## PROFESSIONAL JUNIOR CLASS EXCEEDS 100 MARK

### GOVERNOR COX VISITS TEMPE

Shortly after twelve o'clock Wednesday several hundred Normal students, high school students, and citizens of Tempe assembled in front of the Main Building at the Normal School to hear the address to be given by Governor Cox.

There was no bombastic celebration when the Democratic Nominee and his party arrived, just a greeting of cheer as they ascended the stairs.

Our congressman, Hon. Carl Hayden, with a brief but complimentary introduction, presented the speaker.

"Congressman Hayden, men, women, and children of Tempe, it gives me great pleasure to come into your prosperous community, and to be presented by your own congressman.

"Congress as we see it with true cooperation, is but a training school for our senators and representatives. It has not been many years ago that your congressman came to tell us all about this country, how it rained here but not enough, and that in order to prosper you must have some way of catching the flood water. Their plea was so strong that they talked us into appropriating enough money to build the dam that has been such an improvement to you. And indeed, we believe in improvement. It is a part of our policy.

"We are securing every day improvements and expect tomorrow to be better than today because we stand for progress in place of reaction.

"We have found that nations cannot waste their resources and expect the civilization of this planet to go forward; therefore, we feel that an agreement must be signed to stop war. In fact, it has already been signed by President Wilson and the representatives at the Peace Conference, but under the construction of our present form of government, which is a very wise provision, it must be ratified by the senate. It can be rejected by one vote more than one-third of the senate.

"This agreement has not been ratified for the simple reason that a group of senators saw that this rejection might result in political victory because of the upset condition of the world.

"I do not want to achieve a political victory. It is simply a consideration for humanity.

"I congratulate you, young women, who have the privilege of attending this institution. You are a privileged people whose lot is happiness, devoting yourselves to the training of citizens.

"Education is almost as important as religion. There was a time when the normal school was laughed at, but now it is a great institution of progress. To be that way yourself, you must vote that way in the Fall and end war."

### STUDENTS ENJOY DANCE

The Dancing Season was opened at the Normal on Tuesday evening, September 14, when an informal dance was held in the Gymnasium. A large portion of the student body was in attendance, which permitted the old and new students to get acquainted.

It is hoped that the Wallflower Club will be the biggest success ever, this year.

### MISS FRUM

Miss Blanche Frum has arrived in Tempe and signed a contract to teach for the ensuing year as critic of the

Miss Frum

seventh and eighth grades in the Training School.

Miss Frum, who is a young woman of charming personality, comes from Buckhannon, West Virginia, where she

has taught for the past three years in the normal department of Wesleyan College. She is herself a graduate of this same college, having received her Bachelor of Arts degree there last June.

Miss Frum has had five years' experience teaching in the public schools. She resigned from the Wesleyan College as supervisor and critic to come to the West for her first experience.

Mrs. Frum has accompanied her daughter to Tempe from West Virginia and they have made their home in Alpha Hall. We hope that their first experience in the West will be happily remembered by both.

### MISS POND

In noting the faculty changes for the coming year, we find Miss Elsie A. Pond of San Jose, California, in charge of the fourth grade in the training school.

Miss Pond is especially interested in Americanization work, and for three years has had charge of the Americanization department in one of the high schools at San Jose. During the past year, she enlarged her field of activity by supervising this work at evening schools, so that she is particularly fitted to take charge of the foreign speaking children in our Training School. She is a graduate of the California

State Normal School at San Jose and received her A.B. and M.A. degrees from Stanford University.

Although teaching in this part of the

Miss Pond

west is quite a new experience for Miss Pond, we are pleased to know that she has brought her mother with her and that they are both much impressed with Tempe and expect to make it their home.

The Professional Class of '22, having the largest membership of any class ever enrolled in the Tempe Normal School, has an enrollment of one hundred and three students. The members are not only from different parts of Arizona but are from several states of the Union, including California, Texas, Michigan and Illinois, bringing with them all kinds of pep and class spirit.

Mr. Hiatt, the advisor, called the first meeting on Thursday, September 16. The class was then organized and the following officers were elected:

President, C. F. Gattin  
Vice-President, Anna Henry  
Secretary, Dorothy Susa  
Treasurer, Elizabeth Darling.

A committee was appointed to draw up the Constitution and By-laws.

The next meeting was held Monday, September 27. After the unfinished business was completed plans were made for a hike on Friday, October 1. A committee was appointed to complete the plans for giving the Juniors the time of their lives.

