

# High School Athletes Vie In Arizona Relays At Stadium Tomorrow

By JACK CHILDERS

TOMORROW NIGHT the cream of Arizona's high school track squads will take to the cinders in Goodwin stadium to find this year's champion of the Third Annual Arizona Relays. The relays are sponsored by the Associated Men Students of Arizona State, and the initial event will take place at 7:15 p. m.

Class A and B high schools from throughout the state will be on hand to compete in the 28-event meet. There will be four individual events besides the relay competition. These will be the 120-yard high hurdles, shot put, high jump, and the 100-yard dash. Tucson's mighty Badgers appear to be the team to beat in Class A, with the Casa Grande Cougars reigning over the Class B competition.

GOLD PLACQUES will be awarded to all winning relay teams. Gold certificates will be given to the second and third place winners in the individual events.

THE HIGHLIGHT of the entire meet is the feature event, the Mesa Mile for the Norman Stapley Memorial trophy. This trophy is given in memory of Stapley, a former all-around star athlete from Mesa Union high school, who was killed during the war while serving with the navy. Both Class A and B schools compete in this event. In order to keep the trophy permanently an athlete must win the event two out of three times. If this method fails, it is awarded to the man making the fastest time over a period of three years. The event this year is practically conceded to Glendale's excellent miler "Lonesome Ben" Jewell. Jewell holds the relays record of 4:38.2, and also has a personal record of 4:28.9. He is reputedly the greatest distance runner in the history of Arizona.

PHOENIX UNION, North Phoenix, and Tucson are expected to battle it out for victories in the sprint relays with Glendale and Mesa pushing each other to the limit in the mile medley and two-mile events. Several relay records are expected to fall this year, and Merlin "Kangaroo" Thevenot's record of 5' 10 1/4" in the high jump is the only one given a chance for survival. Thevenot is now the leading jumper at Arizona State.

## Council Proposes New Constitution

WITH AN unanimous vote late this week, the Student council approved the submission of a new constitution for the Associated Student Body to a vote by students in balloting set for Friday, May 7.

Because of the sweeping changes proposed by the constitution, approval of the college administration is necessary prior to it becoming effective.

THE NEW constitution, an outgrowth of a proposal by the governing body for the reorganization of the student financial structure, provides for the establishment of a board of control which will supervise all student financial and business matters. Members of the board will be four student officers and four representatives from the faculty.

## Belinda Production Set For Next Week

"BELINDA," a three-act comedy by A. A. Milne, will be presented by the Drama Workshop in the auditorium on the evenings of April 30 and May 1. Tickets for the production may be secured from 3 until 5 and from 7 until 9 each evening in the auditorium box office.

"Belinda" has been most favorably received throughout America and promises to be one of the most enjoyable productions of this season. The cast presents five veterans of Drama Workshop plays, Dick Barkow, Marilyn Lee, Norman LaPoff, Norma Veiders, and Bob Manley and one newcomer to the ASC stage, Lovette Ywanow.

## Artists To Display Works In Exhibit

BUSY COMPLETING ceramic articles for the Student Art exhibit, scheduled to open on campus tomorrow, are members of one of Mr. Barney Reid's art class. Pictured left to right about and around the potter's wheel are Muriel Hendrixson, Gene Cattrell, George Peck, Mr. Reid, and Jean Winkler. The works of art are to be exhibited in the Lyceum gallery and the Arts foyer.

## Student Exhibit To Be Shown Tomorrow During Annual Senior Day Festivities

SCHEDULED to open tomorrow at 9 a. m. in conjunction with the Senior day program, the annual Student Art exhibit will be held in the Lyceum basement, auditorium, Arts building foyer, and in the art class rooms. In addition, art students and members of Theta Chi Epsilon, art honorary, will give demonstrations and act as guides for the day in the Art department.

This exhibit is arranged through the cooperation of art students and Theta Chi Epsilon, sponsor of the affair.

THE EXHIBIT will be open from 9 a. m. to 5 p. m. tomorrow and from 3 to 5 p. m. Sunday, April 25, through Friday, April 30, and Wednesday evening from 7 to 9 p. m.

An opening tea will be held Sunday afternoon from 3 to 5 p. m. for students, faculty, and visitors.

Souvenir programs will be sold

by members of Theta Chi during the exhibit. All students having work on display will be listed in this program.

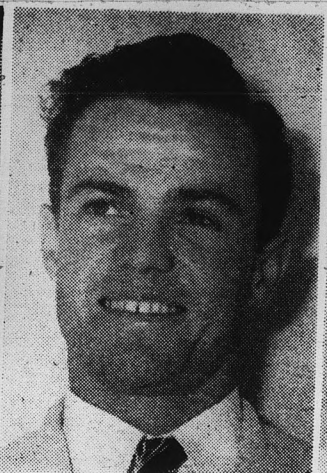

REPRESENTATIVE WORK by art students will be displayed in the following divisions: oil painting, water color, drawing and perspective, sculpture, ceramics, design, crafts, commercial art, interior design, fashions, lettering, and life drawing.

All phases of creative art work will be displayed.

# Senior Day Events Feature Busy Campus Week-End

## Annual 4-H Club Fair Features Livestock Judging, Demonstration

4-H CLUBS from all over Maricopa county are represented in the annual 4-H fair which opened on the campus yesterday. It will continue throughout today and tomorrow.

The 4-H leaders club at the college is in charge of the event. Mr. Gerald Fuller, of the agriculture faculty, is general director. The Maricopa county Farm bureau and the County agent's office are the sponsors. Wayne Early is student superintendent of the fair and is being assisted by Clare Huber.

JUDGING of the entries will commence at 9 a. m. this morning, and events attendant with the fair will continue throughout the day. The annual Farm bureau picnic will be held on the campus at 11:30 Saturday morning, and at 1:30 p. m. the fair parade will form.

Cash awards totaling \$1,556 will be presented to the winners in the various classes. The awards are sponsored by the Farm bureau.

## General Assembly Planned For Today

AN ALL-STUDENT general assembly will be held this morning in Goodwin stadium from 10 to 10:50 a. m., Wendell Patterson, president, announced on Thursday. Classes will be dismissed.

Calling of the assembly is for the purpose of introducing the newly-elected Student Body officers, athletic teams, and familiarization with Senior day.

THE COLLEGE A CAPELLA choir and a quartet will be presented in a short musical program. June Cross will be introduced as the newly-elected AWS president, and the track, baseball, swimming, tennis and the golf teams will be introduced.

THE STATE PRESS, recently awarded all-American honor rating, will receive recognition and the awarding of certificates to students who were named to Who's Who this year will take place. The varied program will conclude with the singing of college songs.

## Delta Sigma Chi Fraternity Approved; Initiation Dance Scheduled For May 15

DELTA SIGMA CHI, newly organized social fraternity on the campus, was approved by the Student council and the Inter-fraternity council Thursday, April 15. The approval by these two groups makes the new group an actuality at Arizona State.

The new organization will hold its first social event on May 14, having a formal initiation dance at Thunderbird field. All members of all organizations represented on the Inter-Fraternity council will be invited to the affair. Dik Worthen, Hal Field, Mort Gerber, and Sam Brodsky are in charge of the dance.

OFFICERS OF Delta Sigma Chi are Bill Salomon, president; Jerry Nickels, vice-president; Jerry Tarrish, secretary; Charles Wade, treasurer; Fred Salerno, sergeant-at-arms; and Len Forman, historian.

Charter members of the fraternity in addition to the officers are Dik Worthen, Hal Field, Mort Gerber, Sam Brodsky, Norman LaPoff, Kick Barkow, Howard Homan, James Kirkland, Pat Balen, Roy Langdon, Ray Keplinger, Gene Cottrell, Hugh Preston, Don Tiverofsky, Bob Cronquist, and A. Balk. Frank R. Byers, of the college faculty, is sponsor of the group.

