Hon. A. A. Johns,

Phoenix, Arizona.

*Percott*

My dear Tony:

I presume that by this time Hon. T. H. Cureton has shown you my letter advising him that no action was taken on the Bill to establish the Grand Canyon National Park, so that it will be necessary to re-introduce this measure in the next session of Congress. It is needless to say that it is my desire that a thorough investigation be made as to the boundaries and resources of the proposed Park before any such bill is passed, and I shall be glad to confer with you and the other gentlemen who signed the telegram to me, on my return to Arizona.

With best wishes, I am,

Yours very truly,
