Tempe Wins Informal College Meet Greenway Day

Adds Two More Cups T. S. T. C. Trophy Case

Taking an early lead, the Tempe Bulldog track team raced away from their informal college conference rivals, Flagstaff Teachers College, University of Arizona Freshmen, Phoenix Junior College and Phoenix Indians, and more than doubled the score of their closest opponent to win the informal college track championship and relay of the annual Greenway Field Day program held in Phoenix last Saturday.

To win top honors, Tempe accumulated 71 points, with Flagstaff second with 26 points, University of Arizona Freshmen third with 20 points, Junior College fourth with 18 points, and the Phoenix Indians fifth with 13 points.

The Bulldog team, strong in all departments, weights or sprints, succeeded in placing men in every event and proved by this sterling performance that the College is represented by one of the most powerful aggregations in the history of the institution.

The Tempe relay team, composed of McCarty, Goodrich, Caywood and Tyson, won their event and the relay cup by covering the quarter mile in 1 minute 34 4/5 seconds.

Grasmoen also made a brilliant showing in the high jump, clearing the pole at 6 feet 1 7/16 inches, apparently another Greenway record; while Ennis soared 11 feet to take first in the pole vault.

Harold (Monk) Windes, by nosing out the two Junior College entrants in the mile run, made a creditable showing in his first attempt on the cinder path.

Grasmoen and Vihel were the leading point getters for Tempe, with 10 tallies each, while Willard made eight points.

The results follow:
Javelin—Brubaker (F), first; Willard (T), Sutter (T), Dilmars (F). Distance: 179 feet 4 3/4 inches.

160-yard Dash—Williams (A), first; Goodrich (T), McCarthy (T), Hargis (A). Time: 10 2/5 seconds.

BULLDOGS MEET BEARS IN TRACK MEET SATURDAY

Tempe Teachers meet the Phoenix Junior College in a track meet, to be held on Irish Field, this Saturday.

From present predictions it appears that the Bulldogs will have little competition and are doped to snow the Bears under a topheavy score.

The Bulldogs, in the University of Arizona track meet versus the colleges of the valley, proved themselves to be the strongest of three colleges, by bearing the brunt of the attack.

"Family Upstairs" Proves Big Success

"The Family Upstairs" was presented under the auspices of the Freshman class Thursday, April 5, 1928. From every angle this production again proved the ability of Miss Calder to direct a play.

Charles Moss, taking the part of Willie, a 17-year-old brother, captivated the audience with his excellent acting as a typical American boy. Russell Goddard, as the father of the family, gave a good portrayal of his part. Much credit is due each of the other characters for the excellent way in which they interpreted their roles.

The cast of the play was as follows:

Annabelle Heller (the baby sister) Joy Holman
Emma Heller (the mother) Thelma Peterson
Willie Heller (the brother) Charles Moss
Joe Heller (the father) Russell Goddard

Louise Heller (the elder sister) Margaret Finnerty
Charles G. T. Watson
Miss Callahan (the dressmaker) Margaret McKenna
Mrs. Grant (Charles' mother) Catherine Weaver
Herbert Grant (Charles' brother) Irvine Watts

Baseball Team to Play Two Games With U. A.

The baseball team journeyed yesterday to Tucson to meet the University diamond artists in a two-game series.

In the first series, held at the beginning of the season in Tempe, the University team emerged victor, but only after a hard struggle in the first game, when Tempe lost by a 3 to 2 score.

The Tempe baseballers hold one-sided victories over both the Phoenix Indians and Phoenix Junior College, and are the only undefeated nine in the Informal Conference.

It is expected that Riggs or Dana will start on the mound in the beginning game of the present series, while Prather will pitch the remaining game.

TEMPE GLEE CLUBS PRESENT OPERA AT CASA GRANDE

At Casa Grande, Friday evening, April 13, the Tempe College Opera Company of young men and women gave a second performance of the comic opera, "Chimes of Normandy." The Woman's Club of Casa Grande sponsored the presentation.

Accompanied by Miss Norton and Miss Gerrish of the music department, the company made the trip in automobiles, returning to Tempe after the performance. It will be recalled that this opera was very successfully presented in the Tempe College auditorium about two weeks ago.