## German Student Invited To Study At Arizona State

MISS ILSELORE WINTER, a teacher-training student at Wiesbaden-Biebrich, Germany, has accepted an invitation from Arizona State to enroll in the college next September.

Miss Winter will be the first student to enroll in an American college under the auspices of the American Association of Colleges of teacher education. The plan calls for one year's training for foreign education students in the U. S. Dr. Grady Gammage is chairman of the international committee of the group.

THE TRAINING of the 19-year-old German girl here at Tempe will be financed by Pleiades.

## High School Grads Honored Tomorrow

NEARLY EIGHT HUNDRED seniors from approximately 30 high schools are expected to be on the Arizona State campus tomorrow as guests of the Associated Student Body for a full day of events for the annual Senior day.

In conjunction with the event and as part of the various activities, the Maricopa county 4-H Fair and the third annual Arizona Relays will highlight the senior visitation.

SPONSORED BY the college Student Body and administration, registration will commence Saturday morning by Pleiades, honorary women's organization. From 9 a. m. to 1 p. m. the seniors will be conducted on tours of the campus which will include all departments of the college and the 4-H Fair. Representatives of AMS, AWS, and Zeta Sigma sorority will act as guides.

From 1 to 2 p. m. luncheon will be served the high school students in the Dining hall and, beginning at 1:30 p. m. a series of special events, jam-packed in the afternoon has been

(Continued on Page Six)

## Dalton, Mason Gain Student Body Posts

A TIE! John Hatley and Orlin Waas wound up the race for president of the Student Body in an absolute numerical tie in the general election Wednesday. Each candidate polled a total of 588 votes. A special election is being held on the campus today between the deadlocked candidates to determine who will lead the Student Body next year.

PAT DALTON, junior from Mesa, emerged victorious in the vice-presidential race by a narrow margin over Jack Childers. Thus Dalton takes over the job of social chairman of the college which has been held the past two years by Hatley.

Mary Beth Mason, junior from Tempe, takes over as secretary of the Student Body, winning in an exceptionally close contest with Betty Ciochetti. She succeeds Betty Williamson of Yuma.

THIS UNPRECEDENTED climax to the general election left the council in a limp uproar, and after short deliberation it was decided to hold the special election without a recount. A short time after the near-impossible results of Wednesday's election were announced, neither candidate was capable of making a statement. However, both camps started immediately to make plans for today's election and a record turn-out is expected.

## Candidate Deadline To Be Wednesday

Candidates' petitions for 1948-49 offices of Associated Men Students and sophomore, junior and senior classes should be submitted to the Associated Students' office before 4 p. m. Wednesday, April 28. Twenty-five signatures are required for each petition. Candidates for president of AMS must be seniors.

The election will be held a week from that date, May 5.

## Pleiades Sponsor German Student For Training Here

PLEIADES, women's honorary service organization, this week announced plans for contributing \$500 for a year's education of a German girl who will enroll at Arizona State for teacher-training next fall. Dr. Grady Gammage, college president, receives the check from members of the organization. Standing from left to right are Mary Bunte, adviser; Dorothy Palm, Betty Williamson, Ellen Crumbaker, Patty Kelley, Peggy Gallagher; seated are Betsy Cooper, Jessie Wien and Betsy Hayes. (Courtesy, Phoenix Gazette.)

# AMS ALL-SCHOOL MAY DAY FROLIC SCHEDULED FOR SUNDAY, MAY 2 AT THUNDERBIRD COUNTRY CLUB

## First Annual Event Will Feature Afternoon Of Varied Activities

### Entire Student Body Invited To Attend; Events Slated For Both Stags, Couples

The Associated Men Student's all-school May Day Picnic will be held at Thunderbird Field II Sunday afternoon and evening, May 2. Extensive plans for the day have been underway for several weeks and will culminate Sunday in an outing to which the entire student body of Arizona State is invited.

Transportation to and from the field will be provided by college buses. The time schedule for the buses will be found under a separate heading on this page.

Highlight of the afternoon's festivities will be a special Air Show presented by the Phoenix National Guard air wing. Several Arizona State students will be flying in the show.

The Thunderbird pool will be open and present plans call for a special water show under the direction of Monty Kelly, ASC swim team captain.

Under direction of Mike Jordan, a bridge tournament is planned with attractive prizes for those whose V. I. and C. I. practice stands them in good.

Attractive prizes in form of genuine money will be placed at various points in the surrounding desert and those qualifying to enter the treasure hunt will have an opportunity to return to the campus a good deal richer.

Volleyball equipment will be on hand for all those interested in major sports and for those who have professional aspirations, there will be a tug-of-war, sack races, and a pie eating contest.

Food, the most important item on any picnic, will be provided in the form of a real barbecue. The Associated Men food committee has obtained a whole beef for hungry Arizona State students.

Dancing to the music of real, honest-to-gosh musicians will be part of the evening's entertainment. A fireside sing session is also planned and it is hoped that a Baby contest will be scheduled for the benefit of proud ASC papa's and mamma's.

### Festivities Include Tug-O-War, Races, Pie-Eating Contests

Combining three events—Tug-o-War, Sack Race, and Pie Eating Contest—besides providing additional zest to the competitors, should add to the amusement. The Tri-Event scheduled for the first event of the afternoon will operate on an elimination basis, beginning with the Tug-o-War.

Entrants for the Tug-o-War are requested to assemble at the swimming pool at 1:30. The two teams will vie against being drawn through a stream of water which will be directed from a fire hose. The members of the losing team will be restricted from further participation in the remaining stages of the event.

Members of the winning team will be eligible for participation in the Sack Race. The first four sack race teams to cross the finish line will be eligible for the Pie Eating contest. However, should any of the first four decline to participate in the pie eating contest, the teams which crossed the finish line next following the first four will be eligible for participation in the pie eating contest.

First and second prizes will be awarded to the individuals winning the pie eating contest.

This full-page ad is sponsored by the Associated Men Students of Arizona State.

### Entry Instructions For Field Contests

All entries to the various scheduled contests, except as provided in "D" below, will be submitted before 4 p. m. Friday, April 30, as follows:

A. Write this information on a sheet of paper—

1. Name of Contestant (Individual or Team)
2. List Event for Which Entered.
3. Address entry to the individual in charge of event.

B. Place paper in box located in hallway of STATE PRESS office.

C. Listed below are individuals in charge of the various events. Bridge—Mike Jordan, Treasure Hunt—John Gay Gregory. Volleyball Tourny—Pascual Gutierrez, Softball Tourny.

D. The Tug-o-War, Sack race and Eating Contest is an open event. Contestants for this event must be on the spot at the designated time.

### Huge Treasure Hunt To Fete Real Moola

Desert Gold—well not exactly, but the surrounding area of Thunderbird field will literally be a desert filled with greenbacks Sunday, May 2 when the Associated Men Students hold their May Day Frolic Treasure hunt.

John Gay Gregory, chairman of the treasure hunt, and his committee will have strewn scores of one-dollar bills in various places on the desert. At 3:30 p. m., all who want to join in the treasure hunt will assemble in small groups and receive their first clue as to where the money is hidden. The first note will give directions as to where the next one will be found, and from there on the group will progress as they find each note.

A booth will be open from 12 noon to 3 p. m. for registration to all money hungry adventurers and in order to participate in the hunt, you must register and obtain an official button.

There will be 10 trails leading to the vicinity in which the greenbacks will be hidden. Each group will start at the same time and follow the trail according to directions outlined on the slips of paper.

All food and entertainment is being furnished free of charge courtesy of the Associated Men Students.

Reprinted from the February, 1948 issue of Esquire. Copyright 1948 by Esquire, Inc.