The indications are that the Junior Class will be, not only the largest class, but one of the liveliest classes Normal has ever known.

### ASSEMBLY NOTES

On Monday, September 13, the student body gathered in the auditorium for the first assembly of the year. After Miss Garrish lead the assembly through "The Star Spangled Banner" and Dr. Matthews so heartily welcomed the new and old students, Mr. Irish read and explained a few rules and regulations for the benefit of the new students and for the benefit of a good many of the old students who seem to have great difficulty in remembering some of the rules.

On Monday, September 20, the entire assembly period was devoted to the singing of our favorite songs. Thru-out the singing the student body had lots of spirit and "pep," which made the assembly very interesting, especially to the new students.

On Monday morning, September 27, after the singing of "The Star Spangled Banner," Mr. Irish explained the new regulations of the Library. The remainder of the assembly period was devoted to class meetings. Some very interesting class meetings were reported.

### FACULTY HONORS

A hearty welcome and congratulations to Miss Lynd, who is again with us. She brings with her an A.B. degree. Miss Lynd asked for a leave of absence in 1918. From Tempe she went to Cornell and transferred from there to Columbia University, returning to us this year to take charge of the rural school.

Mr. Christy also captured the bird of wisdom and clipped its wings. He returns to Tempe from the University of Chicago with a Master's degree.

### Faculty Members Who Left Us

Miss Hall is at her home in Michigan. Miss Avakian is teaching in the University of Oregon.

Mr. Hall is in business in Los Angeles, California.

Miss Case is in Prescott.

Miss Salmons is in Guanajuato, Mexico.

### PROCTORS TAKE PLACE OF D. C. IN EAST HALL

To start the new school year in the right spirit and keep self government active, the girls of East Hall held their house meeting September 27. After the usual procedure, the subject of the continuance of the Discipline Committee was taken up.

To the members of this year, it doesn't seem necessary for the maintenance of this committee.

A motion was made and carried that East Hall should do away with its Discipline Committee and have, instead, a few girls to act as Proctors.

The hall has been divided into sections and the girls of each section have the privilege of choosing their own Proctor, who will serve one month, and then a new Proctor will be elected.

In order to establish this new system of Proctors, it will be necessary to change some of our old by-laws. A committee was chosen to change the by-laws, putting in our new system. The committee consists of Mary Fleming, Edith Sargent and Iva Hawkins.

Some member decided that she, or others, couldn't sleep with high heels daintily tripping down the sleeping porch every night, about fifteen minutes after most everybody had retired.

It was decided that heels could be removed from the shoes, or the shoes could be removed from the owners. After which came adjournment.

### ALUMNI MEMBERS, ATTENTION!

Ours is a large family and widely scattered. The President and Secretary are making strenuous efforts to get in touch with every one, no matter how many miles or years separate you from your Alma Mater.

Kindly drop Miss Leona Haulot a line, telling where you are, what your new name is, if changed; what you are doing, and how much you think of the dear old school.

Big things are being planned by the officials of the Alumni Association. Are you in on the good work? Let us hear from you.

### ALUMNI COLUMN

We are making a strenuous effort this year to get in touch with the Alumni of the Tempe Normal School; and from time to time, as information is received concerning these graduates, changed names, locations, occupations, etc., we'll pass it on to you. We would appreciate it greatly if former students would send in such materials.

Watch this space for mention of your old friends.

### RECEPTION TO NEW STUDENTS

As a means of getting acquainted a very attractive lawn party was given by the faculty and old students to the new students on Dr. Matthews' lawn Friday evening, September 17.

As well as a place of meeting and greeting to the new students, this reception was the first function on the social calendar of the year for T. N. S.

The decorations were very effective, being truly native of Japan and 'neath the wistaria blossoms and in the soft glow of the lantern's light, many new friends were made never to be forgotten.

The various societies on the campus had charge of the entertainment for the evening and each in turn proved capable of providing form of amusement for a "getting acquainted" party.

Dr. Matthews made formal the faculty's greeting in the form of a short address and the Senior class sang a song of greeting to the new students from the old.

It was with pleasure that the faculty and old students received the new students into the family group of T. N. S. and with sincerity wished each a very successful and happy year in the Normal school.

## EDITORIAL

Perhaps we would feel a greater appreciation for our school and its activities if we knew others were enjoying less.

