

# Famous Harry James Band Will Play Here

**STATE**  
ARIZONA STATE

**PRESS**  
TEMPE ARIZONA

## Hoagy Carmichael On Program Nov. 10

Harry James' famous band under the direction of Harry Rogers, band arranger for the past few years, will play for a dance tonight under the sponsorship of the Sophomore class; and again Wednesday night, November 10, under the sponsorship of the Associated students. The dance tonight is a preview of the Hollywood Star Revue which is scheduled to appear at the State Fair November 6, 7, 11, 12, 13 and 14.

Admission charge for this evening will be \$1.25 per couple and everyone, including students and their friends will be welcomed. Only couples will be admitted to the dance which will begin at 8:00 and continue to 12 p. m. The Wednesday night dance admission price will be \$1.50 per couple and will also continue to 12:00, due to Thursday, Nov. 11, Armistice Day being a holiday with no class work being scheduled.

On the program tonight, according to Pat Dalton, Associated student vice president, who is helping Jim Warne, sophomore class president, make the arrangements, Hoagy Carmichael, motion picture star and the composer of the immortal "Stardust," is expected to appear along with Artie Wayne, Headliners in the show are Hoagy Carmichael, Martha Tilton, Sonny Tufts, Rod Cameron, Keenan Wynn, Mabel Todd, Irene Ryan (of the Bob Hope show) Dick Lane, Margaret Whiting, Ukie (writer for the Bob Hope and Bing Crosby shows), Jack Lambert, June Haver, Jane Hazzard, Elaine Sterling, Marjorie R. Gordon, Artie Wayne, the Williams Sisters, and the Harry Rogers band (formerly the Harry James

## Building Program Would Ease Congestion

Books and stacks of books — on the floor.

### More Library Space Is Vitally Needed; Over 12,000 Volumes Are Not Shelved

Library space at Arizona State college has become quite a premium and students have begun to feel the effects of the congestion of the inadequate area as they wait their turn to check out the needed reference and source books.

The library has doubled in volume since 1943 but still occupies the same floor space it did then. Helving has been added to fill every available inch of area, yet there are more than 12,000 volumes without shelving space. It is believed that an additional 240,000 volumes are needed to suffice at a college of this size.

At present, books are stacked along the walls and piled in the corners. The library personnel are working long and deliberately in an effort to get them into some form of organization. To obtain a book from one of these piles is almost an impossibility. The students are handicapped by this in that they can get only the books that have been catalogued and shelved though the very book they may need for references, research, and checking is in the midst of some pile on the floor because there is no space to properly shelve them.

The quality of the students turned out by an institution depends considerably on the adequacy of the library facilities. The atmosphere of a library is to enhance students to deep concentration and encourage studying. Yet, when it becomes necessary for one to be turned away because the books they need are not available or, if in stock, it takes hours to dig them out of some pile on the floor or against the wall, it becomes discouraging and defeats the purpose of the library.

Dr. Grady Gammage, college president, believes the library is

"entirely inadequate to house the library and the college administration offices. The library alone justifies the entire structure."

"There should be sufficient space to accommodate more than 1100 students based on our present enrollment. At present there is only seating capacity for 375 students." On a percentage basis, the seating capacity is sufficient for a college of approximately a thousand enrollment, but with over 3,000 students regularly enrolled on campus there is only one chair and space for every three students that are waiting to get into the library to study.

Limited time and impatience of students while waiting their turn for use of the library is defeating the purpose of the institution and causing students to become discouraged in their pursuits of deep concentration and knowledge.

Dr. Gammage further stated that the library is no longer considered a place to merely house books but represents a very definite method of education.

Matthews Library, building housing 60,000 volumes at this time and in anticipation of eventually having 300,000 volumes, can no longer carry the load of housing the administrative and business offices and confining the library section to the second floor. The entire building and floor space is needed for the library use alone.

## Ciochetti, Mattox Vie For Queen; Muniz Is King

In Wednesday's primary election, Betty Ciochetti and Ann Mattox topped five other candidates for Homecoming Queen and will enter the general election next Wednesday in the run-off. The two were the top vote getters but neither had sufficient votes for a majority.

Manuel Muniz won over Eugene Levi and Frank Komadina. By virtue of a slim majority of the total votes cast Muniz will be crowned King for the Homecoming celebration. Jerry Nickels, a write-in candidate, polled a surprising number of votes. A total of 1,025 votes were cast for king and queen candidates.

Other candidates vying for queen were Gaye Andrews, Betty Killingsworth, Fern Taylor and two or three write-in candidates each receiving a few votes.

In the freshman class election all offices were decided in the primary election.

Bob Dameron won over Barney Shimonowsky for the president's office and Ed Semmen defeated Mel Pearce for the vice presidency. Joyce Simms was elected secretary; Bill Wallace, treasurer; and Louis Crandall as representative-at-large. A total of 450 votes were cast in the freshman class election.

## Hospital Facilities Not Sufficient

Inadequate hospital facilities on the Arizona State College campus here was the reason given Monday by college authorities for moving a communicable disease patient into the home of Dr. Grady Gammage, college president.

Elaine Hendrixson, director of the Student Health Center, said the institution was unable to provide for John Kirley, student from Chicago, when he became ill last weekend. He was given a large bedroom in the college president's house.

No facilities are available at Tempe for students with communicable diseases, she stated. The student clinic has 10 beds, all of which are reported in use nearly 100 per cent of the time.

## Tempe Teachers To Judge Exhibits At State Fair

Lola Ellsworth, home economics teacher, and Dorothy Adams, senior student teacher, both of Arizona State, and Dr. Marion Cline of the School of Agriculture at the University, will judge exhibits of the Future Homemakers of America at the State Fair next week.

Seven booths will be set up depicting the ideas, purposes, and activities of the individual organizations.