### Bridge Tourny Too; Furnish Own Deck

The bridge tournament will start at 2 p. m. sharp. All students and faculty are urged to enter. Names are turned in by April 28, noon, to Michael H. Jordan, who is sponsoring the tournament. A box will be provided in the STATE PRESS office. Entries must be made by partners only; it may enable us to have two decks at each table. Scoring pads and pencils will be furnished.

The following rules will be strictly observed: free dealing; a one-bid will be played; a bid doubled and made will score as a game; no cross table talking; dummies will remain seated and absolutely silent while the bid is being played; they will not look into opponents' hands, nor ask to see their partner's hand.

The tournament will proceed in the following manner: each table will play two rubbers. The winners of the first two rubbers (decided on high score) will qualify for the finals. The losers will leave the room and will not be readmitted thereafter.

The finalists will be seated at the sponsor's choice. They will play three rubbers. The winning team will be the one which totals the highest score.

### Volleyball Games

For all of those interested in volleyball, the Associated Men Students will furnish all the necessary equipment to conduct such games.

At present, the condition of the volleyball courts at Thunderbird are unknown, but by the time picnic time rolls around these facilities will be in condition, if improvements are needed and ready for all who care to participate.

Volleyball will be played on the courts all during the picnic, and for two hours, during 3:30 p. m. and 5:30 p. m. there will be a volleyball tournament. Entries for the tournament will be open to any team wishing to participate. Entries will be taken at the picnic, but must be in before the first game gets underway at 3:30 p. m.

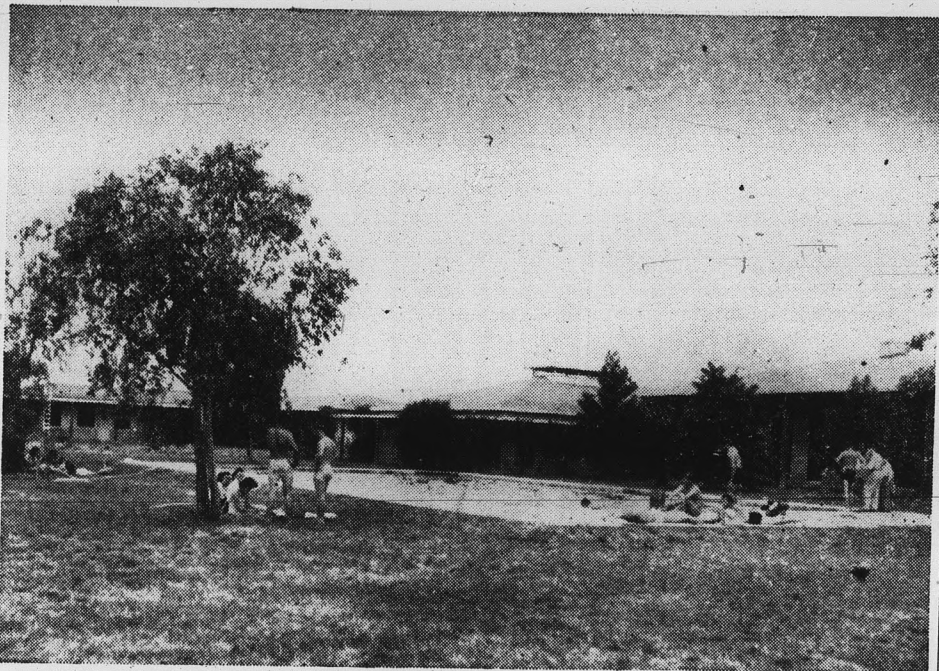

Teams may be made up of either boys, girls, or 60th, but no one may play for more than one team. There will be a prize for the winning team.

Pascual Gutierrez will be in charge of the volley ball games and registration of teams will be made with him.

### Intermission Fetes Devilfish Swimmers

To insure that entertainment will be continuous throughout the entire evening, a water show will be featured during the dance intermission. This event is scheduled for 8:30 p. m.

The exact nature of the water show is to be a surprise. However, with Monte Kelley, "Devil-

PICTURED ABOVE is the swimming pool at Thunderbird Field II which will be the center of activities Sunday afternoon and evening May 2 when the Associated Men Students present their first annual all-school May Day Frolic. Just to the left of the buildings pictured above is the air strip over which the men of the Phoenix National Guard Air Wing will present an exciting air show.

### Levi-Slack Dance Will Climax Events

Following the big barbecue dinner at 5:30 p. m., the varied day of activities will wind up at 10 p. m. after spending the hours between 5 and 10 dancing to the music of Wallie Bender's fine five-piece orchestra. Wallie will have his usual combo of drums, piano, bass, a trombone, and a tenor saxophone.

The dance will be held in the Thunderbird ball room from 7 to 10 and the intermission entertainment will be an aquatic display of the Arizona State college swimming team.

Refreshments will be served in the soda fountain adjoining the dance hall.

Dress for the occasion will be strictly informal. Come in your levis or slacks and have a good time.

The last dance will be at 10 p. m. so the on-campus women will have ample time to be in their halls by 11 p. m.

### Hey Smoe! Join The Community Sing

How about a good old-fashioned community sing? It's about time all the guys and gals who ain't music majors had a chance to show off that hidden song-bird talent. And in a community sing deal you can always blame the guy next to you for being off key.

Along about the time everyone has plenty of that real barbecue right where it feels best and relaxing seems the best idea in the world, Jimmy Sexton will be on hand to lead the whole gang in the songs so dear to the hearts of college students. So prepare to loosen up those vocal cords, and we'll all have a gay ole time.

### Tentative Schedule Of AMS Activities

- 1:30 Tug-o-War, Sack Races, Pie Eating Contest.
- 2:00 (Throughout afternoon) Volleyball, softball, bridge, and swimming.
- 3:00 Air Show.
- 3:30 Treasure Hunt.
- 5:30 Barbecue roundup for eating.
- 7:00 Fireside Sing.
- 7:00 to 10:00—Dancing.
- 8:30 Water exhibition and show.

fish" swimming team captain, in charge of arrangements, the show promises to be anything but dull.

No sense and nonsense cause most of our accidents.

Traffic deaths and crime go up when the sun goes down.

### Campus Fly Boys To Show Talents In Gigantic Air Show

The Fighter Group of the Arizona National Guard will present an air show at the Associated Men's Students' Picnic, May 2, at Thunderbird Field II.

The group will, if conditions permit, do a thorough job of buzzing the strip and will perform loops, rolls, chandelies, and various other aerobic maneuvers.

The show is expected to last approximately a half hour and will be a great demonstration of the precision flying and combat tactics that these men acquired during many hazardous combat missions.

The entire show will be in clear view from the mat in front of the hangars and will feature such great pilots as Chuck "Lover Boy" Heatherington, Tommy Geare, and our own Don "Rocky" Parry.

### Free Barbecued Beef Heads Bill Of Fare

What's for Chow? Comes 5:30 and one whole beef will have been barbecued by Tom Mason, whose catering ability is guaranteed to whet the appetite of every starving ASC student. Rounding out the menu will be punch, salad and beans.

Arrangements have been made for paper cups, plates and all other utensils necessary for putting the food away. All you need to bring is your appetite and, considering the variety of events scheduled for the day, there shouldn't be any problem in that respect.

Mr. Mason has given his assurance that sufficient punch will be available for consumption throughout the afternoon.

HOOT MON, "YE CANNA SAY IT WILNA BE A BONY AFFAIR—LOSH ANY MUCKLE BRRUTE WI HA A BRRAIN CAN PLAINLY SEE IT'S BOOND TO BE ARICTH WHEN IT WILNA COST YE ONE WEE FARR-THING."

will have to take a chance on not getting a bus to the field.

For any other information contact Roy Langdon, Green Gables, Unit 5, Room 94.

