mrs. Winona Chambers and Esther Briesemeister of the National office of the YWCA, will act as representatives-at-large.

Kimi Mukai, formerly of the San Francisco YWCA and the Denver relocation office, has been assigned to the Chicago area where she will be primarily concerned with the assimilation of nisei in that area.

Hoshino, "is a good little country gone wrong."

In his present job, which he began a month ago, he has measured up to high standard and his work has been very satisfactory, according to George Barns, manager of the Rowe.

Henry for one, does not believe that issei can not relocate successfully.

editorial:

PREACHES AND PRACTICES

The most heartening of relocation news came last month from Des Moines, Iowa. Bill Hosokawa, who "fathered the Heart Mountain Sentinel into lusty manhood" as editor-in-chief moved from his Heart Mountain home to a permanent home in that city on Oct. 20 where he is now working on the editorial copy desk of the Des Moines Register, Iowa's leading newspaper.

On the following Sunday, the Register, which has been consistently fair towards the WRA and evacuees, went on a splurge. One-third of the front page was devoted to cuts of resettlers at work and at leisure. Included were photos of Mrs. Tomoko Yamamoto and Kenji Noda, both relocaters from Rivers.

Reports from Des Moines has been consistently favorable. John Capithorne, Quaker representative from the city, who visited the center early this year, told us of some animosity at first, but the trend even seven months ago was definitely favorable. One of the potent factors in the change of attitude has been the Register. The employment of Hosokawa has deprived the centers of their leading editorial voice, but it shows that the Register is practicing what it is preaching. It shows, too, a growing awareness that nisei can be given employment of high responsibility.

HEARD THE LATEST?

The rumor cycle has apparently hit the center again. In the last few days, rumor regarding block consolidation, closing of certain relocation centers, Tule Lake strike, and the usual run of others have gone the rounds.

For a month or so now, things have been fairly quiet. We have been informed of the major developments in the WRA and the center from authoritative sources. We did not need to whisper them over the center. In short, we received straight, ungarbled accounts of the facts on hand.

The past has shown that the most miserable days have been those made depressing by rumors. Why not take a lesson? After all, the true facts are not available yet, and all indication lately point towards the announcement of those facts once they are known.

Nisei Will Co-Own Flag Says Komoto

The story behind Staff Sergeant Kazuo Komoto's Purple Heart award is one that is behind the horrors of modern jungle fighting which has produced a bulky percentage of America's mental casualties. The South Seas is no idealist's dream these days.

On the afternoon of July 15, Komoto had been without sleep for a week and hungry and dead tired. The sniping, the hand-to-hand encounters with wicked, curved knives, the pressure of his particular duties--all had created a tension, a constant alert and a din that made sleep impossible and frayed nerves. That afternoon had been relatively quiet. He had climbed out of his fox-hole and stretched himself on the ground for a nap. Twenty minutes later, a machine gun opened up on several men, including Komoto, from a twenty-five yard range.

"One moment I was on the ground, dozing; the next second I was back in the fox-hole,--how, I don't know," he says in wonder.

But a slug had entered his knee and bored through a bone. Several other soldiers were also wounded. The sniper who had been camouflaged in a tree was dead a few seconds later--sniping, says the Sergeant, is a suicide mission.

From that day dates his trek homeward with stops at several hospitals. Today his knee is completely healed, his walk normal. Komoto left today for Chicago to see his brother. He intends to drop back again before returning to his hospital in Modesto, Calif.

"When this war is over," said Komoto, "nisei will be co-owners of the flag, for the blood of countless nisei soldiers will have put the red in the Red, White, and Blue."

Leave Clearance Signup Requested Of Residents

All persons over 17 years of age are requested to go to the leave office in either Butte or Canal and fill out leave clearance application blanks, announced Henry Freeland, leave officer.

If the leave application has been filled out within the last two months, it is not necessary to do so again, he said.

This procedure is necessary because all the applications filled out during the February registration were transferred to Washington and the information is needed to bring the project records up to date, he explained.

Persons who are on the doubtful list should wait until they are cleared before filling in the clear-

MUSIC SECRETARY OF YWCA HERE

Miss Marie Oliver, music secretary of the National Y W C A, arrived here Sunday evening and met with the Pilgrim Fellowship group at Butte.

Today, she is in Canal meeting with youth groups and discussing musical programs and group singing.

Rivers is the first relocation center that Miss Oliver has visited. She says she is impressed by the accomplishment of residents in making this community out of the sage-land.

She will leave for Tucson tomorrow.

Thanksgiving Festival Planned

A gigantic 5-day Thanksgiving program, running from Wednesday through Sunday, Nov. 24-28, is being planned by the Butte CAS.

During that time, two movies will be shown. Tentatively slated are a football tournament, aeronautics, tennis, golf and sumo contests, ongekai, craft shows and a dance.

Joe Shigezane has been appointed general chairman.

GOOD POINTS OF RELOCATION TOLD IN PHOENIX BY WOLTER

Hugo W. Wolter, community management head, told the Phoenix Lions Club last Thursday that

"every Japanese we relocate ~~became~~ a double-barreled weapon for this country, taking away the propaganda of Japan that this is a racial war and at the same time, providing another worker in the war effort."

Segregation of loyal and disloyal Japanese is one of the most difficult citizenship problems even to face this country, Wolter said.

He recited many individual cases to illustrate the difficulties involved.

CANAL CLASSIC HOUR TONIGHT

Canalites, don't forget the classic music hour featuring Mary Oino tonight, at 13-7-D, 7:30.

Hospital Wants Six Watches

The Butte hospital is in immediate need of six watches with second hands to take the pulse of the patients. Repeated efforts to buy them have failed, simply because there aren't any more.

As a last resort, the hospital is appealing to the residents to donate six watches to the hospital. Any kind of watch is all right, as long as it has a second hand on it.

USE OF CRATES, FENCES FOR BONFIRES DECRIED

"Do not use crates for bonfires, as they are almost impossible to obtain, and the farm management needs every crate it can lay hands on," said Dave Rogers, farm head.

According to an order released by Fire Chief E.D.

Mauser, bonfires cannot be built near the barracks, unless written permission is obtained from the Fire Department.

There have also been reports that fence posts have been uprooted, said Rogers. Under no circumstances should the posts be taken. Offenders will be turned over to the Internal Security.

Low Oil Supply Must Be Reported For Refilling

As soon as the oil supply in block tanks is low, it should be reported immediately to the public works office, states Joe H. Janeway, supt. of construction.

Only one oil truck is used to distribute oil from the central supply tank to the block tanks; so it may be two to three days before the tanks can be refilled.

Difficulties will arise if supplies are completely depleted when reported; so a well-margined advance report is urged.

Each block tank holds 1000 gallons, while the central supply, which is being constantly refilled with oil brought in from Phoenix, holds 12,000 gallons.

Traffic Violator Penalty Severe

From now on, traffic violators will not be given the first chance as in the past, said Chief Fred Graves of the Internal Security.

Licenses of traffic violators will be taken from them and they will have to establish innocence of their mistake to the Project Director in the event they wish to continue to drive WRA vehicles.

Chief Graves returned last Wednesday night from a 15-day special detail trip to California.

UNIFORMED CAUCASIANS AMONG NISEI'S FRIENDS

Some of the best treatment that Japanese Americans get comes from Caucasians in uniform, writes Harry Kingman, former American League baseball player and now with the Presidents Committee on Fair Employment Practice.

Kingman's News Letter of October writes as follows:

"I frequently hear that the best treatment our Japanese Americans get is from Caucasians in uniform. As for nisei girls traveling in the Midwest, they don't need help from red caps--soldiers and sailors grab their baggage. My wife has received about 30 letters from men in the service testifying to the truth of the generalization I am making."

Kingman quoted a letter

POTATOES COMING FROM TULE LAKE

Three carloads of potatoes are being shipped from Tule Lake to Rivers this week, and will reach here within 10 days to two weeks, announced H.E. Keadle, project steward.

Each carload holds 36,000 lbs., and will supply the residents for 4 weeks.

HEARING

Senate Biased In Treatment

Witnesses who advocated the deportation of persons of Japanese ancestry, regardless of citizenship, were coddled by the Senate fact finding committee and fully reported by the press the Open Forum, ACLU news organ reported.

On the other hand, the paper said, those who opposed harsh blanket treatment of evacuees were given scant attention, with the exception of Peral Buck, who just could not be ignored.

Among the men and organizations who testified in behalf of the evacuees were A.L. Wirin, ACLU attorney; Dr. Oliver East Bronson, Santa Barbara ACLU leader; Carey McWilliams; and Rev. Fred Fer-

from a friend which read, "Yori Wada wrote of the friendly cheers exchanged when his train full of nisei passed a contingent of Caucasian troops."

McCloy Visits Camp Savage

The Assistant Secretary of War, John J. McCloy, paid a visit to the Japanese American combat team on October 21, according to a release from Camp Shelby.

McCloy was instrumental in the establishment of the Combat team and is especially interested in its prowess.

He and others who accompanied him, including, Colonel William P. Scobey, who has visited this center on a two occasions, inspected the units in garrison and then at a review of the entire combat team.

COMING! GILA PEANUTS Staff May Pick Cotton Again

ONE BUILDING RISES EACH WEEK

In the past ten months, eighteen buildings, a rate of almost a building per week, have been completed by the construction crews, stated Joe H. Janeway, supt. of construction.

These would include staff houses, dormitory, dairy barn, milk house, warehouses on dairy, hog and poultry farms, brooder houses, and laying houses.

Two carloads of lumber arrived Friday morning to be used for the construction of the school buildings. With a crew of 15 men, work in both Butte and Canal is steadily progressing.

All the materials should be in by the end of 15-20 days, which includes lumber, sheet rocks, roofing, and hardware.

Canal Nursery To Hold Open House

An open house will be held by the Canal nursery Saturday, Nov. 6 from 9-11 a.m. and 1-4 p.m.

The best flower on display will be sent to Mrs. Eleanor Roosevelt.

Visitors are requested not to touch the flowers, as that may cause them to wither sooner.

POPULAR MAGS IN ADULT ED.

Magazines can now be checked out for three days at the Butte Adult Education office, it was announced.

Magazines available include Life, Post, Vogue, Coronet, Reader's Digest, Time, Newsweek, U.S. Camera, Popular Mechanics, Omnibook, Harpers, Free World, Art Digest, Parent, Common Sense, Survey, Geographic, Motive Magazine of Art, and Survey Monthly.

GREGG WRITER

Girls who subscribed to the "Gregg Writer" through Yasuko Fujiki are requested to call for them at the Butte Adult Education office, 43-1-D, immediately.

The peanuts now on sale at the canteens did not come from the project fields, said Dave Rogers, farm head.

The peanut crop now being harvested is being stored in the warehouse and will be distributed to the mess halls for Thanksgiving, Christmas and New Year.

The exact yield has not been ascertained as yet, but the crop has been better than expected. Several tons are now in the warehouses.

"WHALING IN JAPAN" ON RIVERS SCREEN

A film with Japanese titles, "Whaling in Japan," will be shown together with the regular relocation films tomorrow for Butte, and Thursday, in Canal. This film will be shown through the courtesy of the Rev. C.P. Garman.

Relocation films to be shown are: "Ohio's Good Earth," "The Ohio State Fair," and "Oddities of the Ohio Industry."

FREELAND LEAVE SIGN UP IS NOT ARMY ORDER

(Continued from Page 3) once applications.

"This has nothing to do with the military authorities," said Freeland. "The only reason we are asking all persons to come, is to make it easier for the residents when they decide to leave, and also to keep our records in order."

Application blanks are available at the leave offices in Butte, 69-8, and Canal in the Ad building. Assistance will be given in filling out the blanks.

CANAL SENIOR GIRLS ELECT

At a recent meeting of the senior Girl Reserves of Canal, Michiko Itomura was elected to serve as president. Her cabinet will consist of vice-pres.-Kimiko Katayam; sec.-Mitsuko Sasaki; corr. sec.-Bessie Matsumoto; treas.-Sadako Yamamoto; pub. chm.-Lily Umeda; and prog. chm.-June Sakai.

Staff May Pick Cotton Again

There is a possibility that "Arizona's gaudiest cotton pickers" might have to go out to the fields again, said Dave Rogers, farm head. If it should prove to be necessary, the picking will be done after a frost hits Rivers, causing all the leaves to fall off.

The pool collected to present to the person picking the most cotton at the last cotton picking on Oct. 15 is still in Rogers' hands. He still does not know what to do with them, and would welcome suggestions from the residents.

FOOTBALL RALLY IN BUTTE FRIDAY

In inauguration of the football season, a bonfire rally will be held Friday, Nov. 5, beginning 7:30 p.m. at the west side of the Butte on which the water tank is situated.

There will also be community singing, yell leaders, pom-pom girls, guest speakers, and the Butte high school band will play.

CANAL 'Y' WORKING GIRLS WILL MEET

A Canal "Y" working Girls meeting will be held tomorrow at the CAS office at 7:30 p.m.

Important matters such as the approval for the disbursement of funds for the club room, and the matter of membership cards must be settled immediately.

"UNDERSTANDING MYSELF" IN LIBRARY

Have you ever wondered why you act as you do? The key to that question may be found in "Understanding Myself," by Roy E. Dickerson, which, with psychology, mental hygiene, and counseling, tells about oneself in easily understood everyday words and simple stories, and thus make possible to obtain more fun and success in living. Now obtainable on the Butte Community library rental shelf.

OPENING:

INTER-CAMP CIRCUIT SUNDAY SOX ENTERED

The coming inter-camp league which includes two Canal and five Butte ball clubs has been tentatively set to hold its opening this Sunday afternoon with one game probable in Canal and a doubleheader in Butte.

White Sox have definitely decided to join.

The majority of tilts are expected to be held Sundays only, at the beginning, and later on Saturdays also when the grid season nears its end.

One round of competition will probably be held with the four top teams playing off at the end for championship.

PICK-UP G-66 NINE RUNS OVER BLOCK 65 17-7, '28 ALSO WINS

Block 28 and Coach Fred Tsuda's newly-named G 66's from Guadalupe-Block 66 pounded out easy 12-4 and 17-7 wins respectively in exhibition games over the week-end.

In the Saturday tussle, Block 28 jumped onto a early three-run lead from the second and coasted through on a 14-hit barrage.

Kenshi Zenimura and winning chucker George Matsuda each were credited with a three-baser and two bingles apiece.

G 66's 19 hits proved a little too much for Block 65 in the Sunday tilt. The clubs batted all the way around in one frame thrice --the winners twice and losers once.

Nine Man Butte-Canal Pigskin League Held Possible By CAS

Possibilities of having a senior men's inter-camp nine-man touch-football league were opened as a result of the lack of responses in Butte for plans to form a six-man touch circuit, disclosed Butte CAS Men's Athletics Director Horse Inouye.

Entries which will be

taken should be in the CAS, rec. 51 as soon as possible.

Maharajah Grid Group Rolls Up 6-0 Triumph Over Golden Bears

In a "dead game," the Maharajahs doggedly plowed through Coast Stringer's Canal High Golden Bears, but failed to make any noticeable dent in their defense with the exception of the second quarter when they scored the only touch-

down of the 6-0 gridiron battle.

Completely overwhelming their opponents in weight, speed and height the Crimson Tide was unable to utilize any of their advantage in this tough fray. It was expected it would have been another picture with the speedy Ichimoto brothers combined with Furuya-Ishii ensemble had it been a tackle game.

In a "suck" by Frank Ichimoto, George Ichimoto ran through on an off-tackle play with a long beautiful lateral to Furuya, who was running wide around the end. Furuya reversed to Ishii while at the same time, hitting the first man for the score.

The undefeated Rajahs persistently swept the end and mercilessly gained upon the Bears, while the prepsters sneaked through on off-tackles and trick plays.

Junior Grid Divisions Start

Butte junior boys' nine-man Southwestern pigskin circuit is scheduled to open Saturday morning. The 11-man Northwestern League is slated to open also but Sunday.

The unnamed Southwestern squad Manager Squeaky Hotta has been named Ramblers.

DENSON ELEVENS STARTS SCHEDULE

DENSON, Ark.--Two pigskin circuits became a reality here last week with 12 team entered, according to the Tribune.

Block basketball and softball Leagues, under the CAS, are expected to begin soon.

TENNIS CLUB SET FOR SUNDAY NET TOURNAMENT

With trophies to be awarded to the winners, the Butte Tennis Club will hold a tournament with men's and women's singles matches scheduled, starting Sunday Nov. 7 at CAS Court 36.

All players interested in entering are requested to sign up at either 36-14-BB or 57-4-A. The entrance fee is 25 cents.

FIREMEN CINCH SOFTBALL LOOP CHAMPIONSHIP

The 24'ers, contenders for the softball title, relinquished it due to the shortage of players on the roster. This places the Firemen at the top of the league, with only one defeat. Had the game been played off, 24'ers only hope would have been in a tie and a resultant play-off.

RIVERS CONTRIBUTES \$755 TO NATIONAL WAR FUND

Rivers became the first large community in the state to meet its National War Fund quota when it turned over \$755 to the Pinal County Board at Coolidge this morning, surpassing by \$5 the amount allotted for the community.

Contributions for the community chest will continue to be received all week through block managers or to Mary Yamauchi in the Central Education Office, stated W.C. "Tom" Sawyer.

Gila Relocation Group Meets

Rivers Relocation Committee Monday heard acting Project Director Luther Hoffman report on a letter from Washington which emphasized the fact that since the evacuees are the ones most greatly affected, they too should have the greatest part in plans for relocation.

The Relocation Committee was formed here in May to act as a liaison group between the people and the administrative staff both on the project level and the national level.

The letter urged that a realistic survey be made concerning the hindrances to relocation, particularly of family groups in order that factual presentation could be made. It was repeatedly emphasized that ideals were excellent, but families cannot be fed on ideals.

Since this was the first meeting after the permanent Community Councils were organized, the group decided to have the relocation committee members of the Councils each appoint one additional person to form a steering committee for the general relocation committee.

Last night, more than \$1100 had been turned in for the War Fund and for the community chest, said "Tom" Sawyer, chairman of the Drive, and there were small amounts in the hands of the collecting committees still unreported. The \$2000 goal probably will be exceeded, said Chairman Sawyer.

The campaign has exceeded what the fund and chest committee expected because of the excellent and speedy contributions and the unexpected voluntary donations from school children. In most cases, the cooperation is excellent, and committees are very well pleased with the results, Sawyer declared.

The first sections to come through with 100% contributions are Evacuee Property, Evacuee Housing, Social Welfare, Central Educ., Butte H.S., Internal Security, Mail, Files.

Diet Kitchen Plans Released

Mess Operations announced that plans are being made for 10 Special Diet Kitchens in Butte and 5 in Canal to prepare special diets for babies up to 19 months of age and for outpatients who require special diet. The kitchens will also serve two special snacks daily to children up to 5 years.

Dr. Grace Lawson, Hospital Dietician, will prescribe the special diets and instruct the dietetic aides in the preparation of the food. The Diet Kitchens will be supervised and supplied by Mess Operations.

Dr. Lawson will also make suggestions and recommendations regarding project menus to see that the diet is scientifically

FEPC

Order Issued For Fair Play

Nisei will receive full protection of the Executive Order of the President which forbids discrimination against workers because of race or color, according to a release from the Japanese American Committee for Democracy of New York City.

Will Maslow, director of Field Operations of the President's Committee on Fair Employment Practice of Washington, D.C., issued a directive to all FEPC Regional Directors instructing them that the non-discrimination clause applies fully to nisei.

The directive says:

"The Committee takes the position that it cannot modify the Executive Order nor place one category of American citizens in a situation less favorable than citizens of other ancestry.

"President Roosevelt, in a message to the United States Senate on Sept. 14, 1943 (Senate Document No. 96), emphasized this position when he stated:

'Americans of Japanese ancestry, like those of

balanced. The final word on project menus will rest with Mess Operations in cooperation with the Health section.

(Ed. Note: The above is issued by the Chief Medical Officer in collaboration with the Mess Division to correct a misleading impression regarding the responsibility on project menus.)

HARVEST CROPS

Close to 400 Japanese from other relocation centers have gone to the Tule Lake segregation center to harvest root crops which Tule residents had refused to gather, says an A.P. dispatch of Oct. 29.

EDITORIAL

THE GOAL IS WORTHY

The Fair Employment Practices Committee is an agency created by the President in June, 1941, as a move to align domestic policy with the nation's foreign policies, which, though inconsistent in many respects and on many occasions, has been, by and large, democratic in aim.

Discrimination in American labor markets has a long history. The preponderance of persons of Anglo-Saxon birth has caused discrimination to crop up in all parts of the country against persons of other nationalities, including those from Middle European countries, the Balkans, and the Latin nations. But the greatest headache to America has always been the Negro problem. Out of the South, the virus of negrophobia has spread throughout the nation. This matter was the principal reason for the President's executive order which created the FEPC.

The FEPC has had indifferent luck. Its best effect has been to bring the blot on the nation's conscience into the open, and the fact that its creation was an open admission that race discrimination is reprehensible. It has helped to waken America's consciousness.

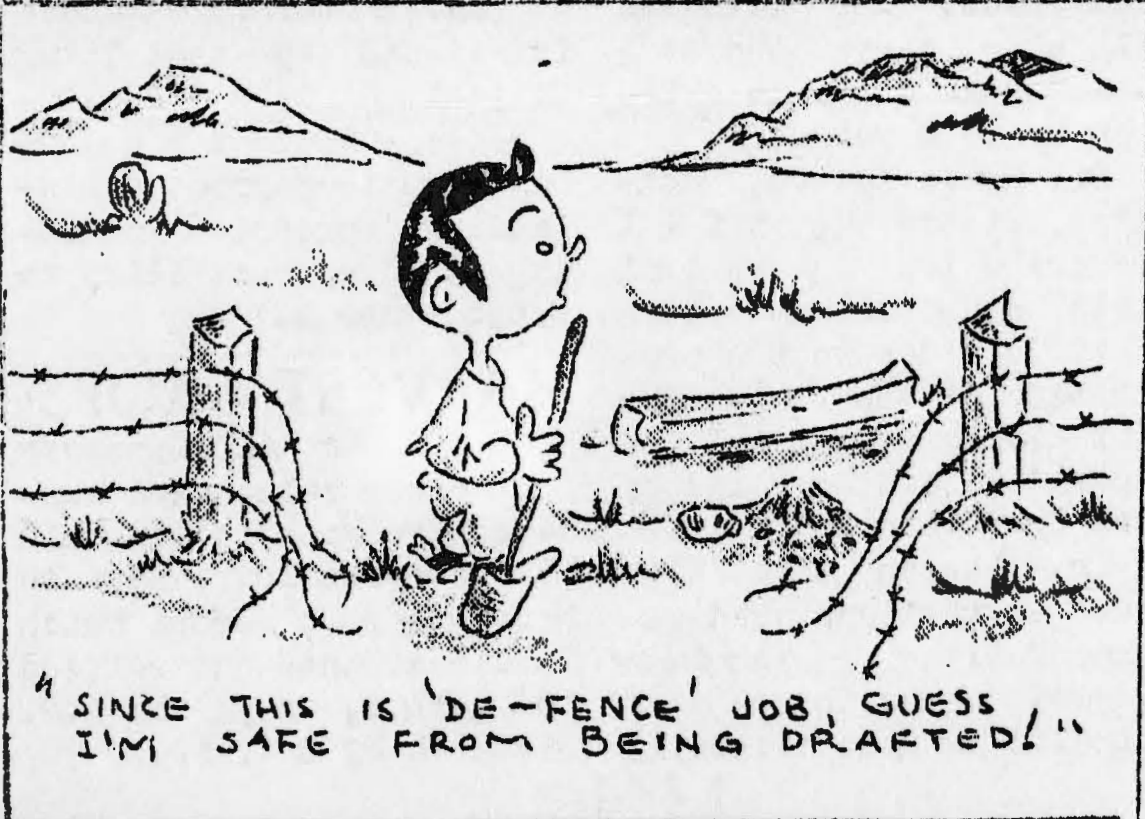

Maslow, when he issued his directive (see adjoining column) to give full FEPC protection to nisei, was well-aware that a utopian realization is hardly to be expected. Only a simpleton---unlearned in the ways of man -- will be foolhardy enough to expect it. And, likewise, the man who denies that conditions cannot be bettered is deluding himself.

The evacuees, we expect, will be in a much better position in America within ten years than they have ever been. If they do not concentrate themselves in a few states as they had done in the past, job discriminations will be practically nil eventually.

Yet, the position of race groups cannot become secure until the stigma of negrophobia is wiped out of America. The FEPC, or a similar agency, preferably with more executive powers, working together with liberal social groups throughout the nation, must continue to straighten out the intricate web of race relations through direct executive power, and, more importantly, through the education of the masses. The nisei can contribute greatly towards that education.

many other ancestries, have shown that they can, and want to, accept our institutions and work loyally with the rest of us, making their own valuable contribution to the national wealth and well-being. In vindication of the very ideals for which we are fighting this war, it is important to us to maintain a high standard of fair, considerate and equal treatment for the people of this minority as of all minorities."

The directive goes on to state that the FEPC is "aware of the special problem involved in the placement of workers released from relocation centers and the more stringent clearance required for security reasons in the employment of workers of Japanese descent in war industries. It recognizes also the emotional reaction against the employment of persons of 'enemy' extraction."

Because of these particular characteristics of the Japanese American problem, the FEPC feels special "tact and care" must be exercised in dealing with employers, labor organizations or government agencies, in the application of the provisions of the Executive Order as a protection for workers of Japanese ancestry against racial discrimination.

The field instruction quoted above was approved at a recent Washington meeting of FEPC, to which complaints had been brought by the Japanese American Committee for Democracy, the United Japanese Seaman's Victory Club, and the American Committee for Protection of Foreign Born, all of New York City, against the exclusion of Japanese Americans from the U.S. Maritime Training Schools. The complaints, according to a reply sent to the three organizations by Mr. Will Maslow, has been accepted by FEPC for consideration and will be investigated.

Outside Shipment Heaviest In Next Three Months

Rivers' vegetable shipment to other centers is comparatively light for the month of November, said Harry Kamiya, shipping head.

However, the shipments for Dec., Jan., and Feb. will be the heaviest of the fiscal year. The relocation centers are for the most part depending upon Rivers for their winter supply of vegetables.