## Student Activity Scope Under Study

A series of conferences with campus dormitory heads and residents has been initiated by Paul Trovillo, dean of men, to interpret the administrative point of view in matters affecting hall social activities.

In an effort to answer some student criticism of the scope of social activities and to increase opportunities for social contacts set apart from the various campus organizations, these conferences are to be set up to discuss a schedule of informal inter-hall "get-togethers."

These would not be in the usual "open house" style, but more personalized by periodic party exchanges between the halls. The plan is to be extended to include off-campus residents, too.

An impromptu mixer of this type was exemplified last Saturday evening at South hall where a group of students not attending the football game in Tucson enjoyed such a party.

## Dean Sayre Ill

Dean Mildred B. Sayre has been ill for the past ten days from bronchitis and is now recuperating in the Mesa Hospital. Her condition has been reported improved and she is expected to return to the campus within the next few days.

## Lamp Marksmen Warned By Police

Campus police this week cautioned students to stop breaking city street light bulbs on College avenue, south from the chapel.

Some eight of the bulbs were levelled in recent weeks by stones thrown by Irish and Stadium hall men, police reported. The bulbs cost from \$25 to \$30 apiece.

## Rev. Fox New Religious Director

The Rev. Earl Seymour Fox, whose appointment as Religious Coordinator was announced some weeks ago has arrived on the campus, and has set up his office in the Danforth Chapel. Mr. Fox will visit the various religious groups during their Tuesday night meetings, and will have office hours from 2-5 on Wednesday afternoons, or by appointment. These hours are not only set aside for consultation with the various religious groups, but are open for any individuals who wish to discuss personal problems in confidence.

Those who are formally a part of some religious group will normally seek out their own leaders for such counselling. There may be some who have no such connection, and yet who feel the

## Influenza Vaccine Now Available

For the third consecutive year, the Student Health service is offering influenza vaccine at cost to any student who wishes to avail himself of this opportunity.

The vaccine is now in stock and may be taken during any of the regular dispensary hours, nine to eleven and one to four Mondays through Fridays and nine to twelve on Saturdays. Only one injection is required. The cost is 60 cents.

This vaccine is effective only against influenza and has very little effect on ordinary colds.

While there is no compulsion, the Student Health service strongly urges the students to get this vaccine, particularly since infirmaries facilities are so inadequate for the present enrollment.

## "Greater Arizona" - Is Homecoming Theme

According to the plans of the Homecoming steering committee, the sixty-fourth Homecoming celebration, scheduled for the first week of December will be the most elaborate and largest affair of its type to be held on the campus of Arizona State College, since the event was first inaugurated back in the days of the old Normal School.

The steering committee, headed by Jimmy Creasman, Alumni secretary, met last Tuesday afternoon to choose a theme and set the policies of the celebration.

The decoration of the halls and floats will be built around a theme of "Greater Arizona." The resources and industries of Arizona will be pictured by floats to be decorated to show the present progress and the extent of what is possible in the future.

Mining, agriculture, cattle ranching, education, transportation, communication, conservation, religion, and work and play of all types will be featured in the decorations.

The need of water in the state of Arizona and what may be done with the desert when water is secured will be one of the main subjects used. A bigger and better Arizona State College will be shown by the presence of a float built to represent the building of the new Science Building, which is scheduled to be dedicated at the

peak of the Homecoming celebration.

John Pole, associated men's president and parade marshal, announced that arrangements are being made for the Homecoming parade to be the biggest of its kind. Floats will be sent from many of the Valley communities to join in the celebration. The parade will be organized in Tempe, go to Phoenix, and return to Tempe where it will end on the college campus. Prizes will be given to the college groups and organizations that have the best floats.

According to John Pole, applications for floats will be available to all organizations this afternoon. This is necessary so that the parade make-up can be arranged. The deadline for all applications to be returned to the parade marshal, will be 4:00 p. m. Wednesday, November 17.

George Sessions, chairman of

## Col. Scott Speaker At Faculty Club

Col. Robert L. Scott, Jr., commanding officer of Williams Air Force Base and author of the best-seller God Is My Co-Pilot, spoke to the Faculty Club of Arizona State College here at 7:30 p. m. Wednesday.

Colonel Scott, who assumed command of the fighter school October 4, discussed the accelerated program at Williams, according to Mrs. George Portnoff, program chairman for the college group.

## Campus Ace Contest Announced By Helios

Helios, a literary publication staffed and written by students of Arizona State college, is seeking aid in finding the Campus Ace.

According to Larry B. Marton, editor of the Helios, the staff has rebelled against the constant flow of kings and queens of this and that, and in retaliation wishes to find a man who has never won any contest, has never achieved any recognition, or for that matter has never been worth much of anything. To this individual will go the title of Campus Ace along with an appropriate feast. To the finder will go a reward of ten dollars, and the nation's blessings.

There will be no general election because this man, by virtue of his qualifications, will be relatively unknown. The Helios staff assumes that many ASC students, at one time or another, have been unfortunate enough to meet such an individual. Write a letter to the Helios describing this man. Although identification of letter writers will be withheld on request.

The search will be confined to the campus where, it has been suggested, a wealth of material exists.

popular singer on such programs as the "Hit Parade."

For the Wednesday night dance, Pat Dalton said it is very possible that many of the members of the "Hollywood Star Revue" would be on the program. Dalton said that arrangements were being made to have such guests as Sonny Tufts, Rod Cameron, Martha Tilton, and Keenan Wynn for the Wednesday night dance.

The "Hollywood Star Revue" which will be presented at the State fair grounds under the sponsorship of the Veterans of Foreign Wars, is a two hour show

band). Tickets for the Saturday night show are on sale for eighty cents per person at the Associated Student office and at the dance tonight. A select general admission area is being reserved for students of the college, and their friends, that buy tickets through the associated students.

Other tickets are on sale at the V. F. W. Fox Hole 132 West Washington street, Phoenix. The tickets for all six performances are set at 50 cents for children, 75 cents general admission, \$1.20 reserved seats, and \$1.80 box seats.