# Pepperdine On Diamond; San Diego State On Cinders

## Devils Seek Revenge From California Nine

Bill Kajikawa's Sun Devil baseball team, riding the crest of a three-game winning streak, play host Friday and Saturday to Pepperdine college's baseballers from California.

Two games are scheduled with the Waves, who took the measure of the Demons earlier in the season by 3-1 and 4-1 counts. The Devils are fresh from last Saturday's conquest of the Phoenix Senators of the Arizona-Texas league by a 9-4 score.

Ray Marino, the Devils' steady and reliable third baseman who played a whale of a game against the "U," batting in six runs, will not be with the team in the games this week because of the death of his mother. His place will be taken by Frank Gibney, a junior understudy at the third base slot.

Games with the Senators were scheduled for Tuesday and Wednesday giving the team plenty of competition to ready them for the coming Border conference tournament.

In the Senator contest reliable Nick Johnson scattered 10 hits effectively and except for Bill Taylor's four-base hit in the fourth inning, was never in trouble. Ed Manning, who seems to be the answer to the shortstop problem, led the Devil hitting attack with 2 for 4. Arky "Little" Biggs, the manager of the Senators, pulled a "poor sports" trick on the Devils in the second when he allowed a courtesy runner for Bob Larona, who hurt his foot, and then refused to let him catch the rest of the game just as it were a "big league exhibition."

From then on it was no contest as Johnson mowed 'em down and catcher Tim Brown did a creditable job. All the Demons played tough, heads-up baseball. It may have been just the spark that the team needed to gain revenge on their California rivals this weekend.

### She Sports

By CAROLYN ALLEN. The Physical Education majors are out for track for the first time since the war. Events will include the running broad jump, high jump, softball throw, javelin, discus, shot put, 50-yard dash and the 220-yard relay.

Golf intramurals will take place May 8 at Encanto park with Lorraine Tiedeman as acting captain for the day.

Softball teams leading in the intramural finals on Tuesday evening were the teams captained by Margorie Handy and Lorele Haby.

All Arizona State women interested in shooting in the inter-collegiate telegraphic archery meet during the week of April 22 through May 1 are urged to contact Miss Edna Plock at the Activity building. Shooting will include the Columbia round.

The college dance group returned yesterday from Globe, where they presented a program at the high school assembly. The

## Kinzlemen Smother Mexican Trackmen; Crack Three Records

Three new Mexican national records were established in Mexico City last Saturday and Sunday when the Sun Devils ran roughshod over the University of Mexico All Stars. Of the total of fifteen events staged the local thinclads grabbed twelve firsts.

Little Bill Miller, the javelin throwing ace, outthrew Cesar Guerrero, the Mexican title holder, by about 8 meters (24 ft.) to establish a new record in Mexico of 60.45 meters (198.28 ft.). Merlin Thevenot cleared the high jump bar by .04 meter better than the old record of 1.85 meters (6.06 ft.) held by Jorge Aguirre of Mexico. These two records were added to the record set in the shotput Saturday by Joe Payne who threw it 14.60 meters.

The Devils had two winners in the form of Jack Campbell and Joe Batiste.

Campbell took the 200 meter run three seconds ahead of Gonzalo Rodriguez. Campbell also missed a new national record in the 100 meter dash by 1-10 of a second. He ran the distance in 10.6 seconds. Rodriguez, the title holder at 10.5, was second at 10.7 seconds.

Batiste edged out Don Hildreth, the freshman sprinter from Glendale, in both the high hurdles and the 200 meter low hurdles. Campbell was third in the high hurdles and George Diggs took third in the low.

Other men of state who came in first were Fred Olsson in the 800-meter run, Jim Stangeland in the pole vault, Joe Payne in the discus, Bill Watson in the 1500-meter run, and George Diggs in the broad jump.

Total points when the meet was completed showed Arizona State with 88 and Mexico 43.

group also recently entertained at the high school in Prescott.

Future events include participation in the college presentation of Carmen which will be presented in the college auditorium during the first part of May.

The first U. S. building and loan association was organized in Philadelphia in 1835.

Yale university was founded by ten ministers in the year 1701.

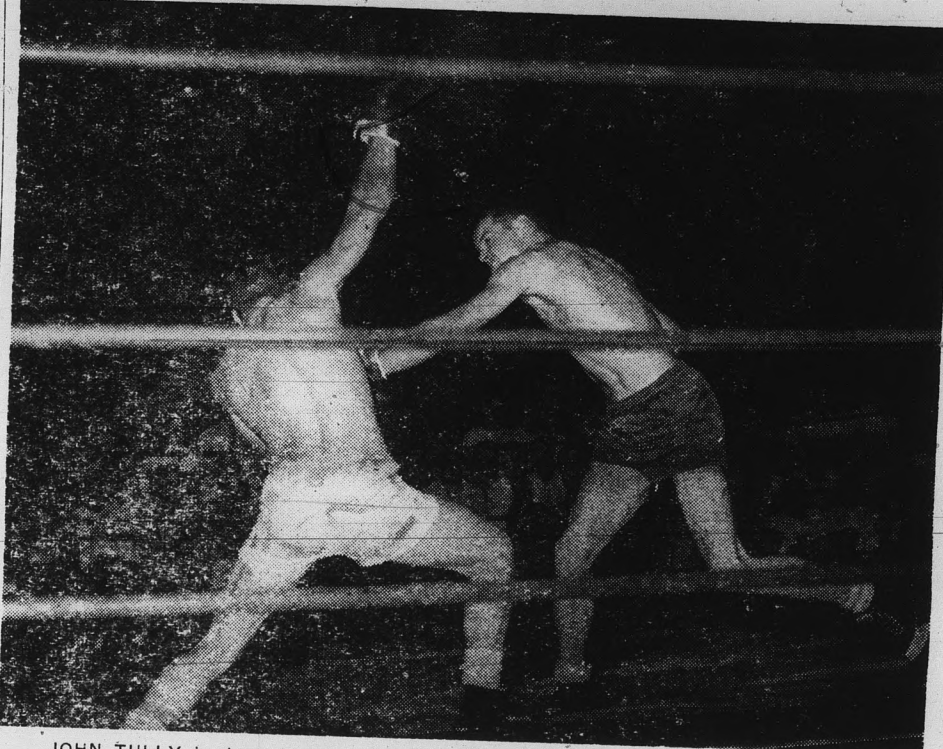

The first express company in America was established in 1847.

The Chinese were the first to manufacture silk.

## Tully Delivers, Fuller Receives

JOHN TULLY is shown landing a hard left hook to the jaw of Bob Fuller in the third round of their intramural bout. Tully, in a hard fought battle, outpointed Fuller in the final round to cap the championship of the welterweight division. Tully previously outpointed two other fighters.

The above shot is typical of the thrilling action that marked the intramural bouts throughout.

## Devil Swimmers Journey To Old Pueblo Netters Meet Aztecs On ASC Court Today

By DOM COSENTINO. Climaxing a week of stiff practice sessions, the Sun Devil swimming team will take on their first Border conference competition today when they meet the veteran Arizona university aquatic team at Tucson. The Wildcats, in their second year of major competition, have a tried and proved team, having met some topnotch competition in San Jose and UCLA. This year's Sun Devil squad will be the first ever sported at Arizona State.

Hampered at times by the lack of a swimming pool and facilities, the Devilfish have had to schedule tougher workouts in order to whip themselves into shape for the meet. Leading the Sun Devil's hopes for an upset over the Catfish will be Monte Kelley, versatile swimming star from Phoenix. Kelley, team captain and instructor, will participate in three events—the 100-yard free style, the 200-yard breast stroke, and the 300-yard medley relay. Teammate Tom Luster will also enter three events, the 200-yard breast stroke, the 300-yard medley relay and the 400-yard free style relay. Ozie King, backstroke specialist, will try the 150-yard backstroke event and the medley relay. Bolstering these Devil entries will be such capable men as Bob Perry and Dick Quinn in the 50-yard free style.