Of the nine centers, Minidoka will receive the most and the most variety of Rivers vegetables. Tule Lake is also listed for shipments.

Broccoli, cabbage, carrots, daikon, and Chinese cabbage predominate in the shipments.

Residents are asked again to refrain from burning or destroying crates. Certain things can be shipped only via crates, and crates are harder to buy than meat, said Kamiya.

FORMAL FOR NEW YEAR?

Do you want a formal dance for New Year? Many requests for a formal has left the Butte CAS in a perplexed predicament of wondering how many would attend if it is given and of preparing for it accordingly. You are requested to help out by marking and X by your choice and taking it to the block manager's office.

ASSIMILATION PROGRAM FOR RELOCATORS GOES UNDERWAY

To help assimilate women relocators from Gila, the Butte YWCA, under Chairman Midori Satomi, has contacted YWCA groups in more than 100 cities in the U.S. asking for information concerning housing, employment, recreation,

and medical facilities for newcomers.

This correspondence is followed by a list of names of Gila girls who are relocating to a certain city with that the Y group of that city can help assimilate them.

In response to Miss Satomi's letter, the New York YWCA wrote:

"Thank you for your letter just received, containing the names of Japanese girls now in New York City. We are happy indeed to have these names, and glad to have you continue to send names to us.

"The WRA here has just appointed a worker to have as her special responsibility the follow-up of Japanese workers coming to N.Y. City, and we are already working out plans with her to make them welcome in YWCA activities."

BONFIRE RALLY HERALDS SEASON

"Rah, rah, rah!" Celebrate the opening of the football season at the bonfire rally to be held tomorrow beginning 7:30 p.m. at the west side of the Butte, sponsored by the Butte CAS.

Introduced by emcee Joe Shigezane, Hugo Wolter, John C. Welles, and Shotarō Hikida will say a few words, representing the CAS staff. Kenji Nakano, NEWS-COURIER sports editor, will introduce the guest speakers, George Nikaidō, Tosh Tosaya, Zūke Tanaka, George Kanagaki, Horse Inouye, and Frank Watanuki.

Yell leaders Bill Mori and Chug Saito will lead the yells, the Butte high school band will play, and pom pom girls, Betty Nakashima, Fusaye Hamane, and Lillian Iwata, will lead the community singing.

RELOCATION SUPERVISOR CITES DENVER EVACUEES

Japanese evacuees employed on farms in the Denver area have harvested this season enough sugar beets to supply 748,000 persons for a year at the present ration allowance, Harold S. Choate, relocation supervisor, said today.

The 700 evacuee workers have topped 65,300 tons of sugar beets, amounting to 18,666,200 pounds of sugar, on farms in Denver, Adams, Jefferson and Arapahoe counties, Choate disclosed. Estimating 26 pounds of sugar per person annually, the total amount of beets harvested by the evacuees would satisfy the ordinary wartime needs of

the population of a city the size of San Francisco.

In addition, the evacuees have aided in the harvesting of other crops in the Denver vicinity, including head lettuce, cabbage, root vegetables, tomatoes, celery and potatoes, Choate added.

"All the reports I have received indicate without exception that the evacuees have been willing and intelligent workers," Choate said. "However, they all thought of their work in terms of the war effort, realizing that by laboring on farms they were making a genuine contribution toward shortening the present conflict."

FARM PRODUCTS TO LEAVE VIA NEW SERAPE RAILHEAD

Agricultural produce raised on the project will soon be shipped from the new railhead in Serape, according to John C. Doucha, ass't. project director of operations.

The Serape railhead is located six miles south of Chandler, 13 miles from Butte, and is about four miles closer than the Casa Grande railhead.

A siding and warehouse at Serape was completed by the U.S.-Engineering Dept. last March, but was not used because the road leading to it was not suitable for heavy trucking. The road is now surfaced and in good condition, with only the oiling left to be done. Oiling will start by the 15th of this month, and will progress at the rate of a mile per day, and is expected to be completed by the end of the month.

Remodeling of the warehouse into a loading and shipping shed commenced yesterday morning, to be

Police Handle Lost And Found

Internal Security from now on will handle lost and found articles, declared Fred J. Graves, Internal Security Chief. All articles found in Canal should be turned in at the police station 16-13-A and in Butte at the police station in 64 rec hall. Those who have lost belongings should make inquiry and identify them at these offices.

HALL ORNAMENTS REQUIRE PERMIT

All persons who expect to decorate mess hall and recreation halls for entertainment and dance purpose, should obtain a permit from the fire dept. in order that exits and decoration can be inspected, according to E.C. Mauser, fire chief.

Serious fire hazard in a high wind can result if every precautionary step is not taken.

completed within 2-3 days. It will be ready for use immediately following the completion of the remodeling.

Outgoing products will go through the Serape railhead, and the Casa Grande railhead will be used for the incoming product, but in the future, both incoming and outgoing will be handled largely by the Serape railhead.

Canal Class Shifts Schedule

Because movies will be shown on Fridays, this month in Canal, the book-keeping class, held at 13-13-B from 7 to 9 p.m., will be held on Thursday. The class will resume its original schedule on Fridays when the movies are shown on Saturdays.

All parents, especially with children attending nursery school up to the 4th grade, are requested to attend Miss Karns' parent education class next Tuesday, 7:30 p.m., at 13-8-A&B.

The Adult Education Office would like the Third Grade Reader which disappeared last Tuesday, October 28, returned to the office, rec. hall, 13, as soon as possible.

CO-OP DELEGATES TO MOOT NEW STORE FOR CAUCASIANS

Possibility of establishing a Co-op store to accommodate the needs of appointed staff members will be discussed at a special meeting of the

Congress of Delegates, 1:15 p.m. this Saturday afternoon at the 69-15 office.

Most Caucasian families on the project, who must buy their own groceries, have a difficult time on the three gallon ration of gasoline a week. After discussing three possibilities, the Caucasian members favored asking the Gila Co-op to establish the store. The other two possibilities were establishing a Caucasian Co-op or forming a buying agency to purchase goods from near by towns.

The Co-op Congress of Delegates will decide whether or not to establish the store for Caucasian needs.

Two Preachers To Speak Here

Rev. Schei Kowta of Poston and Rev. Herbert Nicholson will arrive today in Rivers for a series of special meetings this week-end in both Japanese and English.

Rev. Nicholson will speak to the nisei on Friday night at Chapel 32 from 7:30 o'clock on the topic, "Report from California." All nisei are cordially invited to hear this message.

Rev. Kowta will preach to the nisei Sunday morning at 10:15 o'clock at Chapel 40. There will be no service at that hour at either Chapel 32 or 59.

At 7 p.m. Sunday night, Rev. Nicholson will speak to the Pilgrim Fellowship at Chapel 40. The public is welcome to hear these speakers at all of the meetings.

7-Team Ball Scheduled For Opening Tilts

TWIN BILL AND CANAL TUSSLE

Rivers' Inter-Camp Horsehide League is scheduled to hold its opening Sunday afternoon with three games including a doubleheader on tap.

Coach Fred Tsuda's G 66's--named from Guadalupe-Block 66--will tangle with Rough Riders of Skipper George Ichimoto in a Lone Canal tussle.

Lompoc under Manager Kaname Matsuno will face Block 28 in the first of a twin bill in Butte. White Sox will take the field against Cards in the second tilt.

Block 65, the seventh team of the circuit, will draw a bye.

The games will be under a two-hour limit and all rules and regulations will follow those used in the previous Major and 2CAC leagues.

If it appears that in the first games of doubleheaders, one team is hopelessly ahead, it may be shortened at seven innings.

At a Butte Baseball Association officers' meeting Monday, it was decided to pass the hat for donations instead of taking it from the gates hereafter.

TULE LAKE--Despite guard Tom Sakamoto's 13 buckets, a Gila "Monster's" quintet was nosed out by a Poston Aye five 35-34 last week, according to the Dispatch.

Other ex-Gilans who saw action were Taxon Tsujita, Joo, Gen and Yoshi Shimada and Fred Makino.

With four teams entered, Butte junior boys' nine-men CAS Southwestern Football League is officially scheduled to open Saturday with Ramblers meeting Don Babes at 9 a. m. and Black Hawks facing Wolverines from 1:30 p. m. at lot 50.

In the 11-man Northwestern League are Gor Elevens, Curley Kitahata; Santa Anita Hellcats, George Toyoda; and Cubs,

SHELBY NISEI TAKE 3 IMPOSING TROPHIES, HORSEHIDERS TITILISTS

CAMP SHELBY, Miss.--The Japanese Americans are the undisputed baseball champions of Camp Shelby.

Clipping a page from Frank Merriwell fiction, the Nisei infantry regiment team won the final game of a play-off series with a last-inning home run while the score was tied. The three-game play-off was with a infantry regiment which had won the pennant in the camp's Divisional League.

There are two leagues in camp, one Divisional and one made up of Non-Divisional units, including two Nisei teams, Field Artillery and Infantry.

It was a breathlessly exciting game to watch. The Nisei's opponents scored two runs in the first inning but the Japanese Americans tied it up with a run each in the third and fourth. Then in the last half of the final inning, the charge of the Infantry was detonated.

With one out, pinch-hitter Tsukasa Wataya singled. Up came slender, hard-hitting Goro Kashiwada, rightfielder from Hawaii. He coolly looked over a couple and then swung--you could tell from the crack of the bat it was the pay-off. The ball

sailed so far over the rightfielder's head he didn't bother to chase it. And so the final game of the season was recorded a 4-2 victory for the Japanese Americans.

It was a fitting climax to the seasonal pitching record of Lofty Higuchi, mainstay of the Infantry nine.

Now three imposing athletic trophies rest on the desk of the Commanding Officer of the Combat Team, Col. C. W. Pence. The first came from the swimming teams' sweeping victory in the Southern A.A.U. tournament in New Orleans last August. The second was a belated statuette representing the baseball victory in the first half of the season. The third trophy, largest of all, went to the baseball team for winning the championship play-off. The last was presented by Earl Finch, Mattiesburg, Miss., rancher, who has long been an ardent backer and supporter of the Nisei Combat Team and its various activities in and out of camp.

Now it can be told that Finch was so sure of the Nisei victory, he had ordered the trophy ahead of time and brought it with him to the final game for immediate presentation. The trophy was presented to Col. Pence for the team just before a formal group photograph of the players was made in the regimental area.

Watch-charm emblems were given to each player by the Post athletic authorities in commemoration of the dramatic victory.

Army Ends Tule Disturbances

Disturbances at Tule Lake, incited by agitators who made capital of an accident which was fatal to one and injured a number of others three weeks ago, came to an end yesterday when the army was ordered in to quiet it.

Dillon S. Myer, Director of the WRA, said yesterday in an interview in Seattle that the ringleaders of the mass demonstration were making a bid to be sent back to Japan first. He said that the leaders have told residents that they will have no post-war opportunities in this country and that "the emperor will have a black mark against them (continued on page 4)

WAR TRAINING TO START HERE

A War Industries Training program finally was approved for Gila last week, following a conference of Dr. Joseph Samler, WRA director of vocational training and W. C. Sawyer, supt. of education, with the state officials.

The W.I.T. will provide the instructor and assist with equipment. Russel Talbott, one of the State Supervisor of the W.I.T. program was here yesterday to inaugurate the program. Auto mechanic classes will follow when need for them in electrical refrigeration service, electrical service, and others will follow when need for them arises.

The class will meet three nights a week, three hours a night, and will be open only to those who are working in a position calling for mechanical ability. Those who complete the course will be given a W.I.T. certificate, similar to those issued by outside training centers.

BENNETT GETS FULL PAYMENT OF CAMOUFLAGE NET FUND

The long awaited camouflage net fund totaling \$74,166.67 is in the hands of Project Director Leroy H. Bennett and will be turned over to the net fund trustees as soon as he returns this week end, according to word received by Project Attorney James H. Torry, Thursday.

The Project Director telephoned from California that he had obtained a certified check for the full amount after meeting with representatives of the United States Engineers and John M. Stahl, president of the Southern California Glass Company.

The trustees of the net fund, William G. Graham, Mats Ando, and Earl M. Yusa, are setting up the machinery for distribution. It will be necessary to prepare and obtain releases for each payment, said Project Attorney Terry.

DRIVE TOPS GOAL LATE YESTERDAY

The \$2,000 goal set for the War Fund and Community Chest Drive had been exceeded by about \$250 early yesterday evening when tabulation at the central education office indicated \$2,246.72 already turned in. More was expected later last night and today.

The Drive is open until 6 tonight, and anyone who hasn't been contacted may take his contribution to block managers or to the central education office.

Thursday morning, \$755 was taken to Coolidge as Rivers' contribution to the National War Fund. The rest will go into the Community chest fund to be used for youth organizations here.

CO-OP REPORTS 3-MONTH PROFIT

Gila River Co-op Enterprises made a net income of \$29,729.17 for the period between July 1 and September 30, according to the statement of income and expense.

Total sales, profits from service division, and other income totalled \$206,787.91. Total cost of sales and operating expenses amounted to \$177,058.74, leaving \$29,729.17 as net profit for the three month period.

Directors Seek Yuletide Refund

Gila River Co-op Board of Directors yesterday sent a teletype to Washington seeking an agreement by which about \$20,000 refund for the revolving fund certificates may be redeemed in cash to residents here before Christmas, stated Masato W. Kato, secretary of the Co-op.

The Board of Directors' teletype proposes that the Co-op pay approximately \$10,000 toward the WRA loan and redeem in cash to Gila residents about \$20,000 worth of revolving fund certificates.

The teletype states that the Board believes it can safely make a \$30,000 payment since the Co-op's current assets are \$80,000, and adds that it would like to make the payment before Christmas.

EDITORIAL

SERIOUS=SERIOUS

During the winter months, nine other centers will be dependent upon Rivers for supplies of fresh winter vegetables. The farm management announced this week that during December, January, and February, Rivers will be shipping its heaviest allotment of produce to the other centers for the fiscal year.

Meanwhile, the employment division has been scouting through every conceivable means for more workers for every division. It also reports that a loss of more than 100 workers can be expected monthly. The farm, furthermore, reports that additional workers will be needed during harvest season.

A workable solution must be found to lick the problem. The community council, the employment division, and the farm management are looking into it. But at the same time, residents must come to see that the situation is serious, and that some pretty serious measures must be adapted to relieve it.

Commitment For Fair Play

To the Residents of the Rivers Relocation Center:

Since Mr. Nicholson is coming over to you soon, I take this opportunity to send you my greeting as Acting Chairman of the Pasadena Chapter of the Committee on American Principles and Fair Play.

We know that in the newspapers you read many disturbing things which are said and done in California, yet we want you to know that there are a great many people not swayed by these, who still believe in the integrity of loyalty to this country on any racial basis.

Many of you in the Relocation Centers and many who have gone out to other sections of the country have proved your determination to act as useful citizens and aid in the war effort and thus the sooner to end the power of aggressive nations, seeking to dominate all free peoples of the world. We trust you will continue to carry on as loyal citizens of this country.

On our part we shall continue to use our influence to correct unjust public opinion and to influence and educate leaders to carry on in a way which conforms to American principles of justice and fair play.

Many citizens of Pasadena remember you as good citizens of this community and I know would wish to add their greetings to mine.

Mrs. Maynard F. Thayer
Acting Chairman

DOUBLE TROUBLE

The disturbances at Tule Lake brought to fore again the disturbing thought that the evacuees are between two fires.

The ringleaders at Tule Lake have no love for the evacuees who have declared themselves loyal to this nation. When they incited the riots, they were aware that the effect would be detrimental to the relocation program. They have declared that they refuse to produce food for evacuees in the nine relocation centers. Some of them have been identified as agitators who constantly stirred up trouble of one nature or another in the relocation centers before they were rounded up by agents of the FBI for transfer to the Leupp segregation center. Now they have created a situation at Tule Lake which will necessitate tougher management, perhaps, eventual army supervision.

All of this will play right into the hands of California racists who will make no discrimination and condemn all evacuees. And which brings us to the second fire. The racists have consistently ignored the records of loyal nisei as soldiers, of loyal evacuees who are working in American factories and fields to be a part of the nation's huge war effort.

Both fires have been deliberate attempts to hurt the evacuees. Of the two, potentially and actually, this second fire is more dangerous to evacuees, and certainly more dangerous--with their line of propaganda calculated to create racial unrest--to the cause of a united United Nations.

Evacuees can play their own game best--and fight two fires at the same time--by resettlement. They can then make enough unflinching friends in a friendlier America east of the West Coast, who will discredit all the vile mouthings and proposals from the Coast.

STUDENT RELOCATION Council To Be Discontinued

Plans for the eventual liquidation of the National Japanese American Student Relocation Council were announced at a meeting in New York on September 29, according to a release received here.

The organization will continue on a reduced basis for the present, with final discontinuance set for March, 1944.

The Council was originally created to aid in relocating those nisei students whose college education had been interrupted by evacuation. With their enrollment in colleges now on the same level as that before evacuation, Council officials believe that the primary aims of the group have been accomplished.

From Gila, 108 students have relocated on educational leave, while additional students, estimated (continued on Page 4)

7 P.M. INTER CAMP BUS DROPPED

Inter-camp bus leaving at 7 p.m. has been discontinued, according to Henry Sato, ass't motor pool supervisor. Not enough persons utilized it to warrant its use.

The last bus leaving for the day will be at 5:10 p.m. in Butte and 5:30 in Canal.

ARMISTICE DAY PROGRAM

Honoring the dead of the last World War, the Canal, Ex-Servicemen's Club and the Canal CAS will jointly sponsor an Armistice Day celebration on Thursday, Nov. 11, at the Community Stage from 9 a.m.

The program will be a light but reverent one, and consists of a flag ceremony by Troop 65, Senior Explorer Scouts of Canal; patriotic music with a band, and a few solos. To top the day's event, the Canal chapter of the USO will sponsor a gala talent show featuring all of the organizations represented at Rivers. The extravaganza will commence from 7:30 p.m.

RELOCATION ALLOWANCES JUDGED ON FAMILY SIZE

Subsistence allowances for evacuee families relocating hereafter will be calculated on family size and needs, according to word received by Acting Project Director Luther Hoffman.

The new plan provides for the same transportation allowances that have heretofore been allotted

but permits a 5-day subsistence allowance of \$25 for each person making the trip regardless of the number in a family. Under the old procedure, no family was allotted a subsistence allowance of more than \$100.

Relocation assistance grants are based on need; all family members are eligible for subsistence allowances, provided that the cash resources do not exceed \$100 per family member.

Evacuees who wish to apply for relocation assistance grants may receive full particulars from Henry C. Freeland.

Poston Changes Administration

The administration of the Colorado River Relocation Center at Poston, Arizona, will be transferred next January 1, from the Department of the Interior to the War Relocation Authority according to a joint statement by Secretary of Interior Harold L. Ickes and War Relocation Authority Director Dillon S. Myer.

The Poston Center was the first of 10 built by the War Department to house persons of Japanese ancestry evacuated from the military area on the Pacific Coast.

Decision was made to establish the center, which was to be operated by the Indian Service before the WRA was created.

Under the WRA, the Poston center will continue to develop some 2,000 acres of farmland.

Prepsters Stage 'Kampus Kapers'

In order to raise funds to initiate new members to the "Quill and Scroll," International Honorary Society for high school journalists, the Butte high school journal, "Desert Sentinel," will sponsor a collegiate-themed "Kampus Kapers," a stagette social Friday, Nov. 12 at Club 45, beginning at 8 p.m.

Highlighting the dance will be the presentation of the "Queen of Koeds", to be elected by the students Wednesday, Nov. 10, with the final decision rendered by six judges, composed of faculty members and students. There will be entertainment and refreshments. Bids will be sold at 15¢ by members of the staff, students, and at both food canteens.

Rice Straws Available

Anyone desiring rice straws is invited by the Canal Nursery to come and cut them. However, permits must be obtained from Mr. Nakata at the Nursery, and such persons will be allowed to cut their own share in groups of 10-15.

These straws are very useful as they may be made into ropes, slippers, sun shades for the doors and used in various other ways,

Talent Show

Under the Canal Engaibu, there will be a talent show at the community stage tomorrow night, commencing from 7:30 p.m.

government."

Myer declared that there are hundreds at the center who are "seemingly loyal to Japan merely because they are loyal to their families and don't want to split them."

During the course of disturbances, several thousand evacuees isolated some 75 members of the appointed staff for four hours, it was reported. The Chief Medical Officer, Dr. Reece N. Pedicord, was beaten by 15 young residents.

Caucasians Can Study Japanese

Rose Kinura, film librarian for the Canal visual education program, will be in Butte every Monday afternoon from 2-4 to accept suggestions from teachers concerning films which they would like for their class use.

Japanese class for Caucasians, to be held in the hospital library Sunday and Wednesday evenings from 7-9, will commence in the near future. All interested are requested to sign-up with Dr. Monika Kehoe, adult education director, immediately. This is strictly for Caucasians only.

NOTICE

All co-op classes will be postponed indefinitely until further notice, due to the illness of the instructor, Ken Kitasako.

No additional registrants will be taken for pattern drafting, states Michael Endo, ass't. adult education director. All those who have not signed up will have to wait until the next registration date.

BUSSEI PICS READY SUNDAY

Sunday's Butte YBA service will begin at 7:30 p.m., Temple 42, with Alice Ikawa serving as chairman. Following the devotional service, gatha practice will be conducted under Yoshiko Nakamura with Mrs. Jane Imamura at the piano. All members are urged to attend.

Bussei who ordered pictures are asked to bring their money to the service Sunday, as they are ready for distribution. Cost is five cents each.

"CALL FOR YUMIMOTO"

In September, a Mr. Hamaker, County Secretary of the YMCA at Phoenix, while on a visit here in the center, talked to a member of the Yumimoto family who has not heard from his son for about a year and a half.

Mr. Hamaker, who is helping to make contacts, has sent forms to be filled in by the family to John C. Welles of the Canal CAS, and now Welles is anxious to locate the family but no record of such a name is found in the Center Directory.

Any persons having information concerning the Yumimoto family, is requested to contact the Canal Red Cross, Canal CAS office.

CRIMSON TIDES MEET UP WITH SOLON 11

RAJAHS RATED EVEN THIS TIME

The heretofore undefeated Crimson Tides will meet their weighty match on Sunday from nine as they march against a rugged Solon eleven, in their third consecutive week of hectic gridiron battle. Borrowing from the Vik roster, the Solons boast "pounding Paul Ryono" in the back along with the veteran Solon Musers, litho Shig Hayame, rugged "Wahoo" Hirose, and Mas Kurata.

It is predicted that the well-known "Tide Endsweeps" will not be quite so effective as previously with "mauling Muranishi" and "thumpin' Toshiba Oto" on the ends for the rejuvenated "Deltans." With exception of the Convoy "mess-up," the Crimson Tide has met a younger, lighter line facing them but this week, they run up against a brick wall in towering Butch Oto, prepster Harry Waki, heavy "Babe" Yano, and possibly Hiroshi, Oto.

In this touch encounter, the pigskin will be battered around aplenty, with the Tiders coming on the field, 50-50 "chancers".

Using the same line as in previous tussles, they

have one change at the end with "Home man" George Kuge fighting for recognition. "Booter Ishii" still holds down the full spot with the Ichimotos and Furuya completing the back threat.

INTER-CAMP BEGINS TOMORROW 21 BLACK JACKS ALSO IN TILT

Rivers' fall Inter-camp Horsehide League will finally get underway tomorrow with six of the seven teams entered paring off.

A Canal tilt from 2 p. m. will pit player-manager Ray Sagawa's Block 21 Black Jacks--in place of Rough Riders--against Coach Fred Tsuda's G 66's--name derived from Guadalupe-Block 66.

Manager Kanamo Matsuno's Lompoc YMBA and Block 28 will cross bats in the first of a double header at Zenimura Field from 12:45 p.m. Skipper Kay Nobusada's Cards meet White Sox in the second tilt at 3:15.

「わかる所ぢやない。君の女房になる者はもうちやんと定つてゐる。そら、つい此の先に野菜賣りの婆さんが居るぢやらう。あの婆さんの娘が君の奥さんになるのぢや。」
「冗談ぢやありませんよ。馬鹿々々しい。」

老人は起ち上つて野菜市場の方へ行くので、韋固も其の後を追つた。市場へ来て見ると、薄汚い婆さんが、二つばかりの女の子を抱いてゐた。
「あれぢや。」
と老人はその女の子を指した。
「あんなみぐるしい赤ん坊が将来の自分の妻かと思ふと、情ないやら、腹立たしいやらで、韋固は遂に悪い計畫を思ひつゝ、小刀をどぎすまして下男に渡し、

金に目のくれた下男は翌日人込みの中で赤ん坊に斬りつけた。所が手元が狂つてちよつと眉間に傷を負はした。けであつた。
それから十四年の月日は夢のやうに過ぎた。
韋固は親の光りで、相州の軍事に參與するまで、の身分になつた。相州の知事王泰は自分の娘を彼に妻はした。
花のやうな十六七の新妻を得た韋固には幸福な日が続いた。
たゞ不思議な事に、端麗な容貌を具へたこの花嫁は、どんな時にも其の前髪から花鉿を取り去らなかつた。
「なぜお前はそんなに何時でも花鉿を押し

或時、韋固は訊いて見た。
「これですか。」
花嫁は困つたやうな顔をしなから、

今更ながら月下老人の豫言の不思議さに驚いた韋固は、十四年の昔を思ひ出して、沁々と事的一切を告白した。

'Sun' Absolves Loyal Evacuees

Loyal evacuees should not be made to suffer for the rioting by disloyal evacuees at Tule Lake, the Chicago Sun editorially commented on Nov. 6.

Said the Sun in part:

"The Tule Lake segregation center is a camp for Japanese who are obvious and self-confessed enemies of America. It houses only those who, as alien foes, will be returned to Tokyo as soon as possible. A riot by such a group is not surprising.

(continued on page 4)

TULE RIOT STORY YET UNRELEASED

Leland Barrows, assistant director of the WRA, in the first official WRA release on what happened at Tule Lake, teletyped that information was as yet fragmentary, but that a carefully documented statement will be sent to the project as soon as it

WAR FUND, COMMUNITY CHEST DRIVE NETS \$3,200

Last week's War Fund and community chest drive netted well in excess of \$3,200 with a few small pledges still to come in, stated W.C. "Tom" Sawyer, chairman of the drive.