## Activity Books Honored At Loyola

Students need only their activity books and coupon number 20 thereof for admission to the Tempe-Loyola game November 12, according to Sherman Payne, Associated students sales manager. Students will use the two north gates on the Fairfax side of Gilmore stadium at Loyola. Ample signs will be posted for directions.

Plans for activities preceding the game, similar to those at Tucson before the University fracas, are now under way, he added.

Everyone planning to go to Loyola are asked to contact Pat Dalton.

## Grimes Says Election Posters Violate Rules

According to an announcement this week from Dean J. O. Grimes' office, the long standing rule of ASC that candidates for office should not post their signs on the doors or walls of the buildings, inside or out, or on the trees on the campus has been violated. All candidates and their managers are asked, in future elections, to preserve the beauty of the campus by observing this rule.

Dean Grimes also announced that all students who have not yet passed their examinations for directed teaching and expect to take it next semester, should take them on December 11th, Saturday.

## Senior Announcement

All seniors planning to graduate in May must pay \$10.00 graduation fees and file applications before November 15. Fees must be paid to the Business Office and receipts taken to the Registrar's Office, Room 113, Matthews Building, where the necessary application forms may be obtained.

Candidates who fail to pay the graduation fee and file applications at the time specified are required to pay the five dollar late fee and may be scheduled for graduation at a later date.

Upon filing an application for graduation, a final check on graduation requirements will be made for each student. A check sheet showing the remaining requirements for graduation will be furnished students as an aid

to planning the last semester's course. All seniors who intend to complete degree requirements by January 1949, must file applications immediately. These students will be expected to participate in the May commencement exercises.

Seniors who have received their check sheets but who have not secured their adviser's signatures and returned them to the Registrar's Office are requested to do so immediately.

## Students Will Take Part in Survey

Social Welfare students, under the supervision of Dr. F. B. Turner, took the first step last Thursday in preparation for their assistance in the Phoenix Community Council survey, at a meeting with Mrs. Mildred M. Gillespie, executive secretary of the council, and Mrs. Olga Welch, public relations officer.

The Whittier school district has been selected for the survey. Its fundamental purpose is to attempt to obtain a picture of how Phoenix, and particularly this district, is growing; as to how well the social agencies and recreational facilities are serving the district; and to find the general attitudes toward Phoenix of those who live in that area.

### Homecoming

(Continued from Page One)

the campus activities, announced that all organizations taking part in the celebration must contact him at once. George can usually be found in East Hall, and will receive all suggestions.

The coronation ceremonies of the Homecoming King and Queen, according to Pat Dalton, social chairman, will be a gala affair, investing the sovereignty to their honorary positions. The victory dance the following night will be

high-lighted with the presentation of the Pied Pipers, Artie Wayne and the Ernie Felice Quartet. They will be the guests of the associated students.

Other events planned for Homecoming will be such things as the Men's smoker, the Women's tea, the annual "Whiskerino," the Alumni "Get-together," Hall judgments, the Lighting of the "A," and fraternity parties.

A new school song, "Arizona," written by Harold Spina, is scheduled to be introduced to the students at the football game. Harold Spina is the author of "Sleepy Baby" and other popular songs. If possible, Mr. Spina will be a guest of the associated students for the Homecoming celebration.

The steering committee chairman, Jimmy Creasman, once again asked that all information pertaining to the Homecoming be channeled through the committee so that everyone can be properly notified.

Goodwin Stadium seats over 10,000 spectators.

### Veterans Under P. B. 16 See Training Officer

All Public Law 16 (disabled Veterans) will contact Mr. Iannella, Training Officer, in Room 123, Library Building, from 11:00 a. m. to 4:00 p. m. on Mondays, Wednesdays, and Fridays. Failure to comply with this request will jeopardize your training benefits.

Those whose last names begin with A thru K will report on any of the above days during the month of November, 1948.

Those whose last names begin with L thru Z will report on any of the above days during the month of December, 1948.

### Frosh Vs. Varsity Track Meet Sked

The fall track meet, the Freshmen versus the Varsity, will be held Tuesday, November 9, at 8 p. m.

### Theta Chi Shows Film

Thursday evening at 7:00 p. m. Theta Chi conducted a special meeting and a special movie was shown on Chinese Art.

During the course of the evening refreshments were served. All art majors were invited to attend.

The college auditorium seats 1,000 persons.

### Plans To Procure Russian Movie Are Revealed

Members of the Russian club held their bi-weekly meeting last Tuesday evening in Room 310, Old Main. General business transactions were followed by singing Russian songs from the newly acquired song books.

Plans were made for obtaining a movie depicting some phase of Russian life, similar to the "Musical Story" presented last year. The film shown last year drew a tremendous crowd of students and public, including many visitors from as far away as Glendale and Peoria. The film will be in Russian with English translations at the bottom of each view.

As last year, the club expects to invite the students and general public to the showing of the film.

The next meeting of the organization will be held in Room 310, Old Main, November 16, at 6:45 p. m.

### Contact Officer Available For Aid

Mr. Decker, contact officer from the Veterans Administration Regional Office at Phoenix, will be available to give aid to veterans or their representatives on Wednesday, November 17, 1948, from 10 a. m. to 4 p. m. in Room 123, Library building.

It is recommended that veterans concerned submit, if possible, documents, letter, or correspondence which would aid the contact officer in clarifying their problems.

Mr. Decker is well versed and able to render valuable assistance and advice in the following subjects:

1. Insurance: (a) Reinstatement. (b) Conversion. (c) new applications. (d) Loans. (e) Optional settlement. (f) Change of beneficiary.
2. P. L. 346—(a) Subsistence allowance. (b) Assistance in proving dependency.
3. Compensation and Pension: (a) Aid in proving service con-

nection. (b) Appeals. (c) Increases.

