

Phoenix, Arizona,

May 12, 1923.

Mr. Horace M. Albright,
Superintendent Yellowstone National Park,
Yellowstone Park, Wyoming.

My dear Albright:

I received your letter of May 2nd, but you forgot to enclose copies of the correspondence between the Senator and Secretary Work.

I expect to be in Flagstaff before very long and will see what can be done toward the submission by the Board of Supervisors of Coconino County of the proposal to dispose of the Bright Angel Trail.

I enclose herewith copy of a letter that I have written to Mr. Bolton in regard to the Bankhead and Henderson sheep permit on the Grand Canyon National Park. Some time ago I wrote to the Forest Supervisor at Williams relative to this matter, but have not received a reply from him.

Mrs. Hayden joins me in kindest personal regards to Mrs. Albright and yourself.

Yours very sincerely,

CH/L