The amount includes the \$755 contribution to the National War Fund. Ralph E. Nollner, state campaign director of the United War Fund Drive, made a personal visit to Rivers from Phoenix Sunday to thank Gilans for the contribution. He said that Rivers was the first community in the state to reach its quota.

The funds are now being held in trust by a committee of five, consisting of one representative each from the community councils, block managers, and Drive Chairman Sawyer.

Block 55 and 64 had the highest per capita donation with an average of 81¢ per contributor. Blocks 10, 16, and 27 led

BENNETT BACK WITH NET FUND

Project Director Leroy Bennett returned from California Saturday with the full camouflage net fund, \$75,166.67 in a bank certified check.

Because of a technical point, Washington's okay is needed before the check can be deposited. In the meantime the trust fund committee is working on individual records and the receipt and release forms that must be issued.

in Canal with 73¢ average for each contributor. The largest block contribution was \$78.52 from Block 27. In Butte, Block 46 led with \$61.50.

The four Rivers' schools carried on a donation campaign and raised approximately \$155 from student donations. In Butte High every student made a donation, led by the 8th grade with 100% the first day, stated "Tom" Sawyer. Canal High School reported a very successful drive, with the 8th grade again taking honors with the best contribution.

boys from Gila who have gone into the armed services, according to W.C. "Tom" Sawyer, supt. of education.

Butte and Canal will have identical programs, with a parade in Butte in addition to the program.

Parade will begin at 10 a. m. from the high school grounds, past the fire station, turn at the post office, and wind up at the amphitheatre. Participants include military escort guard company, high school band, servicemen of World Wars I and II, Boy and Girl Scouts, administrative and resident leaders, and various other organizations.

Hart Becomes Hostel Agent

In order to stimulate interest and to give out pertinent information about the five hostels now in operation in various parts of the country, a twelve-man committee was recently organized by William Huso, employment supervisor.

The hostel committee members are Midori Satomi, Lucille Peddy, Fred Shimizu, William Taylor, George Onoda, Cecil Lancaster, James Tsujimoto, Joe Watkins, Harry Kono, Bertie Karns, Mrs. Takemi Heso-ura, and Mabel Sheldon.

Wilson Hart, assistant placement officer, will act as hostel representative or correspondent for all hostels. All applications or recommendations will be forwarded to him for transmittal to the hostel concerned.

There are now five hostels in operation--two in Chicago, and one in Cleveland, Cincinnati, and Des Moines.

GROWING PAINS OVER

I am frequently struck by the thought that this community of ours has crossed that line from immaturity to maturity insofar as maturity is possible in a community of this nature. We have grown so that we can look back over the year and a half and be amazed at our growing pains.

It is a symptom of a people who are uncertain, insecure, and embittered that they are quick to be critical or sensitive. So we were a year ago. We hounded our leaders with abuse, and the leaders, mostly too sensitive, were loathe to be progressive, lest they be panned some more.

Every move made by the administration was eyed with suspicion. In our irresponsible way, we somehow managed to believe that they, personally, were responsible for our incarceration.

Our greatest handicap was inability to discount rumors. Like the gargantuan rumors whispered throughout the nation in the dark days in December, 1941 and early 1942, the off-the-record stuff here was quite the fashion.

We have learned in the year and a half of our growth that building uncertainties upon uncertainties does not pay: that we ought to give good things a chance to grow before we give up hope.

A Councilman wrote that "criticism is the price we pay for leadership." So it is. But the calm acceptance of it is a sign that leaders no longer are as hyper-sensitive as they had been. But a more authentic display of our growth is the community's less critical (in the destructive sense) approach to any new problem or development. The community, in short, has now a feeling that it is not a diverse group, but a homogeneous one. This spirit is apparent even in resettlers who write back of fellow Riverites and of home, which to them is Rivers now.

The important result is that with the growth of harmony and unity a greater use of human resources is possible.

KINO

Fragrance Of World Beyond

Chicago, Ill.

Dear _____:

...It seems like more and more Riverites are coming out to Chicago, or if they are going to vicinities in the East, they usually stop over at Chicago. Grace Nakagawa and Dolores Yamasaki I hear are at the Lutheran hospital and I hear that four girls from our block have recently relocated here. Since there are so many friends out here--there is never a dull moment. It certainly is wonderful to see these people come out.

You know, I don't think over 3/4 of the relocated people have traveled more than 400 miles from their homes. 98% of the people never did step out of the state of California (I know the figure is a little exaggerated, but it puts across a point) until evacuation. Many of these boys and girls who have relocated have never been separated from their mothers and papas until evacuation.

Evacuation did bring grief and despair to many, but to many more, it opened up new fields of opportunities. One of these opportunities was, of course, the means by which we could break out of the ring of steel, which seemed to limit our environment and a chance to breathe, touch, and smell the fragrance of the world beyond.

Yes, opportunities are plentiful out here--but it takes more than sweat and toil to make these opportunities bear fruit.--It takes patience, courage, and an expectancy that the world beyond the M.P. post is not going to be easy--Meals are not going to be served as in camp--work and wages will be entirely different; competition for advancement great, and there's going to be the task of making new friends; assimilating into the community, etc.

All this is part of life--but there are some

SOCIAL SERVICE IN CHARGE OF ALL HOUSING MOVEMENT

All housing movements are frozen except for emergencies authorized at the social service office, stated William Tuttle, head of the social service department.

A new system of movement is established whereby a person who wants to move must come to the social service office. He will be interviewed by a case worker and rejected or approved. If approved, his case will be taken to the social service head for final approval.

Block managers do not handle any housing moves.

MILK RATION NOW REDUCED

Milk supply on the project has been reduced to one half pint a day per person by an order from the WRA Washington office in accordance to a recent OPA ruling, states H. E. Keadle, project steward. Even if the center produces its own milk, this quota is not to be exceeded.

Previous to this order, Rivers received 650 gallons of milk from the outside in addition to 155 gallons produced on the project, while now, 475 gallons is shipped in. Supply from the project farm remains the same.

Fresh milk is provided only to infants, nursing mothers, pregnant women, and other persons who, by medical direction, require a special diet.

RAFFLE HIGHLIGHT OF CANAL FESTIVAL

To highlight the Canal Fall Harvest Festival, the Canal CAS is sponsoring a raffle. It was announced that net proceeds of the raffle are to go to the Drama Club and for music. Ducats are being sold by the members of the organization and CAS staff. There will be 15 prizes, and \$60 to \$70 are being spent for the awards to the lucky winners. The raffle will come to a grand climax, on Sunday at the community stage.

No Open Fires Permissible

No open fires are permissible within the camps at any time, and bonfires for football rallies, etc., require a permit from the fire department.

Administration instructions prohibit open fires within the project area proper.

Last year, there was some excuse for open fires as many barracks were without heating facilities, but at present, all occupants have stoves. Therefore there is no necessity for burning open fires around barracks.

E.D. Mauser,
Fire Chief.

Hospital Expects Two Additions

Mathilda Harwich, medical technician from Los Angeles, will arrive on about the 15th of this month to head the hospital laboratory, announced Dr. Joseph McSparren, chief medical officer.

Also scheduled to arrive the latter part of November is Lesil Fowler from Baltimore, Maryland. Miss Fowler will work on the nursing staff.

REVISED BUS SCHEDULE RELEASED BY HANNA

New bus schedule, now in effect, was released by C.M. Hanna, transportation head, as follows:

Hospital pick-up (patients only)-daily to hospital: 9 a.m., return to block, 11 a.m.

Butte to Canal-daily except Sunday: 7:45 a.m., 8:15 a.m., 10 a.m., 1 p.m., 2 p.m., 3 p.m., 4 p.m., and 5:15 p.m. Saturday afternoon: 12 noon, 1 p.m., 3 p.m., and 5:15 p.m. Sunday bus: 9 a.m., 11 a.m., 1 p.m., 3 p.m., and 5 p.m.

Canal to Butte-daily except Sunday: 7:45 a.m., 8:15 a.m., 10:30 a.m.,

PHALANX:

Plan Initiation Program Sunday

The Phalanx of both Butte and Canal will be installed into the National Phalanx group, Sunday, Nov. 14 by the Phoenix Phalanx chapter. About thirty "Y" leaders from Phoenix are expected for the event.

An extensive program is being planned for the day, including a basketball game against the Phoenix chapter, said Ken Dyo, chairman of the program.

The Phalanx is a YMCA organization for young men between 18 and 25. Kengo Osumi is the president of the Canal group and Yosh Nakamura of Butte.

Kay Nobusada and Ken Dyo are "Y" coordinators of Canal and Butte respectively.

Lawson To Talk To Butte Mothers

Dr. Grace Lawson, Butte hospital dietician, will speak on children's food and feeding problems to mothers of the Block 41 Nursery School, groups one and two, 2:30 tomorrow afternoon at 41-11-D, stated Marian Walker, nursery supervisor.

All mothers of children two and three years old, living south of the Canal road, are invited.

Dr. Lawson will address the Block 74 nursery school mothers on Friday.

1:30 p.m., 2:30 p.m., 3:30 p.m., 4:30 p.m., and 5:30 p.m. Saturday afternoon: 1:30 p.m., 3:30 p.m., 5:10 p.m. Sunday bus: 9:30 a.m., 11:30 a.m., 1:30 a.m., 3:30 p.m. and 5:30 p.m.

Casa Grande supply trucks, daily except Sunday: 8:15 a.m.

Sacaton: When notified, passengers arriving on the 7:30 p.m. bus will be picked up. Any other bus will not be met at night.

Phoenix: Tuesdays and Thursdays only, 9 a.m.

From Phoenix, Greyhound station, 2:30 p.m.

Loyal Should Not Be Blamed

(continued from Page 1)

"It would be a mistake, therefore, to make thousands of other Japanese Americans, whose loyalty has been certified by the Federal Bureau of Investigation, suffer for the Tule Lake incident. The trouble-making of avowed enemies should not interrupt the process of releasing individual non-American citizens of Japanese ancestry—whose trustworthiness has been reliably determined."

Thanks To Volunteers

Dear Friends:

I am writing you this note to extend the appreciation of the school children and teachers to the men who worked as volunteers on Saturday and Sunday, Nov. 6 and 7.

They laid linoleum in 29 classrooms.

We are especially thankful to the block managers for their fine spirit.

Sincerely yours,
Roe H. Strickland

HOSTEL SYSTEM PROVIDES INTERVIEWS WITH EMPLOYERS

(continued from Page 1)

The chief advantage of the hostel plan is the fine service provided by the hostel director whereby the relocater has an opportunity to survey the employment situation personally, and to interview prospective employers on the spot, said Huse.

The counselling afforded by the hostel personnel is of a high calibre, he continued. The hostel relieves the relocater of much of the worry and expense which would normally result from landing in a strange and crowded city.

CAS To Sell Tennis Rackets

Frank Totsubo, adult activities chairman of the Canal CAS, announced that they have tennis rackets for sale at the CAS office. The prices range, from \$3.50 to \$10.00. These professional quality rackets are \$8.00. The unstrung run up to \$13, for the cost of restringing, and materials. The supply is limited, so the sales will be made in accordance with requests.

Day's Program Tentatively Set

(continued from Page 1)
of the day will be Harvey Taylor, chairman of the Roosevelt Council, B.S.A., of Phoenix.

The complete tentative program is as follows:

Patriotic airs by the high school band, salute to the flag, lead by Boy Scouts, memorial tribute by W.C. "Tom" Sawyer, military salute by the 375th Escort Guard Co., Armistice address by Harvey Taylor, Roll of Honor of servicemen from the Gila River project, and soldiers' monument groundbreaking by Shinpei Tanaka president of Servicemen's Relative's Association. Program in Canal will begin at 9 a.m. at the community stage.

Many outsiders have been invited from nearby towns, adds Sawyer.

CANAL ANNUAL STAFF NETS \$434.65 IN OCT.

The net income of \$434.65 was collected by the Canal High School Publications Staff from the carnival held last month.

Principal McVey expressed his belief that the carnival income, coupled with the sales from the student body, would carry over the cost of the annual. He also stated that in

preparation for the coming Canal Harvest Festival, the new building west of the community stage was being hurried to enable an exhibit to be held there simultaneously with the open house.

N.E. VILES HERE ON BUSINESS

RELOCATION FILMS

Relocation films, "Pig Project for Profit," and "Crystallized Sunshine from the Sunshine State" will be shown in Butte tomorrow and in Canal Saturday, Nov. 13.

LETTER TEENAGERS HARDEST HIT

(continued from page 2) people out here who have failed to make a go of it. Of course, the fault lies with them, but I believe they could have been conditioned before they left camp. I think in camp, everyone painted a picture too rosy as to the advantages and prospects of relocation. I believe the people should have been reminded that since they had been in camp for over a year, their readjustment to the new environments won't be a cinch. I believe the ones discouraged out here are those people who have just graduated or those people in their "teens." It is these people who need the greatest help, to prepare and to remind them that life out will not be a bed of roses. The older boys are trying to help out the young ones by suggestions which we think would lift up their spirit, and so far, we have succeeded in forestalling the thought of returning to camp.

CANAL MUSIC HOUR TONIGHT

The romantic life of the "Islands" will be portrayed in music tonight at 13-7-D as the Canal CAS features records from old Hawaii in its second music hour of the season from eight. The public is cordially invited to attend.

HUSKIES, CUBS IN OPENING GAME VICTORIES

Huskies' super-charged model T formation proved too much for Gorll's as the charges of Coaches Mas Sakai and Ken Amano rolled to an impressive 38-0 victory in the opening of Butte junior boys' Northwestern Grid League last Sunday morning.

Cubs of Mentors Blackie Ishimoto and Ken Sakanashi also were victorious -- squeezing out a close 8-6 win over Hellcats.

Huskies piled up a 18-0 lead in the first half. All in all, the winners crossed into pay dirt six times--lefthalf Ben Hamamoto thrice, leftend Yosh Hirota twice and fullback Bob Yoshimoto once. Hirota and Yoshimoto each added a conversion point apiece also.

The winners all told, marked off eight first downs against the losers' two.

Although outdoing their opponents in first downs 8 to 1, Cubs' two points from a safety in the first period proved to be the margin of victory over Hellcats. Both sides crossed the goal line once.

Winners' quarterback Tets Hasegawa's pass to end Frank Tanaka for six points climaxed a 60-yard march in eight plays in the fourth quarter.

Hellcat lefthalf Bill Mori's pay-off pass to end Chug Saito netted 50 yard in the second period.

RIDERS, NOW NAMED ROBIN HOODS TAKE INTER-CAMP WIN BY 11-10

Taking the Sports spotlight of the week the new-Sunday Golf Tourney Results

Rita Wakiji was awarded first place in the Butte CAS Golf Tournament of last Sunday with net 59, handicap 22.

Second and third were Masami Otsubo-net 59, handicap 12 and Akira Shima-net 61, handicap 20.

Ed Kata's gross 70 won the previous tourney so he did not enter.

The next meet is expected to be the Thanksgiving Special Tournament, Nov. 28.

ARTISTIC, STATISTICAL SUCCESS: WOLVERINES TAKE GRID TRIUMPH

Two distance passes from the pitching arm of quarterback Poke Shimizu to the arms of leftend Kameo Watanabe for two touchdowns featured Wolverines' 14-0 triumph over Black Hawks in Butte junior boys' Southwestern Division Pigskin League opening last Saturday morning.

Righthalf Joe Arai tackled leftguard Jiro Ino for a safety and the other two points.

In the other game of the opening, Ramblers and

RAJAHS BATTLE SOLONS TO 0-0 PIGSKIN DRAW

True to NEWS-COURIER predictions, the Solon-Crimson Tide grid battle ram off into a 0-0 draw. In a particularly dead encounter, scoring threats became a fanatic's dream, as both the teams fought it out at the mid-field stripe.

By the conclusion of fracas, it seemed as if all the grudges of Hades had been vengefully turned loose as the Tidors faced a Solon aggregation that was composed of numerous husky Convoy gridiron aspirants.

The rugged Rajahs and the none too weak livered Convoy have been seeking each other out after their initial encounter, and the "Truckers" are predicted as being able to give the CT's a fight if and when the two are matched again.

ly organized Robin Hoods of Canal made their debut in the Inter-Camp Fall session by knocking over the initial barrier to the pennant, barely breezing over one of the strongest contenders for the crown, G-66's in a "ding-dong" battler of 11-10.

Hopping into an expected early lead, the favored G-66's arrowed through the Robin Hood nine for a 5-1 count in the fourth canto of the fray.

Coming to bat, vengeful and determined, the Hoods sneaked up and gained a little of their self prestige.

Don Babes battled to a 6-6 draw in the afternoon tussle.

Ram righthalf Shig Kaida and opponents' fullback Shig Kawata had the pleasure of crossing the goal line once apiece.

BLOCK 28, CARDS TAKE INTER-CAMP TILT IN BUTTE

Block 28 and Cards annexed wins in Butte games of River's Inter-Camp Horsehide League's opening doubleheader last Sunday afternoon.

Block 28 pushed across a commanding four-run lead in the initial frame and thereon coasted to a easy 15-8 win over Block 65 in the first tilt.

Kenshi Zenimura's four binglos topped the winners' 13-hit assault.

Block 65 which was originally scheduled to bye took the place of Lompoc which at the last moment decided to withdraw because some of the players are playing football.

Rough Riders who changed their name to Robin Hoods decided at the last moment to play in Canal. Block 21 will not enter.

Cards copped a 4-3 triumph over White Soxs in a abbreviated eight-inning night cap.

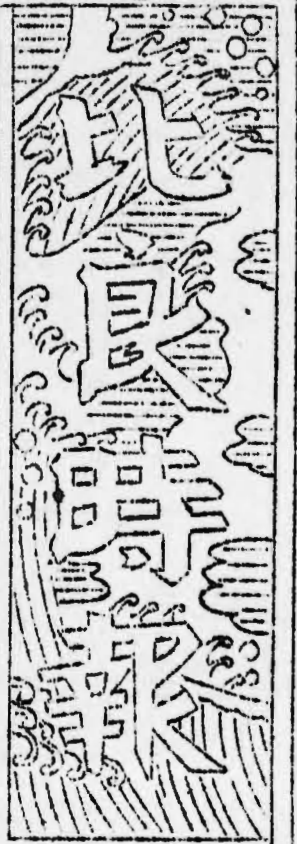

Tommy Egusa was credited with the win--scattering 9 safeties.

A set of doubles and one-basers apiece by Ben Tanizawa and losing tosser Buchi Yamaguchi paced the respective display of hitting.

俳句に就いて (一)

俳句は十七字の詩であるといふことは解りきつた事のやうであるが私は此処に改めて俳句は十七字の詩であるといふことを第一にはつきり言つて置く。

和歌は千數百年の歴史を持つ短い詩である。此の和歌から連歌が起り、連歌から俳諧となり、俳諧から俳句が生まれ、俳句が生まれて来た。

此の変遷は少くとも百年二百年の年月を経て成つたものであるが、畢竟俳句は和歌の上の句が独立して出来たものである。

随つて和歌では五七五七七の調であるが、俳句は五七五の調である。此の和歌の五七五七七といふ調子は、或感ぜを縷々として述べるに適して居る。例へば

あまの原ふりさけ見れば春日なる三笠の山に出でし月かも
といふ歌の如きはたゞ月に對し海原遠く離れた故山を偲ぶものであるが、斯く三十一字になつて見ると、如何にも遣るせない情緒が綿々として出て居るやうな感じがする。

是は五七五七七の調子が自然に縷々として其の感じを述べるに適して居るからである。

\$75,166.67 NET FUND CHECK APPROVED BY WASHINGTON CONSOLIDATION BEING PLANNED

The net fund certified check for \$75,166.67 was okayed by a Washington teletype to Project Director Bennett this morning and will be distributed as soon as the receipt and release forms can be made and distributed.

Those who worked during the operation of the net factory are eligible to receive their share, declared W. G. Graham, finance officer. Those eligible have already been determined, Graham said, and only the forms for receipt and release are yet to be made. Those are being worked out by the net fund trustees.

\$20,000 of the amount will be withheld for taxes and expenses, Graham said.

CO-OP OPENS NEW STORE

A joint committee representing the appointed staff members and the Gila River Co-op met Tuesday night and approved the establishment of a new Co-op store to accommodate the needs of the appointed staff.

The Co-op committee presented a resolution drawn up by the Board of Directors and approved by the Congress of Delegates, stipulating the following four conditions:

1. That the store be situated at a location far enough away from the evacuee residential areas so that children would not be tempted with rationed goods.

2. That the store deal only in essential commodities and with the exception of rationed goods, all "scarce goods" that cannot be supplied to Japanese residents should not be carried or sold.

(continued on page 2)

Division Formed For Relocation

To separate activities of relocation and personnel management (employment) at the projects, the work of all project employment divisions has been divided between the newly-established relocation division and the administrative management division, Duncan Mills, WRA personnel officer revealed today.

Under the revised plan, the relocation division will be responsible for all programs and plans for relocation. A new section of the administrative management division, to be known as the personnel management section, will have full charge of personnel, including both evacuee and appointive personnel employment. In addition, this section will supervise the training of evacuees, testing of skills, and development of labor relation programs.

Mills arrived on the project yesterday to confer with Project Director L. H. Bennett in working the details of the program as it applies here.

Hoffman Tours Other Centers

Deputy Project Director Luther Hoffman, who has been detailed to the Washington staff of the Relocation Division, left Rivers yesterday morning for Poston, Manzanar, Topaz, and other centers.

He has been assigned to discuss relocation problems at each relocation center and to assist in the selection of personnel for the relocation division of each project.

Hoffman expects to be gone for about two months.

BY COUNCILS

Community Councils of both camps, through their committees on labor and mess operations, are working on the problem of consolidation necessitated by the recent reduction in population of more than 2,000 and by continuing reduction by relocation.

According to the committees, the three possibilities of solving the problem are consolidating blocks, consolidating the mess halls, or reducing mess workers in each mess hall. When a decision is reached, the committees will make a recommendation to the Project Director.

According to the present quarter's budget from Washington, the mess operations is due for some adjustment. The Butte and Canal Councils' committees are working on a suitable adjustment, said Butte chairman Harry Miyako.

The budget from Washington is slow in coming every quarter, and the Council committees are requesting the WRA to submit the budget early enough so that spending can be adjusted.

The present quarter's budget, for example, came after half the quarter was over, making the budget adjustment for the remainder of the quarter very difficult.

Baker Expected Here Today

Project Director L.H. Bennett announced this morning that John C. Baker, WRA Reports Officer, is expected on the project today.

Baker is detailed to assist in working out the relocation problems of the projects, Bennett said.

EDITORIAL

LEARNING FROM PAST

THE WORLD was utterly unprepared for the Armistice of 1918. The realization that war was at an end brought a sudden relief, a surge of pent-up emotions that strewed the streets of American cities with confetti, that filled the streets with a people who throw inhibition to the winds. Peace had returned and America would have gaiety, would grow, would outstrip the world again in peacetime rivalry, could return to its traditional isolation again now that it had cleaned up the mess.

So America spurned the League of Nations; built up its tariff walls; stayed aloof from the unceasing complications of European affairs; permitted the conquest of Manchuria and Ethiopia; made of Hitler, a comic character. America was sick of war, of the ancient feuds: never again would it dirty its fingers.

In Europe, France and England paid lip service to Wilson's ideals and built a League of Nations that would maintain the status quo and be their tool. They followed the age-old pattern of retribution after war; they shuffled the borders of European nations to suit their purposes. And their destructive philosophy bore fruit in Sept., 1939. And America's price for isolation was a Pearl Harbor.

Today, on the second Armistice after December, 1941, another armistice with allied nations again victorious, is assured.

But today, we know that the jubilation which will follow an Armistice will be tempered with a greater sense of responsibility.

The Senate of the United States last month passed a resolution which committed it to international collaboration, a reversal of its stand after the last war. In Moscow last week, agreement to agree on post war international problems was signed by representatives of the U.S., England, Russia, and China. They agreed, among other things, that an international body of all peace-loving states, and open to all such states, for the maintenance of world peace and security, will be established at the earliest practicable date.

The success of the world venture will hinge on how well the peoples of the world can tear asunder old notions and prejudices and look towards the future with new ideas.

Today, as the community observed another Armistice Day, we know that commitments had been made to the mothers and fathers, to the relatives, to wives of fighting men and of men who have died. We know that the world would at least be better prepared to make the peace, when another armistice rolls around again.

Letter Urges
Race Tolerance

Excerpts from a letter to the Post Intelligencer (Seattle, Washington).

Speaking of recently evacuated Japanese--No other race in our city has a higher record in industry, sobriety, freedom from crime, loyalty to American ideals, ways and institutions.

But these are the very people some of my more or less white fellow citizens are trying to persuade me are essentially base, inferior, inhuman rats, belonging to a criminal race to be exterminated.

Let us leave this exterminating race mania to the race-hating Fascists; otherwise while fighting Fascism abroad we shall be fostering it at home.

Art D. Weage, Seattle.

CONDITIONS FOR
STORE LISTED

(continued from page 1)

3. That the WRA should furnish space and equipment necessary to the establishment and operation of the store.

4. That a committee of seven, composed of four members appointed by the Board of Director and three from the staff personnel, act in an advisory capacity as to the management of the store.

Due to transportation difficulties and other handicaps, the appointed staff members needed a method of getting food, including rationed goods, and had favored having the Co-op establish a store for that purpose.

The Co-op felt that such a plan would be feasible and was "desirous of following the basic cooperative principles of open memberships with no racial distinctions," the resolution stated.

PERMIT NECESSARY

Anyone desiring to use any mass or rec. hall for dance purposes must obtain a permit from the fire dept. in order that all exits and decorations may be inspected, stated E. D. Mauser, fire chief.

Leaflets Discuss Nisei Relocation

The relocation of Japanese Americans has been made the subject of a new loan packet to be distributed by the U.S. Office of Education, according to information received recently from the Washington office. This group of pamphlets and other reading matter on various phases of relocation has been compiled from material supplied by WRA, and will be distributed by the Information Exchange of the Office of Education to libraries, teachers, welfare agencies, and civic organizations.