4. Aid in transfer of case files; training files, and insurance records.

5. Miscellaneous matters including: (a) Readjustment information. (b) Status bonuses. (c) Overpayments. (d) Lost discharges. (e) Eligibility time, etc.

Mr. Decker will be available at the same room, same time every third Wednesday of each month during the school year.

### Conquistadores Honor New Members At Party

Members of Los Conquistadores held a reception honoring new members recently in the off-campus room of the Activity building. The Homecoming reception and float were discussed and plans were made for the organization's annual spring convention, which will be held on ASC campus this year.

# DEVILS, FARMERS TANGLE TONIGHT

## Doherty's Men Favored In Aggies' Homecoming Game At Las Cruces

Attempting to regain their winning stride, the Sun Devils trek to the New Mexico College of Agriculture and Mining tonight at 8:00 o'clock.

The Aggies, under their new head coach, Vaughn Corley, have had a haphazard season thus far, winning two and losing four. They have yet to win in conference play. The "Plough Pushers" are led by Ray "Rusty" Van Pelt, 190 pound tackle, who was picked by Joe Williams as second team Little All-American tackle last year. Other standouts on the Aggie line are: Harold Spencer, end; Joe Dean, tackle; and Cal Hall, guard.

Muniz and John Zucco, guards; and Bill "Goose" Gosselin, center. Against the Aggie backs Coach Ed Doherty will probably pit Mark Markichevich, fullback; Garner "Bullet" Barnett, right half; Wilford "Whizzer" White, left half; and Cecil Coleman, quarterback.

### INTRAMURALS

The basketball and tennis tournaments now in progress in the intramural sports was interrupted Thursday, Nov. 4, when the intramural cross country championship was held. Winners, both team and individual, will be announced next week.

Another perfect record team was knocked off last week and now the only remaining undefeated team is that sharp outfit representing Delta Sigma Chi, who have thus far won five games and lost none. The Tekes, who have a split bill with three wins and three losses, will be out to knock the Delta Sigma Chis out of their perch at the top of the National league, when they meet in the seventh round.

The standings in the league thus far are as follows:

In round six of the tournament games, the Pi Deltis defeated the Gables No. 2 team 38 to 14; the Cliftoners climbed over the Irish Hall five 28 to 23; the Easterners edged the Tau Sigs to a 32 to 29 victory; Coolidge beat R.O.T.C. 39 to 27, and in a thriller-diller, the Verde Tech cagers skimmed by the A-1 Kings 31 to 30. Over in the American League, East Hall forfeited their game with the Bookstore; the Ohioians took an easy victory from the Gables No. 1 team, 57 to 22; the Tekes outscored the Badgers 37 to 21; the Lambdies won their game with the boys from the Stadium, 36-22, and Delta Sigma Chi found pretty

One of the big reasons the Sun Devils are picked for the favorites role tonight, is Jim Coppinger, ace wingman, pictured above performing his specialty. Cut courtesy Arizona Republic.

## Devils Fall To Cats In Gridiron Thriller

16,200 CHILLED FANS watched the University of Arizona pull their fat out of the fire last Saturday night at Tucson, by stopping the Sun Devils of Arizona State, 33 to 21, in the state's big game of the year.

Neither team could score in the first quarter; both outfits were feeling out the offensive and defensive tactics of the other.

But in the second period, Ed Wolgast of the Wildcats grabbed 21 yards on the end of a 79 yard drive, as the team from Tucson drew first blood. A few minutes later, Sol Ahee climaxed a 60 yard march with a ten yard jaunt around end for a TD for the Cats.

THE DEVILS, after being stymied by the U's big line, finally got started and roared down the field, with Cecil Coleman firing a pass to Wilford White, who scampered thirty yards to score.

Then, with less than a minute remaining in the first half, the Solar Demons gambled on a fourth down pass that backfired, giving the University the ball deep in Tempe territory. Wolgast turned the break into a touchdown, going over on the final play of the half, and making the score, 19 to 7.

The Demons came fighting back in the third canto, making one drive that died inside their foe's ten yard line, and Garner Barnett scoring to climax the second march.

AS THE FOURTH period opened, the Wildcats, capitalizing on a pass interference penalty, scored again to lengthen their lead to 28 to 14.

In the middle of the same quarter, White took the ball 67 yards on a punt return, setting the ball on the U's three. Mark Markichevich rammed over from the one, and put Tempe back into the game, 26 to 21.

But the Cats were not to be denied. A long pass from Bill Peterson to Oscar Carillo helped them make the game's last TD, and a 33 to 21 final.

ing, also players are to furnish their own ball and racket. Beginners and advanced players will play in separate sections. Winners will receive intramural points toward their sweaters. All are cordially invited to come as spectators.

P. E. Majors have been attending a P. E. sectional meeting, getting acquainted with teachers in their field and learning new ideas on what is and can be done in the elementary school program of P. E.

### She Sports

By BETTY ALICE MORRIS Hockey practice for intramurals began last Monday under the direction of Betty Harris, hockey manager.

Tryouts for the varsity tap team will begin Tuesday, November 9, in the Off Campus room of the Activity building at 4:45. Sallie Clark, manager invites anyone in school who is interested to come. Some members will probably appear in assembly programs planned for various high schools.

Thirty players will compete in singles tennis intramurals, on Saturday and Sunday, November 6 and 7 on the college courts. Matches are posted on the bulletin board in the Activity building.

stiff competition playing the Mountaineers, but managed a 37-to-30 ictory.

Games to be played in the seventh round are: American League—Coolidge vs. Pi Deltis; Verde Tech vs. Easterners; Gables No. 2 vs. Irish Hall, and Tau Sigs vs. Cliftoners. In the National League, Delta Sigma Chi meets the Tekes; Lambda Delta Sigma faces the Mountaineers; the Ohioians will play East Hall; and Gables No. 1 team will battle the Badgers.

