Mr. ~~T. E.~~ E. Pollock,

Flagstaff, Arizona.

My dear Mr. Pollock:

I have learned that there is a move on foot to transfer the jurisdiction of the Grand Canyon National Monument to the Secretary of the Interior without changing its present limits. Please tell me what you think of this idea. I have asked the Board of Supervisors of Coconino County to mark the map of the proposed Grand Canyon National Park showing where they think the boundaries ought to be. If they will return this map to me I may be able to secure a modification of the boundary lines that will be more satisfactory.

With kindest regards, I am,

Yours very truly,
