

April 9, 1936

Mr. Arno B. Cammerer, Director
National Park Service
Washington, D. C.

My dear Sir:

I am inclosing herewith a letter I have received from Mr. Roy W. James and Mr. M. J. Hanley, employees of the National Park Service on Emergency Conservation Work at the Grand Canyon of Arizona. Mr. James and Mr. Hanley, together with Mr. H. A. Montgomery, were residing in a three family apartment belonging to the National Park Service which caught fire on September 1, 1935 and caused considerable damage as is shown by the attached schedules.

I shall appreciate your investigating this matter and advising me whether it will be possible to reimburse these gentlemen for the loss of their personal effects at the time of the fire.

Yours very sincerely,

U. S. S.
