Mr. C. H. Gensler,
Superintendent, Havasupai Indian Reservation,
Supai, via Grand Canyon, Arizona.

My dear Mr. Gensler:

In connection with the consideration of the Bill to create the Grand Canyon National Park, I desire to know whether the Hualapai Canyon runs into the Cataract Canyon above the Havasupai Agency. Maps prepared from data furnished by the General Land Office all show that the Hualapai creek is not a tributary to the Cataract creek, while the maps of the Geological Survey and the Forest Service show that these two canyons join in the Havasupai Reservation. If you have any maps or data *on* this subject, I will be pleased to receive the same.

With best wishes, I am,

Yours very sincerely,

M. C. Arizona.