Also Ronnie Krynicki and Bob McKinley, 100-yard free style. Bill Weipert in the 200-yard breast stroke, Wilbert Koski and Cliff Palm in the 400-yard free style. McKinley, Quinn and Krynicki will compete in the 400-yard relay team. Joe Bell, former clown diving star from Phoenix, will get the call for the 1 meter diving event.

The Wildcats will be led by such able swimmers as Monte Wilkinson, state free style record holder, and Jose Valle, breast stroke specialist deluxe. Also on the Wildcat star-studded lineup are Lou Silverstein, distance star and Bob Schull, diver.

Keen competition is foreseen between Kelly and Wilkinson in the 100-yard free style race. Although Wilkinson holds the state 50 and 100-yard records, Kelley has been clocked in better time than Wilkinson. It will be interesting to watch for an expected duel between these two swim stars.

It is generally understood that the apple was first grown in southwestern Asia and southern Europe.

## Aztecs Feature Stars; Record Unimpressive

Tonight, in Goodwin stadium, at 7:45 the victory flushed Sun Devils will meet a strong aggregation of Aztecs from San Diego State college in a dual track meet.

Last Saturday and Sunday the Sun Devil thinclads took on a strong University of Mexico team which boasted four Olympic hopefuls and completely swamped the boys from way south of the border.

Tonight the Devils are again given the edge over a strong San Diego squad and are favored to stay right on the victory road.

The Aztecs haven't won a meet so far this year and in their last showing, a triangular meet against George Pepperdine college, San Jose State and the University of Southern California, finished in third place.

The Aztecs' Willie Steele is rated an easy win in the broad jump and promises to give a lot of trouble in the dashes. Steele is national broad jump champ and has posted a leap of twenty-six feet six inches. He also turns off the century in 9.7 and the 220 in 21.2.

Jack Kaiser is another all-around man in the high jump, high hurdles, pole vault and discus. Kaiser runs the high hurdles in 14.6 and is always a threat. Lloyd Schuneman will carry the Aztec colors in the half mile and the mile.

The Devils loom as heavy favorites in the weight division and the field events and, as things look, Kinzle and company won't have too many cinders flying in their faces tonight.

The California cindermen have an able and nationally known coach in Charley Sportsman. Charley was coach at North Texas State Teachers college and developed the Rideout Twins, Blaine and Wayne, both great runners.

Some of his teams established national records at the Pennsylvania relays and also at the Kansas relays.

It is recommended that any teams who plan to enter any of the three coming events should begin preparing for those events as they will be held soon.

## Arizona University At Tempe Can Be A Reality

Metropolitan Phoenix and its surrounding area is no longer a miniature oasis in the middle of a vast desert. In taking note of the vast changes that have occurred in the community since the start of World War II, the Phoenix Chamber of Commerce and other like-minded civic organizations have publicized nationally the development and attractions of the Valley of the Sun. Thousands upon thousands of individuals and families have recently made it their home.

One may wonder in the face of the expansion in manufacturing, agriculture, the housing industry, dairying, and business houses, why it is that such a progressive community cannot support a university of its own.

The original concession of the Constitutional Legislators in locating the university at Tucson so that Phoenix might be the capital, was fulfilled. It would be foolish to hold that since a state can have but one capital city, it can have but one university.

The University of Arizona has served the state notably in the past and will continue to do so in the future, but now the "Baby State" is approaching maturity and badly needs another university. The University of Arizona is overcrowded to the point where it cannot serve adequately the needs of all the Arizona students who must matriculate at a university. Too, the housing situation in Tucson is enough to deter any but the most determined students.

One need not look to the future when the recognized idea of universal college education will be fulfilled to know that the time is ripe

for construction of "Arizona State University." If there is any one single factor that demonstrates the growth of an area and points to a greater future, it is the establishment of a new university.

With its nearly three thousand students, abundant acreage, new Science building, and ideal location in one of the fastest growing communities in the nation, Arizona State college at Tempe is the ideal nucleus for a new and greater Arizona State university! It now has enrollment larger than many institutions that carry the name of a university.

A college cannot perform the educational service of a university. Doubtless there are many capable students living in the vicinity of the capital city who are not financially able to meet the costs of matriculating at the University of Arizona. In addition, there are, no doubt, many out of state families with sons and daughters of college age who, in migrating west, would find a university an added incentive to make the Valley of the Sun their new home.

The cost would not be so great in respect to the corresponding services rendered the community. It is our belief Arizona State is ready for the transformation which could be done with not too much preparation. If the students and faculty, civic organizations and citizens of the Valley of the Sun will put their full support behind this worthy project, the day when we can all point with pride to "Arizona State university" will not be far off.

P. E. P.

## Reporter Falsifies Ballot Box Stuffing Rumor

In the past, after elections, the Student Council was accused on various occasions of unfairness in the elections and many other vile forms of "dirty politics," to put a certain person in office or crown him king or queen. Let us remind you that you elected the members of the Student Council. If you thought that they would be thus, then why did you elect them?

The elections for Student Body officers the past weeks, was run off very efficiently. There was a grand total of 971 votes cast in the primary for president. This was checked against the cards that were signed upon receiving your ballot, and the total number of people that voted was 975. Now, we ask you, "Is that stuffing or miscounting?" There was a lack of four votes for president which takes into consideration the few people that didn't vote for that office. That was their privilege.

The polls were closed at 4 p. m. as stipulated, and then the large ballot box, which

was locked at all times, was taken to the Activity building where the votes were counted. There was one representative from the Student Council taking the votes out of the ballot box, watched by a student that had no affiliations with the Council. He then gave the ballots to another member of the Student Council who read them to THREE tabulators. The reading of these votes was stopped about every 100 so that the tabulators could check and see if their results were the same. Any student or faculty member was allowed to watch the proceedings. Every member of the Council was watched by at least one student that had affiliations toward one of the candidates or had none at all.

In conclusion, if elections all over the country were run as honestly as this past one, the country would be rid of all political machines. Congratulations to the Student Council. May the next Council be as efficient in their jobs as the present one is.

L. H. F.

## Offering Rewards Might Increase Grade Averages

Almost all colleges and universities throughout the country usually have some system whereby they recognize the superior efforts put forth by students who attain a 3.4 scholastic average. Ordinarily, this recognition is awarded in the form of a pin or a medal, and in fewer cases, by the presentation of written certificates.

At the present time, there is no such system in operation at Arizona State except mention in the catalog, and we believe that the adoption of such a system would be in keeping with many of the superior and farsighted policies of this

institution. Further, it is probable that such official recognition of effort would provide added incentive for students who would covet such an honor, and act as a spur for those that had attained the honored ranks.

Such a system could be started and maintained at small cost, and possibly would be financed from one of the present scholastic funds. If but a handful of students became imbued with the spirit that such an award would represent, the cost would not be in vain.

## Newspaperman Advocates Practice For Voice Control

SALT LAKE CITY, Utah.—(ACP)—A columnist of the Daily Utah Chronicle asks: "Are you the type of person people shun because of your screeching voice, your nasal voice, or your muttering voice?"

A good voice can be your golden key which will unlock the doors leading to a harmonious home life, happy friendship, and successful work. A warm reassuring voice can give tenderness and trust; scold effectively without leaving a scar; command others without fostering resentment. A good voice can act as a wellspring of youth, enthusiasm, and gaiety.

IT MIGHT be well worth while to learn and follow some basic rules that will add a golden glow to your voice and make you infinitely more attractive.

