Mr. A. E. Demaray, Assistant Director,
National Park Service,
Washington, D. C.

My dear Sir:

I enclose herewith a letter I have received from Mr. Ed Hamilton of Grand Canyon, Arizona, in which he takes exception to certain extracts of the report submitted by Superintendent Tillotson regarding the road between Grand Canyon Village and Rowe's Well.

I shall appreciate any comments you feel disposed to make concerning the statements contained in Mr. Hamilton's letter.

Yours very sincerely,

U. S. S.