Last week Mr. Cox, a widely known University man, visited his Aunt, Mrs. Cookson, and in looking over the late improvements on the campus made some statement to the effect that the boys' dormitory of the Tempe Normal School was the most modern, well-equipped dormitory he had seen in all his travels. Think of it, boys!

Miss Condon, national Y. W. C. A. Secretary of Finance for student interests, spent a few days with the "Y" girls. Now Miss Condon has visited practically every college and normal Y. W. C. A. in the nation, and she says Tempe Normal has the liveliest, most progressive organization for its size she has ever visited. Now, girls; it's your time to think.

These views were expressed freely and without solicitation. Isn't such an institution worthy of support and the co-operation of, not only the students, the direct beneficiaries of our state, but also of those outside the school?

### CAN'T DO WITHOUT IT

Dear Mr. Murdock:

Find enclosed one U. S. note for one dollar (\$1.00) in receipt of which please put me on your books as a regular subscriber for the "Tempe Normal Student" for one year.

Address C. W. Butler, R. F. D. 5, Forestville, N. Y.

At present I am pursuing the non-intellectual and proletarian, tho fairly lucrative occupation of locomotive fireman on the N. Y. Central in Buffalo and vicinity, endeavoring to hoard enough of my earnings so that next year I will be able to continue quaffing of the waters of the "Pierian spring."

This is a singularly unbalanced country, back here, the Creator apparently having given only a half ration of sunshine and substituted rain and cold winds instead. Indeed, I may quite truthfully say that the coldest winter I ever experienced was the summer I spent in Buffalo. I certainly long to sit again on the green campus underneath the swaying palms, breathing the balmy zephyrs and listening with wrapt inattention to the learned scribes discussing plans for the next paper. But the best I can do is to wish my successors many of such happy and profitable evenings, and bid them to send me samples of their work.

Yours sincerely,

C. W. BUTLER.

### NEW OPENIG FOR AMBITIOUS YOUTH

There is good material for a wild west scenario right here. Think of all the poisonous reptiles, such as the vicious cock roach, the scheming ant, then imagine how one of our terrific electrical storms would effect an unsuspecting stranger. Anyone wishing to enlarge upon this and gain world-fame should see Miss Pond for detailed information.

# SOCIETIES

### ZETETICS

Wednesday evening, September 28, witnessed a happy reunion of the Zetetics at the home of Mr. and Mrs. Felton. We always have good times at the Felton's, and this was no exception. The first part of the evening was spent informally. At a short business session, Edith Sargent was unanimously voted into the society. Two committees were appointed: the Program Committee, consisting of Charlotte Hopkins and Irene Griffith; and, the Poster Committee, Gertrude Haulot and Dorothy Chamberlain. Three of our talented members favored us with musical selections; Inez Whitwell and Irene Griffith playing the piano and Lela Redden the guitar.

It seemed good to be together again and we were delighted to have all of our new members present. We are looking forward to an interesting and profitable year, waiting anxiously for the time when our ranks can be filled by some of our strong new Juniors and other classmen.

After delightful refreshments were served by our hostess, we hurried home full of enthusiasm for the year's work ahead of us.

### KALAKAGATHIA

The Kalakagathia Society held its first meeting of the year at the home of Miss Anderson, Wednesday evening.

# Y. W. C. A.

### Y. W. C. A. NOTES

"Here's a cheer and a song  
For the whole year long,  
And a jolly good year may it be."

The Y. W. C. A. girls extend to all the girls of T. N. S. a cheer and a song which will last the whole year long. We hope you'll all come and join us in making this year the very jolliest and best year our association has ever had. We need the inspiration and enthusiasm which you can bring. The Y. W. C. A. is looking forward to many happy times and friendly hours with all the girls on the campus.

### CABINET HOUSE PARTY

Friday, September 10, is a red letter day for Cabinet girls, for that is the day we all gathered at Sylvia Evans' spacious country home and had such a good time meeting each other again after the long vacation. Although it was quite a shock to see our little Dot grown so big, we rejoiced with her and at the end of the day heartily agreed with the old saying, "the more the merrier!" There was time, too, to share our plans and hopes for Association work this year. And at no time were we happier than when we were enjoying Mr. and Mrs. Evans' wonderful hospitality around the big diningroom table.

Saturday morning we packed our suit cases and with an appreciative farewell to the Evanses, turned our faces towards Tempe that we might meet trains and welcome the new girls as they arrived at T. N. S.