Scheduled in the tennis tournament on the first day of play was J. Redondo vs. B. Anderson; B. Shenkin vs. A. Husk; P. Balen vs. B. Collins; A. Barassi vs. J. Cooper, and B. Chevalier vs. T. Tudor. The results of these other games will be published next week in this column.

One quarter of your bodily energy is used in seeing.

By JIM AGEE.

Texas Tech took over undisputed first place in the Border conference race this week by virtue of the two league contests played last Saturday.

Tech fell to Rice in an intersectional clash last weekend, while Arizona topped the Sun Devils of Arizona State and Hardin-Simmons tied Texas Mines in the conference games, to move the Red Raiders into the top spot.

In the other non-Border games, New Mexico fell to Fresno, the Lumberjacks of Flagstaff were humbled by Western State of Colorado, New Mexico Aggies beat Highlands, and West Texas topped Houston.

The Sun Devils and New Mexico Aggies open the conference play tonight at Las Cruces, while tomorrow, Texas Tech meets Texas Mines in the game of the week. The victor of this contest will probably end up with the championship. Also on the league schedule is the annual Arizona, New Mexico U game.

In intersectional clashes this week, the Lumberjacks tangle with Laverne and Hardin-Simmons meets Oklahoma City University. West Texas is idle this week.

The big discussion of the grandstand quarterbacks since last Saturday night has been the Devil's fourth down pass play in the closing minutes of the first half. Had the play worked, the Devils would have been out of a hole and possibly would have scored. As it was, the play backfired and Arizona scored. Coach Ed Doherty stands firmly behind his quarterback, and insists it was one of the many chances a team must take in a game.

## Sun Imps Edge Gila, Keep Record Clean

The Sun Imps added another victory to their list of accomplishments by edging out the Gila Monsters of Gila junior college, 25 to 12, last Thursday night in a nip and tuck battle at Gila.

Sparking the freshmen to their triumph was Arnold Peterson, who displayed his outstanding ability to pass receiving by scoring three out of the four touchdowns made. In the first quarter the Gila Monsters saw Rammy Oquita unlimber his throwing arm and connect to Peterson who jaunted 60 yards to pay dirt. Marv Wahlin put his intelligent toe to work and the score stood 7-0.

The Monsters then retaliated by sending Darras Hughes around end for 50 yards and a touchdown. Coming back into the ball game the Junior Devils unleashed a power house ground attack and pushed their way to the Gila 3 yard line, where Duane Morrison hit the center of the line to tally.

Taking the ball from the Monsters on their own 24 yard line Oquita uncorked a long aerial to Mr. Peterson again for another six points.

The Gila boys then took to the air and netted themselves six more points. The kick after the touchdown was nogood, making the score 19-12.

In the third quarter the fans saw little action. Both teams gained and lost possession of the ball somewhere around the mid-field stripe. Neither team was successful in penetrating beyond opponent's 30-yard line.

The Imps final marker came in the last quarter. Peterson leaped high to snag Rammy Oquita's pass and ripped 22 yards into the end zone.

The Sun Imps gained 217 yards on the ground while Gila J. C. rolled up a net ground gain of 226. Tempe made 11 first downs and Gila 15. The freshmen play the Redlands frosh this week at Redlands, California.

The human being attains a maximum height at the age of 35 or 40.

The Arizona State College campus includes 85 acres.

## What Do You Think? Don't Put Rocks In The Mud Balls

What do you think of the elections for home-coming king and queen? What of home-coming? **AL PINNELL, El Centro, Calif.:** "They should pick a dozen beautiful girls on the campus, photograph them and publicize them for approval of the students. The most beautiful one should be elected. In this way the students can elect a person instead of a name."

**SIDNEY GALUSHA, Phoenix:** "I think an intensive campaign should be conducted to publicize the girls up for election. The students in this way will have a better opportunity to learn the qualifications of the different candidates. With this method the students can use better judgement in their voting. The float parades should be continued."

**SUZANNE FURNACE, Tucson:** "Personal appearances should be conducted for girls running for campus home-coming queen. Photographs are not the best method of conducting a campaign. They can be retouched too easily. I think classes should be excused when an important event is being conducted during home-coming week."

**DAVID WEBSTER, Phoenix:** "The campus queen should be the most beautiful girl on the campus. They should have posted photographs of the campus king and queen and also conducted a personal campaign, mud slinging and all! Beards should be grown, traditional dress should be worn, all the students should participate in the home-coming activities. Make home-coming like last year only more so."

**SUZANNE SEARCY, Georgia:** "I think campus kings and queens should be selected by popular petition. They should be eliminated through a primary election. The final result should rest between two candidates and the king and queen be chosen by popular vote. Traditional activities should be continued and intensified."

**ROY PATTERSON, Canton, Ohio:** "They should have standards set up for the homecoming queen. She should be a senior with not less than a 2.5 average. She will have to be beautiful, not like some of these bags they have been selecting recently. The kings should have the same requirements as the queens except that they should be handsome instead of beautiful."

**BABE KELSEY, Painesville, Ohio:** "As far as home-coming queen is concerned a little more emphasis should be put on beauty."

**LEN FORMAN, Phoenix:** "They should set up certain specifications, both physical and

Charlotte, you low-blow thrower! Your article "A WOMAN'S VIEW" appearing in last weeks State Press caused quite a shock to the participants of that so-called discussion. We thought we were alone. However, seeing the cats out of the bag there is nothing to do but accept our disgrace with a gracious smile. Who would have ever thought we said all that? To quote you:

"It seems then, to satisfy the pattern, the girls must:  
 1. Swoon to gain the acquaintance of said gentlemen.  
 2. Having swooned, we must be intelligent enough to keep up with their conversation — but never, never get ahead of them.  
 3. Always keep in mind that he has little if any "dinero."