"Hear your voice as others hear it." Lisa Sergio, radio commentator, suggests reading to

a wall. Read loud, directing your words to the corner in front of you and read with your natural voice. The sounds you hear are the sounds everyone hears.

MISS GERTRUDE FOLGER, Hollywood voice coach, suggests this exercise: Stand erect. Inhale deeply through your nose and feel your stomach push in forward. Next exhale and feel your stomach receding to its normal position. Repeat this exercise for 10 or 15 minutes. Another exercise: Loll your head around and around, completely relaxed, jaw and tongue hanging. Rotate your head in one direction six or eight times. Then reverse, going in the other direction. This relieves constriction or tightening of muscles in your throat area, which prevents your voice from having deepness of tone and full deep resonance.

## Educators To Visit ASC

THE UNITED STATES will play host to several dozen leading educators of war devastated nations in a tour of this nation's colleges and universities some time in the summer of 1949 according to Dr. Grady Gammage, college president. This will be in compliance with a plan to "democratize" education in the war-ravaged nations.

## Polka-Dot The Dancing Spot

Your Place For Fun

Every Night Except Monday

# TOO LATE TO CLASSIFY

By TURLEY and CRANDALL

## Let The Termites Have Dogpatch!

The Student Council should be commended for single-handedly conducting Sadie Hawkins Day in an efficient and orderly manner. With the administration and faculty violently opposed to the celebration, the Council was told that it was the duty of its members to quell any disturbances. As a result, Pole, Patterson, Hatley, et al. spent a good part of the day "policing" the activities.

Because of the few students who insisted on dropping the chains on College avenue and driving cars through, and other incidents at the Dining hall and at the dance, we are ready to admit that Sadie Hawkins Day should be discontinued. Our main objection is that the students apparently do not want the celebration because so few participated.

## We Don't Read In The Papers

We were going to ask the question, "What has happened to Pleiades, honorary women's service organization?" but this week they came out of the blue with \$500 for the foreign student exchange—planning to bring a woman student to the campus from the continent. . . . We were glad to see Dr. "Blood-and-Thunder" Helbing visiting the campus on Monday from Redlands University. Let's don't spend any more money on chapels until we buy new equipment for the Ostrander science building. . . . With the present lack of funds, it appears that the antique furnishings from the old Science building will have to suffice. . . . "Buenos dias, amoeba; Buenos noches, amoeba; Buenos manana, amoeba," practiced Coach Donn Kinzie prior to his departure for the Mexico City track meet. . . . The long awaited grand opening of Thunderbird pool will take place at the AMS picnic, May 2, but we've heard that it will be possible to hold private swimming parties at the pool before that time. . . . Which reminds us, what ever happened to the plans for building a swimming pool on campus? . . . "Happy" John will give the high school kiddies a real hunk of college life tomorrow when he'll air the Sunset Club combo for them at the Activity building. . . . The first college movie Wednesday night was a hog-wild success. . . . political neutrality prevents credit where credit is due. . . . if you bums can't decide on a prey pretty soon Turley and Crandall, etc., will deign to accept.

## For Whom The Belle Tolls

There must have been some motive that accounts for the eight-weeks' lapse of time between the posting of grade indices and the Division of Student Affairs' "timely" notification to the Dean of Men concerning the grade deficiency of AMS President Sherman Payne. Despite Payne's above C-level cumulative index, it was only last week that he was notified that his active participation in student affairs must cease because of a too low index for the first semester.

This announcement came just prior to Payne's participation as chairman of committees for the Student Body sponsored Senior day, AMS sponsored Arizona relays, and the AMS all-school picnic. What kept Payne from being notified of his disqualification earlier?

## And More Important—Dog Catcher!

With the abundant growth of trees on the campus and, therefore, a multiplicity of canines, we can think of no more important school position, next to that of AWS president, than Official Dog Catcher, under the Division of Trees and Fireplug Protection.

This election could be easily facilitated by placing the nominees' names on the ballots in the coming class elections. Louis Coor, originator of the idea, has declined this nomination, too, in order to run for Senior class president.

## Coed's Bad Habits Assailed By Doctor

NORMAN, OKLA.—(ACP)—Lack of sleep, "sloppy Joe" shoes, bad posture, and coke and coffee diets were listed as common health problems of college women by Dr. Evelyn Rude, student infirmary physician, in a recent speech at Dallas before the American Student Health association of the Southwest.

Dr. Rude said co-eds hold too many nocturnal "gab" sessions, stay up too late studying, or put their washing (clothes) off until the wee hours of the morning. She recommended 11 p. m. as the very latest for college girls to stay up.

SHE ASSAILED "sloppy Joe" shoes, also known as loafers, as being without adequate support for ankle or the foot, having to be lifted too short in order to keep them on. Interior arches

slowly drop with long use of this type of shoe, she said.

Coke and coffee diets displace an appetite for more nourishing foods. She also pointed out that cokes have as much caffeine as coffee, too many calories and too few vitamins.

The average daily requirements of adults for vitamin A is about 3,000 to 4,500 units.

All governors of the state of Oklahoma have been Democrats.

## News Sent To National Publications; Special Service Staff Publicizes ASC

By A. SMITH AND R. REYNOLDS

It's no accident that news items telling of life at Arizona State reach readers of New York City and Chicago newspapers.

Our college's ace publicity department has it all planned that way.

A virtual news center of all college activities and announcements, the publicity office is the link between Arizona State college and the interested world, the key to good public relations and cooperation with the outside.

When Phoenix editors or radio and news men from over the state phone and write the publicity office (and they do every day) the name of "Arizona State college" is due to hit the streets again, to be read by thousands of persons and considered in the light of other less publicized colleges.

And other colleges are less publicized, too, than Arizona State. Read Editor and Publisher, top newspaper and radio periodical, if you disagree.

The recent issue of the magazine, official organ of the American Newspaper Association featured an article pointing out the fine work being accomplished by the local office. And, for a publicity office to be given space in a magazine like Editor and Publisher, which is for newspapermen who generally don't approve much of publicity is quite a feat.

Since the article's appearance it has been reprinted by Ohio and Colorado dailies—both former papers for which Dan Tedrick, publicity chief, worked—and sent into an estimated 50,000 more American homes.

Because of the office's evident success this year, George Yates, director of special services, has been invited to speak at the National Convention of American College Public Relations Association. He was asked to speak on methods used in bringing the publicity office

to its present efficiency. Mr. Yates, special service director, supervises operation of the publicity office, which is located in the former division of Matthews Library.

Well qualified to speak on the subject of college publicity, Mr. Yates was a professor of journalism before coming here. He was also once one of the top newspapermen of the Midwest.

After working on the Ohio and Colorado dailies, Dan was editor of the Mesa News before accepting the college job.

## Superstitions Aired In Student Survey

AMES, IOWA.—(ACP)—If a black cat crosses your path or you walk under a ladder, you will have bad luck.

Those are two of the most common superstitions among Iowa State College students, according to a survey conducted by Joe M. Bohlen, sociology instructor, and Ruth Patterson, sociology senior.

The survey was conducted to find the prevailing superstitions among students.

### Camelback Inn Will Be Scene Tonight Of Zeta Sigma's Annual Dinner-Dance

Camelback Inn will be the scene of the annual Zeta Sigma formal dinner-dance tonight.

Dinner will be served in the beautiful and spacious dining room of the famous winter resort. Immediately following dinner, dancing will commence on the patio to the music of Wally Bender and his Artistry Four.

The Inn will be decorated in traditional red and white of Zeta Sigma with the table appointments and flowers carrying out the theme.

More than 50 invitations have been extended to alumni of Zeta Sigma and a large number of these are expected to attend the gala event. Faculty guests for the affair include Dr. and Mrs. George Portnoff, Mr. and Mrs. Harvey McKemy, Dr. and Mrs. Rufus K. Wyllys, and Miss Nina B. Murphy.