"Roamin' in the gloamin',  
All going to the 'Y.'  
Roamin' in the gloamin',  
Now do you ask me why—"

There will be no "why" in the minds of the girls who were present to hear the cordial greetings in song and word at the "Friendly Hour" on the East Hall lawn that first Thursday evening, nor in the minds of those who caught the spirit of genuine friendliness and fun on the Normal lawn Wednesday evening, September 22, where the "Y" girls showed them all how to "make merry."

That the Y. W. C. A. means more than good times was explained Thursday night when the Cabinet girls told

The girls enthusiastically planned for an exciting and full year. Among the first things the society proposes to do is to go on another camping trip this fall to Granite Reef. Last year the society enjoyed two camping trips and the girls feel that it was time well spent.

Plans for the weekly meetings as well as outside activities were discussed until refreshments were served, when other business was forgotten.

### FOUR SQUARE

The Four Square Club held its first meeting of the school year on September 28 in the North Hall parlor. Plans were made for taking in new members and for the club work for the coming year. The cabinet of the Phoenix Girl Reserves is expected to visit the club in the near future. A joint hike is being planned in their honor.

Meetings will be held every other Tuesday, and all third and fourth year girls are invited to join.

### CLIONIANS

The Clionians enjoyed their first reunion at the home of Mr. and Mrs. Fike, Wednesday evening. After a short business meeting in which plans were made for the new year, refreshments were served, and a socially good time was enjoyed. We are looking forward with pleasure to our meetings together.

more fully "who we are" and "what we do" and invited every girl to become a member who is in sympathy with the purpose of the Young Women's Christian Association, which makes us one with Christian girls in the schools and colleges, not only of this great country of ours, but throughout the world.

"There'll be joy and friends and fun  
Every day that you may come;  
Won't you come and join us at the  
"Y"?"

### ASILOMAR

Asilomar—what does it mean? In name, "retreat by the sea," but more than that, it spells enjoyment by the white-capped ocean, hikes among the big whispering pines, a sound sleep in a big long dormitory tent with other girls. All this tells us to spell in larger letters, Fellowship, both out of doors and indoors, for we do not spend all day being sprinkled by the salt spray or playing in the pine needles. There are the chapel services, the quiet reverence of which lingers all through the day and the evening gatherings before the big crackling log in the social hall when we learn more of the girls in other lands.

No one ever thinks of lying in bed and missing her breakfast, but when the big bell rings, girls come out of the tents and from down by the ocean and out from among the pines and sand dunes—for never could breakfast taste better than at Asilomar when eaten to songs and cheers by 300 college girls.

Six girls from Tempe Normal School attended the student conference at Asilomar last summer and they had such a good time, made such staunch friends, and found the world such a beautiful place to live in and work in and serve in that they can hardly wait to tell us all about it next Thursday night at 6:30 sharp in the Y. W. C. A. room.

### LET THIS REMIND YOU

1. That there is a Y. W. C. A. meeting for all girls every Thursday from 6:30—7:30 in the Y. M. C. A. room.
2. That Thursday evening, October 14, all new girls will be formally welcomed into the Association. Let's have every member present at this very impressive and beautiful service, which is

### "THE SMOKER"

What! A smoker in East Hall? Sure! Yes, on Friday evening the members of the L. T. Club were surprised by a visit from Mrs. Fleming and Mrs. Beall (Chleo). After all the welcomes a grand and glorious supper was given in Room 18. Those participating in the affair were Mrs. Fleming, Mrs. Beall, Misses Sargent, Beck, Barbara, Cousins, Kruse, Fleming.

**THAT CLASS! OH, WHERE ARE THEY**

The class of '20 is scattered all over the state and some members have ventured as far away as Texas and California.

Wilma Adams has changed her name to that of Mrs. Paul Aepfl. Helen Riddle has also entered the school of matrimony.

Ellen Burton, Thelma Dennis, Pauline Foreman, Rena Marley and Katherine Quinn are teaching in Ajo, the famous city where Brown Capps hails from.

"Bill" Austin is working in a store in Chandler and Edna Cook is teaching school in that city. They say that "Bill" takes a lot of interest in the school-children there. Marian Martinez also holds a position at teacher in Chandler.

Marguerite Brooks, Elizabeth Ivy, Annie Moore, Lucille Nichols, Annie Rivers, Capitola Roach and Elizabeth Terrill, are teaching in Phoenix.