Italian Pedestrian Visits College

The State Teachers College had as a guest on Tuesday and Wednesday of this week, Marcus Barone, Italian pedestrian who has covered many thousands of miles of the earth's surface afoot. He began walking in 1912 and until 1917 walked through European countries. He also walked across Northern Africa through Morocco to Egypt, and then from Turkey to Japan. From here he crossed the Pacific to the United States, landing at San Francisco. He next proceeded south, walking the entire length of the Peninsula of Lower California and across Mexico from Mazatlan. He came here on a walk across the continent from the Great Lakes and Canada through Colorado and New Mexico. The wildest areas traversed, he says, were in New Mexico and in Lower California.

Mr. Barone uses a burro to carry his supplies and is now using his fourth dog.

THREE-YEAR COURSE APPROVED

In conformance with a recent ruling of the State Board of Education to the effect that no new certificates will be issued after June 30, 1930, except to persons having three years of college work above the standard four-year high school course, the college is engaged in making certain changes in the college curriculum. Educators over the State feel that the additional year's preparation will result in improved teaching standards in the State.

Tempe Sponsors Fair of 4-H Farm Clubs

The second annual fair of the 4-H Clubs will be held on the Tempe College campus Friday and Saturday, April 20 and 21. This fair will bring together all the clubs of the county in demonstration and exhibition work. Prizes will be awarded to the winners of all club activities.

The demonstration teams of all the clubs will meet Friday morning at 9 o'clock in competitive work. At 10:30 Friday morning, the judging will take place with the exception of the dairy class, which will be held at 12:30 Friday. Friday afternoon will be devoted to the awarding of prizes and transaction of club business. Saturday morning will be given over to club athletics, and all preliminary games in baseball will be played at that time. Each club will be represented with a baseball team composed of club members only. The championship game will be played at 4 o'clock Saturday afternoon. The winner will be presented with the Goodwin pennant, donated annually by Mr. Garfield Goodwin of the Goodwin Novelty Company of Tempe.

The Maricopa Farm Bureau will hold a meeting on the college campus Saturday, the last day of the 4-H Clubs Fair.

Mr. and Mrs. E. L. Hendrix and three children departed for their home at Santa Monica, California, Saturday morning. They spent two weeks visiting Mrs. Hendrix's parents, Dr. and Mrs. A. J. Matthews.

Tempe Training School Vacates New Building

Bids for the building of the new Tempe Training School, which is to house the kindergarten, grammar school and junior high school, will be opened today.

In order to make ready for the contractors everything movable has now been lugged, rolled, pushed or spirited away in some fashion out of the old building. Last Friday the exodus began. This week found all the children established in temporary quarters somewhere on the campus.

The kindergarten children are now attending school in the infirmary building, the fourth grade occupies half of the Y. W. C. A. room, the first, second and third grades are now in the basement of the Arts Building in the quarters formerly used for Mexican children, before the use of the Eighth Street School for that purpose, and the fifth and sixth grades have been placed back of Mr. Felton's quarters in the basement of the Arts Building. The Training School library is located in the Collegian staff room in the basement of the Main Building. The staff still holds sway there, though, and the two will share the room. At the time of going to press, Staff space consisted of two cupboards against the wall, one chair and one typewriter, with the floor space necessarily occupied by books and book-cases.

Mr. Payne was seen to be still concentrating successfully in his old office in the Training School, but it is to be expected that his peace will be but temporary, as he is to be moved into the Bookstore.

It is hoped that work will begin at once so that the new building will be ready for use next September.

Society Camping Trips

When spring comes, what could be nicer than to get away from the hurry and bustle of college life for a quiet week-end in the country? The literary societies of T. S. T. C. find camping great fun—in fact, they enjoy it so much that every spring they set aside one week-end and make the camping trip an annual affair.

