*Dear Sir your letter of Jan 27 with map  
to hand over I can see no objection  
to the bill as drawn over as shown by  
the map I have taken the matter  
up with all of the stock men that  
are interested in that part of the  
country and they say that it is  
all O.K. for them. So it will be all  
right to let it pass as it stands*

*Respectful*