Cheese! With what you make out, us poor dumb guys aint gotta chance. What, with our stupid attempts at conversation and no dough, are we ever gonna do? Like that is to say, "Richard the Honest, gals, we keep on tryin' Lion Hearted, glad ta meetcha." though. We even go as far as to invite you fair specimens down to the local casba for a coke. Dutch treat of course!

I feel downright sorry for these poor intelligent girls who have to put up with our stupid mutterings. It must tax their reserve quite a bit. In an effort to right the wrong did to these fair critters, I offer you guys a series of Dont's:

1. Don't let the girl fall if she swoons in an effort to make your acquaintance. Catch her!
2. Don't walk up to a girl and ask, "Come on bag would you care to shag?" Be nice, and say, "May I have this dance?" You do this even if she is a bag.
3. Don't ever start a conversation with, "Hello there! What's your name?" Brother if you do, you're a gone duck. She'll reply, "Joan of Arc," period. The only way to cope with an intelligent answer like that is to say, "Richard the Honest, glad ta meetcha."
4. Don't try to hog the conversation by asking questions. Leave her ask a few. In this way you can have the pleasure of answering yes or no.
5. Don't mention that you have little or no diner. Leave her find that out after. She'd rather foot the bill than wash dishes.

Careful now! Don't put rocks in the mud balls.

"Mr. Turbin has just played the RITUAL FIRE DANCE."

## A Woman's View

Off-campus women will be pleased to know that they now have a lounge where they may go to relax in comfort. Mrs. Martha Hall, head resident of North hall, has instigated the use of the Sun room at the west end of North hall for this purpose.

Entrance to the Sun room is at the north end of the porch in front of West hall. The room itself is cheery and comfortable with colorful furniture, including study tables.

In previous years off-campus women had a room in the B. B. Moer Activity building, but this room has of necessity been used for class rooms this year. Therefore it has not been uncommon to see groups in the various rest rooms on campus trying to study or relax in hard wooden chairs.

All women who live off-campus are urged to make use of this room and also to attend their meetings each Tuesday noon. The girls have a very enjoyable lunch period with food prepared by three or four girls appointed from

the group during the business meeting. Sandwiches sell for 10 cents and pop for 5 cents.

Approximately 60 girls are on the roster of the organization at present. These girls automatically become members of A.W.S. and are included in campus activities which otherwise they might miss. Representatives from Phoenix, Mesa and Tempe, respectively, have presented entertainment in the form of short skits during the last three meetings.

The informal atmosphere and the personal interest shown by the two sponsors, Mrs. Hall and Dorothy F. Gillanders, assistant professor of physical education, have helped the off-campus girls to make this project a real success.

Some people think a college degree is a license which enables them to rob their less fortunate brothers.

## Editorials

### It Came As A Surprise

Everybody was shaken up. Eleanor Roosevelt was surprised. Vishinsky was amazed. Kaltenborn was flabbergasted. New York gamblers were bankrupted. And Drew Pearson sent telegrams cancelling his Wednesday columns.

In a word, Truman was re-elected as President of the United States. Now that the election is over, it goes without saying we should all support Truman, not as a Democrat, but as President of these United States.

Our future depends on it!

### Editor's Mail

It seems the Cheer Kings are coming in for considerable undue controversy, primarily from two or three factions trying to cut each others throats.

Such should not exist among fellow students and it is time the matter is straightened out. Let us all pull together instead of drifting apart because of petty jealousies. The blame is not that of the Cheer King and his assistants but the entire student body.

There is no dirth of spirit in this college, but our cheer leaders can't do a decent job unless they receive the cooperation of their fellow students. They have worked out some excellent and effective yells and card tricks but they fall short because so few turn out to the meetings and rallies. You can't yell if you don't know the yells and if you don't go to the rallies to hear and learn them they cannot effectively be presented at the games.

cards office has none listed) and his cohorts to chide our cheer leaders. It appears to be a deliberate attempt to break down the union of our college student—an outgrowth of either personal dislike or jealousy; a thing students of college caliber should be able to keep under control for the sake of their college and fellow students, if nothing more. We should keep any lack of harmony and our family quarrels among ourselves and not demonstrate them to the public—our supporters and followers.

Let us forget petty dislikes, jealousies, and misgivings and work together. We should have no more of the individual show-offs jumping up in the stands to carry on their own little cheering for their own glory and not the glory of the college. Think of our college! Think of the people backing us! Think of our fellow men!

Respectfully yours,  
 John Gay Gregory

Dear Editor and Fellow Members of the Episcopal Church:  
 During the past few years several efforts have been made to develop a program for Episcopal students on the campus of Arizona State college at Tempe, to enable you to keep your affiliation with your church in a live condition at that college. In spite of advancing age, some of us know this is quite a job, but we are going to bid for your cooperation and loyalty in this effort.

(Continued on Page 6)

### Little Broadway

By ROY PATTERSON  
 XRC—Cross right center! Election of officers for Mask and Sandal were held at the last meeting Oct. 28 in the auditorium. Those elected were: Hugh

office for the date of the next meeting. His office is located in the auditorium.  
 Playing the part of the Fool (Feste) in "Twelfth Night" is John Barkow. John attended Lassen Junior college, Susanville, Calif. While there he was in the operetta "H.M.S. Pinafore," and did some emcee work along with comedy routines.  
 Bob (Jolly Boy) Colgan will portray the role of Sir Andrew Aguecheek, a comic character for which Bob is very adept, since he is such a character anyhow. Bob attended numerous universities and colleges, too many to enumerate here, before coming to Arizona State. Last year he took the part of Cash in "Cuckoo Tavern," a play written by our own Frank R. Byers.

Stephen (The Pipe) Stoetzel attended Northwestern university before coming to Arizona State. Steve played in "Little Foxes" at Northwestern and was a member of the Radio Workshop there. He also directed and wrote minstrel shows.

Last year "The Pipe" was in "Aria de Capo" here and now he is in "Twelfth Night." Steve is portraying the role of Malvolio in the forthcoming production.