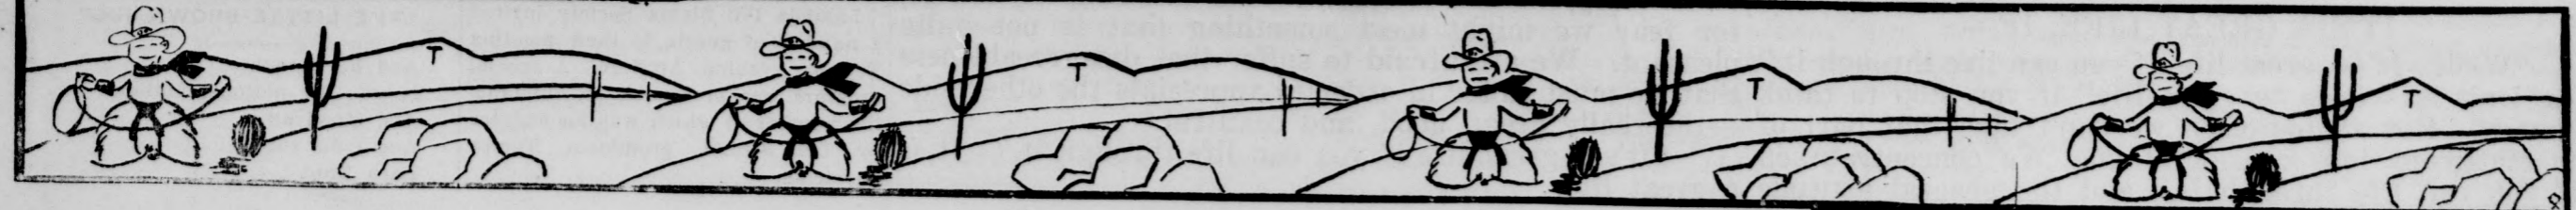

Most of the societies have one particular spot that they call their own for this event and they go there every year. The Clonians, K. K. A.'s, Phi Betas and Lambda Kappas are going to the Verde. The Zetetics will again establish themselves on the "Zetetic Island." The Delta Thetas will go to Camp Creek, near Sycamore Lodge. Some of the societies have not yet decided where they will camp, but all trips will be made the last week-end in April the 27th, 28th and 29th.

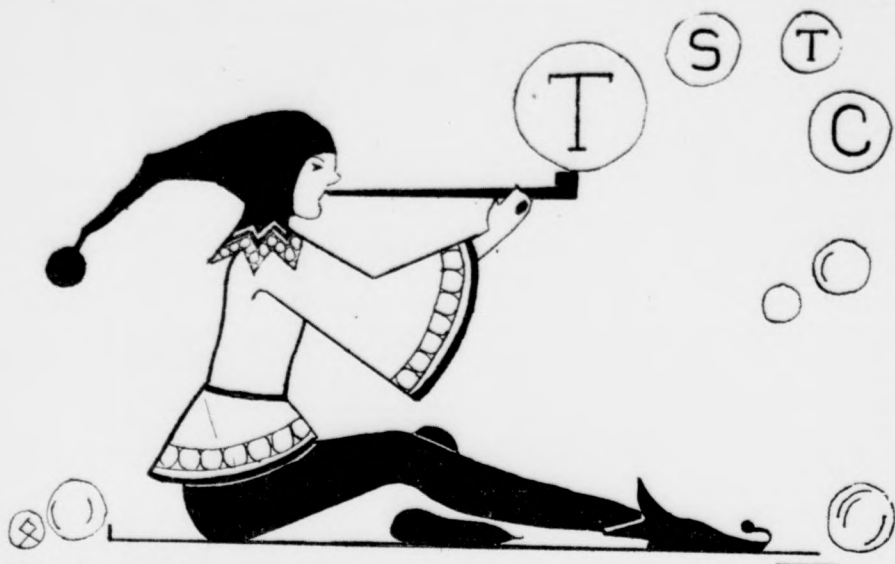

Miss Pilcher Rated High at Columbia

Miss Blanche Pilcher, instructor in our English department, now absent on leave, is studying for a higher degree at Columbia University. In the meantime, her place is being filled by Miss Calder.

In a letter from A. Maud Sproat, formerly a teacher in the Miami schools and now a student in Teachers College, Columbia University, she gives us this information:

"I presume you know that Miss Pilcher has made grades in the English examinations required by all students mastering in English in Columbia, being among the highest, which placed her on the honor roll. We can feel very proud of her. The examination is an exceedingly 'stiff' one, I am told."

PSALM OF THE ENGLISH CLASS

Mr. Felton is my teacher; I shall not pass. He maketh me to analyze sentences; he maketh me to write compositions for my grades' sake.

Just because a girl has "almond" eyes is no sign that she's a nut. Now I lay me down to sleep. I pray the Lord my soul to keep;

Pericardium is something that will put you to sleep. Respiration means all the different juices in the body.