More than 30 items have been assembled in the series, including general information on evacuation and relocation and special articles on summer school programs, student relocation, library services, and adult education. It is expected that the series will be a valuable source of information for educators and others interested in the WRA program.

Superintendents of Education at center schools may borrow this packet by writing the Information Exchange, U.S. Office of Education, Washington, D.C. Specific request should be made for Packet VI-G-I, Japanese American Relocation.

FOURTEEN VIE FOR 'CANAL HARVEST QUEEN' TITLE

With a bevy of beautifully shy smiles and subtle "no's", former Central Californians virtually monopolized the polls for Canal's Harvest Festival Queen, Tuesday, as 11 out of 14 candidates appeared from the valley region on the ballot through popularity nomination for competitive supremacy.

With the average height of 5' 2", the candidates tipped the scales for an average of 110 lbs. in the most beautiful "bulk of femininity" ever displayed at Rivers. Of the 14, a queen to reign over the festival will be selected along with 4 attendants on the 18th, with her royal highness to be revealed at the Coronation Ball on Nov. 24.

The queen and her attendants will receive gowns made by the Women's Club and purchased by CAS. To the Harvest Queen will go a loving cup, and to the attendants, gifts.

The polls officially opened at respective block manager offices yesterday morning, and residents may vote until 5 p.m., Nov. 16.

LEAVES RATE SLOWS DOWN

Through the past several months, the rate of leaves issued to Rivers residents has slowly declined, disclosed William Huso, employment supervisor.

This slowing can be attributed to the fact that the initial stage of relocation, the resettlement of single and unattached residents, is over. "We are now giving chief thought to the family group," said Huso.

During the second quarter, from April to June, Rivers averaged 71 leaves per week. From July to September, the average dropped to 61 leaves per week. For the month of October, the average dropped still lower, to 50 a week.

STORAGE

Church Goods To Be Moved

Evacuees having property stored at the Delano Japanese school or at the Koyasan Buddhist Temple, 342 East First Street in Los Angeles, should contact the evacuee property office immediately. Property stored there will be moved to a government warehouse, and owners must sign appropriate forms.

Evacuees who had property stored at the Los Angeles Nichiren Temple or at the Maryknoll School must also contact the evacuee property office. The property has been moved to a government warehouse, but the identification is incomplete. The government wants to find the owner for each article.

Evacuee property office in Futte is at 69-7 and in Canal at the administration building.

First Frost In Rivers Sunday

Rivers experienced its first frost of the season Sunday night, said Carl Quast, farm superintendent.

The frost did not do any particular damage to the crops since it was only a light one. However, it did knock the leaves off the sweet potatoes but that was more beneficiary than harmful, he said.

Although Rivers has had only one light frost so far, the Phoenix area has already had three.

The cutting of manko maize for insilage has started. The farm expects to put up 400 tons of insilage as feed for the project dairy cattle, said Quast.

SOUTHWESTERN: RAMS BUCK STRONG FOES IN WOLVERINES

Wolverines leading Butte junior boys' Southwestern division grid circuit at the end of the first week of play, runs up against Ramblers Saturday afternoon with the opening kick-off slated for 1:30 at CAS Field 50.

Once-tied Don Babes and Blacks Hawks tangle in the four-team leagues's morning tussle from 9 o'clock.

The other Northwestern division will play their two games Sunday.

In review of important regulation of both leagues, one is that whenever managers want a meeting for a definite purpose, the CAS must be notified. Another is that no players are to play for any other non-league teams. The penalty is that the whole team may be banished from the league.

LEFTY HIGUCHI K'S 18 AS SHELBY NINE TRIUMPHS

DENSON, Ark.--While Matsuo (Lefty) Higuchi was wiffing 18 prospective hitters, the Camp Shelby Champion 442nd Infantry nine gained revenge of previous losses by spanking the Denson All-Stars 5-2 last week, according to the Tribune.

The Denson High squad has arranged a game with the nearby Monroe Industrial School eleven.

Canal Block 65-Robin Hoods
SATURDAY, DECEMBER 4

Butte Block 28 vs. G 66's
SATURDAY, DECEMBER 5

Butte Blk.65 vs. White Soxs
Canal Cards vs. Robin Hoods

All Butte games of the schedule will be at Zenimura Field and Canal games at Field 16. All games have tentatively been set for the afternoon; if it is only one game scheduled for that field, it will begin at about 2 p.m. and if a doubleheader, from about 12:45 p.m. and 3:15 p.m. The schedule is subject to change.

(*First Game)

STAGES RALLY IN 9TH 8-6

TULE LAKE--A Gila All-Star nine named "Gila Monsters", behind the combined pitching of Junius Sakuma, Yoshi Shimada and Lefty Nishimura, staged a ninth-inning splurge to cook out a 8-6 victory over a hillman ball club, Tule champions last week.

Among the ex-Gilans seeing action were Stop Tomooka, lb; Koi Nishino, 2b; Joe Shimada, 3b; Masao Iriyama, ss; Koizo Komura, c; and outfielders Massy Tomooka, Jim Marakami and Hunter Doi.

NISEI GRIDDERS ON UNDEFEATED DRAKE ELEVEN

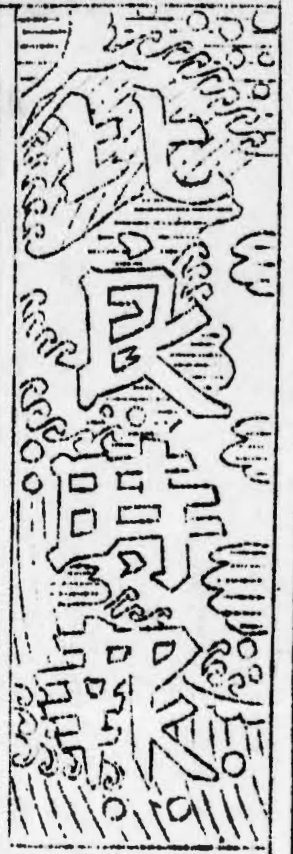

George Kita, former Fresno State Collogo gridder and Koi Ito, who starred in a Portland, Oregon high school league, broke into the undefeated Drake University eleven's lineup as backfield men recently, when Drake defeated the hitherto unbeaten William Varwell Collogo 29-19, according to the Pacific Citizen.

Amache Hi In Armistice Classic

AMACHE, Colo.--The Amache Center High eleven was scheduled a Armistice Day game with the nearby Holly High squad this week, according to the Granada Pioneer.

EQUIPMENT

The return of all loaned athletic equipment to the Butte CAS has been requested by Monday, Nov. 15.

合併問題

當所の人口は隔離所行の外に再転住丈けて二千人以上減少し尚引続き減退の一路を辿りつつある現状に鑑み西市の参事委員会は合併問題に關して熟議中である。

労働ス委員会に依れば此問題の解決には次の如く三つの案がある

- 一 區の合併
- 二 食堂の合併
- 三 各食堂従業員の減少

以上の三案中の一つを採擇して所長に答申する筈である。

食堂部に対し明確なる豫算の指令

がいつも華府より運來して通譯せられるので食堂部では如何に分配してよいかさうは見え當がつかないので困つて居る。

其一例を挙げるなら現在メス部の豫算明細書が会計年度が半分も過ぎてから漸く來た様な次第である。

俳句に就いて (二)

所が俳句になると、古池や蛙飛びこむ水の音といふやうに和歌では下の句として缺くことの出来ない七七の文字が省かれて、單に五七五といふ調子であるから、大いに面目を改めてぼくくした調子になつて来る。

以上述べたやうに、俳句も和歌の上の句だけを取つたものであるから、やはり和歌のやうな調子のものでありさうに思へるが、實際は大變違つて、全く別種のものとなつてゐる。

此の五七五といふ調子は、どんな調子のものであるかといふと、五七五の三つが一寸離れくになつて居るやうな感じがある。

和歌の方は、七七といふ文字が其の後にあるが、爲に全体の調子が伸びやかになつて、澄然として一つに溶合して居るのであるが、其の七七の文字が無くなつて、單に五七五だけになると、其の五と七と五とが各々独立して別々のものとなつて行かうとする傾向がある。これが和歌と俳句との大變な相違とするのである。

即ち此の古池の句にしても、先づ「古池や」といふ五字で、讀者に古池の景色を想像させ次に「蛙飛びこむ水の音」といふ十ニ字で、蛙の飛込む水音がするぞと、第二段の想像をさせるといふ順序になつて来る。

換言すれば、古池の句の場合、初の五字だけが

独立してゐて、あとの七と五とは連つて居るのである。

奈良七重七堂伽藍八重櫻

TULE LAKE

Quiet Under Army Control

Tule Lake has been quiet during the past week with the army in control, stated R. R. Best, project director of the segregation center, in the first official message from Tule.

The WRA staff is still carrying on routine administrative functions under the direction of army officials who assumed charge of the center Nov. 4. A number of the gang of 300 to 400 young Japanese men armed with sticks and clubs who moved into the administration area on the night of Nov. 4 were seized. None received gunshot wounds. Best indicated that the army and WRA are taking necessary steps to round up others in the gang of troublemakers which has been causing discord in the center since October.

The administrative area is now completely cut off by a high fence from the Japanese colony. Since the army moved in, no evacuee workers have returned to the administrative of-

RATION: Book Issuance Discontinued

Those who relocate will not be given ration books in Rivers, but may apply for them when they reach their destinations, announced Henry Freeland, leave officer.

Relocators will receive signed statements that they have not received ration books #3 and #4 before. The statements should be shown when they go to their local ration board for their books.

Heretofore, all ration books for relocators were received from the Coolidge ration board.

MESS SUPERVISORS ACCEPT REDUCTION OF WORKERS

Mess hall supervisors of Butte camp yesterday accepted the community council's recommendation to reduce mess crews instead of consolidating blocks or mess halls.

Council committees on labor and mess operations, composed of George Takemoto, Sadao Yamaguchi, Motojiro Iwata, and Mototsugu Shimasaki, worked out the council's recommendation.

Butte community council appreciates the attitude taken by the supervisors, said Chairman Harry Miyake. The labor adjustment is necessary because of the reduction in population through segregation and relocation.

'Tofu' Manufacture In Rivers Soon

Equipment for the manufacture of tofu at Rivers has been purchased in California and should arrive within the next week, stated Project Director Leroy H. Bennett.

Bennett arranged for the purchase of the equipment during his recent trip to California. The machinery has been found to be satisfactory, and it is being crated and shipped to the center.

Soy beans from which tofu is made are already on hand, said Bennett. When equipment comes and the plant is set up, manufacturing will begin.

Mats Ando, Canal Council chairman, stated that in Canal also, mess workers probably will be cut in proportion to the population in the respective blocks.

Nisei Recalls Kiska Landing

The Japanese invasion force in Kiska left behind tons and tons of food when they evacuated the island but left no Japanese soldier dead or alive, said Staff Sergeant Hiroshi Kanagaki who was in one of the first waves of the American landing forces on the island. There was one grave; however, it was that of an American pilot shot down on the island by the Japanese, he said.

The epitaph on the grave read: "Here lies a brave air hero who gave youth and happiness for his motherland," and was signed "Nippon Army."

Sergeant Kanagaki is now here in Rivers on a thirty-day furlough from Camp Savage visiting his parents in Block 57.

Kiska and what happened there this summer is now past history, but when Kanagaki first set foot on the island, he didn't know what to expect. As it

editorial:

MONEY NOT ENOUGH

Last week the community dug deep into its pocket and pulled about \$3,500 out of a meager store of cash. In doing so, it gave encouragement and responsibility to the youths of the community. About \$2,700 of the total is in the hands of trustees who will distribute it to organizations affiliated with churches, the Boy Scouts, the Girl Scouts, and for nursing education.

The responsibility of the community does not end now that they have given material support. The donations actually increase responsibility. Every moral, spiritual, and leadership encouragement must be given the youth who are passing through a time that will prove to have been a peculiarly abnormal one. The mature people of the center must exert their best minds and give of their time freely that the youth's more pliable minds can grow without serious handicaps.

And the youth themselves?

There is talk of lack of activities among them. They say it's the scarcity of good leaders--that all the best ones have gone out. The leaders that came to the center have, by and large, resettled, yes. But a good leader is not born. He is developed. Any individual who is sufficiently aware of his responsibilities to fellow men can and will develop it.

The other night when a leadership training meeting was held, the turn-out of young leaders did not approach ten. A total lack of representation from the YWCA, the Girl Reserves and the Boy Scouts was reported. Not a good record.

The community must encourage and guide the young to develop themselves. The young, on the other hand, owe it to the community, to fulfill their responsibility toward it.

DOUBLE SHOT AT AXIS

One of the most telling blows against reaction in Arizona was struck this week by Hugo Wolter, community management head, when he spoke before the Tucson Rotary and Optimist clubs on the problems of the center, segregation, and resettlement Wednesday.

He declared: "We are trying to do a job as ordered by you through the Congress, Senate and the President. It is our part in winning the war. Every loyal Japanese American relocated is double shot at the Axis---it nullifies the foundation of their racial propaganda and at the same time adds a productive worker to our labor forces."

"OPERATOR? ON OPERATOR... HURRY!
NELSON'S GOT APPENDICITIS, AND I THINK
YOU'LL HAVE TO OPERATE ON HIM QUICK."

LEGION

'Aims Fascist Principles'

In a series of editorials in August, the "Daily Californian", University of California daily, issued a call for citizens "to speak up in protest against the Fascist principles the American Legion is airing in the name of Americanism".

As a result of the editorials, the editors received a volume of letters (only one of which was in protest) from which they came up with the following conclusions:

"They show, as we believe, that by no means, all the members or ex-members of the American Legion agree with the obstructionist views of the Legion's leaders.

"They show that the men who are fighting and will fight this war do not want to be spoken for by men like those of the Legion representing World War I's veterans.

"They show that the Legion has been quite immune to attack from the press because of the Legion's expansive control over monied interests."

Wrote a soldier:

"In spite of the fact that the American Legion is composed of all of America's fighting men, it is doubtful that more than a pitiful handful control its policies. To say that the views of its national commander represent the views of the majority of the Legionnaires would be an admission of the Fascist leanings of our veterans. This we do not believe to be true.

"We, who will comprise the new body of the American Legion, will join this organization only if radical changes as to policy and administration are forthcoming. Who are the present leaders of the Legion? Are they not making another attempt at "America First-ism"?

"Above all, we defend the right of anyone to criticize the policies of any organization, even the American Legion, without being damned as "un-American."

Shoe Stamp Rule Changed

In accordance with a new amendment to the shoe regulations, the special shoe stamps issued in Rivers will be valid for the same period of time as War Ration Stamp "airplane stamp #1," announced Henry Freeland, leave officer. The airplane stamp became valid Nov. 1, but the date of expiration is still pending.

The airplane stamp is so called because of the design used to represent the shoe stamp.

As soon as the expiration date becomes known, the NEWS-COURIER will print it.

Formerly, the shoe stamps issued here were valid only for a month.

Music Treats For Butte, Canal

Starting off on a hep-cat's foot with Count Basie's "Album of Jump," Modern Music Appreciation Hour will commence Monday, Nov. 15, at rec. 54 from 8 p.m.

This music hour will be held every Monday evening under the sponsorship of the Butte CAS. Classics, as well as swing, will be featured.

Music lovers are requested to bring blankets for seats, and if they wish to play bridge while listening to the music, they may also bring cards with them.

Featuring the Butte high school orchestra, the Canal community will hold their Music Hour Monday, Nov. 15 from 8 p.m. at mess hall 13.

Special numbers on the program will consist of a clarinet solo by Haruo Hayashi, a violin solo by Mr. Mountain, and a trumpet trio by Jack Kusaba, Arthur Sasahara and Ichiro Ino.

REVEREND VISITS

The Rt. Reverend Robert B. Goodin, Episcopal Bishop of Los Angeles, visited Rivers briefly Wednesday on his return trip from an Episcopal conference in Cleveland, Ohio.

TULE ADMINISTRATION AREA ISOLATED FROM RESIDENTS

(continued from page 1) ficos, although small crowds since Tuesday have been unloading coal and food and moving garbage. No one is permitted to go into the Japanese colony without army escort.

"In our opinion, the majority of the Japanese residents would not question the authority of the WRA or the army," Best said. "However we have in this center, Japanese who would go to any length to cause trouble."

TALK BY TUTTLE AT PTA MEETING

"Treatment of Juvenile Delinquency" will be the topic of William Tuttle, social welfare head, at the Butte high school PTA meeting Tuesday, Nov. 16, at mess 52 from 8 p.m.

An interpreter will be present for the benefit of the issei parents. All are urged to attend the meeting.

QUEEN POLLS OPEN IN CANAL

Voting for the Harvest Festival Queen went into full swing this week in Canal, as 14 candidates are vying for the coveted title.

The polls officially opened Wednesday, and will continue to be open until 5 p.m. Tuesday, Nov. 16.

Pictures of the contestants are displayed at canteen #1 in Canal.

MESS CONFAB IN GILA NOV. 18-20

Frank Harding, WRA chief of mess operations, will arrive in Rivers Thursday, Nov. 18, on his regular inspection trip, announces H. E. Keadle, chief project steward.

Chief project stewards from other centers will hold a three-day convention, from Nov. 18-20, in Gila with Harding. Those to be present are Tiny Wells from Granada, Clifford Snelson from Poston, and Bob Winchester from Monzanar.

to the U. S. government in the belief that in so doing they would be aiding Japan. Knowing this, we have been ready to ask the army to act on short notice. Labor trouble was stirred up by agitators among the coal crews and farm workers."

KANAGAKI AND KISKA

(continued from page 1) happened, the Japanese forces had evacuated some time before the American landing forces.

While taking a look around the camp, Kanagaki wandered down into the underground hospital built by the Japanese. "It was dark in the hospital and you can imagine my surprise to find a pair of eyes staring back at me from the darkness. We came back with flashlights and found—a dog," Kanagaki smilingly related.

Alaska is more windy and foggy than cold, he said. The islands are barren country with some green but nary a tree.

Kanagaki is a pre-Pearl Harbor serviceman, having joined up from his hometown in Concord, California six months before hostilities.

Shorthand And Typing Classes

The intermediate and advanced shorthand class taught by Miss Mukuno will be held at 13-13-B on Tuesdays and Thursdays from 7-9, the Canal adult education office stated.

To accommodate those who were unable to enroll in the typing class, a new one will be held on Tuesdays and Thursdays from 7-9 p.m. at the Canal administration building.

LEADERS TRAINING ON

With the topic, "The Leader," leadership training course will hold its second meeting Tuesday,

Burma Surgeon' Added To Shelf

When the war clouds broke over all Burma, Dr. Seagrave was commissioned a major in the Medical Corps to care for the fallen. Through harrassing machine gun fire, amid flames and continual bombing by Tojo's air power, he courageously performed emergency operations to the needy patriots. "Burma Surgeon", of youths from a heroic nation, is filled also with horrors of war, and the valor that goes with it. It climaxes with the historic trek through the jungle to India and resultant refuge.

It now appears on the Canal library shelf along with other best sellers.

Nov. 16, from 7:30-9:30 p.m. at 43-11-C. Speaker will be Marcos DeLeon. About 20 people attended the first meeting, but more prospective block and organization leaders are urged to come.

Subjects to be discussed are: The part the leader plays in club programs; the relationship to the members of the club and to the club as a whole; leading, not dictating; character building; fostering good citizenship.

Evacuee Property

Evacuees with property stored at the Nishi Honganji in Los Angeles must contact the evacuee property office at once. Property stored there will be moved to a government warehouse.

Racial discrimination is discussed in "Brothers Under the Skin," by Carey McWilliams, and relates this situation to the war effort and in the peacetime world. It is now available on the Butte community library rental shelf with others.

EATS, FUN AT FESTIVAL

The gayway of the Canal Harvest Festival will be situated west of the community stage, with 14 concessions to date. Many varieties of entertainment are being conceived this year, with novelties of community-genius origination aplenty. The gates swing open on Saturday, and continue throughout Sunday. The Internal Security sponsors the shooting gallery; elementary school, FTA-shaved ice; high school PIA-dish pen-

stalls the local Phalanx as a chapter of the national organization with a simple candlelight ceremony, stated "Y" secretary Ken Dyo.

The Phalanx, affiliated with the YMCA, is composed of young men just out of high school.

About 20 "Y" leaders from Phoenix with their wives and friends will be on hand to perform the installation. A general tour of both camps, followed by a basketball game at block 64, is scheduled in the afternoon. The day will be climaxed by a dinner and the installation ceremony.

Butte CAS Plans Gala Festival

Latest developments on the Butte Thanksgiving festivities, sponsored by the Butte CAS, were released by Joe Shigezane, chairman of the affair, as follows:

"Harvest Moon" dance to be held on Thanksgiving, Nov. 25; will be at mess 60, sports affair, from 8-11:30 p.m., 35 cents per couple.

In order to raise money for the forthcoming Butte high school annual, "Year's Flight," six student operated booths selling candied apples, cookies, popcorn, and shaved ice, will sell their wares during the week, from Nov. 25-28 at the craft shows, football games and sumo tournament.

ny pitch; mess operations- wheel of fortune; Women's Club-sushi; hospital, food; block managers-food; firemen, food; YBA, baseball throw; Girl Scouts-ring'am; YMCA-corn; Boy Scouts-board penny pitch; high school-bingo; Camp-fire Girls-undecided.

It was announced by the CAS officials that the 25% commission that they deduct from the income from respective concessions, is to be used for block playgrounds.

Rumor Spiked By Freeland

Contrary to a rumor circulating that there will be no departures during the Thanksgiving week, Henry C. Freeland, leave officer, announces that regular departures will take place on Tuesday, Nov. 23.

If there is any person leaving on Thanksgiving, Nov. 25, there will be a bus going out on that date, adds Freeland.

Northwestern League In 2nd Week's Play

CUBS TANGLE GOR ELEVENS

Huskies meet Santa Anita Hellecats and Cubs versus Gor 11's in the second week of Butte junior boys' Northwestern division pigskin circuit tomorrow at Field 50.

Huskies swamping Gor 11's in the opener last week buck against the once-beaten squad of Coach Tosh Tosaya, former Wasoda U Japan All-Star lefthalf and grid mentor there one year. The kick-off is slated for 9 a.m.

In a afternoon 1:30 tussle, Gor 11's mix with Cubs who barely squeezed by Hellecats 8-6 last week.

BAY REGION STAR:

FORMER OAKLAND GRIDDER IS LEADING AMACHE BOYS' CLUB

AMACHE, Colo.-- Taking the place of the high school, an Amache Boys' Club eleven--25 strong--was to meet the nearby Holly High invaders last Thursday.

The squad was practicing varied attacks under Coach Pete Furuta, former star back at University High in Oakland and three-year man at California's

INTER-CAMP COMPETITION:

BLOCK 28 FACES ROBIN HOODS; 65 MEETS CARDS; G66 VERSUS SOXS

Rivers' Inter-Camp Horsehide League is scheduled to enter its second week of play tomorrow afternoon with six teams paring off in a double-header in Butte and one Canal game.

Block 28 and Robin Hoods both winners last

week meet in the first of the twin bill at Zenimura Field from 12:45. Once-defeated White Soxs and G 66's take the field in the second tilt from 3:15.

In the Canal tilt from 2 p.m., Cards face Block 65.

Coach Ken Zenimura said Block 28's line-up will be just about the same as last week's only with Lof-ty Masato Kinoshita on the hill. The remaining line-ups:

Ken Zenimura, c; Sam Yamasaki, lb; Kenso Zenimura, 2b; Sab Yamada, 3b; Key Kobayashi, ss; Kenshi Zenimura, lf; Goro Yamada, cf; and George Matsuda reserve chucker, rf.

G 66's Coach Fred Tsuda released the following line-up:

Mit Mitani or George Kanagaki, p; Kaz Ikeda, c; Soirin Ikeda, lb; George Yamauchi, 2b; Toshi Nishino, 3b; Maino Okazaki, ss; Tats Nakaso, lf; Eiji Okuhara, rf; and Noboru Iriyama, cf.

Block 65: Mich Iwao, c; Yosh Hirota, lb; George Kataoka, Ed Iwao, Joe and Ralph Osada, infield; Nelson Tanaka, Roy and Tad Nakamura, outfield; and pitchers George Kuwahara and Tosh Takata.

White Soxs: George Nikaide, c; Dave Aizawa, p; Walt Sumi, lb; Hideki Yamanaka, 2b; Kiyu Nagai, 3b; Buchi Yamaguchi, ss; Tsutomu Ikemura, of; Taxi Kishi, of; Yoshi Hirano, of; and Fumio Itow, of.

Kiyoshi Nobusada's Cards: Tom Egusa, p; Ed Nakamura, c; Seiko or Ben Tanizawa, lb; George Egusa, 2b; Akira Marutani or Kongo Osumi, 3b; Moon Nakamura, ss; and Non Iwahasi, lf. Paul Ryono and Harry Kurotori, when he returns from seasonal, may join the squad also.

Robin Hoods, according to Manager George Ichimoto: Ted Imura, p; Kanbo Minamido, c; Tom Ishii, lb; Frank Ichimoto or Konny Aeki, 2b; Donby Kawahara, dv and Frank Totsubo, rf.

Tomorrow Morning:

BUTTE WAREHOUSEMEN TANGLE CONVOYS IN CANAL TACKLE GAME

For the biggest and toughest fray of the season, the Cumbersome Convoy will engage the weighty Warehousemen of Butte in the most hectic tackle game residents will witnessed at Rivers, on Sunday from 9 a.m. at Canal Colosseum.

Using the same power line of previous engagements, the Convoys come up as slight underdogs although little is known about the Warehouse aggregation.

HT. MOUNTAIN OPENS CASABA

HT. MOUNTAIN, Wyo.-- The Heart Mountain High Eagles quintet will inaugurate its basketball season soon when they meet an invading five from nearby Thermopolis, according to the Sentinel.

They have also scheduled about 10 other games with other nearby town teams.

Marin County J.C. He also cavorted for the East Bay All-Stars, one of the outstanding Nisei gridiron teams in California's pre-evacuation days.

With four leagues proposed, Amache, Colorado's casaba season is expected to get under way soon, according to the Granada Pioneer.

The "drivers-swampers" center on to the turf with an average height of 5'7" and an average weight of 165. Chucking Paul Ryono or lithe Shig Hayame will probably do the aerial work for the Convoy.