The old Chinese sage, Confucius, once remarked: Fool me once—shame on you. Fool me twice—shame on me. Fool me thrice, and indeed I am a fool." College is a place where one may perfect his democratic principles—or lack of them.

O'Connell, director; Ann Bennett, stage manager; and Bob Gay, business manager.

There were forty students at the meeting, but for an organization like this one that is open to all students interested in any form of drama, we should have at least a hundred students from a school of this size. Any students who haven't attended the two previous meetings but are interested in joining the new organization, please look on the Call board outside of Mr. Byers

mental, for the choice of king and queen. Since the king and queen represent Arizona State college they should be Westerners and have good looks plus horsemanship."

# 30-DAY SMOKING TEST PROVES CAMEL MILDNESS!

**Prove it Yourself! Make the Camel 30-Day Test in Your "T-Zone"**

**Money-Back Guarantee:** Smoke Camels for 30 days. If, at any time during these 30 days, you are not convinced that Camels are the mildest cigarette you ever smoked, return the package with the unused Camels and we will refund your full purchase price, plus postage. This offer good for 90 days from this date.

(Signed) R. J. Reynolds Tobacco Company, Winston-Salem, North Carolina.

# CAMEL MILDNESS!

For 30 consecutive days in a recent test, hundreds of men and women all across the country smoked Camels—and only Camels—on the average of one to two packages a day.

Every week, their throats were carefully examined by noted throat specialists—a total of 2470 examinations from coast to coast.

And these famous throat specialists reported that they found not one single case of throat irritation due to smoking Camels!

But prove it yourself! In your "T-Zone"—T for Taste and T for Throat. Smoke Camels for 30 days. Let YOUR OWN TASTE tell you about that full, rich Camel flavor. Let YOUR OWN THROAT tell you how mild a cigarette can be! Yes, prove for yourself that there's

**NO THROAT IRRITATION DUE TO SMOKING CAMELS!**

# Sororities Hold Rushing Events

Following release of eligibility lists by the office of the Dean of Women for fall rushing, Greek social organizations on campus carried out a busy schedule of rush events. The calendar includes parties given by six women's sororities.

**ZETA SIGMA** will entertain thirteen rushees at a luncheon tomorrow afternoon at the home of Mrs. Collice Portnoff, sorority sponsor. Decorations and favors of an autumnal theme have been arranged by Barbara Heflin and Edith Hamilton. Vera Terkelsen and Monie Corbell are in charge of the menu and Wyota Barrett, Adele Williams, and Barbara Crandall compose the invitation committee.

**PHIOMATHIAN** sorority honored rushees at a Spanish dinner Thursday evening at 5 p. m. in the South hall sun porch. Committees in charge were: Ann Mattox, Marie Kentera, and Evelyn McEuen, food; Jean Swanberger, Monie Reichfertig, Frances Ware, Pat Pender, decorations; and Mary Jeanne Row, Marilyn Prior, favors.

**KAPPA KAPPA ALPHA** received guests at a dinner Thursday evening at Gene Doyle's Smorgasboard in Phoenix. President Gaye Andrews was toast-mistress and Gerry Benscoe was in charge of the program, which included a drama skit. Alumni guests were Betsy Hayes, Jane Holloway, and Doris Heigert. Faculty guests

were Mr. and Mrs. Robert Menke, Mr. and Mrs. Joel A. Benedict, and Miss Mary Bunte.

**CHI SIGMA** sorority gave rushees the "Bum's Rush" at an informal supper Wednesday at the home of Mr. and Mrs. I. D. Payne, organization sponsors. To carry out the vagabond theme, each guest was served a dinner tied in a bright cloth on the end of a stick.

**KAPPA THETA** will receive guests at a buffet dinner this evening at 6 p. m. in the Home Economics dining room of the Arts building. Spanish food, costumes, and a pinata will carry out the theme of the party. Serving at the table will be Mary Montero and Rose McFee.

## Hall Dance Postponed

Irish Hall's Dogpatch Stomp, originally scheduled for tonight at Thunderbird Field, has been postponed until a later date to avoid conflict with the Harry James program this evening in the Activity Building.

## Architects Group Hold First Meeting

Thursday evening the ASC student chapter of the American Institute of Architects held its fourth unofficial meeting. The AIA club, awaiting approval of the Organizations committee and Associated Students of the college, is sponsored by Mel Ensign, popular Phoenix architect and member of the national AIA, who is at present instructing architecture at ASC.

Under the energetic leadership of Mr. Ensign, the club introduces outstanding men in the field of building design and construction at each meeting. Featured thus far have been a slide lecture on modern European architecture by Mr. Ensign, Ensign, a lecture on radiant heating by Ross Siglin of Phoenix, pumice block wall and roof construction lecture with demonstration by Mr. Moeler of Builders' Supply Corporation, and an illustrated lecture on acoustics by Bill Lang of J. B. Matz Co.

Students of architecture and construction are eligible for membership and are urged to join the organization. The public is invited to attend the regular meetings, which should be of particular interest to prospective home owners and builders. Scheduled at 8 p. m. on alternate Thursdays, meeting place and gram will be announced prior to each meeting.

## French Club Organized

Holding their first meeting of the year members of the French club met Monday evening, November 1, to discuss forthcoming activities and to begin work on a constitution. Plans now under way include: lectures, speakers, movies, slides, and plays pertaining to France. Money is to be collected and clothing sent to Europe for Christmas.

Temporary chairmen of the group are John Hamilton and Frank Coman.

Committees for the affair were: Melba Jo Adams and Juanita Ashe, general chairmen; Charlsie Jean Thomas, decorations; Pat Smith, Maxine Brunenkat, Juanita Minitre, Vanita Stone, Brashear, Jackie McKay, Barbara

## Gammage Residents Make Preparations For Open House

Gammage coeds are shown above supplying finishing touches for their dormitory open house to be held Sunday afternoon from 3 until 5. Pictured from left to right are Barbara Crandall, Carol Reid, Betty Jordan and Frances Hanks. All students and faculty members are invited to attend. (College Photo By George Brown.)