Irene Hancock, Irene Holt, Ethel Kerr, Ruth Longley, Mary Morrison and Virginia Moss, are teaching in Douglas.

Susan Parry and Glenna Miller are teaching in Kyrene.

Leo Buck is teaching military drill, athletics and manual training in the James Douglas Junior High School, Bisbee.

Margaret Smith and May Vanderhoof are teaching in Scottsdale.

Rose Buzan and Thelma Webb are teaching in Miami. Bonnie Carroll is there also to keep them from being lonesome.

Thelma Cummins and Susan Van Riter are on the teaching force in Tempe. Mildred Masterson Harris resides here in Tempe. Ethel Paulk is taking special work in Normal.

The following is a list of seniors who went alone to their respective work:

- Vida Anderson, teaching—Peoria
- John Barry, teaching—Prescott
- Donna Braden, teaching—Glendale
- George Anne Graham, teaching—Hurley, New Mexico
- Mary Gross, teaching—Cashion
- Myrtle Houston, teaching—Ray
- Gladys Hutchinson, teaching—Bowie
- Fern Kemp, teaching—Willcox
- Ethel Messick, teaching—Alhambra
- Edna Meyer, attending Lamson Business College—Phoenix
- Amy Riggs, teaching—Mesa
- Vida Roberts, teaching—Glendale
- Babe Cook, teaching—El Paso, Texas
- Mary McMahan is in San Diego, Cal.

**LOCALS**

Venus Baldrige is acting house president of East Hall on week-ends, during the absence of Ruth Sterner.

Miss Elizabeth Terrill, former editor of the Student and a very active member of last year's class, was a visitor in East Hall last week. Elizabeth is teaching at Osborne School in Phoenix. Everyone extends a hearty invitation to her to visit us often.

Mary Fleming spent the week-end in Phoenix with her mother, who came from Globe for a few days' visit with her.

Marie Brown visited her old roommate, Dorothy Sutton, last week. Marie is attending Lamson's Business College in Phoenix.

Maud Earle, who is a graduate of last year, visited Lucille Wilson last Monday. Miss Earle is teaching in Phoenix. She is close enough to Tempe that she may visit often. We hope she will.

Mathew Phillips visited T. N. S. several times last week. He came up to the informal Tuesday night dance to say goodbye before leaving here to go to Tucson where he will take a pre-medical course in the University.

"Mid" Marrs is back in school again, having a nice time.

A carload of Casa Grande boys visited with Ronella Kruse, Blackie Wilson, and Gladys Hamilton last Sunday.

Gladys Hamilton spent last week-end at her home in Casa Grande.

Miss Mona Henderson of Phoenix, visited Mildred Marrs Sunday afternoon. "Mid" will spend next week-end visiting Miss Henderson.

Edna Cooke, who graduated here last year, spent Sunday afternoon with Agnes Grogan and other friends of T. N. S. — — — Wilfred? Yes, surely, he was with Edna.

Winona and Chester Marsh spent the week-end in Chandler with their cousin, Mrs. Phil Morgenson.

Earle Warren and Paul Crandall motored over from Mesa to visit Anna Mae Warren Sunday afternoon.

Miss Roll is in Santa Clara, Cal., recuperating after an operation for appendicitis. She has been given a leave of absence for one year, which time she will spend resting up so that she will be able to return to her work next year.

Lucille Nichols, another graduate of that class we miss so much, spent Sunday afternoon in East Hall, visiting friends. Lucille was a prominent member of last year's Student staff.

And now we find Heien Riddle signing her name as Mrs. W. J. Johnston. Helen was married June 28 and is now living at Jerome, Arizona.

Allen Burton visited her little sister, Dot Burton, in East Hall before she left here to go to Ajo to teach. Ellen expected to be accompanied by Katherine Quinn and Rena Marley, two other last year graduates. The three girls are planning to keep a bungalow all their own in Ajo.

Gwendolyn Jones went to Phoenix one day last week to meet her sister, who was passing thru there.

Mr. and Mrs. Cyrus Beall motored over from Chandler Sunday, to visit Mary Fleming and Agnes Grogan. Mrs. Beall who was formerly Cleo Thrailkill, attended T. N. S. last year.

Mrs. Waite received word that her daughter, Mrs. Asa Porter, has a new baby girl. Mrs. Porter has often visited her mother at the Normal. Her home is in Tucson. Mr. Porter is assistant athletic coach at the University.

"What did you say?"  
"Nothing."  
"Of course; but how did you express it this time?"