A disinfectant is anything you catch by going where they are. Measles and chickenpox are disinfectants. When you have them you should stay in the house and keep warm and try not to give them to others.

LET LINDBERGH FLY Out of the West a roar was heard. Into the sky skimmed a silver bird;

Yet: Lindbergh must not fly, they say. Stop the stars in their milky way; But the flight of the Eagle we must not stay—

Let Lindbergh fly. Let the rose be robbed of its beauty and grace From the nodding pansy all color erase

From childhood joy and laughter efface; But let Lindbergh fly! What is a swallow if not on the wing?

What is a lark if he cannot sing? What is an eagle if to earth he must cling? Let Lindbergh fly!

Let him fly on and spread good will. Till the wars and strifes of menace still; Till "peace on earth, good will to men"

Shall fill the whole glad world and then Let Lindbergh fly! —By Cora B. Nelson.

Let's go camping—midsemester's over—and we're on the home stretch. Whee-e-eee! A jumble of delightful sensations run through the minds of not a few T. S. T. C.-ers.

Roses are red, Violets are blue, And so is the stude When grades are due.

Faculty Entertains Seniors at Kid Party

Old dances of long ago were resurrected for the party given to the Senior class of Tempe Teachers College by the faculty, Monday evening, April 9. This event was staged in the old gymnasium which was lavishly decorated with Indian and Mexican rugs and green palm leaves.

The entertainment committee consisted of Miss Hayden, Mr. Irish, Mr. McCall and Miss Murphy. Those in charge of the decorations were Mr. Fairbanks, Miss Kloster, Miss Haulot and Mr. Waltz.

FOR PRETTY GIRLS ONLY

After a profound study of the tactics employed by the girls in dealing with their profs, we have reached the conclusion that most of them are working their way through college.

The Good Book says: "Then went he out and rent his garments." From this we may assume that they had "formals" even that long ago.

Life is like a deck of cards: When one is in love it is hearts. When one is engaged it is diamonds. When one is married it is clubs. When one is dead it is spades.

When Noah sailed the waters blue. He had his troubles, same as you. For forty days he drove the Ark Before he found a place to park.

I have come to the conclusion that the ideal American home consists of a garage with a clothes closet above it.

Bob Mullen—Heaven's sake, but I'm tired! I've been visiting the State prison and the asylum.

Bob—Why do you think Carmelita doesn't like you? Kenneth—I told her there was a fool in every family.

Bob—What did she say? Kenneth—She asked if I were an only child.

A TENSE SITUATION

"My boy, think of the future." "I can't; it's my girl's birthday and I must think of the present."

BESS BARKLEY HEARD IN RECITAL AT COLLEGE

Among the many recent attractions in the musical events of the valley, none has been more thoroughly enjoyed and appreciated than the song recital of Miss Bess Barkley, dramatic contralto of Phoenix, which was presented Wednesday evening, April 11, in the College auditorium.

Her numbers were received with enthusiasm, from the classics of Schubert to the simple war ballads. She was assisted by John Barkley, violinist, and Miss Clara R. Taylor at the piano. The concert was sponsored by the American Legion Auxiliary, and the funds are to be used in rehabilitation work among the disabled World War veterans and their families.

Miss Barkley is widely known as a soloist. For four years she has been engaged in professional work in New York, largely in concert, oratorio and opera. Her work, however, has carried her on extensive tours throughout the country.

She has sung under such internationally known conductors as Arthur Bodansky of the Metropolitan Opera Company and Walter Damrosch and Albert Stoessel in the New York Oratorio Society's programs.

During the last few months Miss Barkley has given a series of club concerts in Arizona and Southern California, where, as elsewhere, her splendid voice has won her generous praise.

TO A SECRET SORROW

They say that distant fields are green of hue And yet less green may prove on nearer view.

I love you best afar is my conclusion; Forever fair and safe from disillusion. —Chaparral.

He-Fly to She-Fly—Say you love me, or I'll jump into the first bowl of soup that I see!