It is believed that the Convoys will probably keep their attack to the ground however, due to their overpowering weight. The Warehousemen will probably contrarily go to the air.

SOLON ELEVEN DOWNS CANAL PREPSTERS 6-0

Sticking to an aerial attack, the Solon eleven which held the undefeated Crimson Tide to a 0-0 score in a previous battle had a time of it during a Armistice Day engagement with the Canal High Bears as they barely came through with a timely touchdown to down the fast-improving prepsters 6-0.

俳句に就いて (三)

和歌は「テニヲハ」の文學といつてよい程に「テニヲハ」をやかましく言ふが之もやはり綿々として盡きぬ情を歌ふに適する文學だからである。然るに俳句では「テニヲハ」は勿論説明的な言葉は出来るだけ省略し、やとかかなどか言ふ特別の動詞を使用する。随つて「テニヲハ」には重きを置かない。此の俳句の調子から来る特色が情を述べるにはどうも不適当なのである。

此の情を述べるのに幾分でも不適当な文學である俳句の使命は然らば何であるかと言へば、それは景色を描くと言ふ點にある。

元來文學は言葉で出来て居るもので言葉は時間的のものであるから、感じを順々に歌つて行くとか、又は事件を順々に述べて行くとか言ふには適して居る。

長い小説のやうなものでも、短い和歌のやうなものでも、或事件の推移を寫すとか或感じを述べるとかいふ性質のものである。

それが畫である、目に見る或瞬間の景色を畫面に描き現すものであつて、時間的ではなくて、全く空間的のものである。然るに、俳句は意外にも、——私は意外にもと言ふ——繪畫に近いものとして存在して居る。

併し乍ら、景色を描くと言つても、文學であるから繪畫とは全然同一にはならないが、大体に於て文學本來の性質たる時間的変化を描くに適

しない、空間的描寫に適して居るといへやうと思ふ。是は五七五といふ調子と、切詰めた知い詩形とから起る當然の結果で、之がやがて一方に大いなる特色を形造つて居るのである。

尤もかう言へばとて、俳句も文學である以上、勿論感じとか事件とかを述べてはならぬと言ふのではなく、又古來さうした俳句は全くないと言ふのでもない。

LARGER GRANTS URGED TO ACCELERATE RELOCATION

More substantial subsistence grants to accelerate resettlement of evacuees were recommended yesterday by the Center Relocation Committee at a special meeting with John C. Baker, WRA reports officer.

The Committee held that

Hostel Promoter Due Here Friday

To promote resettlement through the hostel plan, Ralph Smeltzer, director of the Brethren Hostel in Chicago, will arrive in Rivers Friday for a three-day stay, announced William Huso, relocation head.

Smeltzer was in Rivers in April this year soon after his hostel had been opened. During the present visit, he will speak before block managers, church groups, clubs and others on relocation and hostels.

Huso said that the hostel system of relocation has been one of the most effective means in relocating evacuees, particularly among the single, unattached individuals. He said that in general, hostellers have shown a greater satisfaction with their adjustments to outside conditions.

234 Evacuees Work At Tule

A crew of 234 evacuees from other centers are engaged in harvesting work on the Tule Lake farm, according to a statement issued by Dillon S. Myer on Nov. 14.

The WRA has faced with the possibility of losing approximately \$500,000 worth of vegetables on the Tule Lake farms last month when farmers failed to report for work after an

insofar as most family groups, after a year's residence in the centers, have run out of resources, some form of adequate financing should be provided either as a grant or an interest free-loan for resettlement. It maintained that a large scale relocation among issei can be stimulated only through this means.

It explained in terms of simple mathematics that the government would come out ahead financially in the long run by ruling out the cost of maintenance through the facilities of resettlement if such a measure were taken.

Chrysanthemums For First Lady

Gila will be keeping a half-year-old promise to Mrs. Eleanor Roosevelt this week when it sends five pounds of its home-grown chrysanthemums to the First Lady.

The chrysanthemums, grown at Nursery I under supervisors Itaro and Dan Nakata, have been packed and are scheduled to be sent to Washington today.

During her visit to Gila in April of this year, Mrs. Roosevelt, passed through the nursery, and expressed a desire for fall chrysanthemums. It was promised to her and the promise is being kept this week.

evacuee-driven truck overturned, injuring many and killing one.

The 234 who are harvesting Tule's crops are quartered outside the boundaries of the center, wholly apart from the population of the center.

Council Approves Civic Recreation Center In Butte

Plans for a civic and recreation center for young people at block 42 and the adjoining vacant lot were approved at a meeting of the Butte community council yesterday afternoon.

Drawn up and submitted by Fred Shimizu of the CAS, the plan calls for a park for miniature golf, volleyball, badminton, and croquet courts, clubrooms, and a recreation hall with a soft drink parlor for the teen-agers.

It is designed to discourage delinquency by giving young people social and physical activities during free hours and evenings.

Young volunteer workers will be needed to start working on the recreation center, stated Council Chairman Harry Miyake. Young people's groups should contact Fred Shimizu of the CAS to find out how they can do their part to build the civic center.

Clean-Up Day For Butte

"A day's effort for our health" will be the slogan in Butte Saturday, Nov. 27, when the community holds its Big Clean-up Day for the dual purpose of cleaning the camp and of making residents cleanliness-conscious.

The Butte Community Council yesterday approved the clean-up program, which was planned and introduced by Masato W. Kato of the Council's public health committee.

Schedule for the day includes general house cleaning in the morning when all bedding will be put out for airing. Gen-

EDITORIAL

NEW TIDES AWAKENED

The Connally resolution which committed the Senate to international collaboration is past history. The Moscow agreement, to which the United States is signatory, is past history.

Yet the anachronism of poll-tax is a debatable issue in the Senate. (Among the advocates of the poll tax along with many a Southern senator, is Senator Connally, himself, the chairman of the foreign Relation Committee.) Although the anti poll-tax bill has passed the House by an overwhelming majority, a small group of Senators and determined lobbyists are doing their uttermost to delay action on the bill in the Senate.

In the same manner the evacuees have suffered for the destructive efforts of a small group of Congressmen from the West Coast.

These men have paid, at least, lip service to the Connally resolution. Yet in domestic problems their stand has been completely divorced from the spirit which moved the Moscow agreement, which in turn prompted the Senate to rush their resolution.

The politicians, however, reckon without the cumulative force of the tremendous implications that are embodied in the agreement and the resolution. Whether they will or not the internal policies of the country must undergo a great change if the United States will not violate the agreement. Whether they will or no, the American people will inevitably become world citizens. Maybe it will take years, maybe decades, but the liberal elements in this country and the world have won a victory that cannot be turned back.

The Moscow agreement signed by Cordell Hull has been severely criticized in some quarters. But the flow of events in the world had made it an imperative decision. In the same manner the new tides awakened by the agreement is bound to make inevitable, a change in the domestic policies and in social attitudes of the government and the people of the United States.

GIFTS FOR ADULTS, TOO

Reverend Nicholson of Pasadena, who has become quite a familiar figure to center residents, informed us that the Pasadena Fair Play Committee will send the center another carload of Christmas gifts again this year for the young. We would like to have William C. Carr, who has done so much for us as the secretary of the Committee, honor us with a visit. To the adults, it would be a most appreciated gift.

LIVE BY

PRINCIPLES OF CHRISTIANITY

By G.E. Rundquist

The question frequently is asked, "What are the churches in America doing to see that the principles of Christianity and democracy are applied in our daily lives?" One answer to this question is the active participation of Christian people throughout America in the resettlement of American citizens of Japanese descent who were evacuated from their homes on the West Coast, primarily because of wartime hysteria, racial discrimination and prejudice, and economic and political pressures.

Prior to the evacuation, which began early in April, 1942, Christian leaders and church workers were busy on both coasts aiding the people of Japanese background in adjusting their lives to the limitations placed upon them by the war. Many churches on the West Coast undertook to store the household effects of the evacuees. The people in the churches took care of the children of the citizens and aliens alike, provided meals for the families who were engaged in packing their household goods and preparing to break up their homes and their businesses because of the order to evacuate from the West Coast Defense Area.

In the east, the men and women who were employed in the Japanese-owned business establishments, were thrown out of employment. A group of church people organized together to obtain financial relief and assistance for these people, to advise with them on their problems, and to render all possible service to the people of Japanese background who for the first time were finding it necessary to call upon their friends for assistance.

The resettlement of Americans of Japanese descent and their parents who have been in America for at least twenty or

Clothing Grants Issuance Speeded

Clothing allowances will now be received the month following the one in which they have been earned, announced W. G. Graham, finance officer.

Allowances for July, August and September were submitted to the disbursing officer in Los Angeles in October, and they should be in the hands of the Rivers residents by the end of November. Vouchers for October are now being processed to the disbursement officer for payment.

Churches And Relocation

(continued from page 2)

more years has been going on steadily, but quietly, during the past year. Over 15,000 Americans with Oriental faces have been restored to normal American communities. These people are living in practically every state outside of the area from which they were evacuated; i. e., Washington, Oregon and California. They are working in munitions factories and airplane plants, as well as in many of the government offices, including the War Department.

The exodus of the evacuees from the War Relocation Authority relocation centers has largely been a youth movement. The problem facing us next year will be the relocation of family units or groups. There are remaining in the centers about 75,000 persons to be relocated. We must provide a place in America for these people and demonstrate that democracy and Christianity work and are practical principles of our daily lives.

RELOCATION PIC

"Wartime Farming in the Corn Belt," a relocation film, will be shown in Butte tomorrow, Nov. 17, at the amphitheater.

Three other films will be shown through the courtesy of the Butte Girls' Physical education department.

NEGROES TAKE OVER LITTLE TOKYO IN LOS ANGELES

"Wartime California. I found to be not much more different than any other state in the union," said Sergeant Takumi Wakida stationed for the past six months in Camp Cooke near Lamport, California.

Discrimination? Not a sign of it, he answered. California is fine, except for the fog in Camp Cooke. An obvious retort after one realizes that Sgt. Wakida is a southland boy from San Gabriel.

When asked whether he has visited Los Angeles, he broke out in smiles. "You know," he said, "you see nothing but Negroes in Little Tokyo. However, the department stores are vacant and closed up."

The grand central market, on Broadway, where hundreds of nisei at one time or another hawked fruits and vegetables, is taken over by girls, as are practically all the other fruit and vegetable

KEADLE

No Bottles No Milk

Milk cannot continue to be supplied from the outside unless milk bottles are turned in, according to H. E. Keadle, project steward.

Bottles are practically unavailable, and several hundred bottles are missing. The cooperation of the community is asked in turning the bottles in to meet this critical need.

CINDERELLA TALE WILL BE TOLD BY PUPPETS IN CANAL

Three shiny pennies will whisk one to the land of make-believe...the enchanting land of fairy godmothers, cruel stepmothers, and handsome princes.

Butte Girl Reserves' string puppet production, "Cinderella," will follow up its successful run in Butte in September with a performance in Canal this Thursday, Nov. 18, at mess 13. There will be two performances, the first at 7:30 p.m., the second at 8:30 p.m. This showing

stands in the area.

Soon after Pearl Harbor, all nisei soldiers stationed in the Pacific Coast area were sent to inland posts. Now there are quite a few nisei servicemen stationed in California. Several of them are in the Modesto general hospital.

Wakida himself was in Camp Howze, Texas, before he was sent to Cooke. At Cooke, he is attached to the Medical Clearing Co.

Sergeant Wakida is visiting his parents in Block 60.

SCOUTS TO HEAR WOLTER

Special Butte troop meeting will be held tonight at 7:30 sharp. All Scouts and Scouters are requested to attend this meeting in full uniform. Hugo Wolter, community management head, will be guest speaker.

Members are asked to bring their drums and bugles as there will be a practice session.

Changes Made In Photo Dates

Appointments for taking photographs, Canal 10-16-D for November 13th and Butte 42-5-D for November 14th, have been changed to November 20th and 21st, respectively. Studio Manager M. Nakamura regrets necessity for these changes which were due to the illness to the photographer.

"Cinderella" will be under the sponsorship of the Butte CAS, in conjunction with the Canal Girl Reserves and CAS. The director, Jean Taylor, is a graduate of the Pasadena Playhouse.

"Cinderella" was scheduled to be shown in Canal immediately following its performance in Butte, but was postponed, due to the relocation of the members of the cast.

Tickets will be on sale at the Canal school and canteen. They will also be sold at the door.

CAS Plans Civic Recreation Ctr. In Block 42

(continued from page 1)

If present plans work out, the north half of block 42 would be used as follows: barrack 3-club-rooms, barrack 4-recreation hall, and part of barrack 5-clubrooms. The Buddhist church, barber-shop, and canteen would remain as they are. Barrack 1 would be used as the Community Council Town Hall, barrack 2 for the Central Block Manager and Ex-Servicemen, and the south end of barrack 5 for the photo studio.

According to the plan submitted, the vacant lot north of block 42 is scheduled to be used as a miniature golf park with two croquet courts to the west and a badminton court to the east. Plans call for a 140 by 150 feet golf park with a small stream running diagonally across the area. A lawn and some shrubs are also included in the plans laid out by Fred Shimizu.

Construction material as far as possible, will be furnished by the WRA, but the labor will be up to young volunteers, stated Miyake.

BETTER GRANTS RECOMMENDED FOR RELOCATORS

(continued from page 1)

The committee was concerned about federal benefit service to evacuees should they, through unusual circumstances, need immediate financial assistance. It explained that the divergence in policies in various sections of the country, was a definite drawback to assurance of security in this respect.

The committee pointed out also that the incomplete job descriptions sent to the projects have been a deterring factor in resettlement. They recommended complete description of jobs and suggested that pertinent housing and social information also be included in such offers.

Further suggestions that facilities for forwarding all stored property (in private or federal storage) to relocators and providing means for group farming were offered.

Baker said that he would place the recommendation before responsible officials on the Washington staff.

Clean-Up Program Slated Saturday

(continued from page 1)

eral block cleaning will start in the afternoon with each block organizing teams to clean latrines and shower rooms, laundry, ironing room, mess halls, around the barrack, and adjacent lots.

An inspection crew will be organized to determine the merits and cooperation in each block. More complete details of the cleaning program will be published later.

Baker, who is aligning reports offices in the centers with the relocation program, said that a clearer picture of prospective resettlement areas will be brought before the residents. The reports officers working in the relocation areas will use the medium of pictorial pamphlets, informational booklets, and movies to bring pertinent facts about their districts to the people.

Baker arrived on the project Friday, and left today for Poston.

TOGURI SHORTAGE OF CLOTH PREDICTED

Clothing and other essentials, particularly goods, will be hard to get very soon in the opinion of Jun Toguri, Co-op merchandise buyer.

On a buying tour in Chicago, Toguri writes:

"It is my sincere belief that in the very near future, very little clothing will be made available to the buying public, because of the necessity of first filling the needs of the military personnel and other outlets.

"This trip has been a difficult one in that merchandise has been hard to get...this scarcity is due to labor shortages and the many governmental restrictions."

Toguri advises all future relocators to the middle west and eastern United States to come well prepared "to meet the fury of winter". Chicago has already witnessed the first snowfall.

R. C. CONTROL BY WAR DEPARTMENT?

All relocation centers should immediately be taken under control by the War Department, Representative Anderson (R. Calif.) told the House Thursday, according to A. P.

Rep. Anderson maintained that recent events at Tule Lake proved the WRA was unable to cope with the relocation question.

CUBS 12, GORILL'S 0; HELLCATS TIE HUSKIES BY 7-7

Cubs took co-leadership of Butte junior boys' Northwestern grid circuit by outplaying Gorill's 12-0 in the second week of league competition last Sunday afternoon. In the division's other game, Huskies and Hellocats battled to a 7-7 draw.

Lefthalf Frank Tanaka went over on a 30-yard off-tackle run for Cub's first score in the first period. Again in the third quarter, Tanaka intercepted opposing quarterback Masani

Fukai's pass and rambled 30 yards into pay dirt. Conversion attempts by quarterback Tets Hasegawa failed. The winners enjoyed a 3-0 advantage in first downs.

Santa Anita Hellocats gained seven first downs to Huskies' two, but it took the closing minutes of the fray to come across with a tying touch down.

Back Art Mikamo's 20-yard pass to leftend Jim Sakabe brought the Hellocats to the opponents' 30

and eight plays later, fullback Taka Iwashika crossed over on a spinner over left guard. Mikamo kicked the conversion and the score was tied.

After battling 0-0 in the first half, Huskies had made their touch down early in the second half; lefthalf Benjo Hamamoto skirted right end for 40 yards and leftend Yosh Hirota, in kicking formation, passed to rightend Yosh Hirano for the extra point.

SOUTHWESTERN

DONS, RAMBLERS IN TRIUMPHS

Don Babes now held the lead in Butte Junior boys' Southwestern Pigskin Loop.

Coach George Toyoda's squad rolled up a 13-6 win over Blackhawks last Saturday morning.

The losers scored first as fullback Chester Nari-matsu capped a 40-yard drive in the six plays, running over from the five yard stripe. The conversion run failed and the score was 6-0.

Don Babes tied it in the second on fullback Charley Yamaguchi's pass to end Shig Kawata which netted 50 yards. Quarterback Teruo Kozaki broke lose in the final quarter from mid-field for the second score. He also romped over for the extra point.

Ramblers were also victorious in their game with Wolverines. They annexed a 19-12 victory.

Lefthalf Shesan Shimasaki went over twice; he intercepted a pass on his opponent's 25 and again tallied on a sneaker from the five after a short drive in the foe's territory. Fullback Shig Kaida accounted for the other seven points on a off-tackle touchdown and conversion.

INTERESTED IN MEETING TONIGHT DISCUSS TOURNEY

A golf meeting will be held Thursday, Nov. 18, at the central block manager's office, 42-3-A, beginning 7:30 p.m.

There will be lectures on etiquette on golf, rules, and how to play.

Warehousemen Whip Convoys

Little was known of the prowess of the Warehousemen except that it was believed they would use fast well coordinated trick plays, which they did with deadly results.

Battling it out on Warehouse territory throughout the engagement, the Truckers were helpless in any attempts to make advances past the midfield strip.

The initial score was made in the third quarter with Maino Okazaki receiving a low punt on the Convoy 40 and dashing through a broken field, pushing the ball over for a touchdown.

Coming in vengefully and inspired, the Butte eleven again ran through in the closing minutes of the game for the second score.

POSTON III PLANS HUGE STADIUM

First of its kind in any relocation center, construction of a huge Poston Unit III Athletic Stadium will get underway soon with work day and night, according to the Poston Chronicle.

A football field encircled by a 440 yard track and also 220 straight-away is planned along with courts for tennis, volleyball and other sports on the sides.

The four-for-five slugging of George Ichimoto and Freezer Furuya blasted a 13-hit winning path to Robin Hoods' 7-2 whalloping of Block 28 in the first of a double header last Sunday afternoon. Furuya knocked in 4 runs.

G 66(s behind the creditable 6-hit shut-out chucking of George Kanagaki pinned a 7-0 defeat on White Soxs in the night-cap.

Robin Hoods' righthander Ted Imura although suffering a bad moment in the first was credited with a 4-hit masterpiece.

Kaz and Seirin Ikeda took G 66's hitting honor with two hits including a three-baser by the latter.

In a league game in Canal, Block 65 Poppers broke into the win column with a 11-10 win over Cards.

俳句に就いて (四)

また俳句には「季節」といつて春夏秋冬の季を述べなければならぬ事になつてゐるが、是は景色を描く上には当然の要求である。何故なれば、四季を超越した景色といふものは全然この世界には存在しないからである。

次に実際の句に就いて二三説明を試みよう。是は極端な例であるが、女郎花腰黒茶碗髻奴といふのがある。

是はどんな意味かといふと、女郎花が咲いて居る。その側で髻の生えた奴が腰黒茶碗で飯を食つて居るといふのである。是は前にも述べた様に五七五の調子から自然に離れぐになつて居るのである。即ち女郎花腰黒茶碗髻奴と別々

に離して述べてあるのだから我々が心の中でその離れぐになつてゐる物に連絡をつけて女郎花が咲いて居る側で髻奴が腰黒茶碗で飯を食つて居る様子を思ひ浮かべるのである。是は繪畫にすれば女郎花と腰黒茶碗と髻奴との三つの別々の物が一畫面に描き出されて居る譯になる。

COUNCIL FORMS COMMITTEE TO STUDY HOUSING PROBLEMS

Block 45 and its mess hall will close this Saturday except for those who want to stay in block 45 and eat at another mess hall; the Butte community council decided at its last meeting.

A five-man housing committee, chosen and approved by the Butte council, is working on a general policy in regard to population decreases in the blocks.

The housing committee of the council is headed by chairman Harry Hirose, and is composed of Toshio Kinoshita, 42-3-A; Fred Shimizu, 36-10-A; Matsunosuke Satomi, 60-1-D; and Masakichi Itabashi, 32-1-D. All housing problems may now be presented to this housing committee of five.

Housing movements may now be made for two reasons, states Mary E. McCarthy, housing and cloth-

AUTO MECHANICS CLASSES START

An auto mechanics course under the War Industries Training program will be offered in Butte beginning Monday, Nov. 22, announces Dr. Monika Kehoe, vocational training director.

There will be two classes, each class limited to fifteen students. One will be held daily, Monday through Friday, from 9-12 noon, the other on Tuesday and Thursday evenings from 7-9.

All interested should go for an interview with Dr. Kehoe regarding resumption of the course. Hours for interviews will be 9-12 noon, 1-5 p. m., and 7-9 p. m. tomorrow, Nov. 19, and from 9-12 noon on Saturday. The first fifteen to qualify will be admitted to each class.

ing supervisor.

Reasons are: (1) To make necessary adjustments for families living in crowded quarters in accordance with the housing policy, and (2) If their unit has no stove, to move to quarters which they are entitled in which a stove is located, or if the occupants do not desire to move, the stove is to be moved into their quarter.

Sgt. Komoto On Air Tonight

Staff Sergeant Kazuo Komoto will probably appear on Phoenix station KOY with commentator Edwin M. Clough tonight at 8:30, according to information received here.

The nature of the scheduled program is not known. Komoto has had action, was wounded, and received the Purple Heart award in the Southwest Pacific area.

Station KOY is 550 KC on the dial.

The classes will be taught by L.F. Levering, a certified mechanic, who is expected to arrive in Rivers Monday. Machinery, tools, and equipment will be furnished by the WIT.

MEET CONDUCT

Parliamentary law procedures class will commence Monday, Nov. 22, at 43-11-D from 7-9 p. m., announces Dr. Monika Kehoe, adult education director.

This course will be especially for councilmen, group leaders, and block managers who desire instruction in the correct methods of conducting meetings.

Instructor will be Verlin Yamamoto.

ARIZONA

Anti-Japanese Law Goes To Supreme Court

U. S. Attorney General Francis Biddle believes that Arizona's anti-Japanese law passed in March is invalid, contravening the federal civil rights statute, it was disclosed this week as the constitutionality of the act was argued before the Arizona Supreme Court, the Phoenix Gazette reported.

The law in question, which restricts business transactions with persons of Japanese ancestry, was ruled illegal by a Maricopa County judge in July, and is now being argued in the state's Supreme Court on appeal.

Attorney General Biddle wrote Gov. S. P. Osborn last June saying the law seems to be in direct contravention of the federal enacted a number of years ago for civil rights protection to colored people.

TRIO LEAVES ON BUSINESS TRIP

Project Director Leroy Bennett and Procurement Officer Herman Ott are scheduled to have left this morning for a 3-day general procurement trip to California. In Bennett's absence, Ben F. Runyan will act as project director.

Hoyt Martin, supervisor of industries, went with them to get material for the model ship factory and for a proposed cannery.

The cannery probably will be used to process pork by-products for center consumption, and later to can various vegetables, principally tomatoes, Bennett said. How soon the cannery will begin operation is not known.

The trio is expected back Sunday.

editorial: DUBIOUS SUCCOR

For over a year, residents have known that Rivers is a sterile city--that permanency, that real growth will not be. For the greater part of that year and a half, the unconscious reaction of residents to their insecurity and a sense of impotence had seethed and boiled over and contributed to a community life that had been far from unified.

Now a relative calm, an apparent tranquillity, has come. The residents have adjusted themselves to a new life, albeit a near-meaningless one. But beneath its serene surface, the community is restive. The residents are aware that their's is an isolated life and that they are not actively participating in future development. Aware of the undercurrents in the community, and aware, too, that resettlement is a necessary step under the circumstances, the relocation committee has made several recommendations to the WRA for changes in relocation policies.

The suggested change, which can be the greatest stimulant to resettlement is one which urges an increase in cash grants. It is also one of the most difficult to effect, inasmuch as the Congress controls the purse-strings. The other recommendations include: (1) adequate survey of job, business and farming opportunities based on evacuee skills; (2) adequate survey of housing facilities; (3) access to better loan agencies when in need of capital; (4) unified policy covering relief agencies; and (5) clarification of selective service status of nisei men.

These are good, sound propositions based on evacuee resistances to resettlement and based on the need for further resettlement on a group basis rather than individual as has been the case in most instances heretofore. The WRA can give no greater stimulus to resettlement than the acceptance of the suggested changes--particularly in regards to the allowance of greater cash grants.

As desirable as these changes may be, residents should be well aware that the desirable things often fail to materialize. Some of the proposed changes will be carried out, some are already incorporated within WRA policies.

But for evacuees to pin their hopes on, say, larger cash grants, and fail to relocate when opportunity presents would be folly. There is no assurance that significant policy changes can be made.

On the balance, resettlement with an early opportunity to build a sound basis for future security, heavily outweighs the dubious succor of large cash grants, the fears and other resistances to relocation.

Church Sermon Attacks Racism

On Armistice Sunday, Nov. 7, Dr. Albert Edward Day delivered a sermon at the First Methodist Church in Pasadena reaffirming racial equality, defending race tolerance, and denouncing racism as un-Christian-like. His sermon, which is typical of sermons of other strong men in California, is not unusual in that strong and fair-minded people do not usually resort to attacking a race because of race.

But it is somewhat unusual in that his opinions, though quite natural, conflict so strongly with other Californians not quite so natural who would call all persons of Japanese ancestry dangerous Japs and who would deport citizens and aliens alike.