Amy Riggs has been a visitor at East Hall several times since school opened. Amy wears a gold ball as a lavalier on a neck chain. One of her illustrious ones asked her if she carried the world on her neck. We wonder if a few weeks of it affects them all like that?

Mrs. Fleming is visiting her daughter Mary in East Hall. Mrs. Cyrus Bealle is also a guest of Mrs. Fleming.

Mrs. Kruse motored up from Casa Grande yesterday to visit her daughter Ronella. Anyone who was in East Hall could tell that Ronie was glad.

Mrs. Oliver, Mrs. Grossman and Mrs. Bennett visited with the Casa Grande girls yesterday.

There is a great variety in color of shirts this year at T. N. S. The color scheme ranges from deep Dago pink to Chinese yellow and French blue. At last the boys are enjoying the spice of life.

Miss Condon, who is national finance secretary for student interests in the Y. W. C. A., spent several days at the Normal. She has been to the coast and is now on her way back to New York City. Sunday afternoon Miss Condon spoke at the Vesper Services of the Normal "Y." The girls enjoyed Miss Condon, and she seemed very favorably impressed with the Normal.

The Baptist and the Congregational Churches entertained Friday evening for the Junior and High School girls.

Many people may be interested to know that Ina Davidson's sister, Pat Davidson, has gone to South America for five years' service as a Y. W. C. A. secretary. Everyone is interested in Ina, too. She is teaching in Phoenix, assisting Marietta Norton in kindergarten.

Capitola Roach motored over from Phoenix Sunday. "Cap" is teaching second-graders in the Phoenix Americanization school.

**HERE THEY ARE— THE CLASS OF '22**

**CLASSES**

**SENIORS**

The initial meeting of the Senior Class was held in Mr. Murdock's room on Wednesday, September 15, with a very good representation.

Officers, who will serve this semester, were elected as follows:

- Alma Beye, President
- Ruth Churchill, Vice-President
- Ethel Burton, Secretary-Treasurer
- Billy Cole, Athletic Representative
- Augusta Troutz, Athletic Representative

Ronella Kruse, Chairman Entertainment Committee

Pauline Perkins, Student Staff Rep.

Following the custom established heretofore, the Seniors have decided to manage the sale of Lyceum tickets. A finance committee including Margaret Sealey, Eldon Harris, Agnes Grogan, Iva Hawkins and Lucille Wilson is now busy laying definite plans for a thorough canvass of the town and vicinity.

Altho the class cannot boast of large numbers, it considers itself very fortunate in having such a good advisor and the co-operation of every member to keep stirring the school spirit shown in starting this new year.

**FOURTH YEARS**

**QUITE BUSINESS-LIKE**

Anyone who has ever said that the Fourth Year class has not amounted to a great deal, would surely retract his statement had he seen the meeting held by that aggregation Wednesday

afternoon. After considerable effort the class was called to order by Mr. Hanson, the new President. Mr. Voelckel, the Vice-President, sat comfortably at his desk in the back of the room conversing in an undertone to an attentive listener while Miss Edith Dicus, the newly elected secretary and treasurer, wrote down as many of the proceedings as possible. During the course of events it came to pass—thru a formal election—that we decided to have one meeting per month on schedule and as many more during the month as the class would stand for or financially support by their absence. And let it here be said that for each absence, that is not absolutely necessary a fine of twenty-five cents will be assessed. We take this means of publishing it so that there will be no misunderstanding. If however, anyone deems to get rash and permit us to say it "hard boiled," at any of these meetings, perhaps over the war tax, perhaps over politics, or any cause whatsoever, it will be the pleasure of the two sergeants-at-arms, or "bouncers," Messrs. Robert Vest and Rubel, to calm them down or eject them from the room. These "bouncers"—permit us to say—are equipped with bricks, both verbal and clay. We expect, however, that there will be very little absence from class meetings this year because of their singular importance to each member. It is not only the privilege of each member to attend ALL the meetings but a duty if we mean to make a success of things.

**Diagnosing Himself**

The officer of the day, during his hour of inspection, paused to question a sentry who was a new recruit.

"If you should see an armed sentry approaching, what would you do?" asked the officer.

"Turn out the guard, sir."

"Very well. Suppose you saw a battleship coming across the parade ground, what would you do?"

"Report to the hospital for examination, sir."

