

DUFFY BROTHERS

GENERAL MERCHANTS

WILLIAMS, ARIZONA

10/1/23

Dear Jack:

Am with treatise of J. N. T. Have made copy of Crosby's report and which I am very tired. You must be. I do had the Col didn't touch it off while in Shooki Canyon. It caused Harvey to fire a driver yesterday for breaking a twig off a piñon which he turned out to be a clear part.

They checked up the store the other day Sept 30 and they have 768-100 lb bolts or 38 ton and right hundred weight.

Still Col Crosby says I am a condemned falsifier that they only have 20 ton.

My cousin Maure Duffy landed last week ~~and~~ at Boston and should call on you soon.

Hope you and the good wife are well.

With love to all from all

I remain

Yours truly

Jos Boyce
