

December 7, 1917.

Hon. Ralph H. Cameron,  
New York City.

My dear Ralph:

I am just in receipt of your letter of December 4, and beg to say that I expect to introduce a bill to establish the National Park at the Grand Canyon before very long. The measure will be along the lines of the enclosed bill introduced by Senator Ashurst in the last Congress, except that I expect to eliminate certain areas from the proposed park. I shall be glad to talk with you in regard to this matter at any time that you may be in Washington.

With best wishes, I am,

Yours as ever,