At the annual Alumni meeting last year in June, Nineteen Twenty, several former students of the Tempe Normal School were made honorary members. These people had attended the Normal, but were unable to complete the course. They are as follows:  
Judge R. C. Stanford, Phoenix.  
Frank W. Griffin, Phoenix. (President of Chamber of Commerce.)  
Walter Shute, Globe, Lawyer.

**Rays of Sunshine**

We editors may dig and toil  
'Til our finger tips are sore  
But some poor fish is sure to say,  
"I've heard that joke before."

Mary F. (to second-grader)—Now, Harry, don't let me speak to you again.  
Harry (with that innocent look)—How can I stop you, ma'am?

Mr. Christy—(dictating in undertone)—Wouldn't I make a good preacher?  
Voice heard in rear of room—Yes; all that is lacking is the religion.

If a body see a body  
Thinking on a quiz,  
If a body help a body  
Is it a teacher's "biz".

**Almost Total**  
First Prof.—I lost half of my week's wages yesterday.  
Second Ditto—What did you do with the other two dollars?

Brogan—What's the difference between a dance and dawnce?  
Tony—About four bucks.

Rollins—How many years can a man live without brains?  
F. Webb—I don't know, exactly; how old are you?

Prof—What is a vacuum?  
Nix (excited)—I know Cap.; I have it in my head but I can't just think of it.

I felt his soft breath on my cheek  
And the gentle touch of his hand—  
His very presence near me  
Seemed a breeze on the desert sand.  
He deftly sought my lips  
My head he did enfold,  
Then he broke the silence with,  
"Shall the filling be silver or gold?"

A foreigner had just arrived in America. He was handed an information card to fill out. This is what he wrote:

Name—Alphonse Leweski.  
Born—Yes.  
Business—Rotten.

Small Man—Have you plenty of room, madam?  
Fat Lady—Yes, thank you.  
Small Man—Well, then, give me a little, please.

Charlotte—What was the first talking machine made of?  
Dan—From a rib?

**The End**  
"I just got fired."  
"What for?"  
"For good."

Teacher—Now, "ous" on the end of a word means "full off" For example, "jealous" means full of jealousy. Willie, give another example.  
Willie (smacking his lips)—"Pi(e)-ous".

The Golden Calf was worshipped by The Israelitish ilk  
Today we see men idolize  
The calf encased in silk.

Good heavens! daughter, what's the matter with your ear?  
Nothing, silly; just a leaky fountain pen in Jack's vest pocket.

In Kindergarten Technic class:  
Mrs. Zeller—Where do you look for cleanliness?  
Deanie—Behind the ears.

Billie, in music class, copying rote song from board—"I'm one note short."  
Marge—"Which note is it?"  
Billy—"The do."

**Strange**  
One hundred years ago,  
And in the wilderness here,  
The man with powder in his gun  
Went out to hunt the deer.  
But now that times have changed and run  
Upon another plan,  
The dear with powder on her face,  
Goes out to hunt the man. —Ex.

"Do you think my son is ripe for musical honors?"  
"Ripe? No, sir; he's rotten."

Freshie—Do you serve lobsters here?  
Waiter—Yes, we serve anyone; sit right down.

"What is the moral of the Monroe doctrine?"  
"Shimmy on your own side."

Pat had fallen from a ten-story building and was all in a heap. Dennis sent for a doctor. The practitioner arrived, bent over the limp form and said:  
"I believe he's dead."  
Pat rolled his eyes and wailed:  
"I'm not dead."  
"Shut up," said Dennis. "The doctor knows best."

**A WISE STUDENT**  
Among a collection of samples of a school boy's compositions, the following are gleaned:  
Chivalry is when you feel cold.  
A thermometer is a glass tube that regulates the weather.

An axiom is a thing that is so visible that it is not necessary to see it.  
Things which are equal to other things are equal to one another.  
The zenith is a quadruped living in the interior of Africa.

If care is not taken with dusty corners, microscopes will breed there.  
Queen Elizabeth's face was thin and pale, but she was a stout Protestant.  
An abstract noun is the name of something which does not exist, such as goodness.

**Exams.**  
Questions to the right of me.  
Questions to the left of me.  
Questions in front of me  
Written and thundered.

Stormed at with "why" and "tell,"  
Bold I wrote—and well,  
But into the jaws of death,  
Into the mouth of hell,  
Rode my 100.

Mountaineer—Four living; one married.

She—He married money.  
He—Wasn't there a woman attached to it?  
She—Yes, very much attached, as he found out later.
