Hon. Carl Hayden,
U.S. House Office Bldg.,
Washington, D.C.

My dear Congressman:

I surely appreciate your kindness
in forwarding me Senate Bill No. 390, with the re-
port of March 21st, 1918. It certainly is very
thoughtful of you to carry these matters along in
your head.

I will be in Washington now within
a very few days, and will take this matter up with
you in person.

Thanking you for your kindness in
this and all other matters, I am,

Sincerely yours,

Ralph H. Cameron