Peggy Gallagher, sorority president, is general chairman for the dance, with Ruth Timberlake, Betty McCubbin, Wyota Barrett, Ruth Ollerton and Barbara Crandall assisting.

### Teke Installation Climaxed By Dinner

National fraternities became a reality on the campus of Arizona State last week-end when Mu Sigma Chi, formerly a local fraternity at the college, was formally installed as Beta Xi chapter of Tau Kappa Epsilon, national social fraternity.

The three-day ceremonies were climaxed Sunday afternoon with a banquet at Jokake Inn. All members of the new chapter, members of various Teke chapters throughout the Southwest, and college officials attended this affair. Dr. E. L. Edmondson, dean of men, and Dr. J. O. Grimes, dean of the college, addressed this dinner.

Members of the Teke chapter of New Mexico A & M, at Las Cruces, came to the Arizona State campus to confer the charter. A group also attended from UCLA.

### North Hall Seniors Feted By Residents

North hall honored three seniors at their senior breakfast held last Sunday, April 18, in the college dining hall. The seniors included Maria Salgado, Nena Bailey, and Jean Bryant.

Dean and Mrs. E. L. Edmondson were guests at the breakfast.

Following the breakfast the girls and their guests returned to North hall, where a program was presented. Rose McFee sang several songs, accompanied by Polly Asher. Ira Reggin followed with a violin solo.

Committees in charge of the breakfast included Marilyn Downs and Betty Oft, general chairmen; Johnny Bailey and Caroline Kivley, decorations; and Mary McKone, program.

### Sigma-Pi To Install Twenty Neophytes

Installation of 21 new members into Sigma Phi Sigma, honorary accounting fraternity, will take place this evening at 7:30 p. m. in the Saratoga room of the Hotel Westward Ho.

Following the rites, which will be read by Glenn King, fraternity president, the new members and guests of the fraternity will be honored at a dinner.

Mr. Carl Tiser of the accounting firm of Cuthbert, Johnson & Tiser, and Mr. Laird Racy, practicing Phoenix C. P. A., have been engaged to speak to the group. Mr. Tiser will talk on "There Are No Substitutes," and Mr. Racy will treat the subject of "Accounting As a Career."

Faculty guests at the dinner include Mr. E. J. Hilkert, Sigma Pi sponsor; Mr. and Mrs. Arleigh R. Burton, honorary members; Mr. and Mrs. Miles All-dridge, Mr. and Mrs. Warren L. Max, Mr. and Mrs. George L. Sheppard, and Miss Mary McKinnon.

Candidates who will be installed this evening are Mary Arp, Dean Bloyd, Charles Bryant, William Colwell, Carl Crew, Lee Drake, George Hahn, Russell Hamilton, Robert Jones, Allen McMaddin, Joseph Miller, Paul Myers, Robert Parsons, Frank Robertson, Mrs. Gertrude Roseller, James Runnion, David Russell, Edward Shelley, Lorin Shelley, Richard Vaughan, and Carl Wronko.

### Pajamas Are In Order At Alpha Hall Frolic

On Monday evening, April 26, Alpha hall will hold a pajama party in the hall's recreation room. The evening's events will begin shortly after 10 p. m.

Committees include: Rosalee Arnett, Mary Jan Truog, decorations; Elinor Nolan, Mary Louise Lopez, entertainment; Linda Turner, refreshments; Elnora Geller, flowers; and Faith Frazier, favors.

### IZFA To Meet

Arizona State's chapter of the Intercollegiate Zionist Federation of America (IZFA) will meet Tuesday, April 27, in the Lyceum lounge at 7:30 p. m.

A discussion on "Political Parties in Palestine" will be led during the meeting by Peggy Drey.

### Zetas To Party At Camelback Inn

Zeta Sigmas put final touches this week on arrangements for their formal dinner-dance which is an event of this evening at Camelback Inn. Shown here midst a planning session in Gammage hall lobby are Marilyn Coor, Barbara Heflin, Peggy Gallagher, sorority president; Betty Ciochetti, and Ruth Ollerton.

### Blue Key Selects Pole As President

Election of officers for the coming year held the number one spot on the agenda at the Blue Key dinner meeting in the Lyceum building last Monday, April 19. John Pole was elected president with Tom Pendergast, vice president; Charles Filby, recording secretary and treasurer; and Ronald Wyllys, corresponding secretary.

During the meeting, initiation rites were read for Gene Marin. The next dinner meeting of the honorary fraternity will be held Monday, May 3.

### AWS Council To Hear Reports Of Delegates On National Meeting

Honoring incoming officers, the Associated Women Students council will hold an open meeting next Monday, April 26, at 4:30 p. m., in the Lyceum lounge.

New officers include June Cross, president; Fern Taylor, vice president; June Gilbertson, secretary; Mary Lou Burton, treasurer; Gafe Andrews, student council representative.

At the meeting, a report of the proceedings of the Western Region Intercollegiate Associated Women Students convention, held in Seattle, April 15, 16 and 17, will be given by our delegates, Mrs. Mildred B. Sayre, dean of women, and June Cross.

### School Dance, Show Tomorrow Evening Climax Senior Day

Climaxing Senior day activities, a Student Body dance will be held tomorrow evening in the Activity building to honor visiting high school seniors.

John Pugh and his Thunderbird orchestra have been engaged to play for the dance. This is the second appearance of this band on campus, the first time being at the Junior-Senior prom.

At the same time the dance is going on in the Activity building, there will be a movie, "East Side of Heaven," being shown at the stadium. Both of these events will immediately follow the Arizona Relays.

This is the second Student Body sponsored movie, the initial offering being "Between Us Girls" last Wednesday night. John Hatley, Student Body vice-president, has announced that "It Started With Eve," a musical comedy starring Deanna Durbin, Charles Laughton and Robert Cummings, will be presented next Wednesday, April 28, behind the Activity building in conjunction with the regular Wednesday night dance.

Try Tempe stores first!

### With the Greeks

#### Phi Beta Epsilon

Saturday afternoon will find the Phi Betas leaving for an overnight camping trip at Seven Springs. Pledges in charge of arrangements are Jane Wynn, transportation; Lorraine Cross, food; Laurelea Haby, Naurelea Haby, and Betty Harris, preparation and cleanup.

Formal initiation will be held next Monday night, April 26, at the home of June Cross, vice-president. Neophytes to be initiated are Georgia Appleby, Betty Bowen, Rose Marie Burch, Lorraine Cross, Ann Ferguson, June Gilbertson, Laurelea Haby, Naurelea Haby, Betty Harris, Dot Janssen, Katie Kraft, Peggy Myers, Shirley Smith, Ann Swallow, Elaine Tessman, and Jane Worm.

#### Zeta Sigma

Zeta Sigma sorority formally initiated fifteen new members into the organization last Tuesday evening in ceremonies at the home of Miss Alma Giacoma, Zeta Sigma alumnae.

Girls who are now active members of the group are Monie Corbell, Jeri McClenney, Pat McGinn, Vera Terkelson, Diane Leggett, Marilyn Coor, Peggy Duane, Marian Clark, Pat Govey, Barbara Wedge, Shirley Lewis, Lovette Ywanow, Joyce Ywanow, Marjorie Bemis, and Joan Smith.

#### Kappa Kappa Alpha

Kappa pledges and members will climax their work week activities with an all-night camping trip Saturday and Sunday, April 24-25, to be held at Blue Point.

#### The Ulysses

Virginia Julian, Ulysses secretary, had the group out to her Mesa home for a steak fry, and the meeting was held there. The Ulysses presented Dr. Edmondson with a pen and pencil set to express their thanks for his guidance and friendship.