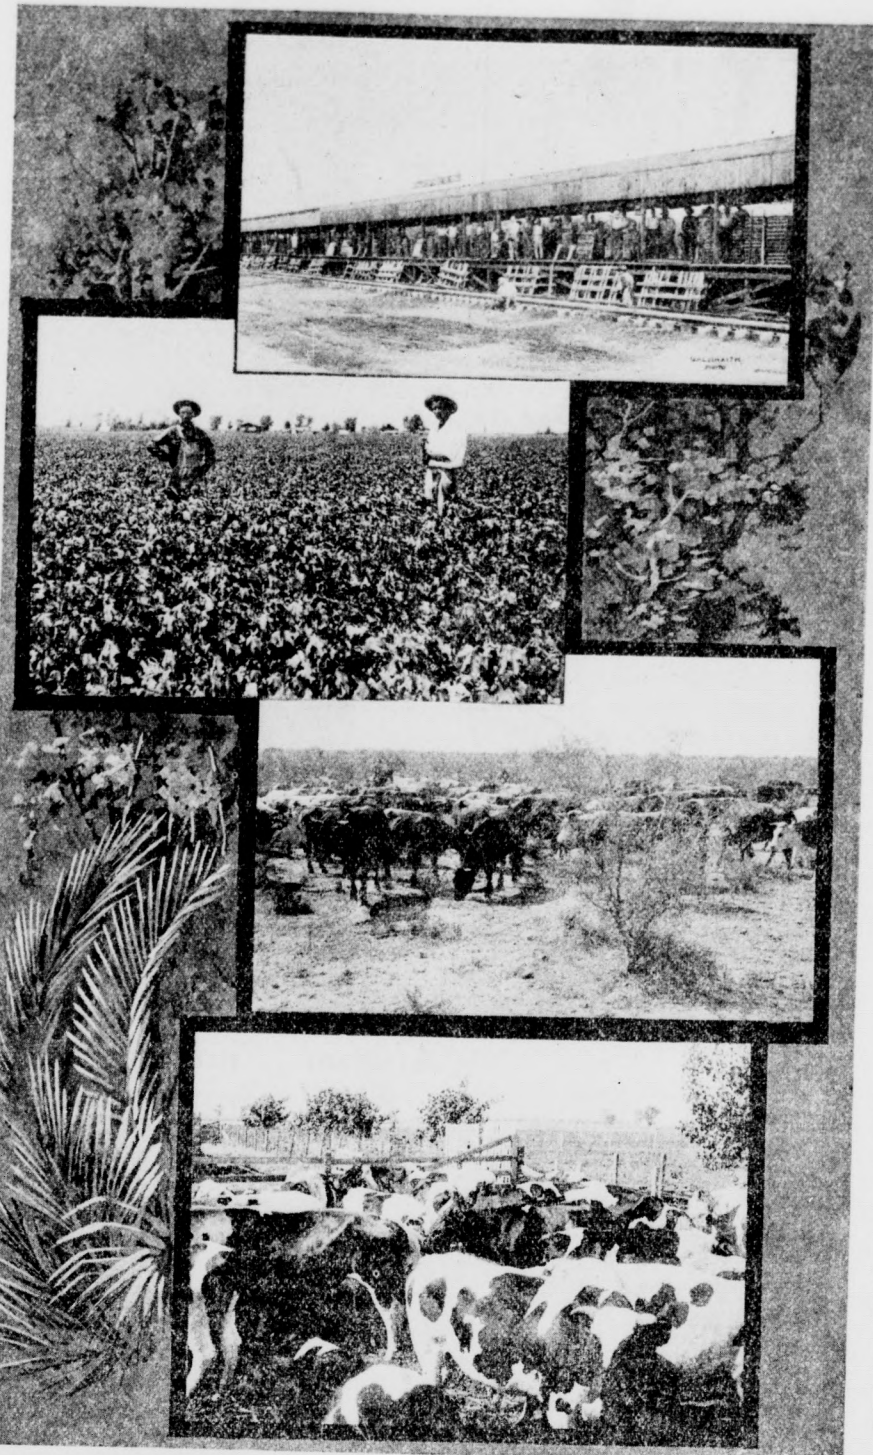

Roommate—It's sure terrible the way Barney keeps this room; you can't find a darn thing of his when you want it.

Ethel D.—Virgie has a new inferiority complex. Joe P.—Who is he?

Father (after presenting new mink coat to daughter)—Well, how do you like it? Ernestine E.—Oh, it's marvelous, but I don't see how such a beautiful fur can come from such a low, sneaking beast.

Father—Well, I don't care about thanks, but I certainly demand respect. Cocke—I think that guy is the worst dancer in the room. She—Hush, you forget yourself!
