

Wms 9/17/23

Dear Jack:

A year ago today I took the Steer in
Politics

Jack, I hope this closes this business
but no dam carpenter can call me
a liar and get away with it.

My Irish Cousin Manus Duffy, sent Gray some brass
& corn knot in a barrel - on the cob, and he wrote right back
that he is headed for Stolt took this week. Love to all
Geo. B. Baker
