

ADDRESS ONLY
THE DIRECTOR, NATIONAL PARK SERVICE
WASHINGTON, D. C.

UNITED STATES
DEPARTMENT OF THE INTERIOR
NATIONAL PARK SERVICE

WASHINGTON

August 15, 1925.

Dear Mr. Hayden:

Your letter of August 10th passed mine of the 13th. As near as we can find out the material was given out by Bowden, Counsel for the Committee, to a few newspapermen here in Washington. Several newspapermen who have come down to the Department on this story have said that they got their information from the story appearing in the New York Times and a copy of the New York Times clipping which says the charges were made public by representatives of the Senate Committee on Public Lands quotes direct from the preliminary report of the Arizona Investigation which is addressed to Senator Stanfield of Oregon, Chairman of the Committee.

Cordially yours,

A. E. Wemaray

Acting Assistant Director.

Hon. Carl Hayden,
Phoenix, Arizona.