Said Dr. Day:

"Race does not make the man; only the Holy Spirit can do that and the Holy Spirit does not look at a man's color or his nationality..."

Concerning the West Coast evacuation of persons of Japanese ancestry, Dr. Day says:

"The deed is done...It is one of those things which can happen in a time of peril...We could not toy with uncertainty...there was excuse for what happened...But there is no excuse for what is happening now. There are not only a few fanatics at work here and there. There are well organized efforts to exclude all Japanese from California forever and to deport them from America, amending the Constitution, if necessary, to make legal so great a sin against brotherhood..."

"Governor Carr of Colorado said, with devastating truthfulness: 'If we do not extend humanity's kindness and understanding to these people, if we deny them the protection of the Bill of Rights; if we say they may be denied the privilege of living in any of these forty-eight states, without hearing or charge of misconduct, then we are tearing down the whole American system.'"

Butte USO Plans Soldiers' Social

The Butte USO met Tuesday night and planned its program for the next six months, beginning with a soldiers' social next Tuesday night, Nov. 23 at 43-8-A. Visiting soldiers and their friends are invited.

Socials, outdoor parties, and holiday activities have been planned through April of next year.

The USO group worked out a fairly complete budget, part of which will be used to contribute to the proposed community civic center, recreation hall, which will be shared with other organizations.

Canal Buddhists To Get Books

Part of the funds derived from the baseball throw sponsored by the Canal YBA at the Harvest Festival, will be used to complete the gathas and service books now being made, revealed co-chairman Ban Yonezani and Shinji Sasai. The books are progressing very well under the efforts of Mrs. Yumiko Hojo, Kimiko Shigaki, Lillian Shimizu and Norma Tsujimoto. When completed, the books will be passed out free of charge to YBA members holding membership cards. Non-ticket holders and Jr. YBA members will be charged 5¢ a copy.

They have gone to North Arizona.

ances, office practice, and plant nursery.

Placements can be made immediately in the nursery which will give a student a chance to learn the basic knowledge of horticulture and to get some actual nursery experience.

Assignments can also be made to offices on the project for those who have had at least one course in typing. They can be placed directly under an experienced office supervisor who will help them, and they can take related courses in stenography or accounting as part of their program.

All interested are requested to contact room 13 in Canal, 43-1-D in Butte, for more complete information as to when the remaining courses will begin.

Livestock Herd Upped To 1647

Five hundred head of beef steers were expected to arrive yesterday, announced Walt Emrick, livestock head.

The new arrivals will bring the total of Rivers' livestock herd of beef steers, cows, heifers, and calves to 1647 heads.

Rivers is still dependent upon the project livestock for its meat supply. Since the first week of September, 306 project cattle have been slaughtered for beef, an average of about 125 cattle per month.

Craft Exhibit To Be Shown

Articles in the Butte Arts and Crafts exhibit will be displayed by blocks, announced the CAS. Other groups who have entered the exhibit are the girl scouts and the high school.

All articles should be turned into the block managers' offices by Wednesday, Nov. 24.

The exhibit to be held Nov. 26-28 at mess 41 is sponsored by the Butte CAS and backed by all the blocks.

NETSTERS— TOURNEY IS GOING ON

Out of 16 entries, Hideo Morita and former California Japanese American Men's amateur Singles Champion Eddie Ogura, after emerging victorious in the opening a. Butte CAS Thanksgiving Tennis Tournament last Sunday, will meet in the second and semi-final rounds Sunday morning at Court 35.

The winner is to meet Shigeru Nakano, who after downing Tets Mori of Canal, advanced to the finals to be held Sunday, Nov. 28.

Remaining out of 11 teams in a mixed-double tourney's opening round last Sunday, the Fred Shimizu-Lillian Iwata pair will meet the Hideo Morita-Helen Osada duo and Mr. and Mrs. M. Iwata will face a Eddie Ogura-Mrs. Onishi combination in the semi-finals Sunday morning.

As in the men's singles, the mixed doubles's finals will be held during Thanksgiving week, Sunday, Nov. 28.

CAS Head John Welles was reported to be still arranging for a Phoenix Caucasian group to compete here.

With the Canal courts about completed, a tennis club there is expected to operate separately from the one in Butte, which heretofore, more or less served both camps.

Topaz Entered In County Loop

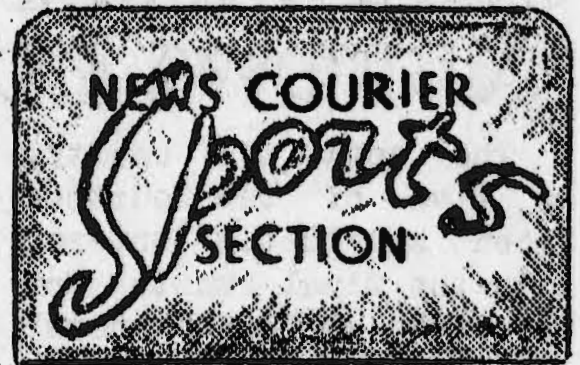

TOPAZ, Ut.--Topaz High' tricky Ramblers completely baffled and inflicted a crushing 19-7 defeat on a visiting Delta High eleven recently, according to the Times.

Last week, the Rams lost their first game in the Millard Country Prep League which they are members. They lost to the nearby Wasatch Hi 19-12.

Butte persons interested, along with all Golf Club members, are urged to attend a CAS-sponsored meeting tonight at the central block manager's office 43 13-A, from 7:30 p.m.

With sign-ups for the tourney, will be lectures by the following speakers with subjects: Roy Ikemoto, etiquette on golf; S. Takido, rules; and Ed Kato, how to play.

The above meet is expected to take place at the newly-named Gila Country Golf Course, southwest of block 45.

NEWSWEEK

**Lardner Cites
A JA Soldierly**

The 100th Infantry, nisei combat team fighting in Italy, was the subject of John Lardner's weekly dispatch to the Newsweek recently.

Lardner is the special correspondent to the nationally distributed news weekly, and also a war correspondent for the North American Newspaper Alliance.

Lardner reported that the nisei soldier were wrecking tanks with bazookas, charging into German machine-gun and automatic small-arms fire, and now and then bringing in prisoners. All were startled and more than a little terrified to find themselves in the hands of the neat, cool, brown and yellow men in G. I. uniforms.

A white lieutenant said,

"The Germans started spilling their guns all over the place when they heard who had taken them. 'We will take,' they said, very eagerly."

**JOSEPH C. GREW URGES
SQUARE DEAL FOR NISEI**

Loyal American citizens of Japanese ancestry were strongly defended by Joseph C. Grew, former ambassador to Japan and special assistant to the Secretary of State, in a speech in New York City Thursday, Nov. 18, at the annual dinner of the Holland Society of New York.

Yesterday morning both the New York Times and the Herald Tribune carry favorable accounts of his address, in which he pleaded that they be given fair treatment. The following is the verbatim account from the Herald-Tribune story:

"Joseph C. Grew, former American ambassador to Japan, said last night that loyal American citizens of Japanese descent should not be made the victims of war-time prejudice. He spoke at the annual dinner of the Holland society at the Plaza Hotel after receiving the society's gold medal for

distinguished achievement. The medal is awarded annually to a non-member of the society.

"I have too great a belief in the sanctity of American citizenship to want to see those Americans of Japanese descent penalized and alienated through blind prejudice," Grew said. "I want to see them given a square deal. I want to see them treated as we rightly treat all other American citizens regardless of their racial origin with respect and support, that fundamental principle, Grew said, "should apply all along the line--to every citizen of the United States of America."

Grew said that the nation must take every proper

RELOCATION

**FAMILY LEAVES
TO BE FOSTERED**

The relocation program has now entered its second phase--that of the relocation of family groups, announced William Huso, acting chief of the relocation division.

Anyone who has the slightest notion of relocating is asked to go to the outside employment office. There is no obligation incurred in the interview.

A case history of the individual will be taken, type of work best fitted, section of country preferred and number of dependents.

The case history will be sent to a field relocation officer whose job is to find the type of employment that fits the individual.

However, no one is obligated to accept any offer found for them in above manner.

to the Modesto, California, hospital base from Rivers relocation center. He doesn't know what his future holds for him, but he asserted that he wanted to get back on the job to help finish the war as soon as possible.

Asked about his post-war plans, the Sergeant said, "I am going back to California after the war is over. I realize that California sentiment is not favorable toward the Japanese. But after all, one of the reasons I'm fighting this war is to be able to live wherever I want."

Clough devoted his entire fifteen minute program to the Komoto interview.

EDITORIAL

WRA ON OFFENSIVE

That the WRA can confidently proceed with plans for increased relocation efforts despite the adverse effects of the Tule Lake incidents is an indication that America recognizes most evacuees as loyal.

A year ago, most Americans east of the Rockies were not aware that Americans of Japanese ancestry existed. Today, most of America has been informed that Japanese Americans had been subject to the denial of civil rights not denied to any other American. They have even hurdled the distinction between the Japanese enemy and the nisei and issei.

The War Relocation Authority's nation-wide public relations program has been the chief factor towards the building of this good will. We have, particularly, liked the attitude of Director Myer and other WRA heads who have refused to take a defensive attitude towards the severe criticisms directed at the evacuees and the WRA. The general offensive carried on by the WRA has been reinforced by the activities of the nisei combat team at Camp Shelby, the 100th Infantry in Italy, and the thousands of evacuees who have relocated to relieve America's manpower shortage.

The Tule Lake incident has cramped the relations program somewhat, but this effect is felt keenly only on the Pacific Coast. In the Mid-West and the East, except for violently anti-administration groups, the general tendency is to treat the Tule Lake evacuees as a group apart from the loyal evacuees. At least one paper, the Chicago Sun, has editorially drawn the distinction.

Thus it is not surprising that the WRA is not postponing its plans for a new relocation program designed to speed evacuees to cities and communities throughout the nation. It realizes that more tolerant Americans east of the Rockies have a non-distorted perspective of the true America which is great enough to unify a heterogeneous mass of races and creeds.

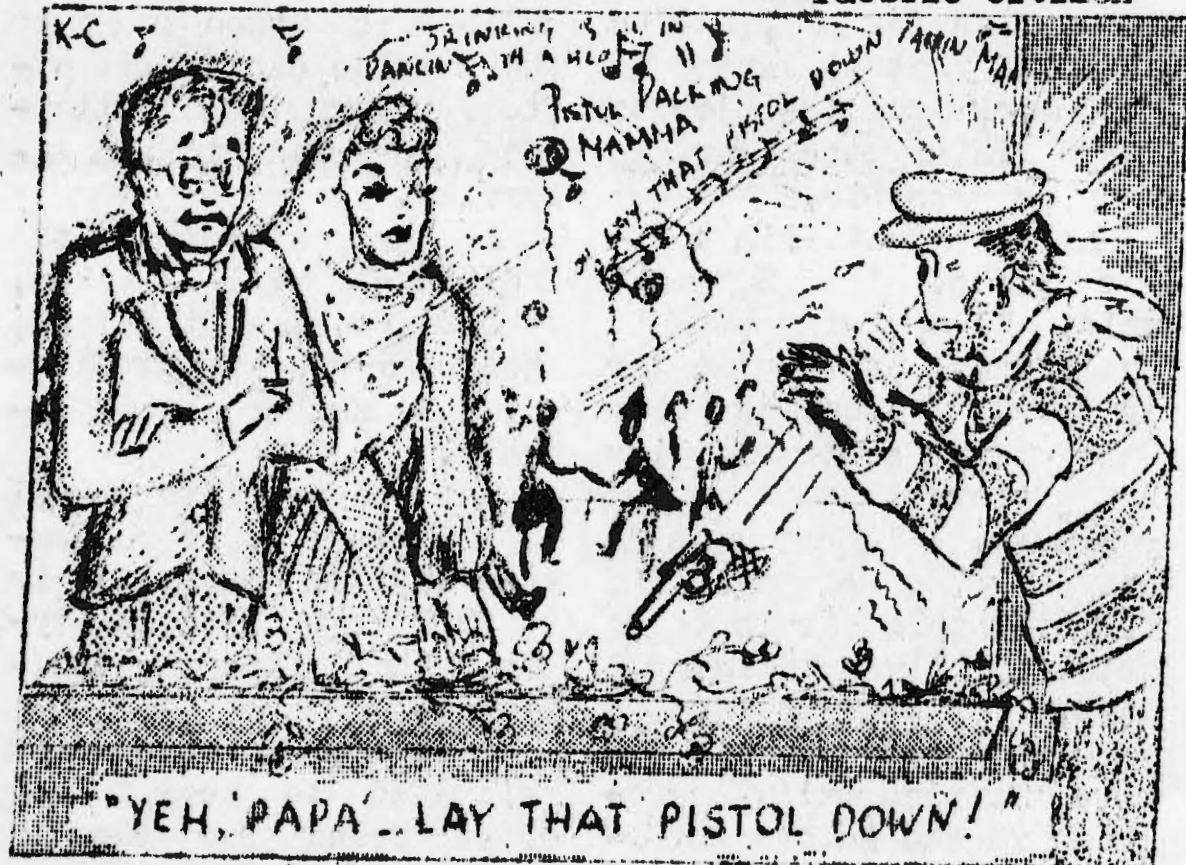

Tule Lake has been a definite drawback, but the backlog of goodwill is strong enough to withstand the hysterical outpourings from California.

TILT WITH WINDBAGS

The show of yellow-perilism is starting again west of the Sierras. But those of Japanese ancestry are immeasurably stronger in the knowledge that they do not stand alone... But nisei themselves must also resist every effort to impress racist doctrines upon the national consciousness...

An so it's Rosinante to the road again. We tilt with windbags.

—Pacific Citizen

Midwest Family Takes Nisei Girl

A 14-year old nisei girl has been taken into a Mid-West family as a foster daughter, a letter to the Open Forum editor of the Des Moines Register states.

The letter follows:

"I want to tell you I certainly enjoy reading the articles and letters about the nisei. I would like to tell your readers my experience.

On Aug. 27, we took a nisei into our home as a foster daughter. She is 14 and a freshman in high school. She is clean, attractive and very intelligent. Many have asked about her English and my answer is that it is perfect. Before her arrival, several warned I would have trouble, that people would be unkind. We have had nothing but kindness shown her ever since her arrival. She attends Creston high school, where both the teachers and students are very friendly. She attends the Congregational Church and sings in the choir. There, too, everyone is friendly.

I have three children of my own, and to them she is a big sister. Her quiet and always polite manner have done much to help my own children to grow up better. I am sure our home will always be better because we have taken this little nisei girl into our home. I am sure we love her as much as if she were of our very own.--

(continued from page 1) step to protect the country from hostile acts, espionage or sabotage, but the competent official authorities were attending to that constantly and effectively. "I do know that like the Americans of German descent," He said, "The overwhelming majority of Americans of Japanese origin wish to be and are wholly loyal to the United States, and not only that, but they wish to prove that loyalty in service of their native land."

Mr. Grew quoted press reports from the 5th army in Italy saying that first unit of American-born Japanese troops went into combat "smiling with satisfaction as if they were going to a baseball game. Their motto is 'Remember Pearl Harbor'."

ATTENTION, L. A. STORAGE OWNERS

Residents who had property stored at the Maryknoll School at 333 East 2nd St. in L.A., must fill out proper WRA forms at the respective evacuee property offices in Canal and Butte. They must bring in a list of articles that were stored.

All property from the Maryknoll School has been transferred to a government warehouse, and owners must fill the proper forms.

It is necessary that drivers violating ordinances set up by the Internal Security have their licenses revoked and not be reinstated unless there is proof of definite compliance with safety regulations, the memo warns.

PASADENA

SCA SENDS GIFTS TO EVACUEES

Pasadena and its Junior College are remembering their former residents who are now in relocation centers this Christmas.

Christmas gifts for at least the number of Japanese Americans who left Pasadena have been set as the city-wide goal, and the Student Christian Association of the Jaysee will send more than 300 gifts to former students, most of whom are in Gila.

The SCA is pushing its gift drive through organizations and through the Jaysee paper, Pasadena Chronicle.

As part of the project, 218 books, collected by the "Y" during the summer, will be included in the gifts sent to the centers.

Farmers' Tax Deadline Near

Farmers who have not made their declarations of 1943 income taxes and payments of taxes are required to do so by Dec. 15, states Joseph Omachi, acting project attorney.

The legal office will assist in preparing tax reports, Omachi said. He urges interested residents to come early to avoid the last minute rush.

Attorney Omachi's schedule is as follows: Canal, Thursday afternoon (preferably by appointment), Butte, rest of the week.

TREASURY

Foreign Assets Must Be Filed

Anyone owning foreign property, securities, or bonds equal in value to \$10,000 or over in U.S. dollars, must file a report on his holdings on or before December 1, 1943, according to Paul Farmer, postmaster.

It must be filed on form TFR-500, which, together with instructions, may be obtained by Rivers residents from the Federal Reserve Bank in San Francisco, or Foreign Funds Control, U. S. Treasury Dept., Wash., D.C.

The information it gives the government will be put to use by the occupational and military authorities and by the agencies waging economic warfare.

Willful failure to file will be subject to criminal penalties.

Judges Choose Harvest Queen

In complete secrecy behind closed doors, five judges selected a "personality plus" Queen from the five finalists Thursday morning, to reign over Canal's Harvest Festival next week. With the secret known only among the five, the Queen's identity will not be disclosed until the grand evening of the Coronation Ball, Wednesday.

Big things are brewing at the CAS office, as plans are mysteriously being formulated for the evening of fun and frolic.

Bring your date to this sport formal occasion, and join in the festive spirit. Bids for the highlight of the Festival are on sale at the Canal NEWS-COURIER office, CAS, and the canteen.

SOLDIERS INVITED TO USO SOCIAL

Hi, Soldier! The Butte USO invites soldiers and their friends to a social at 43-8-A, 7:30 p.m. Tuesday, Nov. 23. There will be games, cards, dancing, and light refreshments.

✓ AND PICK

SCHOOL TEACHER—Michigan.

An elementary school teacher who is capable of passing state examination or who has a certificate from another state can find a good opening in a school that has children between the ages of three and thirteen. Salary is \$120 per month plus room and board. Another opening in the same school for nursery school assistant at \$75 per month plus full maintenance. This position does not require a certificate. The same school is anxious to place a couple for maintenance of grounds and housecleaning at \$80 per month each plus full maintenance, and a woman to act as house mother at \$80 per month plus maintenance.

FACTORY WORKER—Michigan.

A fine opportunity for several men who can be taught to operate machinery and equipment and do general labor in a dairy plant. Minimum pay is \$47.50 per week for eight hours a day, 48 hours per week. An unfurnished two-bedroom house behind the plant is available for employees.

TRUCK DRIVERS—Michigan

Four openings for truck drivers whose duties include driving and handling of drums. Loading and unloading is done with assistance. Salary is 84¢ per hour, 48 hours per week with time and a half for work after 40 hours.

SECOND CHEF—Illinois

\$65 per month with full maintenance for second chef in a hospital that employs many Japanese. Working hours will be eight hours per day, six days per week.

PART TIME DOMESTIC—Indiana

Girl who wishes to attend St. Mary's College will find this a fine opportunity for part time work. Duties consist of washing dishes after dinner and if time allows, assisting with dinner and some cleaning.

'Harvest Moon' Sails In Butte

A limited number of bids is waiting to offer good music, refreshments, and fun at the "Harvest Moon." Sports affair, it is sponsored by the Butte CAS on Thanksgiving, Nov. 25, at mess 60 from 8.

Bids now on sale at both canteens for 35 cents per couple. No stags.

SPORTS FORMAL FOR NEW YEAR

Sports formal was the type of affair chosen by Butte for the New Year's dance as a result of a recently-conducted survey, announced Joe Shigezane, Butte director of community events.

This poll was conducted to see how many people would like a formal dance.

MESS 45 TO BE TURNED INTO TOFU FACTORY

Personnel Head Due Monday

Lyston Black personnel officer in charge of the newly-formed personnel management section, is scheduled to arrive Monday, Nov. 22 from Los Angeles, according to Ben F. Runyan, acting project directory.

Black will be in direct charge of all evacuee employment, co-operate with adult education to train employees, direct the in-service training and take charge of recruiting appointed personnel through the civil service. He will be assisted by Tom Reynolds and Lillian Everman. This section will be under the administrative management division.

Formerly, Black was the district commander of the CCC camps in the Los Angeles area.

CAS SPONSORS MUSIC HOUR

The second of the series of Butte CAS sponsored music hour goes classic with John Fuyume at the piano, and recordings of "Scheherazade," by Rimsky-Korsakov Monday, Nov. 22, at chapel 59 beginning 8 p.m.

Fuyume will play Bach's Prelude and Fugue. "Scheherazade" is a symphonic suite from the "Arabian Nights," and played by Leopold Stokowski and the Philadelphia orchestra.

'Harvest Moon' Shines In Canal

In the crisp autumn air and with multi-colored leaves floating gently to bedecked floor, a nature's full harvest moon will shine upon the Junior class-sponsored student body dance at field 13, from 8 tonight.

Ask early for that date, for when they "give with the music," you'll want to "give with the feet." Bids are now on sale by the members of the class.

Mess 45 has been chosen as the site for the tofu factory, announces John C. Doucha, assistant project director of operations.

Equipment has already been purchased from Los Angeles, and is scheduled to arrive in a week.

With steady procurement of soybeans, production will start at the rate of 1,000 lbs. per day as soon as plans for the general set-up are readied.

H. E. Keadle, project steward, will temporarily supervise this project until Hoyt Martin, supervisor of industries, assumes full charge.

The tofu factory crew will consist of six persons.

Exclusion Act Repeal Approved

The Senate Immigration Committee this week unanimously approved legislation to repeal the Chinese Exclusion Act, according to U.P.

The committee substituted the Magnuson bill, which recently was approved by the House, for its own measure. Under this bill, 105 Chinese would be permitted entry into the United States annually.

Solid Geometry, Japanese Offered

Solid geometry, under George Nikaido, will begin Monday, Nov. 22, beginning 7:30 p.m. at 43-12-A. All interested are invited to attend.

A second section of Japanese for appointed personnel will be held Monday, Nov. 22, in the Butte hospital library at 7 p.m. Arrangements for a permanent time for meeting and the number of classes to be held per week will also be made at that time. Mrs. Toshiko Omamura will teach the group.

Thirty-five more days 'til Christmas. Mail your cards and packages early.

NORTHWESTERN FIRST HALF TITLE AT STAKE

28'S FOE

IT'S CARDINALS

Inter-camp Baseball League's third week of play is scheduled to continue tomorrow afternoon with undefeated Robin Hood meeting cellar-dwelling White Sox at Canal and Block 28 playing host to Cards in Butte. Both tilts are slated to begin 2 o'clock.

ROBIN HOODS TUSSELE WHITE SOXS

Chuckling the ball across the plate with deadly accuracy for the undefeated Robin Hoods, "Hookball" Ted Imura will probably chalk up another win over the White Sox this Sunday as they crossbat for supremacy at Canal from 2 p.m. The high riding Robin Hoods have knocked over two of the toughest aggregations in the inter-camp league to date, by barely nosing out the G-66's to the tune of 10-11, while the Block 28 nine bowed out by a sound trouncing of 7-2.

Starting off Imura on the mound and Minamide behind the plate, peppery infield will probably hold the Sox to the first sack. With their upsetting league debut, the Hoods are well on the upward climb for the prized pennant.

The White Sox will probably start the Aizawa-Nikaido battery.

NET MEETS

Second Rounds Are Tomorrow

Hideo Morita and Eddie Ogura, a former ranking Nisei netster of California, will meet in the second and semi-finals round of the Butte CAS Thanksgiving Tennis Tournament tomorrow morning at Court 35 from 9 o'clock.

In the mixed-doubles tourney also in the semi-finals, Mr. and Mrs. M. Iwata will meet a Eddie Ogura-Mrs. Onishi team in the round's first match from 10:30 a.m. The Fred Shimizu-Lillian Iwata team will face a Hideo Morita-Helen Osada duo in the second from 1 p.m.

The finals of both tourneys will be held the following Sunday, Nov. 28.

Cub Eleven, Huskies Meet Tomorrow; Gorll's Battle S.A. Hellcats At 9am

Butte Northwestern grid circuit's first-round championship will be at stake when the unbeaten Cubs and once-tied Huskies meet in the league's feature game tomorrow at Field 50, commencing at 1:30 p.m. In another final game of the initial round also, Santa Anita Hellcats and Gorll's will take the field from 9 a.m.

Although Cubs are pre-

sently leading, a win by either will give a club the first round crown. The winner is to later meet the second-round titlist for championship.

Since Cubs lead of only a half game with two straight wins against Huskies one win and loss, Cubs will be the round's winner if it turns out to be a tie. To take the crown, Huskies win. Line ups:

Huskies' Roster--Yosh Hirota, 1e; Johnny Suzuki, 1t; Arky Hirota, 1g; Tom Kaya, c; Mickey Yoshimoto, rg; Johnny Hamamoto, rt; Yoshi Hirano, re; Peanuts Takata, q; Benny Matsuda, lh; Alfred Miyagishima, rh; Bob Yoshimoto, f; Shoji, Shimasaki, hb; Benny Komatsu, q; and Yoneo Hisatomi, guard.

THANKSGIVING WEEK STARTS

NET FUND:

Trustees Start Writing Checks

The camouflage trust fund committee will start making out checks immediately for the distribution of \$55,000 of the \$75,166.67 net fund to those who were working during the operation of the camouflage factory. The remaining \$20,166.67 will be withheld for current expenses and taxes.

Residents here will be paid first, and arrangements are being made to pay those who relocated or were segregated to Tule Lake.

The trustees will find some way to distribute the checks, either by blocks or by names.

Butte Clean-Up This Saturday

This Saturday, Butte will give "a day's effort for our health" by staging a wholesale house and yard cleaning job.

The big Clean-up Day originated by the Community Council's public health committee and sponsored by the Council, is meant not only to clean the camp, but to make residents cleanliness conscious.

The schedule for the Clean-up Day, released by the Council is as follows:

8 to 9 a.m.: All beds should be taken outside. Mattresses and bedding should be shaken and exposed to the sun.

8 to 11:30 a.m.: General housecleaning.

1 to 1:30 p.m.: Beds and bedding should be taken inside.