#### Kappa Theta

Tentative plans were made for a swimming party to be held at Tempe Beach in the near future, at a meeting of Kappa

**CAMELS are my favorite cigarette!**

And here's another great record - More people are smoking **CAMELS** than ever before!

### Vets Reorganize Under New Rules; Hold Annual Election

ARISTAVETS, CAMPUS veteran organization, was reorganized under a new constitution at a meeting of the group recently.

The new plans for organization of the group will closely follow the student council system of operation. Each member of the group will be assigned a specific seat and will be expected to be present at all meetings unless excused by the executive council.

ALL MEETINGS will be open to non-member veterans who may present any problems attendant with school life, but will not have a voice in the discussion or voting. This procedure is being adopted in an effort to vest the actual operation of the organization in the hands of veterans who manifest a real interest. Interest in the Aristavets has been very lax during the past year.

New members will be accepted each year by application only and selection will be made upon a basis of interest and sincerity in the aims of the group.

PAT D'ADDEA, retiring president, announced the following officers for the coming year: Roger McKenzie, president; Bob Belsher, vice-president; Barbara Simmons, secretary; Harry Merthens, treasurer; and Edward Howell, sergeant-at-arms. Miss Simmons will be serving the organization as secretary for the third consecutive year. Dan Conley and John Gay Gregory will comprise the executive council.

### Student Presidents' Association To Hold Confab Here In May

ARIZONA STATE students will host May 7-9 for the annual convention of the Pacific Students' Presidents Association. Wendell Patterson, president, said, Thursday.

Student officers from 102 schools throughout the west will participate in the three-day event, which will have its opening session on May 7 at 10 a. m. in the Lyceum building.

"PURPOSE OF the annual confab," Patterson said, "is to discuss student activities, exchange ideas, and compare the various student governments."

The visiting officials will be housed at Thunderbird field with most of the sessions taking place there. The Student council is completing a plan of activities for the convention, including recreation at the field.

School zone speed is 15 mph.

### Instructors Hired For College Posts

DR. SUZANNE D'ORSSAND, distinguished French teacher, will join the faculty of Arizona State in September as assistant professor of languages. Dr. Grady Gammage, college president, has announced.

A widely-known university instructor and now an American citizen, Dr. d'Orssand has taught in 10 large schools, among them the University of Puerto Rico and the University of California. She is a member of Phi Beta Kappa.

DR. GAMMAGE also has announced the appointment of three other instructors for the fall semester next year. They are Hugh Hanson, who will be assistant professor of science; Melvyn Coates-Ensign of Phoenix as an instructor in industrial arts; and Elizabeth Hempton James as teacher at the Ira D. Payne training school.

### Eventful Activities Stated For Seniors

(Continued from Page One)

planned:

AT 1:30 P. M. until 2 p. m., the Choral Union will present music on the steps of the Arts building, while from 2 to 2:30 p. m. organ music in Danforth Meditation chapel and music in the West hall quadrangle by orchestra ensembles will be given.

At 2:30 p. m., a style show for the visiting women students will be staged in the Activity building, while the senior men will be shown basketball and football movies in Room 4, Matthews Library. At 3 p. m., a sports demonstration for the girls will be given in the Activity building. From 2:30 to 4:30 p. m., the baseball game between the Sun Devils and George Pepperdine college will be in progress. At 3:30 p. m., a music show in the Activity building will be given, and from 4 to 5:15, open house for all dormitories, the Home Management house and the Industrial Arts department is scheduled.

THROUGHOUT THE afternoon of activities, rest and refreshments in the Off-campus room of the Activity building will be available.

At 5:15 p. m., the visitors will be feted at a picnic on the Women's Activity field. Prior to the Arizona Relays, a band concert will be presented in the Goodwin stadium from 6:45 to 7:15 p. m. The Relays will take place at 7:15 p. m.

IMMEDIATELY FOLLOWING the track meet, the students will be honored at an all-student dance in the Activity building. In conjunction with the dance, a movie will be shown in Goodwin stadium at 10:30 p. m.

Careful driving saves lives.

### Debaters On Tour To Capture Title

WITH HIGH hopes and a good chance for the title of champion debaters of Arizona, nine Arizona State students left yesterday afternoon for Thatcher to enter the Arizona State Debate tournament to be held at Gila Junior college on Friday and Saturday of this week.

ENTERING COMPETITION against teams from all colleges of the state, these students will vie for the future championship title of Arizona on the debate question: "That a Federal World Government Be Established."

### Student Music Majors In Recital On Wednesday

Two outstanding music majors, Betty Waples, mezzo-soprano, and Norma Barkley, pianist, will be presented in recital next Wednesday, April 28, at 8:30 p. m. in the college auditorium.

The program is being sponsored by Mu Rho Alpha, honorary music society. Pauline Fanfarillo will be the accompanist for Miss Waples.

### May 15 Deadline For Sahuaro Sales

DEADLINE FOR purchase of the SAHUARO, Arizona State yearbook, has been extended to May 15, according to Charles Filby, editor of the book. Payments may be made at the SAHUARO office any time during school hours or by contacting any one of the sales girls who are working on the campus.

Advance proofs of this year's SAHUARO assure that the book will be better than ever. Not a single event has escaped coverage both pictorially and rhetorically. The publication is a remarkable cross-section of campus life at Arizona State.

### Student Teacher Tests

Students are again reminded of the entrance examinations for those who plan to enter directed teaching next fall.

Examinations will be given from 8:30 a. m. until 11:30 a. m. on Saturday, May 1. The fee of

### Missiles Battery Formed In Tempe

Battery A of the Guided Missiles battalion, Mesa Composite group, has been assigned to Tempe, with training meetings being held in Room 202, Old Main, at 7:30 p. m., the fourth Monday of each month. Students interested in joining the battery may secure application forms in the office of Dr. Louis M. Myers, Room 201, Old Main.

Members of the Organized Reserve Corps, both officers and enlisted men, may request assignment to this unit. Veterans of all service branches of World War II, not now in the Organized Reserve, may enlist in the grade in which they were discharged. Men physically fit and between the ages of 17 and 35, but with no service in the armed forces may also enlist.

### News Bulletin!

ARIZONA STATE has been considered acceptable for the establishment of an Air Reserve Officers Training corps unit, according to an announcement received late Thursday by Dr. Grady Gammage, college president.

IN THE LETTER from Maj. Gen. John E. Upston of the Fourth Air force at Hamilton field, Calif., it was disclosed that the unit would be ready to accept students at the fall registration period next September, providing that such a plan is acceptable to college officials.

### Men Asked To Return Tickets This Afternoon

All fraternity men and members of Associated Men Students holding unsold Arizona Relay tickets are requested to return the tickets to their fraternity representatives or the AMS representative at the table in front

### Phoenix Orchestra To Play Here May 5

THE PHOENIX Symphony orchestra will appear in concert as a part of the May music festival at 8 p. m. in Goodwin stadium, May 5, Mr. Harry Harelson, music department head, announced Thursday. The group will appear under the sponsorship of the college concert series and will present popular and semi-classical music.

HIGHLIGHTING THE college festival, from May 3 to May 7, the concert will be free for students, while the general public will be required to purchase tickets. Proceeds from the ticket sales will be used for the establishment of music scholarships at Arizona State.

John Barnett is conductor of the orchestra, which has several faculty members and students in its membership.

of the Arts building between 3 and 5 p. m. today.

**WHY... I smoke Chesterfield**  
(FROM A SERIES OF STATEMENTS BY PROMINENT TOBACCO FARMERS)

"Chesterfield is my brand. I've been smoking them for about 16 years. I like them because they're mild and really satisfy. I know the kind of tobacco that's in them... it's the best."

"Chesterfield buys the best grades of tobacco. It's mild, light, ripe, sweet-smoking tobacco. They pay the highest prices for their tobacco. It's top quality leaf."