## Recreation Room Opened To Guests

Taking advantage of South hall's new recreation room, those women who failed to go to Tucson last week-end listened to the game over the radio, and had open house for the men left on campus.

The students played bridge, danced, served cocoa, coffee and popcorn and had entertainment. The recreation room will now be open to guests each evening from 6 to 8 p. m. The entrance is on West hall porch.

Women of South hall will hold bridge evenings on Mondays for those men and women who would be interested in learning the fundamentals of bridge.

## Mystery Thriller To Be Featured Wednesday

"The Cat Creeps", a movie starring Lois Collier, will be shown on the north side of Old Main next Wednesday evening, November 10, at 7 p. m.

The plot is centered around a reporter assigned to investigate an almost forgotten suicide case and who suddenly finds himself on a deserted island with an eerie black cat.

Clark, soprano; James Coleman, tenor; Bob Hill, saxophonist; and Adelle Williams, soprano.

## Alpha Coeds Hold Halloween Party

On Thursday, October 28, upper class men of Alpha hall were entertained by freshmen and transfer students at a party in the hall recreation room.

Two solos were rendered by Charmaine Blazzard, who was accompanied by Charlsie Smith. A light opera, "House Mother Pratt's Alpha" was presented by Jackie McKay, Libby Bartmus, and Charmaine Blazzard. This was accompanied by Margie Berry, Pat Brashear and Barbara Eglington.

Committees for the affair were: Melba Jo Adams and Juanita Ashe, general chairmen; Charlsie Jean Thomas, decorations; Pat Smith, Maxine Brunenkat, Juanita Minitre, Vanita Stone, Brashear, Jackie McKay, Barbara

Eglinton, Libby Bartmus, Dena Dodber, Charmaine Blazzard, and Dawn Black, entertainment; Billye Bugg, Anita Galindo, Muanita Ashe, Barbara Ludwig, Mary Edith Schuelke, clean-up; Gloria Weston, Margie Berry, Dorothy McGehee, Marty Mountain, Charlene Lindblad, invitations; and NormaMcDonald, Margie Mondo, Bertha Vidcaya, Jerine Kliefoth, Ruth Tollefsried, refreshments.

A normal school was established at Tempe 62 years ago.

## Student Recital Slated

A student recital, sponsored by Mu Rho Alpha, will be presented Monday, November 8, at 4 p. m. in the Lyceum auditorium.

Appearing in the recital will be Jeanne Sawyer Bagnoli, pianist; Barbara Collier, soprano; Florence Kilpatrick, flutist; Virginia

Editor's Mail

(Continued from Page Four)

At a recent meeting Prof. Aldis B. Hatch and Prof. George C. Yates of the staff at Tempe formed a committee with Hal Wood, a devoted layman of Phoenix, to conduct services for Episcopal students and other interested neighbors each Sunday except the first Sunday of the month, when they will assist a clergyman at a service of Holy Communion. As Bishop of the Missionary District of Arizona, I want to extend this most cordial invitation to you to cooperate with these three laymen who are willing

to give their time and energy to this undertaking. They also hope to organize a club of undergraduates for social amusement and religious discussion, which I believe will be of benefit to all concerned.

It is my personal hope to attend the meetings of this group, as well as the services, and we look forward to the needed cooperation of every student of Episcopal preference on the campus.

Faithfully yours,  
ARTHUR B. KINSOLVING, 2nd.  
Bishop of Arizona.

Embalming was carried on to great perfection by the ancient Egyptians.

Chapel Corner

Westminster Club

Regular meetings of the Westminster club, organization Presbyterian students, are held each Tuesday evening at 7 o'clock in Room 102 of the Activity building.

Inter-denominational and Inter-faith Cooperation was the topic discussed at last Tuesday's meeting. Interested students are invited to attend future club activities.

Newman Club

Halloween was the theme of an open dance held by Newman club members Tuesday night in the training school auditorium. Music was played by records and refreshments were served.

At a recent meeting of New- manites, Norma Vieders was appointed to direct the club choir which has been organized this year. Plans were discussed for the Homecoming float and Don Ciochetti was elected to head the forthcoming membership drive.

Hillel Foundation

Hillel Foundation held its first picnic of the season at Thunderbird Field in conjunction with the Hillel group at Phoenix college. Highlighting the day was a football game, in which the Tempe organization topped the Phoenixians 34 to 0.

At a business meeting of the group, held Sunday night in the Lyceum building, activities for the year were planned.

Lambda Delta Sigma

Dr. George H. Maughan of the college Science department will be guest speaker at the Lambda Delta Sigma meeting Monday, November 8, in the Institute building. Following the meeting, special dance numbers, arranged by the music committee, will be presented.

Pledge night for all eligible members of the organization will be held Monday, November 22, at 7 p. m.

Canterbury Club

Communion services will be held Sunday, November 12, at 11 a. m. in Danforth Meditation chapel. Rev. Morton T. Kelsey, Trinity Cathedral, Phoenix, will conduct the service, which members of all denominations are encouraged to attend.

Religious Director

(Continued from Page One)

need for sympathetic help. The office of the coordinator will always be open to such.

Mr. Fox comes to the southwest from Baltimore, Maryland, where he has been for over eight years pastor of the Forest Park Presbyterian church. Before that period, he was pastor for seven years of the Elmwood church in

East Orange, N. J. The new coordinator studied at Bloomfield college in N. J. and is a graduate of Natona Bible Seminary in N. Y. C. He will serve part-time as coordinator at the same time that he is the pastor of the First Presbyterian of Mesa.

If you happen by the Chapel when Mr. Fox is there, stop in and get acquainted, even if there is nothing particular on your mind.