1:30 to 4:30 p.m.: General block cleaning. Each block should organize teams including men, women, and children to work on

RIVERS' PROGRAM INCLUDES SHOWS, BALLS, SERVICES

Reflections from Rivers' Thanksgiving program plans glitter with the promise of a colossal five-ring circus crammed tight with entertainment and thrills, calculated to satiate the holiday needs of the residents.

J. C. Welles will touch off the opening gun of the Canal festivities with the crowning of the Harvest Queen at the coronation ball tomorrow night at Ball Room 16. Her Royal Highness, whose identity is jealously guarded by five men, and her court of four fair maidens

Council Study Offense Code

A code of offenses for the Rivers community, drawn up by the codification and legislation committees of Canal and Butte, is being studied by councilmen of both camps and will be voted on for approval shortly. The WRA regulations will remain in effect until the code of offenses is passed and a judicial commission set up.

The code was drawn up by a joint committee composed of Joseph Omachi, Karl Iwanaga, Tsutomu Ikemura and Joe Nakade. It lists 35 specific offenses and concludes with a statement on the punishment for offenses. Any violator would be subject to a fine of not more than \$300 or to imprisonment of not more than three months or to suspension of work or pay privilege for not more than three months, unless otherwise provided by enactment of the Council.

A copy of the proposed code is in the hands of each councilman.

Harry Miyake, Butte chairman, declared that the way the councilmen are tackling their work is very satisfactory.

the latrines and showers, laundry, ironing room, mess hall, and around the barracks and adjacent lots.

will be announced to the public amid a fanfare of trumpets. Many surprises, special treats, and entertainments have been promised for the evening.

THE MOON, TOO

Although royalty will not visit the "Harvest Moon" dance in mess 60, Butte, merriment and general enjoyment will not be lacking. All men in uniform will be admitted free of charge. Boys are asked to wear coats, but ties are unnecessary.

Tickets for both dances are still being sold at all three canteens.

INGENUITY PLUS

Running for three days, the Butte Art and Craft show is ready to do rushing business. Backed by all the blocks, many interesting exhibits will be on display at block 41-14 and mess.

THANKS GIVING

A special community Thanksgiving service by the R.C.C. will be held at the Butte amphitheatre Thursday morning at 10. The Rev. John Yamasaki will conduct the service. Hugo Wolter and the Rev. Yasaburo Tsuda will be guest speakers for the morning. The Butte Sr. high choral group and the Junior Church choir will render appropriate musical selections.

EDITORIAL:**MORE TO LIVING
THAN JUST A JOB**

Some men will work their heads off digging ditches for five dollars a day. Then they will complain that they do not have the pull nor the opportunity to sit at some cushy desk job and pull down twice as much pay.

The analogy holds true for many nisei. The nisei generally have not been aggressive enough to make the necessary friends or contacts which may lead toward a job commensurate with their skills and capability. This holds true not only in vocational, but in social and cultural life as well.

The nisei have not recovered sufficiently from their reticence even in the friendlier atmosphere of the Midwest and the East. We have had reports that nisei generally keep nisei company and in many instances make no effort for other contacts.

Masao Satow, field secretary of national YMCA for work among nisei and issei confirms this general statement. He reports that evacuees are, by and large, making good at the job of rehabilitation of their uprooted lives, but that more exertion on their part for acceptance would not be amiss.

He said, "Making good at a particular job is not enough. Most evacuees on non-working days limit their contacts to fellow evacuee groups—endless rounds of bowling, shows, poker, etc. That is not integrating into the American society."

Satow has seen much of America since he received his indefinite leave from the Granada Relocation center. He has traveled something like 20,000 miles and visited most of the cities where nisei have resettled.

The gist of what he had to say was that evacuees can do more than they are doing to help themselves. For residents in the centers he suggested that correspondence with friends in home town communities be kept up and that letters of appreciation be sent to people who are going out on the limb for evacuees.

The general tone of his reaction to the picture of resettled nisei and of the relocation program was hopeful. He said that resettlers are selling themselves and the WRA and organizations interested in nisei work are doing a good job.

**'WE OWE THEM A CHANCE
TO BE GOOD AMERICANS'**

Writing editorially of the nisei in the North Town (Chicago) News, Harvey O'Connor says that evacuee resettlers in Chicago are "100 per cent loyal, because they've been tested as few other Americans are."

Ordered into relocation centers, those, who are out now, "have passed every test of the army, and the War Relocation Authority." He wrote further:

"As a matter of national defense, it was necessary to uproot these hard-working, sober, useful people, most of them citizens of our country, born here. They have had to sacrifice their home, their jobs and happiness. Chicago's manpower shortage has drawn them here.

"Now that they have been tested, we owe them something. We owe them the chance to earn a living on their own; to become established in their new homes, to be considered what they are—good American citizens, anxious to do their bit in the war against the Berlin-Tokyo Axis."

**Ex-Gilans Show
Leadership**

Reports that come in from and about alumni of Rivers high school show that nisei students are not only adapting themselves to outside life among Caucasians and new environment, but also are showing initiative and leadership on their campuses.

Take the case of Canal high's former student body president Richard Inoguchi, who never did like just plain going to school. At the Evanston Collegiate Institute in Illinois, Inoguchi is making sure he's not just a plain school-goer by working on the school paper, serving on the Religious and Social Activities committees, and at the same time pulling down an A in courses like chemistry.

"I'm having lots of fun, too," he writes. "Everyone is so nice. Outside of Gila, I think it's the swellest bunch of young people. For those in Gila that wish to spend two years in J.C. earning their way and having a good time, I really like to recommend E.C.I."

Like all former Gilans, Inoguchi is experiencing snow with fascination. "We've having snow today," he writes. "It sure is wonderful to see it again, but with it comes the biting cold."

Another Canalite, Satoshi Hata, has entered the Illinois Institute of Technology with a National Student Relocation scholarship, and is majoring in engineering.

From North Park College in Chicago comes news of Wilson Kumataka through the school paper, North Park College News. Kumataka and his college classmate, Tad Naruse from L.A., are featured with a picture and an article on "two young men of whom North Park can be proud."

Says the College News: "Among the interesting personalities on the campus this year are two Japanese students, Wilson Kumataka and Tadashi Naruse. Wilson is taking a pre-medical course.

FARMERS BEGIN WORK ON AUTUMN HARVEST

Harvesting the 80 acres of Manco maize started this morning, disclosed Carl Quast, farm supervisor. The harvest will yield a year's ensilage supply--approximately 800-900 tons. Since special equipment is needed to harvest the maize, it is done by contract. Six days will be required to complete the harvest.

Thrashing also began this morning on 140 acres of dwarf maize. The grain will be used for the hogs. About 3,000 lbs. of the grain is expected to be thrashed.

Tapery beans will be

WRA Nurse To Review Gila

Gertrude Wetzel, WRA assistant nursing consultant from the Washington office, arrived Sunday to review the nursing situation in Rivers, announced Dr. Joseph McSparran, chief medical officer.

She will remain on this project for one or two weeks. Miss Wetzel was formerly chief nurse in Manzanar.

Corwin To Visit Gila

George B. Corwin, secretary for work with Boys' Nat'l. council of the YMCA will visit Rivers tomorrow, Nov. 24.

There will be a joint meeting of the Butte and Canal "Y" groups at Chapel 59 tomorrow at 2 p.m.

Corwin is also the National Hi-Y secretary.

COMMERCIAL LAW

Classes in commercial law will start in Canal if the response is great enough. The classes will be conducted by an evacuee who practiced law during pre-evacuation days.

All interested persons should register at the adult education office in rec. 13.

harvested by the end of this week. These beans, now maturing on the project, are being grown for the first time in Arizona. They will be used for project eating and seed purpose, but some will be given to government agencies for seeds. The yield is expected at about 3,000 lbs. per acre.

SAIO HERE

Executive "Y" secretary of the ten relocation centers, Masao Sato, arrived in Rivers Saturday to help the YMCA programs here, according to Ken Dyo, "Y" coordinator.

Sato expects to stay through Thanksgiving.

CENTER CHICKEN START LAYING

The branding of 509 head of feeder cattle was completed Saturday, announced Walter Emrick, livestock head. These cows, to be used for meat, weighed on the average, 790 lbs. apiece. They were brought from the Patterson cattle ranch near Oracle, Arizona.

Four thousand pullets on the project farm have started to lay. In addition to 4,000 six-week old chicks, 5,000 chicks are scheduled to come in from Petaluma hatchery in California on Dec. 9.

There now are 159 dairy cows, including calves. Of the 123 cows, 80 are giving milk at the rate of 220 gallons per day.

Never A Dull Moment Here

(Continued from Page 1)
and other foods will be sold at the craft show, sumo, football, and the aeronautical contest by the Senior high school. All proceeds will be used in the publication of the school annual.

TOTS' TOYS

For the benefit of parents who have never had the opportunity of finding out what kind of toys and games are available to their children, the Butte Toy and Loan Department will hold an open house Saturday Nov. 27 from 9-11:30 a.m.

Three girls, headed by Kazuko Yanagihara, see to it that the children's needs are satisfied. Regular hours of the department are 1-5 p.m. on weekdays and 9 a.m.-4:30 p.m. on Saturdays.

HAND MADE

Taking up three complete buildings, which include an open house for the Canal high school domestic science room, six organizations will display their handicrafts during the grand exhibit to be held on Saturday from 9 a.m. to 9 p.m.

Housed in the high school library, domestic science room and mess 13, the following organizations are participating in the affair: Senior Men's Club, Women's Club, Model Ship, Elementary School, Farm Management, and High School. Anyone wishing to enter his article is to contact the above organizations.

"STEP THIS WAY..."

Replete with horse barkers, cats, and concessions, the Canal carnival will throw open its doors on Saturday and will continue through Sunday.

Bingo, pony pitch, baseball throw, wheel of fortune, shooting gallery and many other concessions have been concocted this year by ingenious citizens of Canal. At 9 p.m., the raffle drawing will be held at the outdoor stage. The lucky holder of the winning ticket will receive a 100% all-wool double bed size blanket.

TOFU, A DREAM NO MORE

Tofu equipment has been shipped from California and should arrive here in a day or two, stated Project Director Bennett, who returned Sunday from a procurement trip to California.

The proposed cannery at Rivers probably will be in operation in about two weeks, states Bennett. The cannery, to be supervised by Hoyt Martin, will be located in the building across from dehydration plant in Canal.

TURKEY FOR THANKSGIVING

Traditional Thanksgiving dinner is in store for Rivers residents Thursday, Nov. 25, announces Kyuni Furuno, senior steward.

The 7,417 lbs. of turkey, which arrived Saturday, heads the menu list. Other delicacies include chicken soup, cranberry sauce, gravy, stuffing, candied sweet potatoes, fruit salad, apple pie, and others.

Farm Is Sole Source Of Project Meat

Pork shortage will not be alleviated unless men are obtained to haul garbage to the hogs, announces Walter Emrick, livestock head.

At present, the garbage is being given away to outside hog-men. That garbage can be used to fatten and support 590 more hogs in addition to the 1,410 hogs now on hand. Grain may be used, but it is expensive. The supply received on the project is limited and is not nearly as fattening as garbage.

Meat, according to H.E. Keagle, project steward, is unavailable from the outside. The only meat the Rivers residents can get is what is raised on the project farm. Under the ration point system, Rivers is allowed about 81,000 lbs. of meat—beef and pork—per week. This quota can be but partly filled unless men volunteer to haul garbage to the hogs; and fatten them so they will reach the weight necessary for slaughter.

Twelve men are needed, and this is a \$19 job. Those interested are requested to report immediately to the Butte employment office.

NEXT DAIKON CROP IN DANGER

Rivers residents are requested by Carl Quast, farm supervisor, to refrain from taking daikon from the seed farm.

These daikon are being grown for seed, and are not to be used for eating purposes, or the seed supply for the next planting season will be diminished.

MANUAL ARTS

Machinery, wood work, cabinet-making, furniture construction, etc., classes start tonight, announced Mike Endo, ass't. adult education director.

All those who have registered are asked to attend this initial meeting.

HOW TO GET SICK LEAVE, UNEMPLOYMENT CERTIFICATES

Rivers community hospital medical social service has taken over the responsibility for issuing sick leaves and unemployment compensation certificates announced Josephine Wilson, medical social worker.

COUNCIL

LOOSE CHICKEN STILL A MENACE

The public health division has called the community council's attention to the health menace caused by loose chickens, especially in Block 45, stated Harry Miyake, chairman of the Council.

Since the housing committee recommended closing of Block 45, we feel that the problem automatically will be taken care of, states Miyake. Otherwise, rules which are now being considered to cope with such situations, will be enforced.

Lack of Leather Holds up Class

All persons who have registered for the leather craft class are asked to take their fees to the adult education office 43-1-D, immediately, announced Mike Endo, ass't. education director.

There is a good possibility that we will be able to get the leather if we put up the money in advance, said Endo.

For complete information, contact 43-1-D.

The service will be coordinated with the employment office and its purpose is to help patients use sick leave and unemployment compensation to better advantage, and to relieve doctors from the burden of details in connection with this program. This procedure started in Butte on Oct. 10, and has been carried on in Canal for only the past two weeks.

When the program is completely organized, it will mean that a person asking sick leave will get a written request from his timekeeper. Then the medical social worker in the hospital, will arrange to have him examined in the clinic where the doctor decides on his employability and issues a certificate of his condition. Upon that authority the Social Worker issues a certificate of physical disability to the employment office covering the dates stipulated by the doctor.

HOSPITAL PLANS BENEFIT TEA

A silver benefit tea will be held by the dietary aides Sunday, Dec. 5, announces Dr. Grace Lawson, head dietician.

It will be held in the front garden of the Rivers community hospital, from 3-5 p.m. The public is urged to come, as the silver offerings will be used to buy white duty oxfords and shoulder capes for the dietary girls.

EDDIE OGURA GAINS FINALS

Eddie Ogura downed Hideo Morita in the Thanksgiving semi-finals of the Butte CAS Men's singles tournament 6-1, 6-3 last Sunday morning.

In the semi-final rounds of the mixed doubles meet, the Eddie Ogura-Mrs. Onishi team downed Mr. and Mrs. M. Iwata 6-3, 6-4. The Fred Shimizu-Lillian Iwata duo defeated the Hideo Morita-Helen Osada combination 6-1, 6-3.

BUTTE POTENTIAL ELEVEN IN CANAL TUSSLE

IN TOUCH TACKLE AGAINST PREPS

The battle of all battles--the upsetting Canal High Golden Bears will engage the Potential Threats on Thanksgiving Day at the Canal Colosseum from 9 p.m.

Although little is known of the Butte team, the Canal prepsters with a fast back, and a light but very tricky line, is predicted to have a slight edge over them, and should take the encounter by a touchdown.

Practicing diligently for this big battle, Coach Stringer's eleven is sighted to make a tough day of it for the challengers.

Stringer will set his team up on endsweeps, off tackle trick plays, and a fast serial blitz.

Warehousemen, Nightmares Slated For Thanksgiving Classic

In conjunction with the CAS, a Butte Warehouse eleven and Nightmares will stage a Thanksgiving Day tackle football class Thursday at Field, 50. The opening kick-off is scheduled for 2 p.m.

NORTHWESTERN CUBS TIED BUT ROUND'S CHAMP

Northwestern Grid League's first-round Champions are none other than Cubs.

In a hotly-contested see-saw battle, the hard-fighting eleven of Mentors Blackie Ishimoto and Ken Sakanashi battled Huskies to a 0-0 draw last Sunday but finished the round a half-a-game ahead of their rivals.

Although Cubs held the advantage in first downs 6 to 5, both sides in unrecorded statistics battled fairly evenly.

With Huskies center Tom Kaya and Backs Mits Taniguchi and Johnny Yamamoto of the Cubs doing the kicking, the two clubs did some neat punting of an estimated goodly over-net 30-yard average.

Hellcats finished in third spot, downing Gorll's 6-0. Quarterback George Toyoda's 18-yard pass to leftend Hide Kurakusu started a 8-play closing-minute drive which brought the winners to their foe's one-foot mark. Fullback Taka Iwashika romped over into paydirt.

Both of Inter-Camp Horsehide tilt in Butte ended 5-4 over the weekend.

Pinch-hitter Eddie Iwao's sacrifice-squeeze play hit pushed across Nelson Tanaka with Block 65's winning ninth-inning run over G 86's.

Yoshi Hirota scattering 7 safties, was the winner.

Masato Kinoshita's third single in the eighth batted in Kenshi Zenimura with the deciding tally in Block 28 win over Cards. George Matsuda bested Moon Nakamura.

The Robin Hoods-White Sox tilt in Canal was called off on account of the sandstorm in the first.

BEARS THROTTLE CRIMSON TIDES

Speedier, taller and outweighing by far their opponents, the heretofore undefeated Crimson Tide met up with a convincing 6-0 blanking in their most humiliating grid battle to date, at the hands of the "so-called", sadistic Canal High Golden Bears.

Parading onto the scene of battle as vaunted favorites, the overconfident Tides were stopped short, as Coach Stringer's fast improving preps created an "impenetrable defense".

The tussle was strictly independently arranged and the use of the CAS field is only to accommodate or unofficially help out non-CAS athletics.

The Warehousemen, in practice games thus far, claim two wins in the same number of starts. Besides a 12-0 win over Convoys, it includes a 13-0 triumph over Nightmares previously.

Southwest Title Yet Disputed

It's still a two-way tie at the end of the regular Southwestern pigskin circuit's first-round flag-race schedule.

Don Babes and Ramblers remained deadlocked, both victorious last Saturday with triumphs over Wolverines 6-0 and over Blackhaws 26-0 respectively.

With fullback Shig Kaida powering his way to the first three touchdowns and End Ralph Osada crossing over on a pass for the fourth, Ramblers scored in every quarter in their easy win over Blackhaws. Quarterback Tak Hamamoto and righthalf Yosh Terazawa added a conversions.

Don Babes' lone touchdown in their win over Wolverines came in the third period. Fullback Charley Yamaguchi's 15-yard pass to rightend Mas Saito brought the ball to their opponent's two and on the first play, Yamaguchi ran it over.

CANAL Kate Yasumoto Harvest Queen

Her Highness, Miss Kate Yasumoto was crowned the Queen of Harvest at the Coronation Ball in Canal last night after weeks of hectic campaigning, voting and suspenseful secrecy.

Amid a fanfare of trumpets, Her Highness entered the ballroom dressed in a beautiful flowing gown of white. Following were her four attendants, Kimiyo Ryono, Tokie Takemoto, Yuriko Matsuka, and Chiyeko Yoshikawa.

Capping the Thanksgiving Day off, the Canal CAS and the Dramatics Department will sponsor a talent show tonight at 7 at the community stage in collaboration with the Canal angeibu.

For the two concluding days of the Harvest Festival, the site west of the Canal community stage will be buzzing with activity as the carnival goes into full swing from 1 p. m. Saturday.

Arts, Craft Show Opens Friday

One of the features of the Butte Festivities program is the Arts and Crafts exhibit which opens tomorrow at Block 41-14 and mess 41.

The exhibit, which has the whole-hearted support of all blocks in Butte, will be open to the public Fri., Sat., and Sun.

METHOD OF COMPUTATION FOR NET FUND RELEASED

The net fund share for a person who was working during the entire camouflage period from Dec. 17 to May 27 will be \$8.76, the net fund trustees an-

nounced yesterday. The share for those who worked fewer days will be proportionately smaller.

The method of computation was explained as follows:

The total man-days of all workers during the net factory operation was 1,015,161. The amount to be distributed, (55,000) is divided by the total man-days (1,015,161) to get the rate per man-day (\$.0541). This rate multiplied by the number of days worked by each resident is his share of the fund. 162 days is the maximum number of days that could have been worked.

HARVEST MOON' DANCE TONIGHT

The Man in the Moon will be looking down from a harvest moon tonight.

You may not be the Man in the Moon, but you can attend the terrestrial "Harvest Moon" tonight. It will be held at mess 60, from 8 p. m., sponsored by the Butte CAS. Refreshments will be served.

Joe Shigezane said that only couples will be admitted.

THANKSGIVING CYCLE 1621-1943

In the year of our Lord 1621, the Pilgrims were uprooted from their homes in California and journeyed eastward into the unknown world. Some found temporary refuge in Manzanar, Schwer, Heart Mountain, Poston, and other lonely spots in the wilderness.

Our heroes landed in Rivers in the middle of one of America's vast deserts.

The first year was marked by great suffering. Extreme heat and extreme cold, and there was nothing to relieve the two extremes. Hostile natives, resenting the intrusion of the little colony of 14,000, harassed the colonists from all sides. The Pilgrims were ever on their guard against unexpected attacks.

The spring of 1943 opened. The seed was sown in the fields. The colonists cared for it without ceasing, and watched its growth with anxiety; for well they knew that their lives depended upon a full harvest.

Friendly visitors from the wilderness, among them Eleanor Pocahontas and Massasoit Myer, came and shared

NEWS - COURIER

MUCH TO BE THANKFUL FOR

New York Group
Preps Program

Thanksgiving Day dawned today, with another Dies Committee investigation impending; with the Tulo Lake blow-up still reverberating in California and Washington, with the sensational expose of Gila River in the Los Angeles Examiner still fresh in our minds. The radio and the newspapers today were not reassuring.

Dies, Hearst, and unfortunate circumstances may play against us, but they can not deprive us of the right to be thankful for the good things that have visited us this year.

We can be thankful that over 1700 Gilans have resettled in the past year, and the vast majority are making satisfactory adjustments to their new environment; that like the Pilgrims of more than 300 years ago, we have lived this second year in much greater comfort and peace of mind than the first year; and that there were many contributing factors which have made possible the above two.

CALIFORNIA PILGRIMS
REAP BOUNTIFUL HARVEST

(continued from page 1)

their peace pipes with the colonists. They brought with them pictures of a New World...a land of vast opportunities for those who would brave the wilderness.

The days of spring and summer flew by, and the autumn came. Never in California had the Pilgrims seen the like of the treasures bounteous Nature now spread before them. The desert land was arrayed in gorgeous colors, brown, crimson, and gold, and promises that had been concealed during the summer. The farm-plots had been blessed by the sunshine and showers, and now plentiful crops stood ready for the gathering. The Pilgrims, rejoicing, with the spirit of thanksgiving, hold their first harvest-home in Rivers.

The Pilgrims entertained for five days. And bountiful was the feast. Turkey there was, and chicken soup, cranberry sauce, gravy, stuffings, oleomargarine, apple pies, creamed onions, and the like. Kettles, skillets, and oven were overworked, while knives and spoon, kindly assisted by fingers, made merry music on G.I. plates.

All slumbering discontents they smothered with common rejoicings. When the holiday was over, they were surely better, braver men because they had turned aside to rest awhile and be thankful together. So the exiles of California claimed the harvests of Arizona.

The New York Church Committee for Japanese Americans, an outstandingly militant organ protecting the civil rights of persons of Japanese ancestry, and active in aiding resettlement in the New York area, reports that its activities have increased materially in the last five months. It expects an increasingly important activities period in the future as young people from the relocation centers continue to resettle in New York.

In the five month period, the Church Committee has incorporated the Advisory Committee for Japanese Americans. It has also become the local committee for resettlement in the New York area of the New York Committee on Resettlement of Japanese. This last committee is composed of representatives of many church and social organizations in the city.

The Church Committee—address, 150 Fifth Avenue, 11th Floor, New York City—has advised prospective resettlers in New York that its office is available for services upon reaching New York. It suggests that resettlers write before arrival.

One of the regular activities of the Church Committee is a Tuesday evening social gathering with 150 or more young people in the group.

HOSTEL HEAD
DUE FRIDAY

Ralph Smeltzer, director of the Chicago Brethren Hostel, will arrive in Rivers Friday to discuss the hostel program with various groups, announced William Huse, temporary relocation head.

Saturday afternoon at three, Smeltzer will meet with the hostel committee. On Sunday, he will speak to the relocation committee at 9 a.m.

Anyone who is interested in hostels can contact him at the relocation office at either 69-6 or 8.

LA. EXAMINER PUTS RIVERS UNDER NOTORIOUS LIGHT

Rivers came in for considerable notoriety in the Nov. 22 issue of the Los Angeles "Examiner." The "Examiner" said that information gathered by undercover agents show that evacuees at Rivers "have stolen knives and other weapons, cached lavishly-

Refund Payment By Co-op Soon \$20,000 BEFORE XMAS

The Co-op Board of Directors Monday voted to pay its members \$20,000 in cash refunds before Christmas, which will be about 30% of each members revolving fund certificate plus interest.

The Washington office last week accepted the Co-op's proposal that \$10,000 be paid on the WRA note and that about \$20,000 be distributed to the members as a Christmas patronage refund.

The cash payments will begin about Dec. 5, and if possible, should end about Dec. 15 stated Masato Kato, secretary of the Co-op. The location and time for payment to each block will be announced later. Payment will be made only when the revolving fund certificate is presented.

Property Owners Sought By WRA

The WRA is seeking the whereabouts of three evacuees whose property is stored at 119 South Matthews Street in Los Angeles. The owners of the property are listed as Dr. D. Matsumoto, Tosaka, and Kamona.

Anyone knowing the whereabouts of these persons is asked to contact the evacuees office.

MORI PROMOTED

Tetsuzo Mori, former assistant manager of the Canal dry goods store and lately the inventory and requisition department head, was appointed assistant general manager of the Gila River Co-op this week, announced Bunji Ikenoue, general manager.

supplied food and wasted supplies in flagrant contempt for the War Relocation Authority officials."

The materials have been gathered by James Stedman, West Coast investigator for the Dies Committee. The "Examiner" said that they "will be a mainstay in hearings ordered by Chairman Martin Dies into WRA management of the relocation centers.

Project officials declared that the accusations were "ridiculous." They are preparing a point-by-point factual refutation of the charges.

BUTTE

Health Day Set For Saturday

With "A Day's Effort For Our Health" as the slogan, Butte will hold a Big Clean-up Day this Saturday.

The schedule set by the Community Council is as follows:

8 to 9 a.m.-Beds should be taken out. Mattresses and beddings should be shaken, dusted and sunned.

8 to 11:30 a.m.-General house cleaning.

1 to 1:30 p.m.-Beds and beddings should be taken inside.

