Personal

My dear Larry:

We are leaving Washington tonight and will first go to O'Neil, Nebraska to attend the funeral of Hon. M. P. Kinkaid, who was Chairman of the Committee on Irrigation of Arid Lands, of which I am a member. From there we will return to Omaha and go to Phoenix via the Santa Fe. I was again compelled to buy round trip tickets to Los Angeles in order to obtain a reduced rate and save \$55.00 on each ticket by doing so. We will be in Phoenix for a few days and then I will drive my car to northern Arizona in order that I may visit the Glen Canyon, Diamond Creek and Boulder Canyon dam sites on the Colorado River.

The House has recessed until August 15th and that we will have to be back here by that time. Hope to see you all before very long.

As ever,