1:30 to 4:30 p.m.-General block cleaning. Each block should organize teams including men, women, and children to clean latrines and showers, laundry, ironing room, mess hall, around barracks and adjacent lots.

An inspection crew probably will be formed to make the rounds of each block.

Raffle Tickets Still On Sale

Some tickets for the raffle are still on sale at the Canal canteen and CAS. You can't invest too much on this deal. You might be the lucky winner of a 100% wool blanket, first prize; a floor lamp, second prize; or a florescent lamp, third prize; and an one of twelve other prizes.

NET

Distribution Of Funds Explained

(continued from page 1)

The trustees also explained the withholding of \$20,168.67 for current expenses include clerical labor, bank checking expenses, stationery, and stamps. By taxes is meant a refund on income tax to those who worked at the net factory, provided they submit a certified copy of their income tax return. Camouflage workers paid income tax on the total amount earned--the money they actually got plus the money that went to the net fund. Therefore, it is only proper for that part of the income tax which was paid on money contributed to the net fund to be refunded to them, said the trustees.

Boyer-Lamar Opus On Screen

"Algiers," the drama of an adventurer's last stand, pits the romantic magic of Boyer against Lamar at her exotic best.

The film will be shown Friday in Canal and Saturday in Butte at 7:30 p.m.

Oiled Sidewalks Now Being Laid

Due to heavy pedestrian and motor traffic which constitutes a safety hazard, a four-foot wide oiled sidewalk is being constructed from the Butte administration building to the Rivers community hospital, announced E. W. Nichols, grounds section head.

The sidewalk will be about 700 ft. long. Construction work on it began Monday, and oiling will commence next Monday. It is expected to be completed by the end of next week.

LOWE DUE TODAY FROM WASHINGTON

Robert P. Lowe, WRA sanitary engineer, is scheduled to arrive today from Washington on official business, according Dr. Joseph McSparran, chief medical officer.

Lowe will stay in Rivers for a week.

WINTER FLOWER SEEDS NOW AVAILABLE TO FLOWER-LOVERS

Planting of castor beans is discouraged by E. W. Nichols, grounds section head, until spring as they will not grow well in winter.

However, Rivers residents are encouraged to plant flowers. A variety of winter annual flower seeds may be obtained by

applying at the grounds offices, 42-14-A in Butte, and 16-14-D in Canal. Seeds on hand are calendula, scabiosa, stock, and larkspur. They are colorful and bloom for a long time, adds Nichols.

Second Bussei Outing Tomorrow

The Butte YBA will hold their second Bussei outing this Sunday, Nov. 28 from 2-5 p.m. Unexpected rain automatically cancelled the last one. All persons planning to go are reminded to gather at Temple 42 between 1:30 and 2 p.m.

The girls are asked to prepare enough, or a little extra, food for two persons, and the fellows are to take blankets and money to provide the drinks.

Sign-ups are now being taken by respective block representatives. The exact locale of the outing was not known at the time of this writing. In case the weather should change, mess 42 has been reserved to hold an indoor get-together.

PLEASE RETURN ALL HAND TOOLS

All residents who borrowed hand tools from the farm division are asked to return them immediately to the block managers or unit foreman, said Carl Quast, farm supervisor.

An inventory of farm equipment is now being made, and all government property must be accounted for. The tools include shovels and hoes. The cooperation of both communities is asked in making the inventory complete.

WRA MESS OPERATION HEAD HOLDS CONVENTION IN GILA

To increase the efficiency of mess operations at each of the respective projects concerned, project stewards from Poston, Manzanar, Granada and Gila held a conference with Frank W. Harding, WRA Chief, Division of Mess Operations, in Rivers re-

cently.

Main topic of the conference was the reading and discussing the new handbook for project mess operations. Subject included rationing, general set-up, and job control to fit the budget. They also inspected cold storage and food warehouses, and visited kitchens and mess halls in both communities. Harding was here on a periodical visit, and is the ex-project steward of Gila.

This conference was the first of its kind held in the ten relocation centers. Gila was chosen as the site for the meeting because of its location and general physical appearance.

Xmas Pageant Being Readied

The Butte Christian church is preparing for the Christmas Pageant and a drama entitled, "Why the Chimes Rang" to be presented at the amphitheatre on Dec. 26. Persons connected with the pageant and the drama will meet at 7:30 tomorrow night in Chapel 59.

The pageant is being written and directed by Miss Mabel Sheldon of the Butte high school faculty.

ACCOUNTING POST-PONED

The Butte cost accountant classes, conducted by the finance section, postponed its meeting yesterday to Monday, Nov. 29, because the session would have interfered with community activities for Thanksgiving, announced W. G. Graham, finance officer.

Regular classes will be held Mondays and Wednesdays. "I'm very pleased with the interest taken by the evacuees. We started the class with nine but now have about 25," said Graham.

BABY SPORTS SERVICE FLAG

Rocky, an 18-day-old baby of a Rivers relocater has hit the page of an Oklahoma city paper with the headline, "City Japanese Baby Sports Service Flag."

Rocky's father is 27-year-old Pfc. Sammy Saishyo, who joined the army three months before this war. He is now stationed with the medical corps at Fort Sill. Mrs. Faye Saishyo and her husband are natives of Los Angeles. With evacuation, she was

sent to the Gila relocation center.

Mrs. Saishyo moved to Oklahoma City last December to be near her husband. She is staying with Mrs. Ethelyn Beistle, where she helps care for Mrs. Beistle's two young boys.

Residents in the vicinity are charmed with the young army wife. She cares for the neighbors' children while the parents are away, and is a frequent guest in many of the homes.

Nisei Sgt. Wins Flying Cross

The War Department announced the awarding of a Distinguished Flying Cross to Staff Sgt. Ben Kuroki of Hershey, Nebraska, as decorations were given to 1,548 officers and enlisted men of the U.S. A.A.F. who participated in the low level bombardment attack on the Ploesti oil refineries in Rumania on August 1, according to the Pacific Citizen.

Flowers Thanked By First Lady

The project received a personal letter of thanks Tuesday from Mrs. Eleanor Roosevelt for the bouquet of chrysanthemums sent to the First Lady ten days ago.

Wrote Mrs. Roosevelt, "I have received the chrysanthemums and am delighted to have them. I want to thank you and all those who joined with you in sending me these lovely flowers."

The flowers, grown by Itaro and Dan Nakada, chrysanthemum culturists, were sent to keep a half-year-old promise to Mrs. Roosevelt, who expressed a desire for the fall flowers when she was here in March of this year.

MYER DEFENDS RELOCATION BEFORE AMERICAN LEGION

Dillon Myer, WRA director, walked into the very maw of WRA critics last week and declared that the proposal to keep loyal Ja-

panese Americans and loyal alien Japanese under heavy guard for the duration of the war was "fundamentally un-American."

Myer addressed state commanders and adjutants of the American Legion at the organization's national headquarters in Indianapolis. W.C. Sawyer, Rivers' superintendent of schools, attended the same conference and said that Myer handled a tough situation well.

"We do not share," Myer said, "the point of view that there is no way of determining the loyalty of persons of Japanese ancestry. Our primary aim is not to manage the relocation centers, but to encourage those who signify their loyalty to the United States to return to private life."

In stating that placing heavy guard over the loyal evacuees was "fundamentally un-American," the WRA director was striking back at American Legion proposals that the centers be placed under army control.

Army Wants No Part Of Tule

Representatives of the War Department declared before the Senate sub-committee of the military affairs committee that the operation of the Tule Lake center would place a needless burden on the army. They said in effect that the army does not wish to take on the administration of the center.

Rep. Engle, California, stubbornly maintained that army control was the only adequate means to correct the serious situation at Tule Lake. It is believed that determined efforts will be made by California congressmen to push the House resolution introduced by Engle which will place the center under army control.

Butte Clean-Up In Full Swing

Project Director Leroy Bennett made a personal inspection tour of Butte this afternoon as a member of the five-man crew inspecting the progress of today's Big Clean-up campaign sponsored by the community council.

Six trucks have been furnished by the public works division to haul away rubbish swept up by the residents, stated Masato Kato and George Okazaki, public health committee-men of the council. As the trucks make the rounds of the block, three volunteers from each block are asked to help load the rubbish from their block.

WRA HAS DONE WELL

Pearl Buck, an acknowledged authority on Oriental psychology, warned at a hearing in Los Angeles that Californians and the Donnelly "fact-finding" committee were dealing with international dynamite when they aired the racial prejudice existent on the West Coast. She said that it was not a local matter.

The Californians have not heeded the advice. The Tule Lake affair has touched off a new flare of publicity that is having repercussions in Washington. Ray Richards, evacuee-baiting Washington correspondent for the Los Angeles Examiner, wrote that "the probabilities are that Myer (WRA director), unable to stand a solid year of exposure, will be forced out as just an-

other New Deal sacrifice."

Those are ominous words to racial minorities in this country and in the world of colored people, and even to the principles which moved the Moscow agreement, for Myer has been one of America's clearest thinkers and talkers on the international implications of evacuation and resettlement. The propagandists of Tokyo and Berlin can use the fact of evacuation to advantage, but they have never proclaimed to the world the liberal policies of the WRA in the difficult problems of administration which have risen as a result of the exodus. They have reason to fear the truly democratic practice.

A War Department representative declared yesterday that the Army is unwilling to take over the Tule Lake center. Barring Army control of the WRA, California congressmen will probably make a determined effort to discredit WRA policies and administration under Myer.

Tokyo, Berlin and the racial minorities in America will be watching the political machinations in Washington closely. Their future will be most directly involved with the decision regarding the WRA.

The WRA has handled the ticklish problem of detention of citizens with no little success. Myer's policy has consistently been careful of the civil rights of citizens—an exceedingly important matter under present circumstances.

In the last half year, evacuees have become a more emotionally stable and harmonious group. The primary factor for the improvement is that they have recovered from the shock and disillusion of evacuation and concentration in centers. Another important factor is that Myer has set a policy in the centers which has shown evacuees that America intends to be democratic in the treatment and solution of the knotty problems which followed evacuation.

Myer has done an excellent job in the nine centers. To condemn him and the entire WRA program indiscriminately for the Tule Lake incidents, which is a problem peculiar and apart from the legitimate function of the WRA, is similar to reasoning that America is not a democracy because of the poll-tax laws.

WRITER SAYS

Issei Virtues Being Neglected

Joe Grant Masaoka, Pacific Citizen columnist, believes that nisei are neglecting many of the virtues of the issei pioneers such as "shimbo"—frugality, and the "make-girai" feeling—shame for coming off second best.

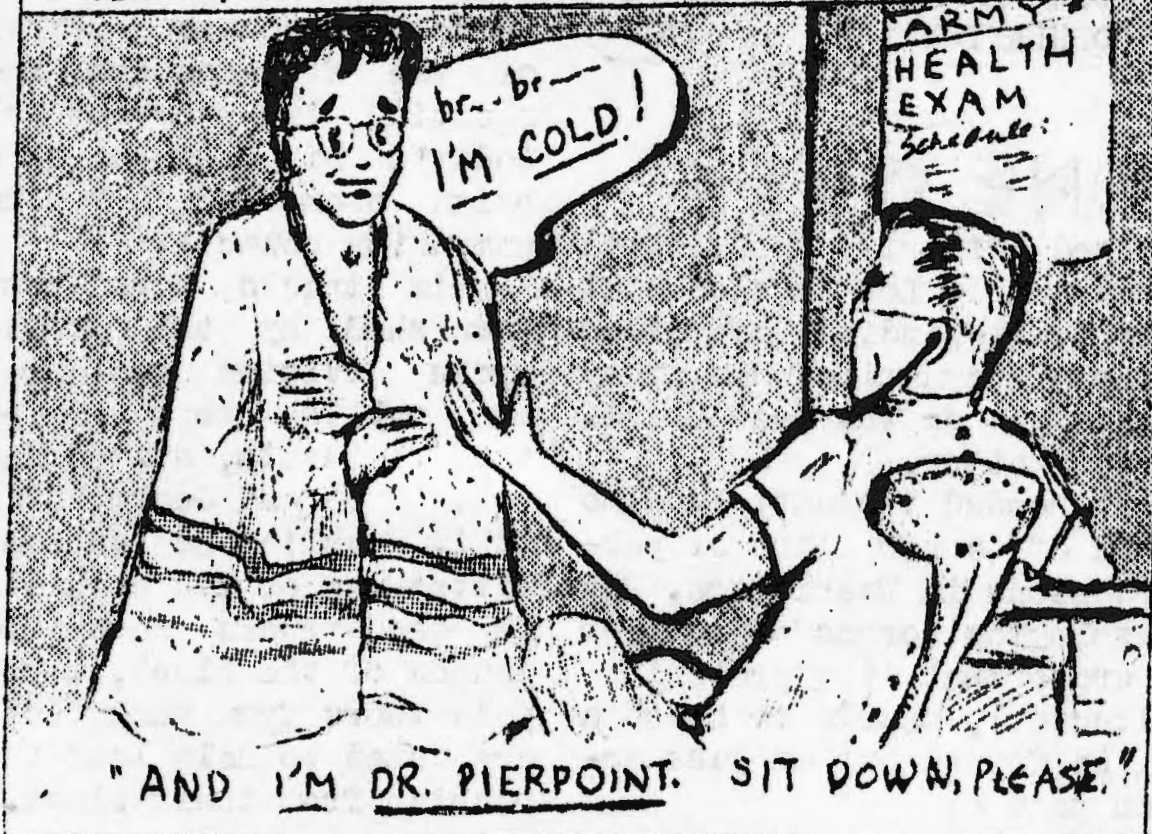

Instead of the discipline and self-denial so necessary in building financial independence, writes Masaoka, nisei are reportedly allotting too much of their time and income to recreation. Shows, night-clubbing, skating, dancing, and pool halls seem to be major interests. 'Tis common talk that a bowling alley in the Japanese-frequented sections of town would be a gold mine.

The hardihood and determination of our issei parents to establish themselves is unmatched by their nisei children today, Masaoka continues. As nisei relocate, complaints are heard of the hardships of shoveling coal in wintry climates, the lower wage scales as compared to coast levels, the absence of automatic hot water, and the paucity of entertainment when snows shut them in. These seem petty trivia when one recalls our own childhood days.

Masaoka remembers that candy, oranges, and bananas were luxuries to be had only on holidays or when someone became sick enough to be confined to bed. The tail ender of the family always inherited his big brothers' pants. Yet, it was a happy growing up process for all of them.

"Each of us can recall incidents of the past concerning our parents' frugalities and economies. These memories come back with a pang and heartache. Now when we try to regain our feet and respectable standing in so many strange communities, perhaps it would not be amiss to face the future with the self-same courage, hope, fortitude, and thrift that our parents practiced."

UTAH GOVERNOR WARNS OF RESTRICTIONS ON JAPANESE RIGHTS TO VISIT GILA

Gov. Herbert B. Maw of Utah last week warned an Ogden audience that the rights of all Americans would be imperiled if any group becomes strong enough to restrict the rights of American citizens of Japanese ancestry, the Pacific Citizen reported.

Said Governor Maw:

"I hope that the time never comes when the liberty of any American citizen is limited or restricted merely because

RELOCATION

Six-Man Board Set-Up Planned

A relocation board will be set up in Rivers as a tentative working arrangement for relocation in accordance with Washington orders, announced William Huso, relocation head.

The board will be composed of six members, three evacuees and three from the personnel staff. The three from the staff will be chosen from a relocation committee which is made up entirely of personnel members.

The three evacuees will be chosen from a relocation planning commission of evacuees. The present relocation committee will be changed into the relocation planning committee, said Huso.

MUNCH AT MOVIE

As part of their campaign to raise funds for the school annual, Butte high students will sell peanut brittle, pop corn, and candied apples Saturday night on all roads leading to the amphitheatre and "Algiers."

Candy booths are also located at the Arts and Crafts exhibit in Block 41-14 and mess.

COURSE POSTPONED

Section V, under Dr. Gordon Brown of the leadership training course in Butte scheduled for Monday, Nov. 29, has been postponed to Thursday Dec. 2, announces Shotaro Hikida, Butte CAS coordinator.

his skin is dark, or his eyes appear slanted or because he belongs to a minority religious or racial group. If the time comes when this should be done, I would ask: 'What did we fight for?'

Governor Maw said that Japanese settling in this area will return to the Pacific coast states after the war. "They have a right to do this. The governor of California, for instance, has taken an oath to uphold the right of the American citizen of Japanese ancestry to return to California to the extent of using troops if that were necessary."

Keadle Off To Poston

To get necessary facts and data on tofu consumption and distribution, H.E. Keadle, project steward, left yesterday for Poston Relocation Center.

Keadle expects to be back by Tuesday, Nov. 30. John D. Seater, assistant project steward, will be acting project steward during his absence.

PTA MEMBERSHIP DRIVE PLANNED

Preparations are now being made by the Butte elementary school PTA to conduct a membership drive from November 30 through Dec. 9, announced Elmer Tanaka, president.

Membership dues will be \$.50 per family. However, for those families who belong to the high school PTA, the dues will be \$.35.

The support of all residents and the cooperation of all block managers have been requested during the drive.

HOSPITAL STAFF LOSES MEMBER

Mrs. Josephine Wilson, medical social worker of the Rivers community hospital, will leave for Los Angeles on Wednesday, Dec. 1, she announced yesterday.

Her plans are yet indefinite, but she expects to work in the hospital there

Members of the Salt River Elementary School Principals Association will visit the Rivers project Monday, Nov. 29, announced Roe H. Strickland, chairman for the occasion.

The group, of approximately 25 principals includes those from Casa Grande, Mesa, Phoenix, Glendale, and Chandler. They will arrive here in the afternoon about 1 p.m. and will spend the afternoon visiting the elementary and junior high schools in Butte and Canal and points of interest within the center.

Dinner will be served to the visitors in mess 43, prepared by the Butte high school homemaking class. Hugo Walter, community management head, will be the after-dinner speaker.

Hosts will be the administrators in the education department.

DRAWING FOR RAFFLE SUNDAY

The big night for raffle ticket purchasers is Sunday evening at 9 at the Canal Community Stage.

To the lucky first place winner goes a beautiful 100% wool double size blanket of powder blue color. Be there, and try your luck at the concessions, bingo, board penny pitch and a novelty, corn on the cob.

THANK YOU

We wish to thank members of the Women's Club and Mrs. Kodama, the supervisor, for their kind cooperation during the Festival Week. Special thanks are due to the following who drafted and made the gowns for the Queen and her attendants: Mrs. Shigeko Ogami, Mrs. Toki Sasaki, Mrs. Kato, Rae Fujimoto and Dorothy Ii.

We also wish to thank Mrs. Mitsuye Yanagihara and Mrs. Kodama, who were responsible for the making of the corsages.

TURRET GUNNER**SGT. KUROKI DECORATED****PROPERTY COMM. MAY BE FORMED**

The question of forming an evacuee property commission under the administrative division of the Butte Community Council is being discussed, stated Shigemi Aratani, chairman of the Administrative division.

The committee, if formed, would be the eighteenth committee of the Council, and like the others it would report problems of its section to the community council.

GANNON PROBES FAIR PLAY GROUP

The Pasadena Committee on American Principles and Fair Play, one of the most articulate groups in California defending the American civil rights of the evacuees, is to be investigated by a California State Assemblyman, Chester Gannon.

Gannon charged that the Fair Play committee has been sending out "pro-Japanese" literature attacking the American Legion. Gannon said that he had not set a date for a hearing, because he was waiting to find out more about the chapter.

Exclusion Laws Repeal Seen

Speedy passage by the Senate of the House approved bill repealing the Chinese exclusion laws was indicated today as Senate leaders arranged to call up the measure Friday and Senator Holman (R) Ore., withdrew his previously announced opposition to it.

Majority Leader Barkley predicted the bill would be passed with "very little opposition." It would

Of the 177 Liberators that attacked the Floesti oil fields, 53 failed to return. About 42 per cent of the total Rumanian refining capacity was destroyed in that devastating blow, the Pacific Citizen reports.

INTERNEES MAY GO TO TULE

If the Department of Justice concurs, there is a possibility of recruiting Crystal City internees with their families, transferring them to Tule Lake.

No definite statement can be made unless the Department of Justice first proposes the arrangements for each individual, stated Hugo Wolter, community management head.

The social welfare director at Heart Mountain states in the Sentinel that this plan is being worked out because the capacity of the internment camp at Crystal City is limited and the building of living quarters slow.

Discussions At Pilgrim's Meet

Discussion on "Of What Service Can We Be to the Community," and "What Kind of Programs Should We Have" will be held at the Butte Pilgrim Fellowship meeting tomorrow evening from 7 at Chapel 40.

Leaders of the evening will be the Rev. John Yamazaki and Midori Satomi.

Members are asked to bring their dues.

Confab Delegates To Be Chosen

Five Rivers residents, to be chosen this afternoon by the Y Boards of Butte and Canal, will attend the annual inter-collegiate Christian conference to be held from Dec. 3 to 5 at the Arizona State Teachers College in Tempe.

The theme for the 3-day conference will be, "Finding God Where We Are," on the campus, in the community, and in a world of war.

ELEMENTARY PTA MEETING MONDAY

The coming membership drive and other important matters will be discussed at the Butte Elementary School PTA meeting 7 p.m. Monday, Nov. 29. An invitation has been extended to all block managers.

An interesting program for the evening has also been arranged by the fifth grade children.

"Everyone is requested to come to the meetings and keep up with the PTA organization," said Elmer Tanaka, president.

THANKSGIVING Wolter, Tsuda Deliver Talks

Before a small audience Thursday morning, Iago Wolter, community management head, and the Rev. Yasaburo Tsuda, delivered Thanksgiving messages at the Christian worship in the Butte amphitheatre.

The speakers pointed out that although there are many hardships that evacuees have to endure, there are many things for which to be thankful. They urged evacuees not to yield to obstacles.

The Rev. John Yamasaki, who was chairman, introduced church and school choral groups, which sang hymns.

SOLONS TAKE CANAL CASABA TUSSLE 38-33

BASEBALL— CARDS SLATED AGAINST G 66

Cardinals and G 66's both with one win and two losses apiece take the field in the only tilt of Rivers' Inter-Camp Horsehide Circuit tomorrow afternoon at Zenimura Field from 2 o'clock.

The Robin Hoods-White Soos tussle which was called off last Sunday will be held over only if it affects the flag-race's first-four standings, said Ken Zenimura, one of the league's director along with Harry Kono of Canal.

Warehousemen Eleven Downs Nightmares 6-0

An opening-minute drive into pay-dirt gave Warehousemen a 6-0 win over Nightmares in a hotly-contested independent Butte Thanksgiving Day grid classic last Thursday afternoon.

In the winners' first offensive play, Quarterback George (Flabby) Iwamoto's 35-yard pass to Leftend Yamato Taniguchi put Coach Bobo Inatomi's boys on Nightmare's approximate 15-yard stripe. Iwamoto completed the drive on the second play with a pass to Righthalf Taka Nagayama. A flat pass intended for Taniguchi failed to add the extra point.

Nightmares came knocking deep into Warehouse territory on several occasions but failed to push it over. Quarterback Blackie Ishimoto and Fullback Nob Oki unofficially reeled off most yardage on running plays.

AMACHE CAGERS

Colorado's Amache Center greeted the 1943 casaba season with a new school gymnasium as preparations for a league began last week, according to the Granada Pioneer.

Defeats Pick-Up Viking Quintet

Nip and tuck, following a short lead by the Solons in the initial minutes of the Thanksgiving Day casaba tilt, the Vikings drew up, tied and led the opposing quintet, only to trail again in the closing minutes of Canal's "debut cage tilt," by a 38-33 score.

The Solons, an organized quintet, were sighted as vaunted favorites, but with the opening minutes of the fray, it was obvious it would be an "even-steven" tussle.

The pick-up Vikes clicked goal-for-goal and even led the encounter by a margin of 1 tally, in the first of the second-half.

The Solons barely crept past the meager Vik lead in a last-minute scoring splurge, to take their initial fray of the 1943-44 Casaba season.

BEARS EDGE POTENTIAL THREATS IN TOUCH-TACKLE GAME 2-0

In a grid game that was predicted by the NEWS-COURIER as a Golden Bear victory by a touchdown, a high pass from center resulted in an automatic safety for the Canal proponents, as the ball rolled into the end zone for a 2-0 Bear decision over the Potential Threats.

Rambling into the field as high favorites, the Canalites held the ball in their possession for the entire first half, to definitely be called the superior aggregation.

In the second-half of the encounter, a surprise passing offensive released by the Potential Threats proved to be deadly as over-center plays made the unprepared Bear pass defense look slow and sluggish. Infuriated, the growling Bears retaliated with end-sweeps followed by touch-tackle plays.

Starring throughout the fray for the victors, was speedy "swivel-hip" Nob Yoshida, and chucking Ted Komoto. Komoto's inability to pass for long dis-

BUTTE FESTIVAL WILL END TOMORROW

Butte CAS's week-long Thanksgiving Sports Festival will wind up tomorrow with four tournaments and contests on tap.

A handicap Golf Tourney will start the day off from 8 a. m. at the course southwest of block 45.

At the field west of the fire station, an Aeronautical Association contest will be held from 8:30 a. m. Today is the last day for entries, said Bert Doi, association director.

The team of Eddie-Ogura-Mrs. Onishi will meet the Fred Shimizu-Lillian Iwate duo in Mixed-Doubles Tennis finals at Court 35 from 9 a. m.

伯牙は琴の上手であつた、其の友の鐘子期は深く伯牙の音樂を理解してゐた。

伯牙が高山に心を馳せながら其の琴を掻き鳴らしてゐると、
 「ハハア、高山の曲を弾じてゐるな。」

知音 (よく氣を知つた友達)

其の旋律に漂ふ奏者の氣分が直ちに鐘子期の胸を衝いて、斯う判断せしめた。

伯牙が大江の流れを思ひ浮かべつゝ、心ゆくまゝに絃を弾ずると、
 「お、いかにも洋々たる江河の趣がある。」

斯うして二人の心は渾然として一つになつてゐた。

やがて鐘子期は死んだ。自分の藝術を眞に理解して呉れる唯一の友を失つた伯牙は、言ひ知らぬ淋しさに泣きながら、手馴れた愛琴の絃をさつと断ち切つた。

そして二度と琴に手を觸れやうとはしなかつた。
 (列子)
